## GRANT OF TRADEMARK SECURITY INTEREST

WHEREAS, ELECTRONIC CONNECTOR CORPORATION OF ILLINOIS, an Illinois corporation (“Grantor”), owns and uses in its business, and will in the future adopt and so use, various intangible assets, including the Trademark Collateral (as defined below); and

WHEREAS, Arris International, Inc., a Delaware corporation (“Company”), Arris Interactive L.L.C., a Delaware limited liability company (“Arris Interactive”), and certain Subsidiaries of Company (Company, Arris Interactive and each such Subsidiary, a “Borrower” and collectively, the “Borrowers”), have entered into a Credit Agreement dated as of August 3, 2001 (said Credit Agreement, as it may heretofore have been and as it may hereafter be amended, supplemented, restated or otherwise modified from time to time, being the “Credit Agreement”) with the financial institutions named therein (collectively, together with their respective successors and assigns party to the Credit Agreement from time to time, the “Lenders”), Credit Suisse First Boston, as syndication agent for the Lenders, lead arranger and book running manager, and The CIT Group/Business Credit, Inc., as Administrative Agent for the Lenders (in such capacity, “Secured Party”) pursuant to which Lenders have made certain commitments, subject to the terms and conditions set forth in the Credit Agreement, to extend certain credit facilities to Borrowers; and

WHEREAS, Grantor has executed and delivered that certain Borrowers’ Guaranty dated as of August 3, 2001 (said Borrowers’ Guaranty, as it may hereafter be amended, supplemented or otherwise modified from time to time, being the “Guaranty”) in favor of Secured Party for the benefit of Lenders, pursuant to which Grantor has guaranteed the prompt payment and performance when due of all obligations of Borrowers under the Credit Agreement and the other Loan Documents, including, without limitation, the obligation of Borrowers to make payments thereunder in the event of early termination thereof; and

WHEREAS, pursuant to the terms of a Security Agreement dated as of August 3, 2001 (as amended, supplemented or otherwise modified from time to time, the “Security Agreement”) among Grantor, Secured Party and the other grantors named therein, Grantor has agreed to create in favor of Secured Party a secured and protected interest in, and Secured Party has agreed to become a secured creditor with respect to, the Trademark Collateral;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, subject to the terms and conditions of the Security Agreement, Grantor hereby grants to Secured Party a security interest in all of Grantor’s right, title and interest in and to the following, in each case whether now or hereafter existing or in which Grantor now has or hereafter acquires an interest and wherever the same may be located (the “Trademark Collateral”):

all rights, title and interest (including rights acquired pursuant to a license or otherwise but only to the extent permitted by agreements governing such license or other use) in and to all

trademarks, service marks, designs, logos, indicia, tradenames, trade dress, corporate names, company names, business names, fictitious business names, trade styles and/or other source and/or business identifiers and applications pertaining thereto, owned by such Grantor, or hereafter adopted and used, in its business (including, without limitation, the trademarks specifically identified in Schedule A) (collectively, the “**Trademarks**”), all registrations that have been or may hereafter be issued or applied for thereon in the United States and any state thereof and in foreign countries (including, without limitation, the registrations and applications specifically identified in Schedule A) (the “**Trademark Registrations**”), all common law and other rights (but in no event any of the obligations) in and to the Trademarks in the United States and any state thereof and in foreign countries (the “**Trademark Rights**”), and all goodwill of such Grantor’s business symbolized by the Trademarks and associated therewith (the “**Associated Goodwill**”); and

all proceeds, products, rents and profits of or from any and all of the foregoing Trademark Collateral and, to the extent not otherwise included, all payments under any indemnity, warranty or guaranty, payable by reason of loss or damage to or otherwise with respect to any of the foregoing Trademark Collateral. For purposes of this Grant of Trademark Security Interest, the term “**proceeds**” includes (i) whatever is acquired upon the sale, lease, license, exchange, or other disposition of Trademark Collateral; (ii) whatever is collected on, or distributed on account of, Trademark Collateral; (iii) rights arising out of Trademark Collateral; (iv) to the extent of the value of the Trademark Collateral, claims arising out of the loss, nonconformity, or interference with the use of, defects or infringement of rights in, or damage to, the Trademark Collateral; and (v) to the extent of the value of Trademark Collateral and to the extent payable to the Grantor or Secured Party, insurance payable by reason of the loss or nonconformity of, defects or infringement of rights in, or damage to, the Trademark Collateral..

Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include, and Grantor shall be not deemed to have granted a security interest in, any of Grantor’s rights or interests in any license, contract or agreement to which Grantor is a party or any of its rights or interests thereunder to the extent, but only to the extent, that such a grant would, under the terms of such license, contract or agreement or otherwise, result in a breach of the terms of, or constitute a default under any license, contract or agreement to which Grantor is a party (other than to the extent that any such term would be rendered ineffective pursuant to Section 9-406 of the UCC or any other applicable law (including the Bankruptcy Code) or principles of equity); provided that immediately upon the ineffectiveness, lapse or termination of any such provision, the Trademark Collateral shall include, and Grantor shall be deemed to have granted a security interest in, all such rights and interests as if such provision had never been in effect.

Grantor does hereby further acknowledge and affirm that the rights and remedies of Secured Party with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

*[Remainder of page intentionally left blank]*

IN WITNESS WHEREOF, Grantor has caused this Grant of Trademark Security Interest to be duly executed and delivered by its officer thereunto duly authorized as of the 3<sup>rd</sup> day of August, 2001.
