6. Royalties. Grantor hereby agrees that the use by Bank of the Trademarks and Licenses as authorized hereunder in connection with Bank's exercise of its rights and remedies under paragraph 14 or pursuant to the Loan Agreement shall be coextensive with Grantor's rights thereunder and with respect thereto and without any liability for royalties or other related charges from Bank to Grantor.

7. Further Assignments and Security Interests. From and after the occurrence of, and during the continuation of, a Default, Grantor agrees that Bank, or a conservator appointed by Bank, shall have the right to establish such reasonable additional product quality controls as Bank or such conservator, in its sole and absolute judgment, may deem necessary to assure maintenance of the quality of products sold by Grantor under the Trademarks and the Licenses or in connection with which such Trademarks and Licenses are used. Grantor agrees (i) not to sell or assign its respective interests in, or grant any license under, the Trademarks or the Licenses without the prior and express written consent of Bank, (ii) to maintain the quality of such products as of the date hereof, and (iii) not to change the quality of such products in any material respect without Bank's prior and express written consent; provided, however, that Grantor may grant a license to any of its subcontractors in the ordinary course of business.

8. Nature and Continuation of Bank's Security Interest; Termination of the Security Interest. This Agreement is made for collateral security purposes only. This Agreement shall create a continuing security interest in the Trademarks and Licenses and shall terminate only when the Obligations have been paid in full in cash. When this Agreement has terminated, Bank

shall promptly execute and deliver to Grantor, at Grantor's expense, all termination statements and other instruments as may be necessary or proper to terminate Bank's security interest in the Trademarks and the Licenses, subject to any disposition thereof which may have been made by Bank pursuant to this Agreement or the Loan Agreement.

9. Duties of Grantor. Grantor shall have the duty, to the extent material to the normal conduct of Grantor's business, to: (i) prosecute diligently any trademark application or service mark application that is part of the Trademarks pending, as of the date hereof or hereafter until the termination of this Agreement; and (ii) make application for trademarks or service marks. Grantor further agrees (i) not to abandon any Trademark or License material to Grantor's normal business without the prior written consent of Bank and (ii) to use its best efforts to maintain in full force and effect the Trademarks and the Licenses that are or shall be material to the operation of Grantor's business. Any expenses incurred in connection with the foregoing shall be borne by Grantor. Neither Bank nor any of the Obligations shall have any duty with respect to the Trademarks and Licenses. Without limiting the generality of the foregoing, Bank shall not be under an obligation to take any steps necessary to preserve rights in the Trademarks or Licenses against any other parties, but Bank may do so at its option from and after the occurrence of a Default, and all expenses incurred in connection therewith shall be for the sole account of Grantor and shall be added to the Obligations secured hereby.

10. Bank's Right to Sue. From and after the occurrence of an Event of Default, Bank shall have the right, but shall not be obligated, to bring suit in its own name to enforce the Trademarks and the Licenses and, if Bank shall commence any such suit, Grantor shall, at the request of Bank, do any and all lawful acts and execute any and all proper documents required by Bank in aid of such enforcement. Grantor shall, upon demand, promptly reimburse Bank for all costs and expenses incurred by Bank in the exercise of its rights under this paragraph 10 (including, without limitation, reasonable fees and expenses of attorneys and paralegals for Bank).

11. Waivers. Bank's failure, at any time or times hereafter, to require strict performance by Grantor of any provision of this Agreement shall not waive, affect or diminish any right of Bank thereafter to demand strict compliance and performance therewith nor shall any course of dealing between Grantor and Bank have such effect. No single or partial exercise of any right hereunder shall preclude any other or further exercise thereof or the exercise of any other right. None of the undertakings, agreements, warranties, covenants and representations of Grantor contained in this Agreement shall be deemed to have been suspended or waived by Bank unless such suspension or waiver is in writing signed by an officer of Bank and directed to Grantor specifying such suspension or waiver.

12. Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but the provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part hereof, in such jurisdiction, and shall not in any

manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

13. Modification. This Agreement cannot be altered, amended or modified in any way, except as specifically provided in paragraph 5 hereof or by a writing signed by the parties hereto.

14. Cumulative Remedies: Power of Attorney. Grantor, subject to Baxter's rights, if any, hereby irrevocably designates, constitutes and appoints Bank (and all Persons designated by Bank in its sole and absolute discretion) as Grantor's true and lawful attorney-in-fact, and authorizes Bank and any of Bank's designees, in Grantor's or Bank's name, from and after the occurrence of, and during the continuation of, an Event of Default and the giving by Bank of notice to Grantor of Bank's intention to enforce its rights and claims against Grantor, to (i) endorse Grantor's name on all applications, documents, papers and instruments necessary or desirable for Bank in the use of the Trademarks or the Licenses, (ii) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks or the Licenses to anyone on commercially reasonable terms, (iii) grant or issue any exclusive or nonexclusive license under the Trademarks or, to the extent permitted, under the Licenses, to anyone on commercially reasonable terms, and (iv) take any other actions with respect to the Trademarks or the Licenses as Bank deems in its best interest. Grantor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable until all of the Obligations shall have been paid in full in cash. Grantor acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of Bank under the Loan Agreement, but rather is intended to facilitate the exercise of such rights and remedies.

Subject to the limitations set forth herein, or in the Loan Agreement, Bank shall have, in addition to all other rights and remedies given it by the terms of this Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Trademarks or the Licenses may be located or deemed located. Upon the occurrence of a Default and the election by Bank to exercise any of its remedies under Section 9-504 or Section 9-505 of the Uniform Commercial Code with respect to the Trademarks and Licenses, Grantor agrees to assign, convey and otherwise transfer title in and to the Trademarks and the Licenses to Bank or any transferee of Bank and to execute and deliver to Bank or any such transferee all such agreements, documents and instruments as may be necessary, in Bank's sole discretion, to effect such assignment, conveyance and transfer. All of Bank's rights and remedies with respect to the Trademarks and the Licenses, whether established hereby, by the Loan Agreement, by any other agreements or by law, shall be cumulative and may be exercised separately or concurrently. Notwithstanding anything set forth herein to the contrary, it is hereby expressly agreed that upon the occurrence of an Event of Default, Bank may exercise any of the rights and remedies provided in this Agreement, the Loan Agreement and any of the other documents between Grantor and Bank. Grantor agrees that any notification of intended disposition of any of the Trademarks and Licenses required by law shall be deemed reasonably and properly given if given at least ten (10)

days before such disposition; provided, however, that Bank may give any shorter notice that is commercially reasonable under the circumstances.

15. Successors and Assigns. This Agreement shall be binding upon Grantor and its successors and assigns, and shall inure to the benefit of Bank and its nominees, successors and assigns. Grantor's successors and assigns shall include, without limitation, a receiver, trustee or debtor-in-possession of or for Grantor; provided, however, that Grantor shall not voluntarily assign or transfer its rights or obligations hereunder without Bank's prior written consent.

16. Governing Law. This Agreement shall be construed and enforced and the rights and duties of the parties shall be governed by in all respects in accordance with the internal laws (as opposed to conflict of laws provisions) and decisions of the State of Illinois.
