APR 17 2001

BILL JONES, Secretary of State

JOHN DI GIOIA and WILLIAM L. STEPHAN hereby certify that:

I. They are the President and Secretary, respectively, of DATRON/TRANSCO INC., a California corporation (the "Corporation").

II. The articles of incorporation of this Corporation are amended and restated to read as follows:

First: The name of this corporation is Datron Advanced Technologies Inc.

Second: The purpose of this Corporation is to engage in any lawful act or activity for which a corporation may be organized under the General Corporation Law of California other than the banking business, the trust company business or the practice of a profession permitted to be incorporated by the California Corporations Code.

Third: This Corporation is authorized to issue one class of shares, all of which shall be known as Common Stock. The total number of shares which this corporation is authorized to issue is 100 shares.

Fourth: The liability of the directors of this corporation for monetary damages shall be eliminated to the fullest extent permissible under California law. This corporation is also authorized, to the fullest extent permissible under California law, to indemnify its agents (as defined in Section 317 of the California Corporations Code), whether by by-law, agreement or otherwise, for breach of duty to this corporation and its shareholders in excess of that expressly permitted by Section 317 and to advance defense expenses to its agents in connection with such matters as they are incurred, subject to the limits on such excess indemnification set forth in Section 204 of the California Corporations Code. If, after the effective date of this Article, California law is amended in a manner which permits a corporation to limit the monetary or other liability of its directors or to authorize indemnification of, or advancement of such defense expenses to, its directors or other persons, in any such case to a greater extent than is permitted on such effective date, the references in this Article to "California law" shall to that extent be deemed to refer to California law as so amended.

III. The foregoing amendment and restatement of the articles of incorporation has been duly approved by the Board.

IV. The foregoing amendment and restatement of the articles of incorporation has been duly approved by the required vote of shareholders in accordance with Section 902 of the California Corporations Code. The total number of outstanding shares of the corporation is 100. The number of shares voting in favor of the amendment equaled or exceeded the vote required, which was more than 50%.

We further declare under penalty of perjury under the laws of the State of California that the matters set forth in this certificate are true to our knowledge.
