Such assignment need not be filed of public record unless necessary to continue the perfected status of the security interest against creditors of and transferees from the Account Debtor or other Person granting the security interest.

4.6 Continuing Obligations of the Grantors.

The Grantors shall remain liable to observe and perform all the conditions and obligations to be observed and performed by it under each contract, agreement or instrument relating to the Collateral, all in accordance with the terms and conditions thereof, and each Grantor agrees to indemnify and hold harmless the Collateral Agent from and against any and all liability for such performance.

4.7 Limitation on Modification of Accounts.

During the continuation of an Event of Default, no Grantor shall without the Collateral Agent's prior written consent, grant any extension of the time of payment of any of the Accounts Receivable, compromise, compound or settle the same for less than the full amount thereof, release, wholly or partly, any Person liable for the payment thereof or allow any credit or discount whatsoever thereon, other than extensions, credits, discounts, compromises or settlements granted or made in the ordinary course of business and consistent with its current practices and in accordance with such prudent and standard practices used in industries that are the same as or similar to those in which such Grantor is engaged.

4.8 Legend.

Each Grantor shall legend, in form and manner reasonably satisfactory to the Collateral Agent, its Accounts Receivable and its books, records and documents evidencing or pertaining thereto with an appropriate reference to the fact that such Accounts Receivable have been assigned to the Collateral Agent for the benefit of the New Secured Parties and that the Collateral Agent has a security interest therein.

4.9 Use and Disposition of Collateral.

No Grantor shall make or permit to be made an assignment, pledge or hypothecation of the Collateral or shall grant any other Lien in respect of the Collateral, except for Permitted

Liens. Unless and until the Collateral Agent for the benefit of the New Secured Parties, shall notify the Grantors that (i) an Event of Default (as defined in the New Debentures) shall have occurred and be continuing and (ii) during the continuance thereof no Grantor shall sell, convey, lease, assign, transfer or otherwise dispose of any Collateral (which notice may be given by telephone if promptly confirmed in writing), each Grantor may use and dispose of the Collateral in any lawful manner not inconsistent with the provisions of this Agreement, the New Debentures or any other Financing Document. Without limiting the generality of the foregoing, each Grantor agrees that it shall not permit any Collateral to be in the possession or control of any warehouseman, bailee, agent or processor at any time, other than Collateral that is in transit by any means, unless such warehouseman, bailee, agent or processor shall have been notified of the Security Interest and each Grantor shall have obtained therefrom a written agreement in form and substance reasonably satisfactory to the Collateral Agent and the Required Investors to hold the Grantor subject to the New Debenture Security Interest and the instructions of the Collateral Agent and to waive and release any Lien held by it with respect to such Collateral, whether arising by operation of law or otherwise.

4.10 Covenants Regarding Patent, Trademark and Copyright Collateral.

(a) Each Grantor agrees that it will not, nor will it permit any of its licensees to, do any act, or omit to do any act, whereby any Patent which is material to the conduct of such Grantor's business may become invalidated or dedicated to the public, and agrees, to the extent practicable, that it shall continue to mark any products covered by a Patent with the relevant patent number as necessary and sufficient to establish and preserve its maximum rights under applicable patent laws.

(b) Each Grantor (either itself or through its licensees or its sublicensees) will, for each Trademark material to the conduct of such Grantor's business, (i) maintain such Trademark in full force free from any claim of abandonment or invalidity for non-use, (ii) maintain the quality of products and services offered under such Trademark, (iii) display such Trademark with notice of Federal or foreign registration to the extent necessary and sufficient to establish and preserve its maximum rights under applicable law and (iv) not knowingly use or knowingly permit the use of such Trademark in violation of any third party rights.

(c) Each Grantor (either itself or through licensees) will, for each work covered by a material Copyright, continue to publish, reproduce, display, adopt and distribute the work with appropriate copyright notice as necessary and sufficient to establish and preserve its maximum rights under applicable copyright laws.

(d) Each Grantor shall notify the Collateral Agent promptly if it knows that any Patent, Trademark or Copyright material to the conduct of its business may become abandoned, lost or dedicated to the public, or of any adverse determination or development (including the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office or United States Copyright Office) regarding such Grantor's ownership of any Patent, Trademark or Copyright, its right to register the same, or to keep and maintain the same.

(e) In no event shall any Grantor, either itself or through any agent, employee, licensee or designee, file an application for any Patent, Trademark or Copyright (or for the registration of any Trademark or Copyright) with the United States Patent and Trademark Office, United States Copyright Office or any office or agency in any political subdivision of the United States, unless it promptly informs the Collateral Agent, and, upon request of the Collateral Agent, executes and delivers any and all agreements, instruments, documents and papers as the Collateral Agent may request to evidence the Collateral Agent's security interest in such Patent, Trademark or Copyright, and each Grantor hereby appoints the Collateral Agent as its attorney-in-fact to execute and file such writings for the foregoing purposes (and, prior to the occurrence of any Event of Default or Default (as defined in the New Debentures), such Grantors shall be notified of such filing), all acts of such attorney being hereby ratified and confirmed; such power, being coupled with an interest, is irrevocable.

(f) Each Grantor will take all necessary steps that are consistent with the practice in any proceeding before the United States Patent and Trademark Office, United States Copyright Office or any office or agency in any political subdivision of the United States, to maintain and pursue each material application relating to the Patents, Trademarks and/or Copyrights (and to obtain the relevant grant or registration) and to maintain each issued Patent and each registration of the Trademarks and Copyrights that is material to the conduct of any Grantors' business, including timely filings of applications for renewal, affidavits of use, affidavits of incontestability and payment of maintenance fees, and, if consistent with good business judgment, to initiate opposition, interference and cancellation proceedings against third parties.

(g) In the event that any Grantor has reason to believe that any Collateral consisting of a Patent, Trademark or Copyright material to the conduct of any Grantors' business has been or is about to be infringed, misappropriated or diluted by a third party, such Grantors promptly shall notify the Collateral Agent and shall, if consistent with good business judgment, promptly sue for infringement, misappropriation or dilution and to recover any and all damages for such infringement, misappropriation or dilution, and take such other actions as are appropriate under the circumstances to protect such Collateral.

(h) Upon and during the continuance of an Event of Default (as defined in the New Debentures), each Grantor shall use its reasonable commercial efforts to obtain all requisite consents or approvals by the licensor of each Copyright License, Patent License or Trademark License to effect the assignment of all of such Grantor's right, title and interest thereunder to the Collateral Agent or its designees.

ARTICLE V

POWER OF ATTORNEY

Each Grantor irrevocably makes, constitutes and appoints the Collateral Agent for the benefit of the New Secured Parties (and all officers, employees or agents designated by the Collateral Agent) as such Grantor's true and lawful agent and attorney-in-fact, and in such capacity the Collateral Agent shall have the right, with power of substitution for each Grantor and in each Grantor's name or otherwise, for the use and benefit of the Collateral Agent for the

benefit of the New Secured Parties, upon the occurrence and during the continuance of an Event of Default (as defined in the New Debentures) (a) to receive, endorse, assign and/or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof; (b) to demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the Collateral; (c) to sign the name of any Grantor on any invoice or bill of lading relating to any of the Collateral; (d) to send verifications of Accounts Receivable to any Account Debtor; (e) to commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral; (f) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral; (g) to notify, or to require any Grantor to notify, Account Debtors to make payment directly to the Collateral Agent for the benefit of the New Secured Parties; and (h) to use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement, as fully and completely as though the Collateral Agent for the benefit of the New Secured Parties, were the absolute owner of the Collateral for all purposes; provided, however, that nothing herein contained shall be construed as requiring or obligating the Collateral Agent to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Collateral Agent, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby, and no action taken or omitted to be taken by the Collateral Agent with respect to the Collateral or any part thereof shall give rise to any defense, counterclaim or offset in favor of any Grantor or (unless such action is the result of gross negligence or willful misconduct) to any claim or action against the Collateral Agent. It is understood and agreed that the appointment of the Collateral Agent as the agent and attorney-in-fact of the Grantors for the purposes set forth above is coupled with an interest and is irrevocable. The provisions of this Section shall in no event relieve any Grantor of any of its obligations hereunder or under any other New Debenture Documents with respect to the Collateral or any part thereof or impose any obligation on the Collateral Agent to proceed in any particular manner with respect to the Collateral or any part thereof, or in any way limit the exercise by the Collateral Agent of any other or further right which it may have on the date of this Agreement or hereafter, whether hereunder, under any New Debentures, by law or otherwise.

ARTICLE VI

REMEDIES

6.1 Remedies upon Default.

(a) Upon the occurrence and during the continuance of an Event of Default (as defined in the New Debentures), each Grantor agrees to deliver each item of Collateral to the Collateral Agent for the benefit of the New Secured Parties on demand, and it is agreed that the Collateral Agent for the benefit of the New Secured Parties shall have the right to take any of or all the following actions at the same or different times: (a) with respect to any Collateral consisting of Intellectual Property, on demand, to cause the New Debenture Security Interest to become an assignment, transfer and conveyance of any of or all such Collateral by the applicable

Grantors to the Collateral Agent for the benefit of the New Secured Parties, or to license or sublicense, whether general, special or otherwise, and whether on an exclusive or non-exclusive basis, any such Collateral throughout the world on such terms and conditions and in such manner as the Collateral Agent shall determine (other than in violation of any then-existing licensing or contractual arrangements to the extent that waivers cannot be obtained), and (b) with or without legal process and with or without prior notice or demand for performance, to take possession of the Collateral and without liability for trespass to enter any premises where the Collateral may be located for the purpose of taking possession of or removing the Collateral and, generally, to exercise any and all rights afforded to a secured party under the UCC or other applicable law. Without limiting the generality of the foregoing, each Grantor agrees that the Collateral Agent shall have the right, subject to the mandatory requirements of applicable law, to sell or otherwise dispose of all or any part of the Collateral, at public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery as the Collateral Agent shall deem appropriate. The Collateral Agent shall be authorized at any such sale (if it deems it advisable to do so) to restrict the prospective bidders or purchasers to persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and upon consummation of any such sale the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the property sold absolutely, free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by law) all rights of redemption, stay and appraisal which such Grantor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted.

(b) The Collateral Agent shall give the Grantors 10 days' prior written notice (which each Grantor agrees is reasonable notice within the meaning of Section 9-611 of the UCC or its equivalent in other jurisdictions) of the Collateral Agent's intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Collateral Agent may fix and state in the notice (if any) of such sale. At any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Collateral Agent may (in its sole and absolute discretion) determine. The Collateral Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Collateral Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case any sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Collateral Agent until the sale price is paid by the purchaser or purchasers thereof, but the Collateral Agent shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice. At any public (or, to the extent permitted by law, private) sale made pursuant to this Section, any Collateral Agent for the benefit of the New Secured Parties may bid for or purchase, free (to the extent

permitted by law) from any right of redemption, stay, valuation or appraisal on the part of any Grantor (all said rights being also hereby waived and released to the extent permitted by law), the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to such Collateral Agent from any Grantor as a credit against the purchase price, and such Collateral Agent may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to any Grantor therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Collateral Agent shall be free to carry out such sale pursuant to such agreement and no Grantor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Collateral Agent shall have entered into such an agreement all Events of Default (or defined in the New Debentures) shall have been remedied and the New Debenture Obligations paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Collateral Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver.

6.2 Application of Proceeds.

The Collateral Agent shall apply the proceeds of any collection or sale of the Collateral, as well as any Collateral consisting of cash, as required pursuant to the terms of the Collateral Agency and Intercreditor Agreement.

The Collateral Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement and the Collateral Agency and Intercreditor Agreement. Upon any sale of the Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent, Secured Parties, or such officer or be answerable in any way for the misapplication thereof.

6.3 Grant of License to Use Intellectual Property.

For the purpose of enabling the Collateral Agent to exercise rights and remedies under this Article at such time as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby grants to the Collateral Agent for the benefit of the Secured Parties an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to the Grantors) to the extent that such license does not violate any then existing licensing arrangements (to the extent that waivers cannot be obtained) to use, license or sub-license any of the Collateral consisting of Intellectual Property now owned or hereafter acquired by such Grantor, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof and sufficient rights of quality control in favor of Grantor to avoid the invalidation of the Trademarks subject to the license. The use of such license by the Collateral Agent shall be exercised, at the option of

the Collateral Agent upon the occurrence and during the continuation of an Event of Default (as defined in the New Debentures); provided that any license, sub-license or other transaction entered into by the Collateral Agent in accordance herewith shall be binding upon the Grantors notwithstanding any subsequent cure of an Event of Default (as defined in the New Debentures).

ARTICLE VII

MISCELLANEOUS

7.1 Notices.

All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 8.3 of the Purchase Agreement. Any notice properly delivered to the Borrower shall be deemed notice properly delivered to eXstatic.

7.2 Security Interest Absolute.

All rights of the Collateral Agent hereunder, the New Debenture Security Interest and all obligations of the Grantors hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the New Debentures, any New Debentures Document, any agreement with respect to any of the New Debenture Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the New Debenture Obligations, or any other amendment or waiver of or any consent to any departure from the New Debentures, any New Debentures Document or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the New Debenture Obligations, or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Grantors in respect of the New Debenture Obligations or this Agreement (other than payment in full of the New Debenture Obligations or the conversion of all (and not part) of the New Debentures into common stock of Exchange in accordance with the terms hereof).

7.3 Survival of Agreement.

All covenants, agreements, representations and warranties made by the Grantors herein and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the Collateral Agent and the New Secured Parties and shall survive the consummation of the transactions contemplated by the New Debenture Documents, and the execution and delivery to the New Secured Parties of the New Debentures, regardless of any investigation made by the Collateral Agent or on their behalf, and shall continue in full force and effect until this Agreement shall terminate.

7.4 Binding Effect Assignment.

This Agreement shall be binding upon the Grantors and the Collateral Agent for the benefit of the New Secured Parties and their respective successors and assigns, and shall inure to the benefit of the Grantors, the Collateral Agent for the benefit of the New Secured Parties and

their respective successors and assigns, except that no Grantor shall have the right to assign or transfer its rights or obligations hereunder or any interest herein or in the Collateral (and any such assignment or transfer shall be void) except as expressly contemplated by this Agreement or the other New Debenture Documents.

7.5 Successors and Assigns.

Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the successors and assigns of such party; and all covenants, promises and agreements by or on behalf of the Grantors or the Collateral Agent for the benefit of the New Secured Parties that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns.

7.6 Collateral Agent' Expenses; Indemnification.

(a) The Grantors agree to pay upon demand to the Collateral Agent the amount of any and all reasonable expenses, including the reasonable fees, disbursements and other charges of its counsel and of any experts or agents, which the Collateral Agent may incur in connection with (i) the administration of this Agreement, (ii) the custody or preservation of, or the sale of, collection from or other realization upon any of the Collateral, (iii) the exercise, enforcement or protection of any of the rights of the Collateral Agent hereunder or (iv) the failure of the Grantors to perform or observe any of the provisions hereof.

(b) Without limitation of its indemnification obligations under the New Debenture Documents, the Grantors jointly and severally agrees to indemnify the Collateral Agent against, and hold each of them harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable fees, disbursements and other charges of counsel, incurred by or asserted against any of them arising out of, in any way connected with, or as a result of, the execution, delivery or performance of this Agreement or any claim, litigation, investigation or proceeding relating hereto or to the Collateral is a party thereto; provided that such indemnity shall not, as to the Collateral Agent, be available to the extent that such losses, claims, damages, liabilities or related expenses have resulted from the gross negligence or willful misconduct of the Collateral Agent.

(c) Any such amounts payable as provided hereunder or under the Collateral Agency or Intercreditor Agreement shall be additional New Debenture Obligations secured hereby and by the New Debenture Documents. The provisions of this Section 7.6 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other New Debentures, the consummation of the transactions contemplated hereby, the repayment of any of the New Debentures, the invalidity or unenforceability of any term or provision of this Agreement or any New Debentures, or any investigation made by or on behalf of the Collateral Agent. All amounts due under this Section 7.6 shall be payable on written demand therefor.

7.7 GOVERNING LAW.

THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

7.8 Waivers; Amendment.

(a) No failure or delay of the Collateral Agent in exercising any power or right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Collateral Agent hereunder and of the New Secured Parties, under the New Debenture Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provisions of this Agreement or any New Debentures Document or consent to any departure by the Grantors therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on the Grantors in any case shall entitle the Grantors to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Collateral Agent and the Grantors with respect to which such waiver, amendment or modification is to apply.

7.9 WAIVER OF JURY TRIAL.

EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE NEW DEBENTURE DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE NEW DEBENTURE DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 7.9.

7.10 Severability.

In the event any one or more of the provisions contained in this Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

7.11 Counterparts.

This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which when taken together shall constitute but one contract. Delivery of an executed signature page to this Agreement by facsimile transmission shall be effective as delivery of a manually executed counterpart hereof.

7.12 Headings.

Article and Section headings used herein are for the purpose of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

7.13 Jurisdiction; Consent to Service of Process.

(a) Each Grantor hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court or Federal court of the United States of America sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or the New Debenture Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Collateral Agent may otherwise have to bring any action or proceeding relating to this Agreement or the New Debenture Documents against the Grantors or its properties in the courts of any jurisdiction.

(b) Each Grantor hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the New Debenture Documents in any New York State court or Federal court of the United States of America sitting in New York City. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 7.1. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

7.14 Termination.

This Agreement and the New Debenture Security Interest shall terminate when all the New Debenture Obligations have been indefeasibly paid in full or all (and not part) of the New Debentures have been converted into common stock of Exchange, at which time the Collateral Agent shall execute and deliver to each Grantor, at each Grantor's expense, all UCC termination statements and similar documents which the Grantors shall reasonably request to evidence such

termination. Any execution and delivery of termination statements or documents pursuant to this Section 7.14 shall be without recourse to or warranty by the Collateral Agent.

7.15 Right of Set-Off.

Each Grantor hereby grants to the Collateral Agent for the benefit of the New Secured Parties a lien, security interest and right of setoff as security for all New Debenture Obligations to the New Secured Parties, whether now existing or hereafter arising upon and against all deposits, credits, collateral and property, now or hereafter in the possession, custody, safekeeping or control of the Collateral Agent or any entity under the control of the Collateral Agent. At any time after the occurrence and during the continuance of an Event of Default (as defined in the New Debentures), without demand or notice, the Collateral Agent may set off the same or any part thereof and apply the same to any liability or obligation of the Grantors and any guarantor even though unmaturred and regardless of the adequacy of any other collateral securing the loan. ANY AND ALL RIGHTS TO REQUIRE THE COLLATERAL AGENT TO EXERCISE ITS RIGHTS OR REMEDIES WITH RESPECT TO ANY OTHER COLLATERAL WHICH SECURES THE LOAN, PRIOR TO EXERCISING ITS RIGHT OF SETOFF WITH RESPECT TO SUCH DEPOSITS, CREDITS OR OTHER PROPERTY OF THE GRANTORS OR ANY GUARANTOR, ARE HEREBY KNOWINGLY, VOLUNTARILY AND IRREVOCABLY WAIVED.

7.16 Collateral Agency and Intercreditor Agreement Controls.

Notwithstanding anything contrary herein or in the New Debenture Documents, the rights, benefits, priorities and interests of the Collateral Agent and the New Secured Parties (including, without limitation, with respect to the Collateral, the Proceeds thereof and exercise of rights, powers and remedies) shall be subject in all respects to the provisions of the Collateral Agency and Intercreditor Agreement. Each of the New Secured Parties, by its acceptance of the benefits hereof, (a) agrees to the terms and provisions hereof and of the Collateral Agency and Intercreditor Agreement, and (b) together with each Grantor, hereby acknowledges and agrees that the Collateral Agent (i) is acting for the benefit and at the direction of the New Secured Parties and, to the extent provided in the Collateral Agency and Intercreditor Agreement, the Existing Investors pursuant to the Collateral Agency and Intercreditor Agreement and (ii) shall have no liabilities or obligations hereunder except as expressly provided in the Collateral Agency and Intercreditor Agreement.
