GRANT OF SECURITY INTEREST AND MORTGAGE OF TRADEMARKS

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, **SNYDER INTERNATIONAL BREWING GROUP, LLC**, an Ohio limited liability company ("Grantor") with principal offices at 1940 E. 6th Street, 2nd Floor, Cleveland, Ohio 44114, hereby assigns, grants and mortgages to **KEYBANK NATIONAL ASSOCIATION**, a national banking association ("Grantee"), whose principal address is 127 Public Square, Cleveland, Ohio 44114, a security interest in (i) all of the Grantor's right, title, and interest in and to the trademarks, trademark registrations, and trademark applications now owned or hereafter acquired by Grantor ("Trademarks") each and every one of which is now or will be added to and included in Exhibit A attached hereto, together with (ii) all proceeds and products of the Trademarks, (iii) the goodwill of the business symbolized by the Trademarks, and (iv) all causes of action arising prior to or after the date hereof for infringement of any of the Trademarks or unfair competition regarding the same.

Grantor authorizes Assignee to modify Exhibit A to include any future Trademarks of the Grantor. Grantor shall promptly notify Grantee of any new Trademarks in order to facilitate Grantee's rights under this paragraph.

This Agreement is entered into to secure the full and prompt performance and payment of all of the Obligations of the Grantor, as such term is defined in the Letter Agreement dated August 27, 1999, and the Letter Agreement dated February 11, 2000, by and between Grantor and Grantee, including any partial or total amendment, renewal, restatement, extension, or substitution thereof or therefor ("Loan Agreement"). Upon the satisfaction of all of the Obligations in full, the Grantee shall, upon such satisfaction, execute, acknowledge, and deliver to the Grantor such statements, documents, or other instruments in writing as may be reasonably requested by the Grantor releasing the security interest and mortgage in the Trademarks granted by this Agreement.

This Agreement has been entered into in conjunction with the security interest granted to the Grantee under the Loan Agreement. The rights and remedies of the Grantee with respect to the security interest granted herein are without prejudice to, and are in addition to those granted in the Loan Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Agreement are deemed to conflict with the Loan Agreement, the provisions of the Loan Agreement shall govern.

In witness whereof, the parties hereto have executed this Agreement as of June 11, 2001.
