TRADEMARK SECURITY AGREEMENT

As of October 4, 2001
(the "Effective Date")

ENVIRONMENTAL LIGHTING CONCEPTS, INC., a Delaware corporation, with its principal office address located at 1214 West Cass Street, Tampa, FL 33606 (the "Pledgor"), for value received, hereby assigns, conveys, transfers and grants a continuing lien and security interest in and to **THE BANK OF TAMPA, a Florida banking corporation**, with an address of 601 Bayshore Boulevard, Tampa, Florida 33606 (the "Lender") and **WACHOVIA BANK, N.A., a national banking association**, with its principal Florida banking office located at 100 North Tampa Street, Suite 4100, Tampa, Florida 33602 (the "Additional Secured Party") in the Trademark Collateral (as hereinafter defined) as security for the payment and performance of the respective Obligations (as hereinafter defined) of Pledgor to Bank and Additional Secured Party. The references in this Agreement to "Lender" shall include Additional Secured Party, as its interests may appear, and subject to the priority of Obligations secured as set forth in Section 2 of this Agreement.

WITNESSETH:

WHEREAS, Lender has agreed to grant a revolving line of credit to Pledgor in the maximum revolving principal amount of \$6,000,000.00 (the "Facility"), which Facility and the Commercial Revolving Promissory Note (the "Note") and Loan Agreement evidencing same (the "Loan Agreement") are secured by a certain "Security Agreement-Commercial" (as amended, supplemented, restated or otherwise modified from time to time, the "GSA") and other collateral documents evidencing, relating to and/or securing the Facility (herein collectively with the Note and the Swap Documents entered by and between Pledgor and Additional Secured Party sometimes herein collectively called the "Loan Documents"); and,

WHEREAS, the Pledgor owns the Trademarks and Trademark applications identified on **Schedule 1** attached hereto; and

WHEREAS, pursuant to the terms of the GSA, the Pledgor has assigned and transferred to the Lender and has granted to the Lender, for the ratable benefit of Lender and Additional Secured Party, a security interest in all assets of the Pledgor, excluding, however, the Excluded Interest (as defined in the GSA) and including all right, title and interest of the Pledgor in, to and under all now owned and hereafter acquired trademarks, trademark applications, trademark licenses, and all proceeds thereof as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of its Obligations (as defined in the GSA);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Pledgor hereby assigns and transfers to the Lender, and hereby grants to the Lender, for the ratable benefit of the Lender and the Additional Secured Party, a security interest in all of the following property now owned or at any time hereafter

acquired by the Pledgor or in which the Pledgor now has or at any time in the future may acquire any right, title or interest (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Pledgor's Obligations:

- (A) All agreements, written or oral, providing for the grant by or to the Pledgor of any right to use any Trademark (as hereinafter defined), including, without limitation, any of the foregoing referred to in Schedule 1 (collectively, the "Trademark Licenses");
- (B) (i) all trademarks (whether now owned or for which application has been made by Pledgor and as hereafter applied for or acquired by Pledgor), and all trade names, domain names, corporate names, company names, business names, fictitious business names, service marks, logos and other source or business identifiers, and the goodwill associated therewith, now owned or or hereafter acquired by Pledgor, all registrations and recordings of the foregoing, and all applications heretofore or hereafter made by Pledgor in connection therewith, whether in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof, or otherwise, including, without limitation, any of the foregoing referred to in Schedule 1, and (ii) the right to obtain all renewals of the foregoing (collectively, the "Trademarks");
- (C) all of Pledgor's right, title and interests in all products, royalties and proceeds of or received in connection with the foregoing, and all claims and rights to sue at law or in equity for any past, present or future (i) infringement, dilution or other impairment of the Trademarks or the Trademark Licenses, or (ii) injury to the goodwill associated with any Trademark or Trademark License, including the right to receive all proceeds and damages from the foregoing,

Pledgor hereby acknowledges and affirms that the rights and remedies of the Lender and the Additional Secured Party with respect to the security interest in the Trademark Collateral made and granted hereby are fully set forth in the GSA, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. This Agreement is intended to be supplemental to, and not in derogation of, the GSA and in the event of any conflict between the terms of this Agreement and the GSA, the terms and provisions of the GSA shall control.

The rights, powers, and remedies of Lender and Additional Secured Party under this Agreement shall be in addition to all rights, powers and remedies given to Lender and Additional Secured Party by virtue of statute, rule of law, any documents executed in conjunction with any agreement or instrument evidencing or securing the Obligations or any other agreement, all of which rights, powers and remedies shall be cumulative and may be exercised successively or

concurrently without impairing Lender's and Additional Secured Party's security interest in the Collateral. So long as the Swap Documents (as defined in the Loan Agreement between Pledgor and Lender of even date herewith, the "Loan Agreement") remain in full force and effect, upon the satisfaction in full of the Obligations of Pledgor (and any Subsidiaries, as defined in the Loan Agreement) to Lender under the terms and provisions of the Loan Agreement, all of the rights and remedies of the Lender under this Agreement shall inure to the sole benefit of Additional Secured Party and shall be exercised by the Additional Secured Party as though it were the Lender and sole secured party hereunder. Accordingly, this Agreement and any financing statements and security agreement filings with the United States Commissioner of Patents and Trademarks may be terminated only by written instrument acknowledged by both the Lender and the Additional Secured Party.
