Covenants

5.1 Nonassignable Contracts and Permits. Notwithstanding any other provision of this Agreement or the Ancillary Agreements, this Agreement shall not constitute an agreement to contribute or transfer to U.S. Robotics any agreement or any right thereunder, including with respect to any Intellectual Property, if an attempted contribution or transfer, without the consent of a third party, would constitute a breach or in any way adversely affect the rights of U.S. Robotics or 3Com thereunder. U.S. Robotics shall pay all costs, if any, payable by 3Com to any third parties and reasonably acceptable to U.S. Robotics in connection with the transfer of contract rights, licenses or sublicenses in connection with obtaining as such consent. Prior to the Cutover Date, 3Com shall use its reasonable best efforts to obtain such consents of third parties. If such consents are not obtained prior to the Cutover Date, 3Com and U.S. Robotics will cooperate in a mutually agreeable arrangement under which U.S. Robotics would obtain the benefits and assume the obligations thereunder in accordance with this Agreement, and U.S. Robotics shall pay all costs and expenses incurred by U.S. Robotics or 3Com in connection with such arrangement. In the event any 3Com Required Consents with respect to the transfer of any agreement or rights are obtained after the Closing Date, then such agreements shall be Assumed Contracts and such agreements and rights shall be 3Com Contributed Assets.

5.2 Access to Information, Confidentiality. Subject to the provision of the Mutual Nondisclosure Agreement of even date herewith, as amended from time to time, between 3Com and U.S. Robotics, U.S. Robotics will, with respect to the Acquired Business, from and after the date of this Agreement (and including and following the Closing Date), afford promptly to 3Com and its counsel, financial advisors, auditors and other authorized representatives reasonable access to its properties, books, records, employees and auditors to the extent necessary to permit 3Com to determine any matter relating to its rights and obligations hereunder or to any period ending on or before the Closing Date, including its financial ability to consummate the acquisition of the Acquired Business and the transactions contemplated hereby. U.S. Robotics acknowledges that it shall not have access to (i) confidential information that relates to 3Com as a whole or to businesses of 3Com other than the Acquired Business, (ii) any information or materials required to be kept confidential pursuant to agreements with third parties or by law, or (iii) any privileged attorney-client communications or attorney-work product.

5.3 No Solicitation. 3Com covenants and agrees that from and after the date of the agreement through the date that is one year following the Closing Date, 3Com shall not solicit or cause or permit to be solicited by any of its Affiliates any employee of U.S. Robotics for employment by 3Com or any of its Affiliates. U.S. Robotics covenants and agrees that from and after the date of this Agreement through the date that is one year following the Closing Date, U.S. Robotics shall not solicit or cause or permit to be solicited by any of its Affiliates any employee of 3Com for employment by U.S. Robotics or any of its Affiliates.

5.4 Reasonable Best Efforts; Further Assurances. Subject to the terms and conditions of this Agreement, 3Com and U.S. Robotics will use their reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary or desirable under applicable laws and regulations to consummate the transactions contemplated by this Agreement. 3Com and U.S. Robotics agree to execute and deliver such other documents, certificates, agreements and other writings and to take such other actions as may be necessary or desirable in order to consummate or implement expeditiously the transactions contemplated by this Agreement.

5.5 Certain Filings. 3Com and U.S. Robotics shall cooperate with one another (i) in determining whether any action by or in respect of, or filing with, any governmental body, agency, official or authority is required, or any actions, consents, approvals or waivers are required to be obtained from parties to any material contracts, in connection with the consummation of the transactions contemplated by this Agreement, and (ii) in taking such actions or making any such filings, furnishing information required in connection therewith and seeking timely to obtain any such actions, consents, approvals or waivers. 3Com and U.S. Robotics will promptly supply to each other copies of all correspondence, filings or communications by such party with any governmental agency or member of its staff, with respect to any transactions contemplated by this Agreement and any related or contemplated or inconsistent transaction.

5.6 Public Announcements. The parties agree to consult with each other before issuing any press release or making any public statement with respect to this Agreement or the transactions contemplated hereby after the date hereof and prior to the Cutover Date and, except as may be required by applicable law, will not issue any such press release or make any such public statement prior to such consultation.

5.7 Required Consents. 3Com and U.S. Robotics shall use their reasonable best efforts to obtain the Required Consents prior to the Cutover Date. Both prior to and following the Cutover Date, U.S. Robotics shall cooperate with 3Com in connection with 3Com's obtaining any 3Com Required Consents.

5.8 Employees.

(a) U.S. Robotics shall offer employment to all employees of the listed on Schedule 5.8 to the 3Com Disclosure Schedule. The employment offers shall be for base salaries at least as favorable to each employee as existing on the Closing Date with respect to their employment by 3Com. For purposes of this Agreement, such employees who accept such employment offers shall be referred to as the "Employees." 3Com shall retain liability for any severance or other payment arising in connection with any employee of 3Com or any affiliate or deemed affiliate under ERISA or the Code who does not accept an offer of employment from U.S. Robotics (a "Non-Transferred Employee"), including any Employee on Leave until such time, if any, as such Employee on Leave becomes an Employee.

(b) Persons who are employees of the Acquired Business and who are on inactive status or are on leave of absence from their employment either as a result of a medical disability or a personnel leave granted by 3Com as of the Closing Date ("Employees on Leave") shall not become

Employees as of the Closing Date. However, U.S. Robotics shall offer employment at the Acquired Business to each Employee on Leave, such employment to commence at such time such Employee on Leave returns from leave. An Employee on Leave shall not be treated as an Employee prior to the date, if any, he or she is hired by U.S. Robotics, and U.S. Robotics shall not be liable for any payments to or benefits for an Employee on Leave preceding such date of hire.

(c) Except as provided specifically in this Agreement, U.S. Robotics will not assume the Compensation Benefit Plans or any liability thereunder. 3Com shall retain liability for and shall indemnify U.S. Robotics against any liability in connection with all wages, Compensation and Benefit Plans and related matters, including claims for benefits or other payments by an Employee or Employee's beneficiary or estate with respect to such Employee's employment by 3Com or its affiliates prior to the Closing Date.

(d) 3Com shall continue to assume any and all liabilities for Non-Transferred Employees under any Compensation and Benefit Plans and other liabilities or obligations concerning or relating to Non-Transferred Employees and shall indemnify, defend and hold harmless U.S. Robotics from and against any and all losses, liabilities, claims, complaints, taxes, damages, costs and expenses arising out of or relating in any way to the employment, employment practices, terms and conditions of employment or termination of employment by 3Com of any Non-Transferred Employee, including, without limitation, any current or future losses, liabilities, claims, complaints, taxes, damages, costs and expenses regarding the violation of applicable Federal, state and local laws, rules and regulations relating to immigration, discrimination, harassment, terms and conditions of employment, work hours, wages, wages, plant closings or mass layoffs, child labor, occupational health and safety and the payment and withholding of taxes and other sums required by governmental authorities.

(e) U.S. Robotics shall provide compensation and benefits plans to the Employees that are, in the aggregate, comparable to those that are currently provided to such Employees by 3Com. U.S. Robotics shall take all steps reasonably necessary to ensure that Employees do not suffer a lapse in health, dental, vision, life, disability or 401(k) plan coverage. U.S. Robotics shall cause the waiver of all limitations as to preexisting conditions, exclusions and waiting periods and service requirements with respect to participation and coverage requirements applicable to the Employees immediately prior to employment by U.S. Robotics under any welfare benefit plans that such Employees may be eligible to participate in after the Closing Date. U.S. Robotics shall take such actions as are necessary to provide each such Employee with credit for any co-payments and deductibles paid prior to the Closing Date for purposes of satisfying any applicable deductible, out of pocket, or similar requirements for the 2000 calendar year under the comparable group health plan maintained by U.S. Robotics in which each such Employee is eligible to participate after the Closing Date. As soon as practicable after the Closing Date and in accordance with applicable law, U.S. Robotics shall cause its 401(k) Plan to accept a plan to plan transfer of the account balances of all Employees under 3Com's 401(k) Plan, which plan shall vest transferred account balances on at least as rapid a schedule as would be applicable under 3Com's 401(k) Plan. Thereafter, all Employee 401(k) plan rights and benefits shall be determined under U.S. Robotics' 401(k) Plan and as required by law.

(f) Employees shall be given credit for service performed for 3Com ("Service Credit") for purposes of the following benefits:

- (i) 401(k)/profit sharing plans (for purposes of participation, vesting, and as provided in Section 5.8(e), benefit accrual);
- (ii) welfare benefit plans including, but not limited to short-term disability, long-term disability and medical plans;
- (iv) service awards, if any;
- (v) service component of any retirement definition for defined contribution plans only; and
- (vi) defined benefit plans, if any (participation and vesting only).

(g) Employees will be eligible for grants of options to purchase U.S. Robotics common stock in accordance with U.S. Robotics regular stock option grant practices.

(h) Commencing on the date of this Agreement, 3Com and U.S. Robotics agree to cooperate fully with respect to the employment-related actions which are necessary or reasonably desirable to accomplish the transactions contemplated pursuant to this Agreement, including the provision of records and information as each may reasonably request (including job titles, short and long-term disability coverage, life insurance coverage, operator certification and workers' compensation records and information) and the making of all appropriate filings under the applicable law.

(i) With respect to Employees who are required to be furnished a Form W-2 for the calendar year in which the Closing Date occurs, U.S. Robotics and 3Com agree to follow the "standard procedure" set forth in Revenue Procedure 96-60 with respect to discharging their respective income and employment tax withholding and reporting obligations with respect to such employees.

(j) As promptly as practicable after the Closing Date, 3Com shall pay to the Employees all salary, overtime and other remuneration and reimbursements for expenses earned, accrued and/or payable for all periods up to the Closing Date in a manner consistent with 3Com's usual policies for terminated employees.

(k) Both prior to and following the Closing Date, each party shall reasonably cooperate (at its own expense) with the other party to obtain such information as may be necessary or appropriate to satisfy the requirements of this Section 5.8 and otherwise comply with applicable law.

(l) 3Com hereby waives, effective on and after the Closing Date, any breach that would result under any agreement made by any Employee in favor of 3Com not to compete with 3Com, its business activities or otherwise, solely insofar as such breach arises by virtue of such Employee's employment by U.S. Robotics in the Acquired Business after the Closing Date.

(m) 3Com agrees to be responsible for any liability under the WARN Act or such similar statute or regulation for those employment losses (as defined in the WARN Act) by 3Com involving the Acquired Business occurring prior to the Closing. U.S. Robotics agrees to be responsible for any liability under the WARN Act or such similar statute or regulation for the termination of any Transferred Employees (defined below) by U.S. Robotics involving the Acquired Business on or after the Closing Date.

5.9 Taxes. The parties agree that the transfer of the Acquired Business and the Contributed Assets pursuant to this Agreement is intended to be an "occasional sale" pursuant to Illinois Reg. Section 130.110 or a "bulk sale" pursuant to Illinois Reg. Section 130.1701, which is exempt from Illinois State or local sales tax. Each party agrees to take such actions and make such filings as the other party may request in furtherance of such intention. If, contrary to the parties' intent, the transfer of the Acquired Business and the Contributed Assets pursuant to this Agreement is determined to be subject to State or local sales taxes, U.S. Robotics will be responsible for and make all payments required with respect to, and will indemnify 3Com and hold 3Com harmless from and against, any such taxes. In addition to any sales taxes referenced in the preceding sentence, U.S. Robotics shall be responsible for and shall make all payments required with respect to, any excise, value-added, use, registration, stamp, transfer and other like taxes. Except as provided in the preceding two sentences, 3Com will be responsible for and make all payments required with respect to, and will indemnify U.S. Robotics from and against, any liabilities of 3Com for unpaid Taxes (with respect to the Acquired Business, the Contributed Assets, the Real Property Rights or the Employees) for the periods ending on or prior to the Closing Date.

5.10 Incentive Program. 3Com shall, use commercially reasonable efforts to meet U.S. Robotics' \$127 million sales forecast for the three (3) months ending August 31, 2000.

5.11 Additional Ancillary Agreements. 3Com and U.S. Robotics shall use their reasonable best efforts to enter into the Transition Services Agreement and the Consulting Services Agreement within 14 days after the Closing Date.

5.12 General Cooperation. 3Com and U.S. Robotics shall cooperate with one another, and direct and permit their respective employees to cooperate, to the extent reasonably necessary, in connection with any now existing or hereafter arising action, suit, investigation or proceeding with regard to the Acquired Business.

5.13 Tax Cooperation Rider.

(a) After the Closing Date, each of 3Com and U.S. Robotics shall (i) provide, or cause to be provided, to each other and each other's respective subsidiaries, officers, employees, representatives and affiliates, such assistance as may reasonably be requested by any of them in connection with the preparation of any tax returns or any tax audits as such returns or audits may relate to the Acquired Business, the Contributed Assets, or the Employees and (ii) retain, or cause to be retained, for so long as any taxable periods or tax audits shall remain open for adjustments, any records or information which may be relevant to any such tax returns or audits. The assistance provided for in this Section 5.13 shall include, without limitation, each of 3Com and U.S. Robotics

(x) making their agents and employees and the agents and employees of their respective subsidiaries and affiliates available to each other on a mutually convenient basis to provide such assistance as might reasonably be expected to be of use in connection with any such tax returns or audits and (y) providing, or causing to be provided, such information as might reasonably be expected to be of use in connection with any such tax returns or audits, including, without limitation, records, returns, schedules, documents, work papers, opinions, letters or memoranda, or other relevant materials relating thereto.

(b) Each party shall promptly inform, keep regularly apprised of the progress with respect to and notify the other party in writing not later than (i) as soon as possible after the receipt of any notice of any audit or (ii) fifteen business days prior to the settlement or final determination of any audit for which it was responsible pursuant to Section 5.9 hereof which could affect the tax liability of U.S. Robotics for any taxable period.

ARTICLE VI

CUTOVER DATE

6.1 Master Services Agreement. 3Com and U.S. Robotics acknowledge that pursuant to the Master Services Agreement, from the Closing Date to the date on which the implementation by 3Com of a separate resource planning application, including a separate instance of SAP (systems, applications and products) for the Acquired Business has been completed in accordance with objective criteria which have been reasonably agreed to by 3Com and U.S. Robotics (the "Cutover Date"), U.S. Robotics will act as a service corporation to provide certain sales, marketing, customer service, supply chain, product development and testing activities on behalf of 3Com. The parties acknowledge that the Cutover Date is intended to occur on or before September 1, 2000. U.S. Robotics agrees that prior to the Cutover Date, it shall not conduct any business other than that contemplated by the Master Services Agreement.

6.2 Assumed Liabilities. As of the Cutover Date, those Assumed Liabilities noted on Schedule 1.1-D to this Agreement as transferring as of the Cutover Date rather than the Closing Date shall be deemed transferred to and assumed by U.S. Robotics, without further action on the part of either party. Prior to the Cutover Date, any changes to the warranty reserve calculations shall be mutually agreed between 3Com and U.S. Robotics.

6.3 Cutover Date Contributed Assets. As of the Cutover Date, the Cutover Date Contributed Assets shall be contributed to U.S. Robotics by 3Com without payment or delivery of any additional consideration.

On or prior to the Cutover Date, 3Com shall provide U.S. Robotics with a final, audited list of the Contributed Assets, which shall be deemed to constitute Schedule 1.1-A to this Agreement. If U.S. Robotics reasonably believes that other assets exist that have been and will continue to be used by both 3Com and U.S. Robotics or that are otherwise necessary for operation of the Acquired Business ("Additional Assets"), which Additional Assets

are not on Schedule 1.1-A, then 3Com and U.S. Robotics shall use their commercially reasonable efforts to determine in good faith whether such Additional Assets shall be added to Schedule 1.1-A. In addition, if 3Com reasonably believes that any assets were included in Schedule 1.1-A in error, then 3Com and U.S. Robotics shall use their commercially reasonable efforts to determine in good faith whether such assets shall be removed from Schedule 1.1-A. The Additional Assets shall be included on the final Schedule 1.1-A and removed assets shall be excluded thereof at no cost to U.S. Robotics.

6.5 Channel Inventory.

(a) United States. 3Com shall use its commercially reasonable efforts to ensure that the channel inventory for the United States region at the Cutover Date shall not exceed four weeks' supply computed using the average run rate for the sales out of the channel during the prior three months.

(b) Europe. 3Com shall use its commercially reasonable efforts to ensure that the channel inventory for the European region at the Cutover Date shall not exceed six weeks' supply computed using the average run rate for the sales out of the channel during the prior three months.

(c) Asia Pacific. 3Com shall use its commercially reasonable efforts to ensure that the channel inventory for the Asia Pacific region at the Cutover Date shall not exceed six weeks' supply computed using the average run rate for the sales out of the channel during the prior three months.

6.6 Additional Transition Services. On or prior to the Cutover Date, 3Com and U.S. Robotics shall agree upon such schedules to the Transition Services Agreement as are reasonably necessary to reflect the services to be provided by 3Com to U.S. Robotics following termination of the Master Services Agreement.

6.7 Effect of Cutover Date. 3Com and U.S. Robotics acknowledge and agree that the Cutover Date shall occur and the Master Services Agreement shall terminate regardless of whether or not, by the Cutover Date, U.S. Robotics has been able to secure from Persons other than 3Com the right to use such Intellectual Property as U.S. Robotics believes necessary or desirable to conduct the Acquired Business. In addition, on and after the Cutover Date, 3Com shall have no obligation to sell any analog modem or other products to U.S. Robotics, and U.S. Robotics shall have no obligation to purchase any analog modem or other products from 3Com.
