**PATENT, TRADEMARK, COPYRIGHT AND OTHER
INTELLECTUAL PROPERTY SECURITY INTEREST**

WHEREAS, INTERSECTIONS, INC. (the "Grantor") having its principal office at 14930 Bogle Drive, Chantilly, Virginia 20151, is the owner of the United States and foreign patents and patent registrations and applications for patents and patent registrations, and all renewals and extensions thereof, including, without limitation, those set forth on **Exhibit B** attached hereto, and of United States and foreign trademarks and associated United States and foreign trademark registrations and applications for trademark registrations, and all renewals and extensions thereof, including, without limitation, those set forth in **Exhibit C** attached hereto and is a party to certain trademark and patent licenses of United States and foreign trade names, trade name registrations and applications for trade name registrations, including, without limitation, those set forth in **Exhibit C** attached hereto, and of United States and foreign copyrights, copyright registrations, applications for copyright registrations, and all renewals and extensions thereof, including without limitation, those set forth on **Exhibit D** attached hereto; and

WHEREAS, Conning Capital Partners V, LLP, as Collateral Agent (the "Collateral Agent"), having an office at 185 Asylum Street, Hartford, CT 06103, is the secured party under the Security Agreement dated as of October 4, 2001, by the Grantor in favor of the Collateral Agent, and the Collateral Agent desires to acquire a security interest in, and lien on, said patents, patent registrations, trademarks, trademark registrations, copyrights, license agreements, applications for said patent and trademark registrations, the goodwill of the business symbolized by said trademarks, trademark applications and trademark and copyright registrations and all products and proceeds of the foregoing; and

WHEREAS, the Grantor agrees to grant the security interests in the patents, patent registrations, trademarks, trademark registrations, trade names, copyrights, copyright registrations, licenses, applications and all products and proceeds thereof described above and as specifically set forth in **Exhibits B, C and D** hereto, but not limited thereto;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and subject to the terms and conditions of the aforementioned Security Agreement made by the Grantor in favor of the Collateral Agent (as the same may be from time to time further amended and in effect), the terms and conditions of which are incorporated by reference herein, the Grantor hereby gives, grants, assigns and transfers a security interest in said patents, trademarks, trade names, copyrights and license agreements, and said patents, trademarks and copyright registrations, said applications for patents and trademarks, the goodwill of the business connected with the use of, and symbolized by, said trademarks, trademark applications and trademark registrations and trade names and all products and proceeds thereof, to the Collateral Agent, in each case, now existing or hereafter acquired.

The Grantor hereby acknowledges the sufficiency and completeness of this document to create the security interest in the identified property and to grant the same to the Collateral Agent and the Grantor hereby requests the appropriate filing and recording offices, including, but not limited to, the U.S. Patent and Trademark Office and the U.S. Copyright Office, to file and record the same together with the annexed **Exhibits B, C and D**.

Executed as of this 4th day of October, 2001.
