**FIRST SUPPLEMENTAL TRADEMARK COLLATERAL
SECURITY AND PLEDGE AGREEMENT**

This **FIRST SUPPLEMENTAL TRADEMARK COLLATERAL SECURITY AND PLEDGE AGREEMENT** (the "Agreement") dated as of October 10, 2001, by and between **TMT-PATHWAY, L.L.C.**, a Delaware limited liability company having its principal place of business at 2997 Clarkson Road, Chesterfield, Missouri 63017 (the "Assignor") and **FLEET NATIONAL BANK (f/k/a BANKBOSTON, N.A.)**, as Agent (the "Agent") for itself and the other lending institutions (collectively, the "Banks") which are or may in the future become parties to the Revolving Credit and Acquisition Loan Agreement, dated as of April 22, 1998 (as amended and in effect from time to time, the "Credit Agreement") among Jackson Products, Inc. (the "Borrower"), a Delaware corporation, the Agent and the Banks.

RECITALS

WHEREAS, the Assignor is expected to receive substantial direct and indirect benefits from the making of Loans and other extensions of credit to the Borrower by the Banks pursuant to the Credit Agreement (which benefits are hereby acknowledged);

WHEREAS, in accordance with the provisions of the Credit Agreement, the Assignor entered into the Security Agreement, dated as of May 17, 1999 (the "Security Agreement"), pursuant to which the Assignor has granted to the Agent, for the benefit of the Agent and the Banks, to secure the payment and performance in full of all of the Obligations (as defined in the Credit Agreement), a security interest in and a pledge and assignment of the Collateral (as defined in the Security Agreement);

WHEREAS, in connection with the execution and delivery of the Credit Agreement and the Security Agreement, the Assignor and the Agent entered into a certain Trademark Collateral Security and Pledge Agreement dated as of May 17, 1999 (as amended, restated, modified or supplemented and in effect from time to time, the "Original Trademark Collateral Assignment") pursuant to which the Assignor granted to the Agent, for the benefit of the Agent and the Banks, a security interest in and collateral assignment of all of the Assignor's Trademarks, as such term is defined in the Original Trademark Collateral Assignment, and which Original Trademark Collateral Assignment was supplemental to the provisions of the Security Agreement; and

WHEREAS, subsequent to the execution and delivery of the Original Trademark Collateral Assignment, the Assignor has informed the Agent that the Assignor has obtained legal title to additional trademark applications as set forth on Schedule A hereto (such trademark applications being collectively referred to herein as the "Supplemental Pledged Trademarks");

WHEREAS, pursuant to and in fulfillment of the parties' obligations under the Credit Agreement, the Security Agreement, and the Original Trademark Collateral Assignment, the

Assignor wishes to execute and deliver this Agreement to further effect, evidence and memorialize the Assignor's grant of a security interest in the Supplemental Pledged Trademarks to the Agent for the benefit of the Agent and the Banks, as contemplated by the Original Trademark Collateral Assignment;

NOW, THEREFORE, the Assignor and the Agent, in consideration of the promises set forth in the Credit Agreement, the Security Agreement and the Original Trademark Collateral Assignment, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, agree as follows:

1. **DEFINITIONS.** All capitalized terms used herein without definition shall have as their respective meanings the definitions as set forth in the Original Trademark Collateral Assignment.

2. **GRANT OF SECURITY; COLLATERAL ASSIGNMENT.**

2.1. Grant of Security Interest. As collateral security for the complete and timely payment, performance and satisfaction of all Obligations, the Assignor hereby confirms its grant to the Agent, for the benefit of the Agent and the Banks, pursuant to the Original Trademark Collateral Assignment and the Security Agreement and hereby unconditionally grants to the Agent, for the benefit of the Agent and the Banks, a continuing security interest in and first priority lien on the Supplemental Pledged Trademarks, and pledges, mortgages and hypothecates (but does not transfer title to) the Supplemental Pledged Trademarks to the Agent, for the benefit of the Agent and the Banks (and confirms its pledge, mortgage, and hypothecation of the Supplemental Pledged Trademark to the Agent, for the benefit of the Agent and the Banks pursuant to the Original Trademark Collateral Assignment).

2.2. Conditional Assignment. (a) In addition to, and not by way of limitation of, the grant, pledge, mortgage and hypothecation of the Supplemental Pledged Trademarks provided and confirmed in Section 2.1 hereof, to secure the complete and timely payment, performance and satisfaction of all Obligations, the Assignor hereby grants, assigns, transfers and conveys to the Agent (and confirms its grant, assignment, transfer and conveyance to the Agent, pursuant to the Original Trademark Collateral Assignment), BY WAY OF COLLATERAL SECURITY, for the benefit of the Agent and the Banks, the Assignor's entire right, title and interest in and to the Supplemental Pledged Trademarks. The foregoing grant, assignment, transfer and conveyance shall be referred to from time to time herein as the "Section 2.2 Assignment". THE SECURED PARTY ASSUMES NO LIABILITY OR RESPONSIBILITY ARISING IN ANY WAY BY REASON OF ITS HOLDING SUCH COLLATERAL SECURITY.

(b) Unless and until there shall have occurred and be continuing an Event of Default and the Agent has notified the Assignor that the license granted hereunder is terminated, the Agent hereby grants to the Assignor the sole and exclusive, non-transferable, royalty-free, worldwide right and license under the Supplemental Pledged Trademarks to make, have made for it, use, sell and otherwise practice the Supplemental Pledged Trademarks for the Assignor's own benefit and account and for none other; provided, however, that the foregoing right and license shall be no greater in scope than, and limited by, the rights and assigned to the Agent by the Assignor hereby. The Assignor agrees not to sell, assign, transfer, or sub-license any of its rights or interests in the license granted to the Assignor in this Section 2.2(b), without the prior

written consent of the Agent. Any such sub-licenses granted on or after the date hereof shall be terminable by the Agent upon termination of the Assignor's license hereunder.

2.3. Rights and Remedies Upon Default. If any Event of Default shall have occurred and be continuing, then, with respect to the Supplemental Pledged Trademarks, the Agent shall have such rights, interests and remedies, and the Assignor shall have such obligations, as are provided in or arise under the Original Trademark Collateral Assignment with respect to the Pledged Trademarks, and all such rights, interests, remedies and obligations are hereby incorporated herein by reference as if set forth in full herein and are hereby ratified, confirmed, adopted and approved.

2.4. Supplemental to Certain Agreements. In no event shall this Agreement, the Section 2.2 Assignment of the Supplemental Pledged Trademarks hereunder or the recordation of this Agreement (or any document hereunder) with the PTO, adversely affect or impair, in any way or to any extent, the Security Agreement, the other Security Documents (as defined in the Credit Agreement), the security interest of the Agent in the Collateral (including the Supplemental Pledged Trademarks) pursuant to the Security Agreement, the Original Trademark Collateral Assignment and/or this Agreement, the attachment and perfection of such security interest under the Uniform Commercial Code, or the present or future rights and interests of the Agent in and to the Collateral under or in connection with the Security Agreement, the other Security Documents, the Original Trademark Collateral Assignment, this Agreement and/or the Uniform Commercial Code. Any and all rights and interests of the Agent in and to the Supplemental Pledged Trademarks (and any and all obligations of the Assignor with respect to the Supplemental Pledged Trademarks) provided herein, or arising hereunder or in connection herewith, shall only supplement and be cumulative and in addition to the rights and interests of the Agent (and the obligations of the Assignor) in, to or with respect to the Collateral (including the Supplemental Pledged Trademarks) provided in or arising under or in connection with the Security Agreement, the other Security Documents and the Original Trademark Collateral Assignment. The Security Agreement, the other Security Documents, the Original Trademark Collateral Assignment and all rights and interests of the Agent in and to the Collateral (including the Pledged Trademarks) thereunder, are hereby ratified, confirmed, adopted and approved.

3. REPRESENTATIONS, WARRANTIES AND COVENANTS OF ASSIGNOR.

3.1. Schedule A to the Original Trademark Collateral Assignment (the "Original Schedule A"), which sets forth a list of all Trademarks and Trademark Registrations owned by Assignor, is hereby amended and supplemented by Schedule A to this Agreement (the "New Schedule A"). The Assignor represents and warrants that, to the best of its knowledge, the Original Schedule A and the New Schedule A collectively constitute a true and complete list of all Trademarks and Trademark Registrations.

3.2. The terms "Trademarks", "Trademark License Rights", "Trademark Registrations", "Trademark Rights" and "Pledged Trademarks", each as defined and used in the Original Trademark Collateral Assignment, shall include, as of the time of the Assignor's acquisition of any right, title or interest therein or thereto, the Supplemental Trademarks, the Supplemental Trademark License Rights, the Supplemental Trademark Registrations, the Supplemental Trademark Rights and the Supplemental Pledged Trademarks.

3.3. The Assignor represents and warrants that all representations and warranties of the Assignor as set forth in the Original Trademark Collateral Assignment, as amended by Sections 3.1 and 3.2 hereof, are true and correct in all material respects on and as of the date hereof, except for representations and warranties which expressly relate to a prior date. All such representations and warranties are hereby ratified, affirmed and incorporated herein by reference, and such representations and warranties are applicable to the Pledged Trademark, (including the Supplemental Pledged Trademarks) with the same force and effect as though set forth herein in their entirety.

3.4. All rights, interests, duties, obligations, liabilities, covenants, agreements and remedies of each of the Assignor and the Agent with respect to each other and/or the Trademarks (including without limitation the Supplemental Pledged Trademarks) or any portion thereof, as set forth in the Original Trademark Collateral Assignment, the Security Agreement and the other Security Documents, are hereby ratified, confirmed, adopted, approved and incorporated herein by reference; and such rights, duties, obligations, liabilities, covenants, agreements and remedies are applicable to the parties and the Trademarks (including without limitation the Supplemental Pledged Trademarks) with the same force and effect as though set forth herein in their entirety.

4. **OTHER TERMS AND CONDITIONS OF ORIGINAL TRADEMARK COLLATERAL ASSIGNMENT.** This Agreement incorporates by reference all other terms and conditions contained in the Original Trademark Collateral Assignment to the extent that such terms and conditions are not inconsistent with the provisions set forth in this Agreement, with the same force and effect as though set forth herein in their entirety. Except as otherwise expressly set forth herein, all terms and conditions of the Original Trademark Collateral Assignment are ratified and confirmed and shall remain in full force and effect. Without limiting the generality of the foregoing, the Assignor expressly affirms all of its obligations under the Original Trademark Collateral Assignment, as supplemented or amended hereby. Nothing herein shall be construed as an amendment, supplement or waiver of any requirements of the Original Trademark Collateral Assignment except as expressly set forth herein.

[Remainder of page intentionally left blank.]

IN WITNESS WHEREOF, the Assignor and the Agent, each by its own duly authorized officer, have duly executed this Agreement, as an instrument under seal, as of the date first set forth above.
