ASSIGNMENT

THIS ASSIGNMENT (the "Assignment") is made and delivered as of August 22, 2001 by:

Expando-Lok, Inc.,
a Washington corporation

("Assignor")

in favor of:

Greenstreak, Inc.
a Missouri corporation

(the "Assignee")

WHEREAS, Assignee and Assignor have entered into that certain Asset Purchase Agreement dated August 22, 2001, wherein Assignor agreed to sell, transfer, convey and deliver to Assignee certain assets of Assignor, including but not limited to the general intangibles of Assignor listed on Schedules "A" through "B" attached hereto and incorporated herein by reference.

NOW THEREFORE, Assignor in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, DOES HEREBY irrevocably and unconditionally grant, sell, bargain, assign, transfer, convey and deliver to Assignee good and valid title and all of Assignor's right, title and interest in free and clear of all liens, security interests and other encumbrances, in and to the patents and patent applications, along with the right to sue for past infringement and any and all applications for patent and patents therefor in any and all countries, including all divisions, reissues, continuations and extensions thereof, trademarks and trademark applications, together with the goodwill of the business symbolized by said trademarks and trademark applications, including any and all past and present rights and powers, statutory and common law, which have accrued or may accrue to Assignor of any and all kind or nature appertaining to said trademarks; copyrights, including entire worldwide right, title and interest, worldwide copyright in and to the work, including any and all manners of dimensions, presentations, embodiments and/or forms thereof; trade secrets; unpublished research and development information; unpatented inventions; technical data; and know-how, the same to be held and enjoyed by Assignee and for the use and benefit of its successors and assigns as fully and entirely as the same would have been held by Assignor had such sale, assignment and transfer not have been made, described on Schedules "A" and "B" hereto (the "Intangible Personal Property").

TO HAVE AND TO HOLD the Intangible Personal Property, with all of the rights and appurtenances thereto belonging unto Assignee, for itself, its successors and assigns for their own use and behalf forever.

To the extent that any Intangible Personal Property is not assignable without the consent of, or notice to, any other party, or that assignment thereof would constitute a breach or violation of any contractual or legal requirement, this Assignment shall not operate as an assignment thereof until and unless such applicable consent, notice or other requirement is satisfied, at which time such Intangible Personal Property shall automatically be assigned to Assignee hereby. Assignor shall use all reasonable efforts to obtain all necessary consents of such persons to the assignment of any such Intangible Personal Property. If the required consent of any person to the assignment of any Intangible Personal Property cannot be obtained, or if any attempted assignment of any Intangible Personal Property would be ineffective or would adversely affect, as applicable, the Assignor's rights thereunder so that Assignee would not in fact receive all such rights, Assignor shall cooperate in any arrangement Assignee may reasonably request to provide for Assignee the benefit of any such Intangible Personal Property, including enforcement for the benefit of Assignee of any and all of the Assignor's rights against any other party thereto arising out of the breach or cancellation thereof by such party or otherwise.

For good and valuable consideration, the sufficiency of which is hereby acknowledged, Assignor covenants that Assignor will do, execute and deliver, or will cause to be done, executed and delivered, all such further reasonable acts, transfers, assignments and conveyances, powers of attorney and assurances, for the better assuring, conveying and confirming unto Assignee, the entire right, title and interest in the Intangible Personal Property hereby sold, transferred, assigned, and conveyed as Assignee may reasonably require.
