TRADEMARK, COPYRIGHT AND TRADE SECRET ASSIGNMENT

WHEREAS, COLUMBIA ULTIMATE BUSINESS SYSTEMS, INC., a Washington corporation, with its principal place of business at 14300 S.E. First Street, Vancouver, Washington 98684, ("Assignor") is the original and exclusive owner of the following intangible assets: (1) the United States and foreign trademark and service mark registrations and applications listed in Exhibit A; (2) all common law trademark and service mark rights associated with its business of making and selling debt collection computer software and providing training support and technical services related to such software (collectively the "Corporation's Business"); (3) copyrights in copyrightable works associated with the Corporation's Business and including the registered United States Copyrights listed in Exhibit B; (4) all trade secrets and inventions associated with the Corporation's Business including, without limitation, processes and procedures for coding of program subroutines for the Corporation's Business (the items in (1) and (2) are referred to collectively as "the trademarks", the items in (3) are referred to as "the copyrights", and the items in (4) are referred to as the "trade secrets");

WHEREAS, Assignor has intended to use the trademarks and service marks shown in the intent-to-use applications in Exhibit A (the "ITU trademarks") in the Corporation's Business, and has filed applications to register the trademarks as shown in Exhibit A indicating that intention, but that has not yet filed any allegations of use under Section 1(c) or 1(d) of the Trademark Act (15 USC 1051(c), (d)) with respect to the trademarks;

WHEREAS, COLUMBIA ULTIMATE BUSINESS SYSTEMS, INC., a Nevada corporation, with its principal place of business at 14300 S.E. First Street, Vancouver, Washington 98684, ("Assignee") has on October 1, 1999 acquired from Assignor certain assets and property used in Assignor's business and is desirous of acquiring the trademarks (including the ITU trademarks) and associated goodwill of the business symbolized by the trademarks, the copyrights and the trade secrets;

AND WHEREAS, Assignee is succeeding to the portion of Assignor's business to which the Trademarks pertain, as required by Section 10 of the Trademark Act (15 USC §1060);

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged and pursuant to the Plan and Articles of Merger between Assignor and Assignee effective October 1, 1999, and intending to be legally bound, Assignor hereby assigns to Assignee all right, title and interest in and to: (1) the trademarks, together with the applications, any other registrations, and applications for registration of the trademarks and the goodwill of the business symbolized by the trademarks, both U.S. and foreign; (2) the copyrights; and (3) the trade secrets. This Assignment includes all rights which may in the future ripen from any and all trademark or copyright applications pending as of the date hereof. The above assignment includes all rights of action arising from the trademarks, the copyrights and trade secrets, all claims for damages by reason of past, current or future infringement or misappropriation of any of the trademarks, the copyrights or the trade secrets, and the right to sue and collect damages and/or seek injunctive relief for such infringement or misappropriation, such rights to be held and

enjoyed by Assignee for its own use and benefit and for its successors and assigns as the same would have been held by Assignor had this Assignment not been made.

IN TESTIMONY WHEREOF, I have hereunder set my hand this ___ day of October, 1999.
