To secure the complete and timely payment, performance and satisfaction of all of the Obligations, the Grantor hereby grants to the Collateral Agent a security interest in, as and by way of a security interest having priority over all other security interests, with power of sale to the extent permitted by applicable law, all of the Grantor's now owned or existing and hereafter acquired or arising:

(a) (i) trademarks, trade names, registered trademarks, trademark applications, service marks, registered service marks and service mark applications, including, without limitation, the registered trade names, registered trademarks, trademark applications, registered service marks and service mark applications listed on Schedule 1 attached hereto and made a part hereof, and (A) all renewals thereof, (B) all income, royalties, damages and payments now and hereafter due or payable under and with respect thereto, including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past or future infringements or dilutions thereof, (C) the right to sue for past, present and future infringements and dilutions thereof, (D) the goodwill of the Grantor's business symbolized by the foregoing and connected therewith, and (E) all of the Grantor's rights corresponding thereto throughout the world (all of the foregoing trademarks, trade names, registered trademarks and trademark applications, service marks, registered service marks and service mark applications, together with the items described in clauses (A)-(E) in this Paragraph 3(a)(i), are sometimes hereinafter individually or collectively referred to as the "Trademarks"); and (ii) all proceeds of any and all of the foregoing, including, without limitation, license royalties and proceeds of infringement suits.

Notwithstanding the foregoing provisions of this Paragraph 3(d), the Licenses shall not include any license agreement in effect as of the date hereof that by its terms prohibits the grant of the security interest contemplated by this Agreement; provided, however, that upon the termination of such prohibitions for any reason whatsoever, the provisions of this Paragraph 3 shall be deemed to apply thereto automatically.

4. Restrictions on Future Agreements. The Grantor shall not, without the Collateral Agent's prior written consent, enter into any agreement, including, without limitation, any license agreement, that is inconsistent with this Agreement, and the Grantor further agrees that it will not take any action, and will use its commercially reasonable efforts not to permit any action to be taken by others subject to its control, including, without limitation, licensees, or fail to take any action, that would in any material respect adversely affect the validity or enforcement of the rights transferred to the Collateral Agent under this Agreement or the rights associated with the Trademarks, Patents, Copyrights or Licenses.

5. New Trademarks, Copyrights, Patents and Licenses. The Grantor represents and warrants that, from and after the date hereof, (a) the Trademarks listed on Schedule 1 include all of the registered trade names, registered trademarks, trademark applications, registered service marks and service mark applications now owned by the Grantor, (b) the Patents listed on Schedule 2 include all of the patents and patent applications now owned by the Grantor, (c) the Copyrights listed on Schedule 3 include all of the copyright registrations now owned by the Grantor, (d) the Licenses listed on Schedule 4 include all of the patent, trademark or copyright license agreements under which the Grantor is the licensee or licensor, and (e) no Liens, claims or security interests in such Trademarks, Patents, Copyrights or Licenses have been granted by the Grantor to any Person other than the Collateral Agent and except as disclosed in the Credit Agreement. If, prior to the termination of this Agreement, the Grantor shall (i) obtain rights to any new trademarks, trade names, registered trademarks, trademark applications, service marks, registered service marks or service mark applications, (ii) obtain rights to any patent or patent application or any reissue, division, continuation, renewal, extension or continuation-in-part of any Patent or any improvement on any Patent, (iii) obtain rights to any new copyrights or

copyright registrations, (iv) obtain rights to any new trademark, patent or copyright license agreements, whether as licensee or licensor, or license agreement renewals, or (v) enter into any new license agreement, the provisions of Paragraph 3 above shall automatically apply thereto (to the extent permitted by licensors under agreements in connection with the granting of such licenses). The Grantor shall give to the Collateral Agent prompt written notice, or in any event within 30 days, of events described in clauses (i), (ii), (iii), (iv) and (v) of the preceding sentence. The Grantor hereby authorizes the Collateral Agent to modify this Agreement unilaterally (i) by amending Schedule 1 to include any registered trade names, registered trademarks, trademark applications, service marks, registered service marks and service mark applications that are Trademarks under Paragraph 3 above or obtained by Grantor under this Paragraph 5, (ii) by amending Schedule 2 to include any patents and patent applications, which are Patents under Paragraph 3 above or obtained by Grantor under this Paragraph 5, (iii) by amending Schedule 3 to include any copyrights and copyright registrations, which are Copyrights under Paragraph 3 above or obtained by Grantor under this Paragraph 5, (iv) by amending Schedule 4 to include any trademark, patent or copyright license agreements that are Licenses under Paragraph 3 above or entered into by Grantor under this Paragraph 5, and (v) by filing, in addition to and not in substitution for this Agreement, a duplicate original of this Agreement containing on Schedule 1 thereto, as the case may be, such future trademarks, tradenames, registered trademarks, trademark applications, service marks, registered service marks and service mark applications and containing on Schedule 2 thereto, as the case may be, such future patents and patent applications, and containing on Schedule 3, as the case may be, such future copyrights and copyright registrations, and containing on Schedule 4 thereto, as the case may be, such future license agreements.

6. Royalties. The Grantor hereby agrees that the use by the Collateral Agent of the Trademarks, Patents, Copyrights and Licenses as authorized hereunder in connection with the Collateral Agent's exercise of its rights and remedies under Paragraph 15 or pursuant to any Principal Agreement shall be coextensive with the Grantor's rights thereunder and with respect thereto and without any liability for royalties or other related charges from the Collateral Agent to the Grantor.

7. Further Assignments and Security Interest. The Grantor agrees (a) not to sell or assign any of its interests in, or grant any license under, the Trademarks, Copyrights or Patents without the prior written consent of the Collateral Agent, except that the Grantor may, without the consent of the Collateral Agent, grant non-exclusive licenses under the Trademarks, Copyrights or Patents in the ordinary course of the Grantor's business, and (b) not to sell or assign its interests in the Licenses without the prior written consent of the Collateral Agent.

8. Nature and Continuation of the Collateral Agent's Security Interest; Termination of the Collateral Agent's Security Interest. This Agreement is made for collateral security purposes only. This Agreement shall create a continuing security interest in the Trademarks, Patents, Copyrights and Licenses and shall terminate only when the Obligations have been paid in full in cash and the Principal Agreements have been terminated. When this Agreement has terminated, the Collateral Agent shall promptly execute and deliver to the Grantor, at the Grantor's expense, all termination statements and other instruments as may be necessary or proper to terminate the Collateral Agent's security interest in the Trademarks, Patents,

Copyrights and Licenses, subject to any disposition thereof which may have been made by the Collateral Agent pursuant to this Agreement.

9. Duties of the Grantor. The Grantor shall have the duty, to the extent desirable in the normal conduct of the Grantor's business, (a) to prosecute diligently any trademark application or service mark application that is part of the Trademarks pending as of the date hereof or hereafter until the termination of this Agreement and that is material to the Grantor's business, (b) to prosecute diligently any patent application that is part of the Patents pending as of the date hereof or hereafter until the termination of this Agreement, and (c) to take all reasonable and necessary action to preserve and maintain all of the Grantor's rights in the Trademarks, Patents, Copyrights and Licenses. The Grantor further agrees (i) not to abandon any Trademark, Patent, Copyright or License that is necessary or economically desirable in the operation of the Grantor's business without the prior written consent of the Collateral Agent, and (ii) to use its commercially reasonable efforts to maintain in full force and effect the Trademarks, Patents, Copyrights and Licenses that are or shall be necessary or economically desirable in the operation of the Grantor's business. Any expenses incurred in connection with the foregoing shall be borne by the Grantor. The Collateral Agent shall have no duties with respect to the Trademarks, Patents, Copyrights or Licenses. Without limiting the generality of the foregoing, the Collateral Agent shall not be under any obligation to take any steps necessary to preserve rights in the Trademarks, Patents, Copyrights or Licenses against any other Person, but the Collateral Agent may do so at its option from and after the occurrence and during the continuance of a Default or an Event of Default, and all expenses incurred in connection therewith shall be for the sole account of the Grantor and shall be added to the Obligations secured hereby.

10. Indemnification by the Grantor. The Grantor hereby agrees to indemnify and hold harmless the Collateral Agent for any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements (including, without limitation, reasonable attorneys' fees) of any kind whatsoever that may be imposed on, incurred by or asserted against the Collateral Agent in connection with or in any way rising out of any suits, proceedings or other actions, relating to any or all of the Trademarks, Patents, Copyrights or Licenses (including, without limitation, whether brought by the Grantor or any other Person, suits, proceedings or other actions in which an allegation of liability, strict or otherwise, is or may be made by any Person who alleges or may allege having suffered damages as a consequence of alleged improper, imprudent, reckless, negligent, willful, faulty, defective or substandard design, testing, specification, manufacturing supervision, manufacturing defect, manufacturing deficiency, publicity or advertisement or improper use, howsoever arising or by whomsoever caused, of any inventions disclosed and claimed in the Patents or any of them); unless with respect to any of the above, such Person to be indemnified is judicially determined to have acted or failed to act with gross negligence or willful misconduct. The indemnification in this paragraph shall survive the termination of this Agreement.

11. The Collateral Agent's Right to Sue. From and after the occurrence and during the continuance of an Event of Default, the Collateral Agent shall have the right, but shall not be obligated, to bring suit in its own name to enforce the Trademarks, Patents, Copyrights and Licenses and, if the Collateral Agent shall commence any such suit, the Grantor shall, at the

request of the Collateral Agent, do any and all lawful acts and execute any and all proper documents reasonably required by the Collateral Agent in aid of such enforcement. The Grantor shall, upon demand, promptly reimburse the Collateral Agent for all costs and expenses incurred by the Collateral Agent in the exercise of its rights under this Paragraph 11 (including, without limitation, reasonable fees and expenses of attorneys and paralegals for the Collateral Agent).

12. Waivers. The Collateral Agent's failure, at any time or times hereafter, to require strict performance by the Grantor of any provision of this Agreement shall not waive, affect or diminish any right of the Collateral Agent thereafter to demand strict compliance and performance therewith nor shall any course of dealing between the Grantor and the Collateral Agent have such effect. No single or partial exercise of any right hereunder shall preclude any other or further exercise thereof or the exercise of any other right. None of the undertakings, agreements, warranties, covenants and representations of the Grantor contained in this Agreement shall be deemed to have been suspended or waived by the Collateral Agent unless such suspension or waiver is in writing signed by an officer of the Collateral Agent, and directed to the Grantor and specifying such suspension or waiver.

13. Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but the provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part hereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

14. Modification. Neither this Agreement nor any provision hereof may be altered, amended or modified in any way, except as specifically provided in Paragraph 5 hereof or in a written instrument signed by the parties hereto, and consented to by the Lender.

15. Power of Attorney; Cumulative Remedies.

(a) The Grantor hereby irrevocably designates, constitutes and appoints the Collateral Agent (and all officers and agents of the Collateral Agent designated by the Collateral Agent in its sole and absolute discretion) as the Grantor's true and lawful attorney-in-fact, and authorizes the Collateral Agent and any of the Collateral Agent's designees, in the Grantor's or the Collateral Agent's name, upon the occurrence and during the continuation of an Event of Default to take any action and execute any instrument necessary or reasonably advisable to accomplish the purposes of this Agreement, including, without limitation, to (i) endorse the Grantor's name on all applications, documents, papers and instruments necessary or desirable for the Collateral Agent in the use of the Trademarks, Patents, Copyrights or Licenses, (ii) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks, Patents, Copyrights or Licenses to any Person, (iii) grant or issue any exclusive or nonexclusive license under the Trademarks, Patents, Copyrights or Licenses to any Person, and (iv) take any other actions with respect to the Trademarks, Patents, Copyrights or Licenses as the Collateral Agent deems in its best interest for the payment of the Obligations. The Grantor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney is

coupled with an interest and shall be irrevocable until this Agreement is terminated. The Grantor acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of the Collateral Agent under the Credit Agreement or any other Loan Document, but rather is intended to facilitate the exercise of such rights and remedies.

(b) The Collateral Agent shall have, in addition to all other rights and remedies given it by the terms of this Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Trademarks, Patents, Copyrights or Licenses may be located or deemed located. Upon the occurrence and continuance of an Event of Default and the election by the Collateral Agent to exercise any of its remedies under Section 9-610 or Section 9-620 of the Uniform Commercial Code, as in effect in any jurisdiction, with respect to the Trademarks, Patents, Copyrights or Licenses, the Grantor agrees to assign, convey and otherwise transfer title in and to the Trademarks, Patents, Copyrights and Licenses, to the Collateral Agent or any transferee of the Collateral Agent and to execute and deliver to the Collateral Agent or any such transferee all such agreements, documents and instruments as may be necessary, in the Collateral Agent's sole discretion, to effect such assignment, conveyance and transfer. All of the Collateral Agent's rights and remedies with respect to the Trademarks, Patents, Copyrights and Licenses, whether established hereby, by the Credit Agreement or by any other agreements or by law, shall be cumulative and may be exercised separately or concurrently. Notwithstanding anything set forth herein to the contrary, it is hereby expressly agreed that upon the occurrence and continuance of an Event of Default, the Collateral Agent may exercise any of the rights and remedies provided in this Agreement, the Credit Agreement or any of the other loan documents related thereto. To the extent permitted by applicable law, the Grantor agrees that any notification of intended disposition of any of the Trademarks, Patents, Copyrights or Licenses required by law shall be deemed reasonably and properly given if given at least ten (10) days before such disposition; provided, however, that the Collateral Agent may give any shorter notice that is commercially reasonable under the circumstances.

16. Successors and Assigns. This Agreement shall be binding upon the Grantor and their successors and assigns, and shall inure to the benefit of the Collateral Agent and its nominees, successors and assigns, including, without limitation, any successor "Collateral Agent" as defined in the Intercreditor Agreement. The Grantor's successors and assigns shall include, without limitation, a receiver or a trustee of the Grantor; provided, however, that the Grantor shall not voluntarily assign or transfer its rights or obligations hereunder without the Collateral Agent's prior written consent.

17. Governing Law. This Agreement shall be construed in accordance with and governed by the laws of the State of California applicable to agreements made and to be performed in California.

18. Notices. All notices or other communications hereunder shall be given in the manner set forth in the Intercreditor Agreement and to the addresses set forth in the Intercreditor Agreement.

19. Paragraph Titles. The paragraph titles herein are for convenience of reference only, and shall not affect in any way the interpretation of any of the provisions hereof.

20. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of a counterpart hereof via facsimile transmission shall be effective as delivery of a manually executed counterpart hereof.

21. Merger. This Agreement, together with the Principal Agreements and documents related thereto, represents the final agreement of the Grantor and the Collateral Agent with respect to the matters contained herein and may not be contradicted by evidence of prior or contemporaneous agreements, or subsequent oral agreements, between the Grantor and the Collateral Agent.

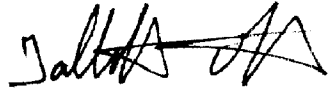

22. Effectiveness. This Agreement shall become effective on the day and year first written above.

[REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK]
