**ASSIGNMENT AND ACKNOWLEDGEMENT OF
TERMINATION AND RELEASE OF COLLATERAL ASSIGNMENT,
PATENT MORTGAGE AND SECURITY AGREEMENT**

Silicon Valley Bank, a California banking corporation ("Silicon Valley"), hereby acknowledges the termination, as of December 5, 2000, of that certain Collateral Assignment, Patent Mortgage and Security Agreement made as of February 23, 1995, as subsequently amended and restated as of June 19, 1997, and as subsequently modified on June 19, 1998, April 23, 1999, June 28, 1999 and April 22, 2000 (the "Security Agreement"), by and between InnerDyne, Inc., a Delaware corporation ("InnerDyne") and Silicon Valley.

Silicon Valley further acknowledges that it has, as of December 5, 2000, released its security interest in all Collateral (as such term is defined in the Security Agreement) under the Security Agreement, including without limitation the Patents and the Trademarks (as such terms are defined in the Security Agreement).

Silicon Valley further assigns, as of December 5, 2000, to InnerDyne all of its interest for the United States of America and all foreign countries, including all rights of priority under international conventions and treaties, in and to the patents and applications listed on Exhibit A hereto, including without limitation all Letters Patent of the United States and all foreign countries which may or shall be granted, or on any provisional, utility, divisional, continuing, continuation-in-part, reissue, reexamination or other applications based in whole or in part thereon. Such assignment includes any and all claims for damages by way of past, present and future infringement of any of the rights of such patents and applications listed on Exhibit A, including the right to sue for and collect damages for use or infringement.

Silicon Valley further assigns, as of December 5, 2000, to InnerDyne all of its interest for the United States of America and all foreign countries, including all rights of priority under international conventions and treaties, in and to the trademarks and applications listed on Exhibit B hereto, including without limitation the entire goodwill of the business connected with and symbolized by such trademarks. Such assignment includes any and all claims for damages by way of past, present and future infringement of any of the rights of such trademarks and applications listed on Exhibit B, including the right to sue for and collect damages for use or infringement.
