RECITALS

WHEREAS, Assignor owns, has adopted, used, intends to use and is using various trademarks/servicemarks listed on Schedule A (the "Trademarks"); and

WHEREAS, Assignee desires to acquire all right, title, and interest, and all goodwill associated therewith, in and to said Trademarks, and all applications, registrations, and common law rights therein, and any and all other intellectual property, in whatever form or medium, which Assignor may have or own, together with the goodwill of the business in connection with which the intellectual property is used and which is symbolized by the intellectual property, along with the right to recover for damages and profits for past infringements thereof; and

WHEREAS, Assignor is willing to make such Assignment to Assignee.

NOW THEREFORE, the parties hereto agree as follows:

1. **Assignment**. For \$10 and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, and transfer to Assignee, its successors and assigns, all of its right, title, and interest, in the United States of America and all foreign countries, in, to and under: said Trademarks, all applications and registrations therefor, together with any and all of the goodwill of the business symbolized by and associated with said Trademarks, all other rights associated with the portion of the ongoing and existing business to which the Trademarks pertain and all income, royalties, fees, damages, and payments now or hereafter due or payable in respect thereto, and in and to any and all causes of action (either in law or in equity), and the right to enforce any rights and file any causes of action, including the right to recover damages, for any past, present, or future infringement or misappropriation of the Trademark; and

2. **Miscellaneous**. Assignor hereby agrees to execute, acknowledge and deliver any and all documents as Assignee, in its sole discretion deems desirable or necessary to make a record with any and all government agencies, authorities, courts, tribunals, or third parties, of the fact that Assignee owns all right, title and interest in and to the Trademarks, and any and all goodwill associated therewith, as well as all other rights associated with the portion of the business to which the Trademarks pertain and that Assignor no longer has any right, title or interest, of any kind or nature, in or to the Trademarks or other rights associated with the portion of the business to which the Trademark pertain.
