**Agreement for the Purchase and Sale
of Intangible Rights**

This agreement for the purchase and sale of intangible rights ("Agreement") is made as of December 1, 2001 ("Effective Date"), between Meyer Marketing Company Limited, a British Virgin Islands company ("Seller"), and Meyer Intellectual Properties Limited, a British Virgin Islands company ("Buyer").

Recitals

- A. Seller owns the contractual rights listed on Exhibit A ("Rights").
- B. Seller owns the registered trademarks listed on Exhibit B ("Marks").
- C. Seller wishes to sell the Marks to Buyer, and Buyer wishes to buy the Marks from Seller.
- D. Seller wishes to sell the Rights to Buyer, and Buyer wishes to buy the Rights from Seller. Moreover, Buyer wishes to undertake all of Seller's obligations under the contracts listed on Exhibit A ("Contracts"), from the Effective Date forward.

Now therefore, for valuable consideration in the form of a purchase price, which is hereby acknowledged by Seller as adequate, the parties agree as follows.

Agreed

- 1. Sale. Subject to the terms and limitations described in this Agreement, Seller hereby sells to Buyer, and Buyer hereby buys from Seller, all of Seller's right, title and interest to the Rights and the Marks, along with all designs incorporated therein and all goodwill of Seller pertaining to the Rights and the Marks. After the Effective Date, Seller will no longer use the Rights or the Marks.
- 2. Representations and Warranties. Seller represents and warrants to Buyer that, as of the Effective Date and to Seller's best knowledge:
 - a. each of the Contracts is in force;
 - b. Seller has not committed any material default under any Contract;
 - c. the other party to any Contract has not committed any material default which has not been cured;
 - d. none of the Rights is subject to any offset by the other party to any Contract, except as set forth in that Contract;
 - e. Seller is the sole owner of the Rights and the Marks;
 - f. Seller has full authority to enter into this Agreement, and to sell the Rights and the Marks to Buyer pursuant to the terms hereof,
 - (i) but transfer of the Marks is subject to the local trademark transfer law requirements in each country in which a Mark is registered;

**Agreement for Purchase and Sale
of Intangible Rights
Page 2**

- (ii) and transfer of the Contract listed as (g) on Exhibit A is subject to the consent of M & I C Distributors Ltd., a South African corporation;
 - g. Seller has entered into no agreement with any third party to convey the Rights or any Mark; and
 - h. no judgment, lien, or proceeding is pending or threatened against Seller which would interfere with its ability to convey the Rights and the Marks under this Agreement.
3. No Further Warranties. Seller makes no further representations or warranties concerning the Rights or the Marks. Specifically but without limitation of the foregoing, Seller makes no representation with regard to any imperfection in ownership or any use of any Mark by third parties. Seller discloses in this regard that the Mark "Prestige" is subject to pending litigation in the United States.
4. Related Rights. The transfer made pursuant to this Agreement does not include any rights to use of the mark "Farberware" in conjunction with bakeware in the United States, which rights are owned by an affiliate of Seller.
5. Consents and Further Acts. The parties acknowledge that the registration for each Mark listed on Exhibit B must be transferred according to the local laws of each nation in which the Marks are registered. The parties will reasonably cooperate with one another in this regard in order to effect an orderly and prompt transfer. Similarly, to the extent any Contract requires consent for its assignment by the other party to the Contract, the parties will reasonably cooperate in obtaining that consent. Buyer explicitly assumes all obligations under each Contract which arise after the Effective Date.
6. Nature of Transaction. Buyer and Seller agree that this transaction is a sale and purchase, not a license or a sublicense.
7. Nature of Purchase Price. Buyer and Seller agree that the purchase price which they have agreed to represents the fair market value of the Rights and the Marks, and is not contingent on any future royalty payments from any party.
8. Indemnity. Buyer will indemnify Seller and hold Seller harmless against any claim or cause of action, including reasonable attorneys' fees, arising in connection with the Rights or the Marks after the Effective Date. Seller will indemnify Buyer and hold Buyer harmless against any claim or cause of action, including reasonable attorneys' fees, arising in connection with the Rights or the Marks before the Effective Date.
9. Arbitration. Any dispute arising out of or in connection with this Agreement will be settled by binding arbitration under the rules of the International Chamber of

10. Attorneys' Fees. Should any litigation or arbitration arise as a result of the interpretation, breach or existence of this Agreement, the prevailing party will be entitled to its reasonable attorneys' fees, in addition to any other remedy.
11. Interpretation. This Agreement will be interpreted under the laws of the State of California, without reference to conflict of laws provisions. Neither this Agreement, nor the application of California law, nor the parties' consent to have causes of action arising under this Agreement decided by the ICC in London, is to be construed to constitute an express or implied consent of either party to the jurisdiction of the United Kingdom, California or the United States, except as required by law and except insofar as the cause of action arises directly from this Agreement.
12. Section Titles. The section titles in this Agreement are for convenience only, and are not to be used in its interpretation.
13. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof, and supersedes all prior agreements on the subject.
14. Severability. If any portion of this Agreement is found to be unenforceable by a court of competent jurisdiction, the remaining provisions will nevertheless be binding as between the parties. No modification, termination or waiver of or under this Agreement will be valid unless it is in writing and signed by both Buyer and Seller.
15. Counterparts. This Agreement may be entered into in counterparts, all of which together will constitute one and the same instrument.

The parties have signed this Agreement as of the Effective Date.
