Box 878, Healdsburg, California, 95448 ("Assignor" or "Licensee") and **J Wine Company, L.P.**, a California Limited Partnership having its principal place of business at 11447 Old Redwood Highway, P.O. Box 6009, Healdsburg, California, 95448 ("Assignee" or "Licensor").

WHEREAS, Assignor owns all right, title and interest in and to the trademarks, service marks, trade dress and/or trade names listed and identified on attached Schedule A, and the applications and registrations therefore (collectively the "Assigned Marks"), together with the associated goodwill; and

WHEREAS, Assignor, Assignee and certain other parties have entered into that certain trademark assignment and license agreement dated May 29, 1997 (the "1997 License Agreement") by which Assignor has licensed the right to use the Assigned Marks to Assignee; and

WHEREAS, the parties desire to terminate the 1997 License Agreement; and

WHEREAS, Assignor desires to transfer to Assignee, and Assignee desires to acquire, all right, title and interest in and to the Assigned Marks; and

WHEREAS, Assignor desires to continue to use one of the Assigned Marks, specifically the "Square Top J" mark listed on attached Schedule B (the "Licensed Mark"), in the marketing and sale of still wines and the other products listed on attached Schedule C (collectively the "Licensed Products"), and on its property;

NOW, THEREFORE, in consideration of the foregoing and the mutual promises contained in this Agreement, the parties hereby agree as follows:

1. **The 1997 License Agreement.** The parties hereby mutually agree to terminate the trademark license granted to Jordan Sparkling Wine Company in the 1997 License Agreement.
2. **Assignment.** Assignor hereby assigns to Assignee, free and clear of any liens and encumbrances, any and all right, title and interest in and to the Assigned Marks, and any associated goodwill. Assignee shall bear all costs of recording this assignment of the Assigned Marks with the necessary government authorities in the necessary countries.

3. **License**. Licensor hereby grants to Licensee an irrevocable, royalty free, exclusive, worldwide license to use the Licensed Mark on the Licensed Products subject to the further terms of this Agreement.

(a) **Exclusivity**. The exclusivity conveyed by this license shall extend against the Licensor. Notwithstanding its ownership of, and right to use, the Assigned Marks, Licensor shall not use a "Square Top J" as identified on Schedule B, or any confusingly similar mark.

(b) **Licensee's Restrictions**. Licensee agrees not to use the "J" mark in any format other than the "Square Top J" as identified on Schedule B. Specifically, Licensee agrees not to use: any yellow "J"; any "J" of any color with brushstroke or bubble definition; any "J" of any color whether by itself or as part of a composite graphic on any wine, beverage, or food label or product; or any "J" of any color as the sole design on a wine bottle neck. Notwithstanding the foregoing, Licensee may use the "Square Top J" alone or with other elements on the neck, foil or top of a wine bottle, anywhere on all other Licensed Products, and on any of its property.

(c) **Licensed Products**. The list of Licensed Products may be modified from time to time upon Licensor's prior written consent, such consent not to be unreasonably withheld, or upon Licensor's failure to disapprove Licensee's written request for modification as provided in this Section 2(c). Licensor shall disapprove any written request for modification from Licensee within thirty (30) days following Licensor's receipt of such request. If Licensee has not received written disapproval of such request within such thirty (30) day period, the request shall be deemed approved.

(d) **Sublicense and Assignment**. The Licensed Mark may not be sub-licensed, and Licensee shall not assign any rights or obligations hereunder, without Licensor's prior written consent, which consent shall not be unreasonably withheld. Notwithstanding the foregoing, Licensor may immediately terminate this Agreement if and when Licensee is no longer under the majority control of members of the family of Thomas N. Jordan, Jr. Licensee shall not be required to destroy any item which bears the Licensed Mark at the time this Agreement is terminated.

(e) **Security Interest**. Licensee shall have the right to assign a security interest in its license, with the prior written consent of Licensor, such consent not to be unreasonably withheld. The license and security interest in such license may not otherwise be conveyed without Licensor's prior written approval. Such assignment shall convey only a security interest in Licensee's license to the Licensed Mark, and title to such mark shall remain in the Licensor.

4. **Jordan Mark and Name**. During the one hundred twenty (120) day period following the Effective Date of this Agreement (the "Phase Out Period"), Licensor shall phase out all use of JORDAN as a trade name, company name, trademark or service mark. At the expiration of the Phase Out Period, Licensor shall destroy any of its remaining and unused letterhead, labels, invoices, brochures, internal documents such as

employee training materials, advertising, promotional information, signage, or other materials which bear the JORDAN mark or name and, thereafter will forever cease all use of the JORDAN mark or name, and will not adopt, use or attempt to register any other mark or name which is confusingly similar to the JORDAN mark or name.

5. Non-competition. During the term of this Agreement, Licensor agrees not to produce or sell any wines which carry a type designation of Cabernet Sauvignon or Cabernet which are labeled with the J mark. During the term of this Agreement, Licensee agrees not to produce or sell any more than seven thousand (7,000) cases annually of wines which carry a type designation of Pinot Noir which are labeled with the JORDAN mark.

(b) Licensee shall not institute any new or materially different display of the Licensed Mark on and in connection with the Licensed Products without Licensor's prior written consent, such consent not to be unreasonably withheld, or Licensor's failure to disapprove Licensee's written request for such consent pursuant to this Section 7(b). Licensor shall disapprove any written request for modification from Licensee within thirty (30) days following Licensor's receipt of such request. If Licensee has not received written disapproval of such request within such thirty (30) day period, the request shall be deemed approved.

(c) Licensor shall have the right, on reasonable request and notice, to inspect the Licensed Products which bear the Licensed Mark and the facilities where such Licensed Products are produced, displayed and sold, in order to assure that the quality standards of this Agreement are being observed.

(d) Beginning in 2000 and each year thereafter, Licensee shall provide to Licensor one (1) nine liter (9L) case of each class and type of the wine produced that year on which the Licensed Mark appears, in order to assure that the quality standards of this Agreement are being observed.

(e) Licensee warrants that all Licensed Products which bear the Licensed Mark sold under this Agreement will be manufactured, labeled, sold and advertised in compliance with all applicable national, federal, state and local laws and regulations.

8. **Ownership.** Licensee confirms Licensor's ownership of the Licensed Mark, and Licensee agrees that all its use of the Licensed Mark will inure to Licensor's benefit. (b) **Action in Furtherance of Ownership.** Licensee will operate fully and in good faith with Licensor for the purpose of securing, preserving and protecting Licensor's rights in and to the Licensed Mark. Licensee will execute at any time any documents, and take such other actions as Licensor may reasonably request, to register, record, enforce or assign Licensor's rights in the Assigned Marks.

(c) **Registration.** Licensor agrees, upon reasonable notice from Licensee, to register the Licensed Mark in any additional countries where the "J" mark is not already registered and where the Licensed Mark is in use. Such registrations shall be in the name of Licensor and Licensor shall be the owner of all right, title and interest in the Licensed Mark in such countries, however Licensee shall bear all costs of registration.

9. **Warranty and Indemnification.**

(a) Assignor represents and warrants that it owns all right, title and interest in and to the Assigned Mark and that there are no outstanding encumbrances, licenses, or other agreements of any kind which would preclude Assignor from assigning the Assigned Marks, free and clear of encumbrances, licenses, and other agreements of any kind.

(b) Licensee hereby indemnifies and holds Licensor harmless from any liability, loss, damage, cost or expense (including attorney's fees and related costs and expenses) arising out of any claim or suit concerning any alleged defect in any Licensed Product sold by Licensee under this Agreement; any allegation that the manufacture, labeling, sale or advertisement of any such Licensed Product violates any applicable federal, state or local law or regulation; any allegation that Licensee's use of the Licensed Mark in connection with the Licensed Products infringes any third party's rights in the Licensed Mark or any confusingly similar mark. (c) As to the Licensed Mark and the Licensed Products, Licensee, at its sole cost and expense, may institute litigation in its own name with the consent of Licensor, such consent not to be unreasonably withheld.
