WHEREAS, pursuant to the terms of the Pledge Agreement, each Pledgor has granted to Agent for the benefit of Secured Parties a security interest in substantially all of their assets, including all of their right, title and interest in, to and under all now owned and hereafter acquired Trademarks (as defined below), Trademark registrations, Trademark applications and Trademark Licenses (as defined below), together with the goodwill of the business symbolized by each Pledgor's Trademarks, and all proceeds thereof, to secure, inter alia, the payment of the Obligations. The Trademarks, Trademark registrations, Trademark Licenses and Trademark applications are listed on Schedule 1 annexed hereto.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Pledgor does hereby grant to Agent a continuing security interest in all of its respective right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether presently existing or hereafter created or acquired:

- A. "Trademark License" means any written agreement now or hereafter in existence granting to any Pledgor any right to use any Trademark (excluding any such agreement if and to the extent that any attempt to grant a security interest hereunder in any such agreement without the consent of a third party would constitute a breach thereof and such consent has not been obtained by such Pledgor).

- B. "Trademarks" means collectively all of the following now owned or hereafter created or acquired by any Pledgor: (a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, other business identifiers, prints and labels on which any of the foregoing have appeared or appear, all registrations and recordings thereof, and all applications in connection therewith including registrations, recordings and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof; (b) all reissues, extensions or renewals thereof; (c) all income, royalties, damages and payments now or hereafter due and/or payable under any of the foregoing or with respect to any of the foregoing including damages or payments for past or future infringements of any of the foregoing; (d) the right to sue for past, present and future infringements of any of the foregoing; (e) all rights corresponding to any of the foregoing throughout the world; and (f) all goodwill associated with and symbolized by any of the foregoing.
