ASSIGNMENT

THIS ASSIGNMENT (the "Assignment") is made as of April 30, 2001, by and between Thermoguard Insulation Company, a Washington corporation (the "Assignor"), located at 125 North Dyer Road, Spokane, Washington 99212, and Thermoguard Insulation Company, LLC, a Virginia limited liability company (the "Assignee"), (collectively, the "Parties") located at 1029 Technology Park Drive, Glen Allen, Virginia 23059, hereby provides:

WHEREAS, Assignor has obtained registrations within the United States of America for the service marks and/or trademarks depicted and described on Exhibit A, attached hereto and made a part hereof (collectively, the "Trademarks");

WHEREAS, Assignor desires to assign to Assignee all of Assignor's rights, title and interest that it may have in and to the Trademarks worldwide together with the goodwill of the business in connection with which the Trademarks have been used and are used, symbolized by the Trademarks along with the right to recover for damages and profits for past, present and future infringements thereof and to enjoin any and all past, present and future infringing uses of the Trademarks; and,

WHEREAS, Assignee is desirous of acquiring any and all rights that Assignor may have in and to the Trademarks worldwide together with the goodwill of the business in connection with which the Trademarks have been used and are used, symbolized by the Trademarks along with the right to recover for damages and profits for past, present and future infringements thereof and to enjoin any and all past, present and future infringing uses of the Trademarks.

NOW THEREFORE, in consideration for the mutual covenants contained herein, the above recitals which are hereby incorporated into this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **Assignment.** Assignor hereby assigns and conveys to Assignee all rights, title and interest that Assignor may have, free and clear of any liens and/or encumbrances, in and to the Trademarks in the United States and worldwide, together with the goodwill of the business connected with the use of, and which is symbolized by, the Trademarks, along with the Assignor's right to recover for damages and profits for any past, present and future infringements of the Trademarks.

2. **Authorization.** Contemporaneously with executing this Assignment, Assignor has provided Assignee with all original certificates of registration in Assignor's possession for the Trademarks listed in the Exhibit. Assignor hereby represents and covenants that it has the full right to convey the interests herein

assigned, and that it has not executed and will not execute, any agreement or document which is in conflict herewith.

3. **Future Assurances.** Assignor agrees that upon the request of Assignee, it shall execute and deliver all papers and do all other reasonable acts necessary to carry out the intent of this Assignment and which Assignee may reasonably request in order to vest all of Assignor's rights, title and interest in and to the Trademarks in Assignee. Further, Assignor agrees to provide evidence to support any of the foregoing in the event such evidence is deemed necessary by Assignee and to the extent that such evidence is in the possession and/or control of Assignor.

4. **Binding Effect.** This Assignment shall be binding upon the Parties, their heirs, legal representatives, successors and/or assigns, as the case may be, and all others acting by, through, with or under their direction. The Parties intend for this Assignment to be both permanent and irrevocable.

5. **Applicable Law.** This Assignment shall be construed by and interpreted in accordance with the laws of the United States and the Commonwealth of Virginia without reference to its conflict of laws provisions.

6. **Jurisdiction and Venue.** The Parties hereby irrevocably consent to the jurisdiction of the United States District Court for the Eastern District of Virginia, Richmond Division, to the extent that such court has subject matter jurisdiction, or, alternatively to the Circuit Court for the County of Henrico, Virginia for any claims or causes of action arising out of or relating to this Assignment. Further, the Parties hereby waive any objection they may have to either the jurisdiction or venue of such courts.

7. **Recordation.** Assignee shall have the right to record freely this Assignment, as it deems appropriate, to give notice of its assigned rights contained in this Assignment including, without limitation, recording this Assignment with the United States Patent and Trademark Office.

8. **Counterparts.** This Assignment may be executed in any number of counterparts and by different parties to this Assignment, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same Assignment.

9. **General.** This Assignment is the final and complete understanding of the Parties concerning the subject matter hereof, and supercedes all prior discussions, negotiations and agreements concerning such subject matter. This Assignment may not be amended or modified in whole or part except in a writing signed by all the Parties.

IN WITNESS WHEREOF this Assignment has been executed and made effective as of the date first written above.
