FIRST AMENDMENT TO PATENT AND TRADEMARK SECURITY AGREEMENT

This Amendment, dated as of June 22, 2001, is made by SHELDAHL, INC., a Minnesota corporation whose address and principal place of business is 1150 Sheldahl Road, Northfield, Minnesota (the "Debtor"), to and for the benefit of WELLS FARGO BANK MINNESOTA, NATIONAL ASSOCIATION, a national banking association, formerly known as Norwest Bank Minnesota, National Association, whose address and principal place of business is Wells Fargo Center, Sixth Street and Marquette Avenue, Minneapolis, Minnesota 55479-0152, as agent (in such capacity, together with any party which may become the successor agent under the Credit Agreement referred to below, the "Agent") for each of the financial institutions which are now or may hereafter become parties to the Credit Agreement referred to below (together with the Agent, collectively the "Lenders").

Recitals

The Debtor, the Agent, and the Lenders are parties to a Credit and Security Agreement dated as of June 19, 1998 (as amended to date and as may be hereafter further amended, supplemented or restated from time to time, the "Credit Agreement"), setting forth the terms on which the Lenders may now or hereafter make certain loans or other financial accommodations to or for the account of the Debtor. Capitalized terms used in these recitals have the meanings given to them in the Credit Agreement unless otherwise specified.

As a condition to making loans or other financial accommodations under the Credit Agreement or otherwise, the Lenders required the execution and delivery of a Patent and Trademark Security Agreement dated as of June 19, 1998 (the "Agreement").

The Debtor has since the date of the Agreement obtained additional patents and trademarks. The Debtor has requested the Agent and the Lenders to enter into a Ninth Amendment to the Credit Agreement of even date herewith. As a condition to doing so, the Lenders have required the Debtor to enter into this Amendment.

ACCORDINGLY, in consideration of the mutual covenants contained in the Credit Agreement and herein, the parties hereby agree as follows:

1. Definitions. All terms defined in the Recitals hereto or in the Credit Agreement that are not otherwise defined herein shall have the meanings given to them therein. In addition, Section 1 of the Agreement is hereby amended by adding or amending, as the case may be, the following definitions:

"First Amendment to Patent and Trademark Security Agreement" means the First Amendment to Patent and Trademark Security Agreement dated as of June 22, 2001."

"Patents" means all of the Debtor's right, title and interest in and to patents or applications for patents, fees or royalties with respect to each, and including without

limitation the right to sue for past, present and future infringement and damages therefor, and licenses thereunder, all as presently existing or hereafter arising or acquired, including without limitation the patents listed on Exhibit A to the First Amendment to Patent and Trademark Security Agreement and any divisions, continuations, continuations-in-part, reissues or corresponding foreign patents and patent applications.”

“‘Trademarks’ means all of the Debtor’s right, title and interest in and to trademarks, service marks, collective membership marks, any registrations or applications for registration therefor, together with the respective goodwill associated with each, fees or royalties with respect to each, including without limitation the right to sue for past, present and future infringement, dilution and damages therefor, and licenses thereunder, all as presently existing or hereafter arising or acquired, including, without limitation, the marks listed on Exhibit B to the First Amendment to Patent and Trademark Security Agreement any divisions or renewals thereof or corresponding foreign trademark registrations and applications.”

2. No Other Changes. Except as explicitly amended by this Amendment, all of the terms and conditions of the Patent and Trademark Security Agreement shall remain in full force and effect.

3. Conditions Precedent. This Amendment shall be effective when the Agent shall have received an executed original hereof.

4. Representations and Warranties. The Debtor hereby represents and warrants to the Lenders as follows:

(a) The Debtor has all requisite corporate power and authority to execute this Amendment and to perform all of its obligations hereunder, and this Amendment has been duly executed and delivered by the Debtor and constitutes the legal, valid and binding obligation of the Debtor, enforceable in accordance with its terms.

(b) The execution, delivery and performance by the Debtor of this Amendment have been duly authorized by all necessary corporate action and do not (i) require any authorization, consent or approval by any governmental department, commission, board, bureau, agency or instrumentality, domestic or foreign, (ii) violate any provision of any law, rule or regulation or of any order, writ, injunction or decree presently in effect, having applicability to the Debtor, or the articles of incorporation or by-laws of the Debtor, or (iii) result in a breach of or constitute a default under any indenture or loan or credit agreement or any other agreement, lease or instrument to which the Debtor is a party or by which it or its properties may be bound or affected.

(c) All of the representations and warranties contained in Section 3 of the Agreement are correct on and as of the date hereof as though made on and as of such date, except to the extent that such representations and warranties relate solely to an earlier date.

5. References. All references in the Agreement to "this Agreement" shall be deemed to refer to the Agreement as amended hereby; and any and all references in the Existing Security Documents or the Credit Agreement to the Patent and Trademark Security Agreement shall be deemed to refer to the Agreement as amended hereby.

6. No Other Waiver. The execution of this Amendment and acceptance of any documents related hereto shall not be deemed to be a waiver of any Default or Event of Default under the Agreement or other document held by the Lenders, whether or not known to the Lenders and whether or not existing on the date of this Amendment.

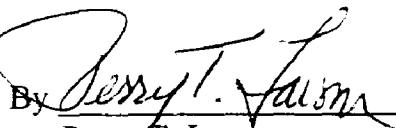

7. Miscellaneous. This Amendment may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original and all of which counterparts, taken together, shall constitute one and the same instrument. A carbon, photographic or other reproduction of this Amendment or of any financing statement signed by the Debtor shall have the same force and effect as the original for all purposes of a financing statement. This Amendment shall be governed by the internal law of Minnesota without regard to conflicts of law provisions.

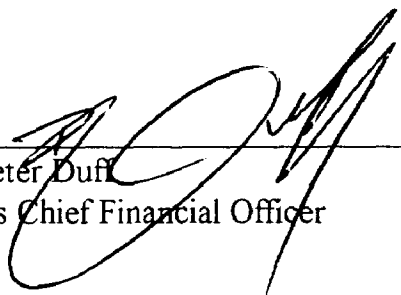

THE PARTIES WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING BASED ON OR PERTAINING TO THIS AMENDMENT.

IN WITNESS WHEREOF, the parties have executed this First Amendment to Patent and Trademark Security Agreement as of the date written above.
