**WHEREAS**, as a condition precedent to (a) the obligation of the Lenders to continue to make their respective Credit Extensions to the Borrower under the Credit Agreement, and (b) the effectiveness of the agreements set forth in Amendment No. 2 to the Credit Agreement, the Borrower and the Subsidiary Grantors executed and delivered a Security Agreement dated March 31, 1998 (the "Security Agreement") to the Administrative Agent for the ratable benefit of the Secured Parties;

**WHEREAS**, pursuant to the Security Agreement, the parties agreed to take actions and make filings and, in furtherance of the foregoing, the parties have agreed to supplement the Security Agreement as further set forth herein;

**NOW THEREFORE**, for valuable consideration the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby agrees with the Administrative Agent, for the ratable benefit of the Secured Parties, that the Security Agreement shall be supplemented as follows:

1. **GRANT OF SECURITY INTEREST**. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, to secure all of the Obligations, the Grantor does hereby mortgage, pledge and hypothecate to the Administrative Agent, and grant to the Administrative Agent a security interest in, for its benefit and the benefit of each Secured Party, all of the following property, whether now owned or hereafter acquired or existing by it:

(a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, service marks, certification marks, collective marks, logos, other source of business identifiers, prints and labels on which any of the foregoing have appeared or appear, designs and general intangibles of a like nature and designs (all of the foregoing items in this clause (a) being collectively called a "Trademark"), now existing in the United States or anywhere in the world or hereafter adopted or acquired in the United States or anywhere in the world, and all registrations and recordings thereof and all applications in connection therewith, including registrations, recordings and applications in the United States Patent and Trademark Office or with a comparable office anywhere else in the world and including all Trademarks referred to on Schedule I hereto and all renewals thereof;

(c) all of the goodwill of the business connected with the use of, and symbolized by the items described in clause (a);

(d) the right to sue third parties for past, present and future infringements of any Trademark Collateral (as defined herein) described in clause (a) and, to the extent applicable, clause (b);

(e) all proceeds of, and rights associated with, the foregoing, including any claim by the Grantor against third parties for past, present or future infringement or dilution of any Trademark, Trademark registration or Trademark license, or for any injury to the goodwill associated with the use of any such Trademark or for breach or enforcement of any Trademark license and all rights corresponding thereto throughout the world (all of the foregoing items in this clause (e), collectively with all the items in clauses (a) through (d), being called the "Trademark Collateral");

(f) all letters patent and applications for letters patent throughout the world,

including all patent applications in preparation for filing anywhere in the world and including each patent and patent application referred to in Schedule II attached hereto;

(g) all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations of any of the items described in clause (f);

2. **SECURITY AGREEMENT**. This Supplement has been executed and delivered by the Grantor for the purpose of registering the security interest of the Administrative Agent in the Trademark Collateral and in the Patent Collateral with the United States Patent and Trademark Office and corresponding offices in other countries of the world, as relevant. (e) Counterparts. This Supplement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement.
