ASSIGNMENT AND ASSUMPTION AGREEMENT

THIS ASSIGNMENT AND ASSUMPTION AGREEMENT ("Agreement") is made effective as of April 30, 2001 ("Effective Date"), by and between AMANA COMPANY, L.P., a Delaware limited partnership ("Old Amana"), whose sole general partner is Goodman Holding Company, a Texas corporation ("Holding"), and AMANA APPLIANCE COMPANY, L.P., a Texas limited partnership ("Amana Appliance"), whose sole general partner is Amana Holding Company, a Texas corporation ("Amana Holding").

RECITALS

WHEREAS, Old Amana owns a 99.94997% limited partnership interest in Amana Appliance; and

WHEREAS, Old Amana proposes to convey, transfer and assign to Amana Appliance all of its business, operations and assets (whether tangible or intangible) relating to the manufacturer and/or distribution for sale of refrigerators, freezers, washers, dryers, freestanding, built-in and cooktop cooking equipment, dishwashers and microwave ovens (the "Appliance Assets"), including, without limitation, those assets which are more fully identified on Schedule A, which is attached hereto and incorporated herein by reference; and

WHEREAS, Amana Appliance proposes to assume and agree to perform or discharge, in accordance with their terms, all obligations of Old Amana related to the Appliance Assets (the "Appliance Obligations"), which are more fully identified on Schedule B, which is attached hereto and incorporated herein by reference;

NOW, THEREFORE, in and for the mutual covenants and agreements set forth herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Old Amana and Amana Appliance agree as follows:

AGREEMENT

1. Conveyance, Transfer and Assignment. Subject to the terms and conditions of this Agreement, Old Amana, in exchange for the assumption of the Appliance Obligations by Amana Appliance, does by these presents grant, bargain, sell convey, transfer, assign and set over to Amana Appliance any and all right, title and interest of Old Amana in, to and under the Appliance Assets. Amana Appliance hereby accepts such grant, bargain, sale, conveyance, transfer, assignment and set over.

2. Assumption of Appliance Obligations. Amana Appliance, for valuable consideration, the receipt and sufficiency of which are hereby acknowledged, hereby assumes and agrees to perform or discharge, in accordance with their terms, the Appliance Obligations.

3. Old Amana's Representations and Warranties. Old Amana hereby represents and warrants to Amana Appliance that:

a. Old Amana has all requisite power and authority to undertake and perform its obligations set forth herein, has duly executed and delivered this Agreement and this

Agreement is enforceable against it in accordance with its terms, except to the extent that enforcement thereof (i) may be limited by bankruptcy, insolvency (including, without limitation, all laws relating to fraudulent transfers), reorganization, moratorium or similar laws affecting the enforcement of creditors rights generally or (ii) is subject to general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or at law); and

b. the execution, delivery and performance of this Agreement by Old Amana and the consummation of the transactions contemplated hereby will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, Old Amana's organizational documents, or any indenture, mortgage, deed of trust, loan agreement, trust agreement or other agreement or instrument to which Old Amana is a party or by which Old Amana is bound or to which any of the property or assets of Old Amana is subject, nor will such actions result in any violation of the provisions of any statute or any order, rule or regulation of any court or governmental agency or body having jurisdiction over Old Amana or any of its properties or assets, the effect of which breach, violation or default would prevent or impede in any material respect Old Amana's ability to perform and discharge its obligations under this Agreement.

4. Amana Appliance's Representations and Warranties. Amana Appliance hereby represents and warrants to Old Amana that:

a. Amana Appliance has all requisite power and authority to undertake and perform its obligations set forth herein, has duly executed and delivered this Agreement and this Agreement is enforceable against it in accordance with its terms, except to the extent that enforcement thereof (i) may be limited by bankruptcy, insolvency (including, without limitation, all laws relating to fraudulent transfers), reorganization, moratorium or similar laws affecting the enforcement of creditors rights generally or (ii) is subject to general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or at law); and

b. the execution, delivery and performance of this Agreement by Amana Appliance and the consummation of the transactions contemplated hereby will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under Amana Appliance's organizational documents or any indenture, mortgage, deed of trust, loan agreement, trust agreement or other agreement or instrument to which Amana Appliance is a party or by which Amana Appliance is bound or to which any of the property or assets of Amana Appliance is subject, nor will such actions result in any violation of the provisions of any statute or any order, rule or regulation of any court or governmental agency or body having jurisdiction over Amana Appliance or any of its properties or assets, the effect of which breach, violation or default would prevent or impede in any material respect Amana Appliance's ability to perform and discharge its obligations under this Agreement.

5. Further Assurances.

a. Amana Appliance will execute and deliver to Old Amana all such other additional instruments, notices, assumptions and other documents, and will do all such other acts and things, as Old Amana reasonably may deem necessary, appropriate or desirable to more fully protect the rights of Old Amana, its successors and assigns set forth in this Agreement.

b. Old Amana will execute and deliver to Amana Appliance all such other additional instruments, notices, releases, assignments and other documents, and will do all such other acts and things, as Old Amana reasonably may deem necessary, appropriate or desirable to more fully grant, bargain, sell, convey, transfer, assign and set over to Amana Appliance, its successors and assigns, all of the rights, titles, interests, estates, contracts, remedies, powers and privileges herein and hereby granted, bargained, sold, conveyed, transferred, assigned and set over or intended so to be.

6. Effective Time. This Agreement is effective for all purposes as of 12:01 a.m., Houston, Texas time, on the date first above written.

7. Power of Attorney. Old Amana hereby irrevocably constitutes and appoints Amana Appliance, its successors and assigns, the true and lawful attorney-in-fact of Old Amana, with full power of substitution, in the name of Old Amana, or in the name of Amana Appliance, but on behalf of and for the benefit of Amana Appliance, to institute and prosecute in the name of Amana Appliance or otherwise, all proceedings which it may deem proper in order to assert or enforce any claim, right or title of any kind in and to the Appliance Assets; to defend and compromise any and all actions, suits or proceedings in respect thereof; to execute, deliver and record all instruments of conveyance, transfer and assignment as necessary to more fully and specifically grant, bargain, sell, convey, transfer and assign to Amana Appliance all right, title, interest to the Appliance Assets; and to do all such acts and things in relation thereto as Amana Appliance shall deem advisable. Old Amana agrees that the foregoing power is coupled with an interest and shall be irrevocable by Old Amana or by its dissolution or in any other manner or for any reason.

8. Survival. The representations and warranties contained in this Agreement shall survive the date of this Agreement for one year.

9. Successors and Assigns. This Agreement and the rights of the parties hereunder may not be assigned (except by operation of law) and shall be binding upon and shall inure to the benefit of the parties, and their successors, and legal representatives.

10. Miscellaneous. This Agreement shall be governed and construed in accordance with the laws of the State of Texas. This Agreement may be executed in any number of original counterparts, all of which constitute one and the same instrument. This Agreement contains the entire understanding and agreement of the parties with respect to the subject matter hereof.

IN WITNESS WHEREOF, Old Amana and Amana Appliance have signed this Agreement, as of the date first above written.
