INTELLECTUAL PROPERTY SECURITY AGREEMENT

This **INTELLECTUAL PROPERTY SECURITY AGREEMENT** ("Agreement"), dated as of January 25, 2002, is entered into between **TECSYS DEVELOPMENT, LP**, a Delaware limited partnership ("Debtor") and **THE FROST NATIONAL BANK** ("Lender"), in light of the following:

A. Contemporaneously with this Agreement, Debtor and Lender are entering into that certain Loan Agreement (the "Loan Agreement") and other instruments, documents and agreements contemplated thereby or related thereto (collectively with the Loan Agreement, the "Loan Documents"); and

B. Debtor is the owner of certain intellectual property, identified below, in which Debtor is granting a security interest to Lender.

NOW THEREFORE, in consideration of the mutual promises, covenants, conditions, representations, and warranties hereinafter set forth and for other good and valuable consideration, the parties hereto mutually agree as follows:

1. DEFINITIONS AND CONSTRUCTION.

1.1 Definitions. Capitalized terms used but not defined herein shall have the meanings given to them in the Loan Agreement. In addition, the following terms, as used in this Agreement, have the following meanings:

"Code" means the Texas Uniform Commercial Code, as amended and supplemented from time to time, and any successor statute.

"Collateral" means:

(i) Each of the trademarks and rights and interest which are capable of being protected as trademarks (including all of Debtor's right to the trademark registrations listed on Schedule A, attached hereto, as the same may be updated hereafter from time to time and all other trademarks, service marks, designs, logos, indicia, tradenames, corporate names, company names, business names, fictitious business names, trade styles, and other source or business identifiers, and applications pertaining thereto), which are presently, or in the future may be, owned, created, acquired, or used (whether pursuant to a license or otherwise) by Debtor, in whole or in part, and all trademark rights with respect thereto throughout the world, including all goodwill associated therewith and all proceeds thereof (including license royalties and proceeds of infringement suits), and rights to renew and extend such trademarks and trademark rights;

(ii) Each of the patents and patent applications which are presently, or in the future may be, owned, issued, acquired, or used (whether pursuant to a license or otherwise) by Debtor (including all of Debtor's right, title, and interest, in and to the patents and patent applications listed on Schedule B, attached hereto, as the same may be updated hereafter from time to time), in whole or in part, and all patent rights with respect thereto throughout the world, including all proceeds thereof (including license royalties and proceeds of infringement suits), foreign filing rights, and rights to extend such patents and patent rights;

(iii) All of Debtor's right, title and interest to register trademark claims under any state or federal trademark law or regulation of any foreign country and to apply for, renew, and extend the trademark registrations and trademark rights, the right (without obligation) to sue or bring opposition or cancellation proceedings in the name of Debtor or in the name of Lender for past, present, and future infringements of the trademarks, registrations, or trademark rights and all rights (but not obligations) corresponding thereto in the United States and any foreign country;

(iv) All of Debtor's right, title, and interest in all patentable inventions, and to file applications for patent under federal patent law or regulation of any foreign country, and to request reexamination and/or reissue of the patents, the right (without obligation) to sue or bring interference proceedings in the name of Debtor or in the name of Lender for past, present, and future infringements of the patents, and all rights (but not obligations) corresponding thereto in the United States and any foreign country;

(v) All general intangibles relating to the foregoing; and

(vi) All proceeds of any and all of the foregoing (including, without limitation, license royalties and proceeds of infringement suits) and, to the extent not otherwise included, all payments under insurance, or any indemnity, warranty, or guaranty payable by reason of loss or damage to or otherwise with respect to the Collateral.

Notwithstanding the foregoing, "Collateral" shall not include any license, property or contract right the granting of a security interest in which would be prohibited by law or contract.

"Obligations" means the obligations and indebtedness of Debtor under the Loan Agreement and the other Loan Documents and the obligations of Debtor hereunder.

1.2 Construction. Unless the context of this Agreement clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, and the term "including" is not limiting. The words "hereof," "herein," "hereby," "hereunder," and other similar terms refer to this Agreement as a whole and not to any particular provision of this Agreement. Any initially capitalized terms used but not defined herein shall have the meaning set forth in the Loan Agreement. Any

reference herein to any of the Loan Documents includes any and all alterations, amendments, extensions, modifications, renewals, or supplements thereto or thereof, as applicable. Neither this Agreement nor any uncertainty or ambiguity herein shall be construed or resolved against Lender, on the one hand, or Debtor, on the other hand, whether under any rule of construction or otherwise. On the contrary, this Agreement has been reviewed by Debtor, Lender, and their respective counsel, and shall be construed and interpreted according to the ordinary meaning of the words used so as to fairly accomplish the purposes and intentions of Lender and Debtor.

2. GRANT OF SECURITY INTEREST.

Debtor hereby grants to Lender a first-priority security interest in all of Debtor's right, title, and interest in and to the Collateral to secure the Obligations.

3. REPRESENTATIONS, WARRANTIES AND COVENANTS.

Debtor hereby represents, warrants, and covenants that:

3.1 Trademarks; Service Marks; Patents.

(i) A true and complete schedule setting forth all federal and state trademark and service mark registrations owned or controlled by Debtor or licensed to Debtor, together with a summary description and full information in respect of the filing or issuance thereof and expiration dates is set forth on Schedule A;

(ii) A true and complete schedule setting forth all patent and patent applications owned or controlled by Debtor or licensed to Debtor, together with a summary description and full information in respect of the filing or issuance thereof and expiration dates is set forth on Schedule B.

3.2 Validity; Enforceability. Each of the patents, service marks and trademarks is valid and enforceable, and Debtor is not presently aware of any past, present, or prospective claim by any third party that any of the patents, service marks or trademarks are invalid or unenforceable, or that the use of any patents, service marks or trademarks violates the rights of any third person, or of any basis for any such claims;

3.3 Title. Debtor is the sole and exclusive owner of the entire and unencumbered right, title, and interest in and to each of the patents, patent applications, service marks, service mark registrations, trademarks, and trademark registrations, free and clear of any liens, charges, and encumbrances, including pledges and assignments, or has the rights to use the same under a valid license, other than Permitted Liens;

3.4 Notice. Debtor has used and will continue to use proper statutory notice in connection with its use of each of the patents, service marks and trademarks;

3.5 Quality. Debtor has used and will continue to use consistent standards of quality (consistent with Debtor's past practices) in the manufacture, sale, and delivery of products and services sold or delivered under or in connection with the service marks and trademarks, including, to the extent applicable, in the operation and maintenance of its merchandising operations, and will continue to maintain the validity of the service marks and trademarks to the extent that the failure to so maintain the validity of such service marks and trademarks could reasonably be expected to result in a Material Adverse Change;

3.6 Perfection of Security Interest. Except for the filing of a financing statement with the Secretary of State of Texas and filings with the United States Patent and Trademark Office necessary to perfect the security interests created hereunder, no authorization, approval, or other action by, and no notice to or filing with, any governmental authority or regulatory body is required either for the grant by Debtor of the security interest hereunder or for the execution, delivery, or performance of this Agreement by Debtor or for the perfection of or the exercise by Lender of its rights hereunder to the Collateral in the United States.

4. AFTER-ACQUIRED PATENT, SERVICE MARK OR TRADEMARK RIGHTS.

If Debtor shall obtain rights to any new service marks, trademarks, any new patentable inventions or become entitled to the benefit of any patent application or patent for any reissue, division, or continuation, of any patent, the provisions of this Agreement shall automatically apply thereto. Debtor shall give prompt notice in writing to Lender with respect to any such new service marks, trademarks or patents, or renewal or extension of any service mark or trademark registration. Debtor shall bear any expenses incurred in connection with future patent applications or service mark or trademark registrations.

5. LITIGATION AND PROCEEDINGS.

Debtor shall commence and diligently prosecute in its own name, as the real party in interest, for its own benefit, and its own expense, such suits, administrative proceedings, or other action for infringement or other damages as are in its reasonable business judgment necessary to protect the Collateral. Debtor shall provide to Lender any information with respect thereto requested by Lender. Lender shall provide at Debtor's expense all necessary cooperation in connection with any such suits, proceedings, or action, including, without limitation, joining as a necessary party. Following Debtor's becoming aware thereof, Debtor shall notify Lender of the institution of, or any adverse determination in, any proceeding in the United States Patent and Trademark Office, or any United States, state, or foreign court regarding Debtor's claim of

ownership in any of the patents, service marks or trademarks, its right to apply for the same, or its right to keep and maintain such patent, service mark or trademark rights.

6. POWER OF ATTORNEY.

To the extent it does not adversely affect the validity of the Collateral, Debtor grants Lender power of attorney, coupled with an interest, having the full authority, and in the place of Debtor and in the name of Debtor, from time to time during the occurrence and continuance of an Event of Default in Lender's discretion, to take any action and to execute any instrument which Lender may deem necessary or advisable to accomplish the purposes of this Agreement, including, without limitation, as may be subject to the provisions of this Agreement: to endorse Debtor's name on all applications, documents, papers, and instruments necessary for Lender to use or maintain the Collateral; to ask, demand, collect, sue for, recover, impound, receive, and give acquittance and receipts for money due or to become due under or in respect of any of the Collateral; to file any claims or take any action or institute any proceedings that Lender may deem necessary for the collection of any of the Collateral or otherwise to enforce the Lender's rights with respect to any of the Collateral and to assign, pledge, convey, or otherwise transfer title in or dispose of the Collateral to any person.

7. [INTENTIONALLY DELETED].

8. EVENTS OF DEFAULT.

An Event of Default (as defined in the Loan Agreement) shall be an Event of Default under this Agreement.

9. SPECIFIC REMEDIES. Upon the occurrence and continuation of any Event of Default, Lender shall have, in addition to, other rights given by law or in this Agreement, the Loan Agreement, or in any other Loan Document, all of the rights and remedies with respect to the Collateral of a secured party under the Code, including the following:

9.1 Notification. Lender may notify licensees to make royalty payments on license agreements directly to Lender;

9.2 Sale. Lender may sell or assign the Collateral and associated goodwill at public or private sale for such amounts, and at such time or times as Lender deems advisable. Any requirement of reasonable notice of any disposition of the Collateral shall be satisfied if such notice is sent to Debtor ten days prior to such disposition. Debtor shall be credited with the net proceeds of such sale only when they are actually received by Lender, and Debtor shall continue to be liable for any deficiency remaining after the Collateral is sold or collected. If the sale is to be a public sale, Lender shall also give notice of the time and place by publishing a notice one time at least ten days before the date of the sale in a newspaper of general circulation in the county in which the sale is to be held. To the maximum extent permitted by applicable law, Lender may be the

purchaser of any or all of the Collateral and associated goodwill at any public sale and shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any public sale, to use and apply all or any part of the Obligations as a credit on account of the purchase price of any collateral payable by Lender at such sale.
