Notwithstanding the foregoing, the Subordinated Secured Party acknowledges and agrees that he shall not be entitled to take any action under this Section 9 prior to the Facility Termination Date without the prior written consent of the Agent.

10. Attorney-in-Fact. Without limiting any other provision of this Subordinated Intellectual Property Security Agreement, upon the occurrence and during the continuance of an Event of Default (as defined in the Further Amended and Restated Subordinated Note), each Grantor hereby irrevocably appoints the Subordinated Secured Party as such Grantor's attorney-in-fact, with full authority in the place and stead of such Grantor and in the name of such Grantor or otherwise, from time to time in the Subordinated Secured Party's discretion, to take any action and to execute any instrument that the Subordinated Secured Party may deem necessary or advisable to accomplish the purposes of this Subordinated Intellectual Property Security Agreement, including without limitation:

(a) to ask, demand, collect, sue for, recover, compromise, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral;

(b) to receive, endorse and collect any drafts or other instruments, documents and chattel paper in connection with clause (a) above;

(c) to file any claims or take any action or institute any proceedings that the Subordinated Secured Party may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce the rights of the Subordinated Secured Party, with respect to any of the Collateral; and

(d) to execute, in connection with the sale provided for in Section 13 hereof, any endorsement, assignments, or other instruments of conveyance or transfer with respect to the Collateral.

Notwithstanding the foregoing, the Subordinated Secured Party acknowledges and agrees that he shall not be entitled to take any action under this Section 10 prior to the Facility Termination Date without the prior written consent of the Agent.

11. Subordinated Secured Party May Perform.

(a) If any Grantor fails to perform any agreement contained herein, the Subordinated Secured Party may itself perform, or cause performance of, such agreement, and the expenses of the Subordinated Secured Party incurred in connection therewith shall be payable by such Grantor under Section 14(b) hereof to the fullest extent permitted by applicable law.

(b) The Subordinated Secured Party or its designated representatives shall have the right to the extent reasonably requested and upon reasonable prior notice, at any reasonable time during normal business hours of such Grantors and from time to time, to inspect the Grantors' premises and to examine the Grantors' books, records and operations relating to the Collateral.

Notwithstanding the foregoing, the Subordinated Secured Party acknowledges and agrees that he shall not be entitled to take any action under this Section 11 prior to the Facility Termination Date without the prior written consent of the Agent.

12. The Subordinated Secured Party's Duties. The powers conferred on the Subordinated Secured Party, hereunder are solely to protect the interest of the Subordinated Secured Party in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the safe custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Subordinated Secured Party shall not have any duty as to any Collateral or as to the taking of any necessary steps to preserve rights against other parties or any other rights pertaining to any Collateral. The Subordinated Secured Party shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral in its possession if such Collateral is accorded treatment substantially equal to that which such party accords its own similar property.

13. Rights and Remedies Upon Event of Default. If an Event of Default (as defined in the Further Amended and Restated Subordinated Note) shall have occurred and be continuing and in each case subject and subordinate to the first priority security interest granted to the Agent for the benefit of the Senior Secured Parties pursuant to the Senior Intellectual Property Security Agreement:

(a) The Subordinated Secured Party, may exercise in respect of the Collateral of any defaulting Grantor, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the Uniform Commercial Code as in effect in the State of North Carolina (the "UCC") and also may (i) exercise any and all rights and remedies of such Grantor under, in

connection with, or otherwise in respect of, such Collateral, including the completion and filing of the IP Assignment, (ii) require such Grantor to, and each Grantor hereby agrees that it will at its expense and upon request of the Subordinated Secured Party forthwith, assemble all or part of the documents embodying such Collateral as directed by the Subordinated Secured Party and make it available to the Subordinated Secured Party, at a place to be designated by the Subordinated Secured Party that is reasonably convenient to both the Subordinated Secured Party and such Grantor, (iii) occupy any premises owned or leased by such Grantor where documents embodying such Collateral or any part thereof are assembled for a reasonable period in order to effectuate the Subordinated Secured Party's rights and remedies hereunder or under applicable law, without obligation to such Grantor in respect of such occupation, (iv) license such Collateral or any part thereof, and (v) without notice except as specified below, sell such Collateral or any part thereof in one or more parcels at public or private sale, at any of the Subordinated Secured Party's offices or elsewhere, for cash, on credit or for future delivery, and upon such other terms as the Subordinated Secured Party may deem commercially reasonable. Each Grantor agrees that at least ten days' notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Subordinated Secured Party shall not be obligated to make any sale of the Collateral regardless of notice of sale having been given. The Subordinated Secured Party may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(b) All payments received by any defaulting Grantor under or in connection with any of such Collateral shall be received in trust for the benefit of the Subordinated Secured Party, shall be segregated from other funds of such Grantor and shall be immediately paid over to the Subordinated Secured Party in the same form as so received (with any necessary endorsement).

(c) All payments made under or in connection with or otherwise in respect of the Collateral of any defaulting Grantor, and all cash proceeds received by the Subordinated Secured Party in respect of any sale of, collection from, or other realization upon all or any part of such Collateral may, in the discretion of the Subordinated Secured Party, be held by the Subordinated Secured Party, as collateral for, and then or at any time thereafter applied (after payment of any amounts payable to the Subordinated Secured Party pursuant to Section 14 hereof) against all or any part of the Subordinated Secured Obligations in accordance with the terms of the Further Amended and Restated Subordinated Note. Any sale or other disposition of the Collateral and the possession thereof by the Subordinated Secured Party shall be in compliance with all provisions of applicable law (including applicable provisions of the UCC).

Notwithstanding the foregoing, the Subordinated Secured Party acknowledges and agrees that he shall not be entitled to take any action under this Section 13 prior to the Facility Termination Date without the prior written consent of the Agent.

14. **Indemnification.** Without limitation of any indemnification provision in any Subordinated Loan Document, the Grantors agree jointly and severally to indemnify and hold

harmless the Subordinated Secured Party, his attorneys, agents and advisors (each, an "Indemnified Party"), from and against any and all claims, damages, losses, liabilities, costs, and expenses (including, without limitation, reasonable attorneys' fees) that may be incurred by or asserted or awarded against any Indemnified Party, in each case arising out of or in connection with or by reason of (including, without limitation, in connection with any investigation, litigation or proceeding or preparation of defense in connection therewith) the Subordinated Loan Documents, any of the transactions contemplated herein or the actual or proposed use of the proceeds of the advances or other extension of credit under the Subordinated Loan Documents except to the extent such claim, damage, loss, liability, cost, or expense is found in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Party's gross negligence or willful misconduct. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 14 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Grantor or any other Credit Party, any of their respective directors, shareholders or creditors, or an Indemnified Party or any other Person, or any Indemnified Party is otherwise a party thereto and whether or not the transactions contemplated hereby are consummated. Each Grantor agrees that no Indemnified Party shall have any liability (whether direct or indirect, in contract or tort or otherwise) to it, any of its subsidiaries or affiliates, or any security holders or creditors thereof arising out of, related to or in connection with the transactions contemplated herein or in the other Subordinated Loan Documents, except to the extent that such liability is found in a final non-appealable judgment by a court of competent jurisdiction to have directly resulted from such Indemnified Party's gross negligence or willful misconduct. Each Grantor agrees not to assert any claim against the Subordinated Secured Party, his attorneys, agents and advisors, on any theory of liability, for special, indirect, consequential, or punitive damages arising out of or otherwise relating to the Subordinated Loan Documents, any of the transactions contemplated therein or the actual or proposed use of the proceeds of the advances or other extensions of credit under the Subordinated Loan Documents. The agreements in this Section 14 shall survive repayment of all of the Subordinated Secured Obligations and the termination or expiration of this Subordinated Intellectual Property Security Pledge Agreement in any manner.

15. Absolute Rights and Obligations. In each case subject and subordinate to the first priority security interest granted to the Agent for the benefit of the Senior Secured Parties pursuant to the Senior Intellectual Property Security Agreement, all rights of the Subordinated Secured Party in the Subordinated Security Interests granted hereunder, and each of the Subordinated Secured Obligations, shall be absolute and unconditional irrespective of:

(a) any change in the time, manner or place of payment of, or in any other term of, all or any of the Subordinated Secured Obligations, or any other amendment or waiver of or any consent to departure from any Subordinated Loan Document, including, but not limited to, (i) an increase or decrease in the Subordinated Secured Obligations and (ii) an amendment of any Subordinated Loan Document to permit the Subordinated Secured Party to extend further or additional credit to the Borrower in any form including credit by way of loan, purchase of assets, guarantee or otherwise, which credit shall thereupon be and become subject to the Further Amended and Restated Subordinated Note Agreement and the other Subordinated Loan Documents as a Subordinated Secured Obligation;

(b) any taking and holding of collateral or guarantees (including without limitation any collateral pledged as security for the Subordinated Secured Obligations under the other Subordinated Loan Documents) for all or any of the Subordinated Secured Obligations; or any amendment, alteration, exchange, substitution, transfer, enforcement, waiver, subordination, termination or release of any such collateral or guarantees, or any non-perfection of any such collateral, or any consent to departure from any such guaranty;

(c) any manner of application of collateral, or proceeds thereof, securing payment or enforcement of all or any of the Subordinated Secured Obligations, or the manner of sale of any such collateral;

(d) any consent by the Subordinated Secured Party to the change, restructure or termination of the corporate structure or existence of the Borrower or any Grantor and any corresponding restructure of the Subordinated Secured Obligations, or any other restructure or refinancing of the Subordinated Secured Obligations or any portion thereof;

(e) any modification, compromise, settlement or release by the Subordinated Secured Party, by operation of law or otherwise, collection or other liquidation of the Subordinated Secured Obligations or the liability of the Borrower, any Grantor or any guarantor, or of any collateral for the Subordinated Secured Obligations (including without limitation any collateral pledged as security for the Subordinated Secured Obligations under the other Subordinated Loan Documents), in whole or in part, and any refusal of payment by the Subordinated Secured Party in whole or in part, from any obligor or guarantor in connection with any of the Subordinated Secured Obligations, whether or not with notice to, or further assent by, or any reservation of rights against, any Grantor; or

(f) any other circumstance (including without limitation any statute of limitations) that might otherwise constitute a defense available to, or a discharge of, the Borrower, any Grantor or any guarantor.

The granting of a Subordinated Security Interest in the Collateral shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Subordinated Secured Obligations is rescinded or must otherwise be returned by the Subordinated Secured Party, upon the insolvency, bankruptcy or reorganization of the Borrower or any Grantor or otherwise, all as though such payment had not been made.

16. Waiver. Each Grantor hereby waives (to the extent permitted by applicable law) presentment for payment, demand, protest, promptness, diligence, notice of acceptance, notice of protest, notice of demand, notice of default or dishonor, notice of payment or non-payment, and any other notice with respect to any of the Subordinated Secured Obligations and this Subordinated Intellectual Property Security Agreement and any requirement that the Subordinated Secured Party protect, secure, perfect or insure any Subordinated Security Interest or any Collateral subject thereto or exhaust any right or take any action against any Grantor or any other Person (including without limitation any guarantor) or any collateral securing payment of the Subordinated Secured Obligations (including without limitation any collateral pledged as

security for the Subordinated Secured Obligations under the other Subordinated Loan Documents).

17. **Subrogation.** Each Grantor further agrees with respect to this Subordinated Intellectual Property Security Agreement that it shall have no right of subrogation, reimbursement or indemnity, nor any right of recourse to security for the Secured Obligations unless and until 93 days immediately following the Facility Termination Date shall have elapsed without the filing or commencement, by or against any Credit Party, or any state or federal action, suit, petition or proceeding seeking any reorganization, liquidation or other relief or arrangement in respect of creditors of, or the appointment of a receiver, liquidator, trustee or conservator in respect to, such Credit Party or its assets. This waiver is expressly intended to prevent the existence of any claim in respect to such reimbursement by any Grantor against the estate of the Borrower within the meaning of Section 101 of the Bankruptcy Code, and to prevent any Grantor from constituting a creditor of the Borrower in respect of such reimbursement within the meaning of Section 547(b) of the Bankruptcy Code in the event of a subsequent case involving the Borrower. **Subject and subordinate to the rights of the Senior Secured Parties pursuant to the terms and conditions of the Senior Intellectual Property Security Agreement, if an amount shall be paid to any Grantor on account of such rights at any time prior to termination of this Subordinated Intellectual Property Security Agreement in accordance with the provisions of Section 28 hereof, such amount shall be held in trust for the benefit of the Subordinated Secured Party and shall forthwith be paid to the Subordinated Secured Party, to be credited and applied upon the Subordinated Secured Obligations, whether matured or unmatured as the Subordinated Secured Party may elect. The agreements in this subsection shall survive repayment of all of the Subordinated Secured Obligations, the termination or expiration of this Subordinated Intellectual Property Security Agreement in any manner, including but not limited to termination in accordance with Section 28 hereof, and occurrence of the Facility Termination Date.**

18. [RESERVED]

19. **Continuing Security Interest; Assignments.** In each case subject and subordinate to the first priority security interest granted to the Agent for the benefit of the Senior Secured Parties pursuant to the Senior Intellectual Property Security Agreement:

(a) This Subordinated Intellectual Property Agreement shall create a continuing Subordinated Security Interest in the Collateral and shall remain in full force and effect until terminated in accordance with the provisions of Section 28 hereof.

(b) Except as permitted herein or by the other Subordinated Loan Documents, no Grantor shall sell, lease, transfer or otherwise dispose of any item of Collateral during the term of this Subordinated Intellectual Property Security Agreement without the prior written consent of the Subordinated Secured Party to such sale, lease, transfer or other disposition.

(c) Upon the termination of this Subordinated Intellectual Property Security Agreement in accordance with Section 28 hereof, the Collateral shall be automatically

released from the Liens created hereby, all rights to the Collateral shall automatically revert to the Grantors, and this Subordinated Intellectual Property Security Agreement and all obligations of the Grantors hereunder shall terminate without delivery of any instrument or performance of any act by any party. Upon such termination of this Subordinated Intellectual Property Security Agreement, the Subordinated Secured Party shall reassign and redeliver such Collateral then held by or for the Subordinated Secured Party and execute and deliver to each Grantor such documents as it shall reasonably request to evidence such termination.

20. **Additional Collateral.** If any Grantor shall acquire or hold any additional Patents, Trademarks, Copyrights or Licenses not listed on Schedules I, II, III or IV hereto (any such Patents, Trademarks, Copyrights or Licenses being referred to herein as the "Additional Collateral"), such Grantor shall promptly deliver to the Subordinated Secured Party (i) a revised Schedule I, II, III or IV hereto, as applicable, reflecting the ownership and pledge of such Additional Collateral and (ii) a Subordinated Intellectual Property Security Agreement Supplement in the form of Exhibit B hereto with respect to such Additional Collateral duly completed and signed by such Grantor. Each Grantor shall comply with the requirements of this Section 20 concurrently with the acquisition of any such Additional Collateral.

21. **Definitions.** All terms used herein unless otherwise defined herein or in the Senior Credit Agreement shall be defined in accordance with the appropriate definitions appearing in the UCC, and such definitions are hereby incorporated herein by reference and made a part hereof.

22. **Entire Agreement.** This Subordinated Intellectual Property Security Agreement, together with the other Subordinated Loan Documents, constitutes and expresses the entire understanding between the parties hereto with respect to the subject matter hereof, and supersedes all prior agreements and understandings, inducements, commitments or conditions, express or implied, oral or written, except as herein contained. The express terms hereof control and supersede any course of performance or usage of the trade inconsistent with any of the terms hereof. Neither this Subordinated Intellectual Property Security Agreement nor any portion or provision hereof may be changed, altered, modified, supplemented, discharged, canceled, terminated, or amended orally or in any manner.

23. **Further Assurances.** Each Grantor agrees at its own expense to do such further acts and things, and to execute and deliver such additional conveyances, assignments, financing statements, agreements and instruments, as the Subordinated Secured Party may at any time reasonably request in connection with the administration or enforcement of this Subordinated Intellectual Property Security Agreement or related to the Collateral or any part thereof or in order better to assure and confirm unto the Subordinated Secured Party its rights, powers and remedies hereunder. Each Grantor hereby consents and agrees that the issuers of or obligors in respect of the Collateral shall be entitled to accept the provisions hereof as conclusive evidence of the right of the Subordinated Secured Party, to exercise its rights hereunder with respect to the Collateral, notwithstanding any other notice or direction to the contrary heretofore or hereafter given by any Grantor or any other Person to any of such issuers or obligors.

24. **Binding Agreement; Assignment.** This Subordinated Intellectual Property Security Agreement, and the terms, covenants, conditions, rights and remedies hereof, shall be binding upon and inure to the benefit of the parties hereto, and to their respective heirs, legal representatives, successors and assigns; provided, however, that no Grantor shall be permitted to assign any of its rights, powers, duties or obligations under this Subordinated Intellectual Property Security Agreement or any interest herein or in the Collateral, or any part thereof, or otherwise pledge, encumber or grant any option with respect to the Collateral, or any part thereof, or any cash or property held by the Subordinated Secured Party as Collateral under this Subordinated Intellectual Property Security Agreement, without the prior written consent of the Subordinated Secured Party. All references herein to the Subordinated Secured Party shall include any successor thereof, and any other obligees from time to time of the Subordinated Secured Obligations.

25. [RESERVED]

26. **Severability.** If any term or provision of this Subordinated Intellectual Property Security Agreement is or shall become illegal, invalid or unenforceable in any jurisdiction, all other terms and provisions of this Subordinated Intellectual Property Security Agreement shall remain legal, valid and enforceable in such jurisdiction and such illegal, invalid or unenforceable provision shall be legal, valid and enforceable in any other jurisdiction.

27. **Counterparts.** This Subordinated Intellectual Property Security Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which when taken together shall constitute one and the same agreement.

28. **Termination.** This Subordinated Intellectual Property Security Agreement and all obligations of each Grantor hereunder shall terminate upon irrevocable payment and performance in full of the Borrower's Subordinated Obligations. Upon such termination of this Subordinated Intellectual Property Security Agreement, the Subordinated Secured Party shall, at the request and sole expense of the Grantors, promptly deliver to the Grantors such termination statements and take such further actions as the Grantors may reasonably request to terminate of record, or otherwise to give appropriate notice of the termination of, any Lien and security interest conferred hereunder.

29. **Reinstatement.** Each Grantor agrees that this Subordinated Intellectual Property Security Agreement shall continue to be effective or be reinstated, as the case may be, at any time payment received by the Subordinated Secured Party in respect of the Subordinated Secured Obligations is rescinded or must be restored for any reason.

30. **Remedies Cumulative.** All remedies hereunder are cumulative and are not exclusive of any other rights and remedies of the Subordinated Secured Party provided by law or under the Subordinated Loan Documents, or other applicable agreements or instruments. The making of the advances to the Borrower pursuant to the Further Amended and Restated Subordinated Note shall be conclusively presumed to have been made or extended, respectively, in reliance upon each Grantor's grant of a Subordinated Security Interest in the Collateral pursuant to the terms hereof.

31. **Notices.** Any notice required or permitted hereunder shall be given, (a) with respect to each Grantor, at the address of the Borrower indicated in Section 13.2 of the Senior Credit Agreement and (b) with respect to the Subordinated Secured Party, at the address indicated below his signature hereto. All such notices shall be given and shall be effective upon receipt thereof.

32. **Governing Law; Venue; Waiver of Jury Trial.**

(a) THIS SUBORDINATED INTELLECTUAL PROPERTY SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NORTH CAROLINA APPLICABLE TO CONTRACTS EXECUTED, AND TO BE FULLY PERFORMED, IN SUCH STATE NOTWITHSTANDING ITS EXECUTION AND DELIVERY OUTSIDE SUCH STATE.

(b) EACH GRANTOR HEREBY EXPRESSLY AND IRREVOCABLY AGREES AND CONSENTS THAT ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS SUBORDINATED INTELLECTUAL PROPERTY SECURITY AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREIN MAY BE INSTITUTED IN ANY STATE OR FEDERAL COURT SITTING IN THE COUNTY OF MECKLENBURG, STATE OF NORTH CAROLINA, UNITED STATES OF AMERICA AND, BY THE EXECUTION AND DELIVERY OF THIS SUBORDINATED INTELLECTUAL PROPERTY SECURITY AGREEMENT, EXPRESSLY WAIVES ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF THE VENUE IN, OR TO THE EXERCISE OF JURISDICTION OVER IT AND ITS PROPERTY BY ANY SUCH COURT IN ANY SUCH SUIT, ACTION OR PROCEEDING, AND IRREVOCABLY SUBMITS GENERALLY AND UNCONDITIONALLY TO THE JURISDICTION OF ANY SUCH COURT IN ANY SUCH SUIT, ACTION OR PROCEEDING.

(c) EACH GRANTOR AGREES THAT SERVICE OF PROCESS MAY BE MADE BY PERSONAL SERVICE OF A COPY OF THE SUMMONS AND COMPLAINT OR OTHER LEGAL PROCESS IN ANY SUCH SUIT, ACTION OR PROCEEDING, OR BY REGISTERED OR CERTIFIED MAIL (POSTAGE PREPAID) TO THE ADDRESS OF THE BORROWER PROVIDED BY SECTION 13.2 OF THE SENIOR CREDIT AGREEMENT, OR BY ANY OTHER METHOD OF SERVICE PROVIDED FOR UNDER THE APPLICABLE LAWS IN EFFECT IN THE STATE OF NORTH CAROLINA.

(d) NOTHING CONTAINED IN SUBSECTIONS (b) OR (c) HEREOF SHALL PRECLUDE THE SUBORDINATED SECURED PARTY FROM BRINGING ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS SUBORDINATED INTELLECTUAL PROPERTY SECURITY AGREEMENT OR ANY OTHER SUBORDINATED LOAN DOCUMENT IN THE COURTS OF ANY PLACE WHERE ANY GRANTOR OR
