From time to time, upon the written request of Agent, and at the sole expense of Grantors, each Grantor will promptly and duly execute and deliver such further instruments and documents and take such further action as Agent may reasonably request for the purpose of obtaining or preserving the full benefits of this Security Agreement and the rights and powers herein granted, including, without limitation, the filing of any financing or continuation statements under the Uniform Commercial Code as in effect in any jurisdiction with respect to the liens created hereby. Grantor also hereby authorizes Agent to file any such financing or continuation statement without the signature of Grantor to the extent permitted by applicable law. A carbon, photographic or other reproduction of this Security Agreement shall be sufficient as a financing statement for filing in any jurisdiction.

b. Limitation on Lien or Collateral. No Grantor will create, incur or permit to exist, and Grantors will take all commercially reasonable actions to defend the Collateral against, and will take such other commercially reasonable action as is necessary to remove, any lien or claim on or to the Collateral or any portion thereof, other than the security interests created hereby, and other than as permitted pursuant to the Loan Agreement, and will take all commercially reasonable actions that are necessary to defend the right, title and interest of Agent in and to any of the Collateral against the claims and demands of all persons whomsoever.

c. Limitations on Dispositions of Collateral. No Grantor will sell, transfer or otherwise dispose of any of the Collateral, or attempt, offer or contract to do so except as permitted in the Loan Agreement.

d. Notices. Each Grantor will advise Agent promptly, in reasonable detail, at Lender's address set forth in the Loan Agreement, (i) of any lien (other than liens created hereby or permitted under the Loan Agreement) on, or claim asserted against, the Collateral or any portion thereof, and (ii) of the occurrence of any other event which could reasonably be expected to have a material adverse effect on the aggregate value of the Collateral or on the liens created hereunder.

e. Patents and Trademarks.

(i) Each Grantor (either itself or through licensees) will, except with respect to any Trademark that Grantor shall reasonably determine is of immaterial economic value to it or otherwise reasonably determines not to do so, (A) continue to maintain such Trademark in full force and effect, free from any claim of abandonment for non-use, (C) employ such Trademark with the appropriate notice of registration, (D) not adopt or use any mark which is confusingly similar to

or a colorable imitation of such Trademark unless within 30 days after such use or adoption, Lenders, for its benefit, shall obtain a perfected security interest in such mark pursuant to this Security Agreement, and (E) not (and not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby any Trademark may become invalidated.

(ii) No Grantor will, except with respect to any Patent that such Grantor shall reasonably determine is of immaterial economic value to it or otherwise reasonably determines to, do any act, or omit to do any act, whereby any Patent may become abandoned.

(iii) Each Grantor will promptly notify Agent if such Grantor knows, or has reason to know, that any application relating to any Patent or any Trademark material to the nature of the business of the Borrowers may become abandoned or dedicated, or of any adverse determination or material development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark office, or any court or tribunal in any country) regarding such Grantor's ownership of any Patent or Trademark or its right to register the same or to keep and maintain the same.

(iv) Whenever any Grantor, either by itself or through any agent, employee, licensee or designee, shall file an application for any Patent material to the nature of the business of the Borrowers or for the registration of any Trademark material to the nature of the business of the Borrowers with the United States Patent and Trademark Office or any similar office or agency in any other country or any political subdivision thereof, Grantors shall report such filing to Agent within five business days after the last day of the fiscal quarter in which such filing occurs. Upon request of Lender, Grantors shall execute and deliver any and all reasonably necessary agreements, instruments, documents, and papers as Agent may request to evidence Agent's security interest in any such newly filed Patent or Trademark (or the application related thereto) and the goodwill and general intangibles of any Grantor relating thereto or represented thereby, and each Grantor hereby constitutes Agent its attorney-in-fact to execute and file all such writings for the foregoing purposes, all acts of such attorney being hereby ratified and confirmed; such power being coupled with an interest is irrevocable until the Obligations are paid in full.

(v) Each Grantor will take all reasonable and necessary steps, including, without limitation, in any proceedings before any tribunal, office or agency in any other country or any political subdivision thereof, to maintain and pursue each application (and to obtain the relevant registration or issuance) and to maintain each Patent and each registration of Trademarks, including, without limitation, filing of applications for renewal, affidavits of use and affidavits of incontestability when appropriate.

(vi) In the event any Grantor knows or has reason to know that any material Patent or Trademark included in the Collateral is infringed, misappropriated or diluted by a third party, such Grantor shall promptly notify Agent after it learns thereof and shall, unless Grantor shall reasonably determine that such Patent or Trademark is of immaterial economic value to Grantors or otherwise reasonably determines not to which determination Grantors shall promptly report to Agent, promptly sue for infringement, misappropriation or dilution, or take other actions as Grantor shall reasonably deem appropriate under the circumstances to protect such Patent or Trademark.

4. Remedies. If an Event of Default shall occur and be continuing, Agent shall have all of the rights and remedies set forth in the Loan Agreement and all other rights and remedies that Lenders may now or hereafter possess at law, in equity, by statute or otherwise.

5. Limitation on Duties Regarding Preservation of Collateral. Neither Agent nor any of its shareholders, directors, officers, employees or agents shall be liable for failure to demand, collect or realize upon all or any part of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of Grantors or otherwise.

6. Severability. Any provision of this Security Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

7. Paragraph Headings. The paragraph headings used in this Security Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

8. No Waiver; Cumulative Remedies. Agent shall not by any act (except by a written instrument pursuant to Section 10 hereof), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any default or Event of Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of Lenders, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by Agent of any right or remedy hereunder on any occasion shall not be construed as a bar to any right or remedy which Agent would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any rights or remedies provided by law.

9. Waivers and Amendments; Successors and Assigns. None of the terms or provisions of this Security Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by Grantor and Agent, provided that any provision of this Security Agreement may be waived by Agent in a written letter or agreement executed by Agent or by telex or facsimile transmission from Lenders. This Security Agreement shall be binding upon the successors and assigns of Grantor and shall inure to the benefit of Agent and its successors and assigns.

10. Notices. Any and all notices, elections or demands permitted or required to be made under this Agreement or any of the Loan Documents shall be made in accordance with the terms of the Loan Agreement.

11. Governing Law. This Security Agreement shall be governed by, and construed and interpreted in accordance with, the laws of the State of Tennessee applicable to contracts to be wholly performed in such State.

12. Release. Upon any disposition of Collateral permitted by the Loan Agreement, the security interest granted herein will terminate solely with respect to such Collateral, and lender shall take all actions reasonably requested by Grantor to evidence such termination.

IN WITNESS WHEREOF, the parties hereto have caused this Security Agreement to be duly executed and delivered as of the date first above written.
