ASSIGNMENT

This Assignment is made as of the 19th day of December, 2001, by and between Central Products Company, a Delaware corporation ("Assignor"), and IPG Technologies Inc., a Delaware corporation ("Assignee").

WITNESSETH:

WHEREAS, Assignor and Assignee have entered into a Stock Subscription, Contribution and Assignment Agreement, dated as of the date hereof (the "Contribution Agreement"), providing for the contribution by Assignor of certain of its assets to Assignee; and

WHEREAS, Assignor is the exclusive owner of all rights, title and interest in and to the Intellectual Property (as such term is defined in the Contribution Agreement) held by it, including, without limitation, such Intellectual Property listed on Schedule A hereto; and

WHEREAS, Assignor desires to transfer and assign all of its rights, title and interest in and to the Intellectual Property to Assignee, and Assignee desires to acquire all such rights, title and interest in and to the Intellectual Property;

NOW, THEREFORE, in consideration of the foregoing premises, and for the consideration specified in the Contribution Agreement and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby grants, assigns, conveys, transfers, sells and delivers to Assignee all of its rights, title and interest in and to the Intellectual Property whether now owned, presently existing or hereafter arising, adopted or acquired and whether or not in possession of Assignor, including, without limitation, such Intellectual Property set forth on Schedule A hereto, including, without limitation, registrations for any such Intellectual Property and all extensions thereto and re-issues thereof, together with the goodwill of all of the foregoing and all claims for damages and/or injunctive relief by reason of past, present or future infringement of any such Intellectual Property by any party or parties, with the right to sue for and collect the same for its own account and use.

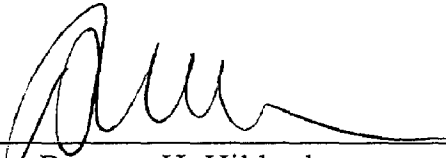

This Assignment shall be binding on the Assignor and Assignee, their successors and/or assigns and all others acting by, through, with or under their direction, and all those in privity therewith.

Assignor hereby authorizes and requests the Registrar of Copyrights, the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States whose duty it is to issue registrations or assign copyrights, patents, trademarks and service mark applications, to issue any and all Certificates of Registration for said applications, and any maintenance declarations, renewal applications therefore, to IPG Technologies Inc., as Assignee of the entire interest identified in Schedule A. Assignor hereby covenants that it has not executed, and will not execute any agreements inconsistent herewith.
