TRADEMARK SECURITY AGREEMENT

WHEREAS, Safer, Inc., a Delaware corporation formerly known as New Safer, Inc. ("Grantor"), owns the Trademarks, Trademark registrations, and Trademark applications listed on **Schedule 1** annexed hereto, and is a party to the Trademark licenses listed on **Schedule 1** annexed hereto; and

WHEREAS, WS Acquisition Corp., a Pennsylvania corporation ("Borrower"), has entered into that certain Credit Agreement dated as of December 2, 1999, as amended by that certain First Amendment to Credit Agreement and Consent dated as of October 26, 2000, as further amended by that certain Second Amendment to Credit Agreement and Consent dated as of November 17, 2000, as further amended by that certain Third Amendment to Credit Agreement and Consent dated as of January 31, 2001, and as further amended by that certain Fourth Amendment to Credit Agreement and Consent dated as of July 17, 2001, as further amended by that certain Fifth Amendment to Credit Agreement and Consent dated as of December 12, 2001, as further amended by that certain Sixth Amendment to Credit Agreement and Consent dated as of April 12, 2002 (the same, as it may be amended, restated, modified or supplemented and in effect from time to time, being herein referred to as the "Credit Agreement"), with Antares Capital Corporation, as agent ("Agent") for the benefit of all financial institutions that from time to time become lenders under the Credit Agreement (collectively, the "Lenders"), and as a Lender, providing for extensions of credit and other financial accommodations to be made to Borrower by Lenders; and

WHEREAS, Grantor is a wholly-owned subsidiary of Woodstream Corporation, a Pennsylvania corporation and a wholly-owned subsidiary of Borrower;

WHEREAS, Grantor will derive substantial benefit and advantage from the financial accommodations available to the Borrower set forth in the Credit Agreement, including the loans and advances made to the Borrower thereunder, and it will be to Grantor's direct interest and economic benefit to assist the Borrower in procuring such financing accommodations from the Lenders; and

WHEREAS, to induce Agent and the Lenders to continue to make the Loans under the Credit Agreement, Grantor has agreed to guaranty the Obligations (as defined in the Credit Agreement) of Borrower pursuant to that certain Guaranty dated as of November 17, 2000 by Grantor to Agent (the same, as it may be amended, restated, modified or supplemented and in effect from time to time, the "Guaranty") and to pledge and grant a security interest in the Collateral (as defined in the Security Agreement referred to below) as security for the Obligations; and

WHEREAS, pursuant to the terms of that certain Security Agreement dated as of November 17, 2000 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"), between Grantor and Agent (in such capacity, "Grantee"), Grantor has granted to Grantee for the benefit of Lenders a security interest in substantially all the assets of Grantor including all right, title and interest of Grantor in, to and

under all now owned and hereafter acquired Trademarks (as defined in the Security Agreement), Trademark registrations, Trademark applications and Trademark licenses, together with the goodwill of the business symbolized by Grantor's Trademarks, and all proceeds thereof, to secure the payment of the "Liabilities" (as defined in the Security Agreement);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor does hereby grant to Grantee a continuing security interest in all of Grantor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether presently existing or hereafter created or acquired:

- (1) each Trademark, Trademark registration and Trademark application, including, without limitation, the Trademarks, Trademark registrations (together with any reissues, continuations or extensions thereof) and Trademark applications referred to in **Schedule 1** annexed hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, Trademark registration and Trademark application;
- (2) each Trademark license and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark license; and
- (3) all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future (a) infringement or dilution of any Trademark or Trademark registration including, without limitation, the Trademarks and Trademark registrations referred to in **Schedule 1** annexed hereto, the Trademark registrations issued with respect to the Trademark applications referred in **Schedule 1** and the Trademarks licensed under any Trademark license, or (b) injury to the goodwill associated with any Trademark, Trademark registration or Trademark licensed under any Trademark license.

This security interest is granted in conjunction with the security interests granted to Grantee pursuant to the Security Agreement and is not intended to increase the rights of Grantee or the obligations of Grantor beyond the rights and obligations contained in the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Grantee with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
