* Entrypoint Incorporated (“Entrypoint”) is the surviving corporation of a merger with Pointcast Incorporated (“Pointcast”), a California corporation. All assets, including all intellectual property, of Pointcast, are owned by Entrypoint.

SECURITY AGREEMENT

THIS SECURITY AGREEMENT, dated as of April 26, 2002 (this "*Security Agreement*"), is made by INTERNET FINANCIAL NETWORK, INC., a Delaware corporation, and ENTRYPOINT INCORPORATED, INC., a Delaware corporation (each a "**Grantor**"; collectively, "**Grantors**"), in favor of Agent (as defined below), as agent on behalf and for the benefit of IDEALAB HOLDINGS, LLC, JACK RIVKIN, T. TECH HOLDINGS, LLC, and VERUS INTERNATIONAL GROUP, LTD. (each individually, a "*Secured Party*" and collectively, "*Secured Parties*").

RECITALS

A. WHEREAS, Secured Parties have made and have agreed to make certain advances of money and to extend certain financial accommodations to INFOGATE, INC., a Delaware corporation (the "*Borrower*") up to a maximum of \$500,000 (collectively, the "*Loans*") as evidenced by those respective Secured Convertible Promissory Notes (each a "*Note*"; collectively "*Notes*"), dated as of the date hereof, executed by Borrower in favor of the Secured Parties.

B. WHEREAS, Secured Parties are willing to make the Loans to Borrower, but only upon the condition, among others, that Grantors shall have executed and delivered to Secured Parties this Security Agreement.

NOW, THEREFORE, in order to induce the Secured Parties to make the Loans and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, and intending to be legally bound, the Grantors hereby represent, warrant, covenant and agree as follows:

1. Definitions.

In addition to the other terms defined in this Section 1, initially capitalized terms used and not otherwise defined herein shall have the meanings ascribed to them in the UCC (as defined below).

(a) "*Agent*" shall mean, on any given day, any Secured Party holding greater than sixty-six and two-thirds percent (66 2/3%) of the principal amount of all Loans outstanding under the Notes ("*Applicable Amount*") on such date; *provided, however*, that if no single Secured Party holds such principal amount of Loans, then "*Agent*" shall mean any Secured Party or combination of Secured Parties appointed to act as Agent under this Security Agreement by any combination of Secured Parties that collectively holds the Applicable Amount on such date. The Agent shall act as "*Agent*" only on behalf, and for the benefit, of Secured Parties and shall have a fiduciary duty to act in good faith and for the benefit of all Secured Parties in such capacity.

(b) "*Collateral*" shall include, with respect to any Grantor, all personal property of such Grantor, including, without limitation, the following, all whether now owned or hereafter acquired or arising and wherever located: (i) accounts (including health-care-insurance receivables and credit card receivables); (ii) securities entitlements, securities accounts,

commodity accounts, commodity contracts and investment property; (iii) deposit accounts; (iv) instruments (including promissory notes); (v) documents (including warehouse receipts); (vi) chattel paper (including electronic chattel paper and tangible chattel paper); (vii) inventory, including raw materials, work in process, or materials used or consumed in such Grantor's business, items held for sale or lease or furnished or to be furnished under contracts of service, sale or lease, goods that are returned, reclaimed or repossessed; (viii) other goods of every nature, including computer programs embedded in such goods, stock-in-trade, goods on consignment; (ix) equipment, including machinery, vehicles and furniture; (x) fixtures; (xi) agricultural liens; (xii) as-extracted collateral; (xiii) letter of credit rights; (xiv) general intangibles, of every kind and description, including all Intellectual Property Collateral; (xv) all supporting obligations of all of the foregoing property; (xvi) all cash and cash equivalents thereof; and (xvii) all cash and noncash proceeds (including insurance proceeds) of all of the foregoing property, all products thereof and all additions and accessions thereto, substitutions therefor and replacements thereof.

(c) **"Intellectual Property Collateral"** shall include, with respect to each Grantor, all of such Grantor's (i) common law and statutory copyrights and copyright registrations, applications for registration, now existing or hereafter arising, in the United States of America or in any foreign jurisdiction, obtained or to be obtained on or in connection with any of the foregoing, or any parts thereof or any underlying or component elements of any of the foregoing (collectively, **"Copyrights"**), (ii) all trademarks, trademark registrations, applications for registrations, in the United States of America or in any foreign jurisdiction, service marks, trade names and service names and the goodwill associated therewith (collectively, **"Trademarks"**), (iii) all patents and patent applications filed in the United States Patent and Trademark Office or any similar office of any foreign jurisdiction, including, without limitation, the inventions and improvements described and claimed therein (collectively, **"Patents"**), (iv) all licenses pertaining to any of the foregoing, whether such Grantor is licensor or licensee, (v) any rights, income, royalties, damages, payments, accounts and accounts receivable now or hereafter due and/or payable under and with respect to any of the foregoing, including, without limitation, damages and payments for past, present or future infringements thereof, and the right (but not the obligation) to sue in the name of such Grantor and/or in the name of Agent for past, present and future infringements thereof, and (vi) reissues, divisions, continuations, renewals, extensions and continuations-in-part with respect to any of the foregoing.

(d) **"Person"** means an individual, partnership, corporation (including a business trust), a limited liability company, joint stock company, trust, unincorporated association, joint venture or other entity, or a governmental or any potential subdivision or agency thereof.

(e) **"Permitted Liens"** means: (i) any liens existing on the date of this Security Agreement and set forth on **Exhibit A** hereto; (ii) liens for taxes, fees, assessments or other governmental charges or levies, either not delinquent or being contested in good faith by appropriate proceedings, provided the same have no priority over any of Agent's security interests; (iii) liens upon or in any equipment acquired or held by any Grantor to secure the purchase price of such equipment or indebtedness incurred solely for the purpose of financing the acquisition of such equipment; (iv) leases or subleases and licenses or sublicenses granted to others in the ordinary course of any Grantor's business if such are otherwise permitted under this

Security Agreement and do not interfere in any material respect with the business of such Grantor; (v) any right, title or interest of a licensor under a license provided that such license or sublicense does not prohibit the grant of the security interest granted hereunder; (vi) easements, reservations, rights-of-way, restrictions, minor defects or irregularities in title and other similar liens affecting real property not interfering in any material respect with the ordinary conduct of the business of any Grantor; and (vii) liens created in favor of the Agent by this Security Agreement.

(f) “**Secured Obligations**” means (i) the prompt, complete and indefeasible payment and performance by the Grantors of that certain Multiparty Guaranty, dated as of even date herewith, executed by Grantors in favor of Secured Parties, (ii) the obligation of the Borrower to repay the Secured Parties all of the unpaid principal amount of, and accrued interest on (including any interest that accrues after the commencement of bankruptcy) the Loans, and (iii) the obligation of the Grantors to pay any fees, costs and expenses of the Secured Parties under **Section 9(c)** hereof.

(g) “**Events of Default**” has the meaning assigned to such term in **Section 8** hereof.

(h) “**UCC**” means the Uniform Commercial Code as the same may, from time to time, be in effect in the State of California; *provided, however*, in the event that, by reason of mandatory provisions of law, any or all of the attachment, perfection or priority of the Agent’s security interest in any Collateral is governed by the Uniform Commercial Code as in effect in a jurisdiction other than the State of California, the term “**UCC**” shall mean the Uniform Commercial Code as in effect in such other jurisdiction for purposes of the provisions hereof relating to such attachment, perfection or priority and for purposes of definitions related to such provisions.

2. Grant of Security Interest. As security for the full, complete and final payment and performance when due (whether at stated maturity, by acceleration or otherwise) of all the Secured Obligations and in order to induce the Secured Parties to make and maintain the Loans, each Grantor hereby assigns, conveys, mortgages, pledges, hypothecates and transfers to the Agent, on behalf and for the benefit of the Secured Parties, and hereby grants to the Agent, on behalf and for the benefit of the Secured Parties, a continuing lien on and security interest in the Collateral.

Notwithstanding the foregoing provisions of this **Section 2**, the grant, assignment and transfer of a security interest as provided herein shall not extend to, and the term “**Collateral**” shall not include “intent-to-use” Trademarks at all times prior to the first use thereof, whether by the actual use thereof in commerce, the recording of a statement of use with the United States Patent and Trademark Office or otherwise.

3. Change in Name or Locations. Each Grantor hereby agrees that if such Grantor changes its state of organization, such Grantor will immediately notify the Agent in writing of the change.

4. Representations; Warranties and Covenants. Each Grantor represents, warrants and covenants to the Agent that: (a) all information relating to such Grantor, including its type of organization and jurisdiction of organization are as set forth on *Exhibit A* hereto and are true and correct on the date hereof; (b) except for Permitted Liens, such Grantor has good, merchantable title to the Collateral, has not made any prior sale, pledge, encumbrance, assignment or other disposition of any of the Collateral, and the Collateral is free from all encumbrances and rights of setoff of any kind; (c) the security interest in the Collateral created hereunder in favor of the Agent, on behalf and for the benefit of the Secured Parties, constitutes a valid security interest in the Collateral securing the payment of the Secured Obligations. Upon the due filing of UCC Financing Statements naming such Grantor as “debtor”, naming the Agent as “secured party” and describing the Collateral in the filing offices set forth on *Exhibit A*, and in the case of the U.S. Intellectual Property Collateral, in addition, the due recordation of a grant of security interest, with the United States Patent and Trademark Office and/or with the United States Copyright Office, as applicable, the security interests in the Collateral granted to the Agent, on behalf and for the benefit of the Secured Parties, will constitute perfected security interests therein prior to all other liens (except for Permitted Liens that have seniority by operation of law over the liens in favor of Agent); (d) all U.S. Copyrights, Patents, and Trademarks owned, held or in which such Grantor otherwise has acquired or received any rights or interest are listed on *Schedule I* attached hereto and incorporated herein by this reference; (e) except as herein provided, and except for Permitted Liens, such Grantor will not hereafter without the Agent’s prior written consent sell, pledge, encumber, assign or otherwise dispose of any of the Collateral or permit any right of setoff, lien or security interest to exist thereon except to the Agent; (f) such Grantor will defend the Collateral against all claims and demands of all persons at any time claiming the same or any material interest therein; and (g) each account and general intangible is genuine and enforceable in accordance with its terms and such Grantor will defend the same against all material claims, demands, setoffs and counterclaims at any time asserted.

5. Grantors’ Covenants. Each Grantor covenants that it shall:

(a) at all reasonable times allow the Agent, by or through any of its officers, agents, attorneys, or accountants, to examine or inspect the Collateral, and obtain valuations and audits of the Collateral, at the Agent’s expense, wherever located. Each Grantor agrees that the Agent has the right upon the occurrence and during the continuance of an Event of Default to notify (on invoices or otherwise) account debtors and other obligors or payors on any Collateral of its assignment to the Agent, and that all payments thereon should be made directly to the Agent, on behalf and for the benefit of Secured Parties, and that the Agent has full power and authority to collect, compromise, endorse, sell or otherwise deal with the Collateral in its own name or that of such Grantor;

(b) make the applicable filings for recordation of Agent’s security interest in such Grantor’s copyrights, trademarks and patents, as applicable, on behalf and for the benefit of the Secured Parties, with the United States Patent and Trademark Office and United States Copyright Office, as applicable, as soon as practicable;

(c) keep the Collateral in good order and repair at all times and immediately notify the Agent of any event causing a material loss or decline in value of the Collateral, whether or not covered by insurance, and the amount of such loss or depreciation;

(d) have and maintain insurance at all times with financially sound and reputable companies, and in at least amounts and against at least such risks as is customary with companies in the same or similar businesses operating in the same or similar locations;

(e) not issue any secured debt without the written consent of the Secured Parties; and

(f) not permit a Change of Control to occur. For purposes of this Security Agreement, "Change of Control" shall mean, with respect to any Grantor: (1) a dissolution or liquidation of such Grantor; (2) any sale or transfer of all or substantially all of the assets of such Grantor; (3) any merger, consolidation or similar transaction in which the holders of such Grantor's outstanding voting securities immediately prior to such transaction do not hold, immediately following such transaction, securities representing fifty percent (50%) or more of the combined voting power of the outstanding securities of the surviving entity; or (4) the acquisition by any person (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), in a single transaction or series of related transactions, of beneficial ownership (within the meaning of Rule 13d-3 or any successor rule or regulation promulgated under the Exchange Act) of securities representing fifty percent (50%) or more of the combined voting power of the then-outstanding securities of such Grantor, excluding in any case shares of capital stock of such Grantor purchased from such Grantor in a transaction the principal purpose of which is to raise capital for such Grantor.

6. Negative Pledge; No Transfer. The Grantors will not sell or offer to sell or otherwise transfer or grant or allow the imposition of a lien or security interest upon the Collateral (except for Permitted Liens, sales of inventory and collections of accounts in any Grantor's ordinary course of business), will not allow any third party to gain control of all or any part of the Collateral, and will not use any portion thereof in any manner inconsistent with this Security Agreement or with the terms and conditions of any policy of insurance thereon.

7. Further Assurances. By its signature hereon, each Grantor hereby irrevocably authorizes the Agent to (a) execute (on behalf of such Grantor) and file against such Grantor one or more financing, continuation or amendment statements pursuant to the UCC in form satisfactory to the Agent, (b) execute and file any forms or other documents required to be recorded with the United States Patent and Trademark Office, United States Copyright Office, or any actions, filings, recordings or registrations in any foreign jurisdiction or under any international treaty, required to perfect, prioritize and protect the Agent's security interest in the Intellectual Property Collateral, and in each case such Grantor will pay the cost of preparing and filing the same in all jurisdictions in which such filing is deemed by the Agent to be necessary or desirable in order to perfect, preserve and protect its security interests in the Collateral.

8. Events of Default. The Grantors shall, at the Agent's option, be in default under this Security Agreement upon the happening of any of the following events or conditions (each,

an “*Event of Default*”): (a) any Event of Default (as defined in any of the Notes); or (b) failure by any Grantor to perform any of its material obligations under this Security Agreement.

9. Rights and Remedies Upon Default. If any Event of Default shall have occurred and be continuing, the Agent shall have the following rights and remedies as set forth in this **Section 9**:

(a) the Agent may exercise in addition to all other rights and remedies granted to it under this Security Agreement and under any other instrument or agreement securing, evidencing or relating to the Secured Obligations, all rights and remedies of a secured party under the UCC.

(b) The Agent and the Secured Parties shall apply the net proceeds of any collection, recovery, receipt, appropriation, realization or sale of the Collateral as provided in **Section 9(f)** below, with the Grantors remaining liable for any deficiency remaining unpaid after such application, and only after so paying over such net proceeds and after the payment by the Agent of any other amount required by any provision of law, need the Agent account for the surplus, if any, to the Grantors.

(c) The Grantors agree to pay all reasonable fees, costs, and expenses of the Agent or any of the Secured Parties, including attorney’s costs, incurred in connection with the enforcement of any of its rights and remedies hereunder.

(d) Except as otherwise expressly permitted herein, the Grantors hereby waive presentment, demand, protest or any notice (to the maximum extent permitted by applicable law) of any kind in connection with this Security Agreement or any Collateral.

(e) Each Grantor agrees that a breach of any covenants contained in this **Section 9** to be provided by this Security Agreement will cause irreparable injury to the Agent, on behalf of itself and the Secured Parties, that in such event the Agent and the Secured Parties would have no adequate remedy at law in respect of such breach and, as a consequence, agrees that in such event each and every covenant contained in this **Section 9** shall be specifically enforceable against such Grantor, and each Grantor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that the Secured Obligations are not then due and payable.

(f) The Proceeds of any sale, disposition or other realization upon all or any part of the Collateral shall be distributed by the Agent in the following order of priorities:

First, to the Agent in an amount sufficient to pay in full the reasonable costs of the Agent (including costs for any time reasonably incurred by Agent, which costs for time shall be reasonable and shall not in the aggregate exceed 10% of the net proceeds collected in connection with an Event of Default) in connection with such sale, disposition or other realization, including all reasonable fees, costs, expenses, liabilities and advances incurred or made by the Agent and the Secured Parties in connection therewith, including attorney costs;

Second, to the Agent and the Secured Parties in an amount equal to the then unpaid principal of and accrued interest and prepayment premiums, if any, on the Secured Obligations;

Third, to the Agent and the Secured Parties in an amount equal to any other Secured Obligations which are then unpaid; and

Finally, upon payment in full of all of the Secured Obligations to the Grantors or their representatives or as a court of competent jurisdiction may direct.

10. Power of Attorney.

(a) Each Grantor does hereby make, constitute and appoint any officer or agent of the Agent as such Grantor's true and lawful attorney-in-fact, with power to (i) endorse the name of such Grantor or any of such Grantor's officers or agents upon any notes, checks, drafts, money orders, or other instruments of payment or Collateral that may come into the Agent's possession in full or part payment of any Secured Obligations; (ii) sue for, compromise, settle and release all claims and disputes with respect to, the Collateral; and (iii) sign, for such Grantor, such documentation required by the UCC, or supplemental intellectual property security agreements; granting to such Grantor's said attorney full power to do any and all things necessary to be done in and about the premises as fully and effectually as such Grantor might or could do. Each Grantor hereby ratifies all that said attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest, and is irrevocable.

(b) Notwithstanding anything herein to the contrary, the Agent will not exercise any rights under the power of attorney provided in **Section 10(a)** above, unless a payment Event of Default has occurred and is continuing.

11. Notices. All notices, demands, requests, consents, approvals and other communications required or permitted hereunder ("**Notices**") shall be in writing and shall be deemed effectively given: (a) upon personal delivery to the party to be notified, (b) when sent by confirmed electronic mail, telex or facsimile if sent during normal business hours of the recipient, if not, then on the next business day, (c) five (5) days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (d) one (1) day after deposit with a nationally recognized overnight courier, specifying next day delivery, with written verification of receipt. Without limiting the foregoing, first-class mail, facsimile transmission and commercial courier service are hereby agreed to as acceptable methods for giving Notices.

12. Preservation of Rights. No delay or omission on the Agent's part to exercise any right or power arising hereunder will impair any such right or power or be considered a waiver of any such right or power, nor will the Agent's action or inaction impair any such right or power. The Agent's rights and remedies hereunder are cumulative and not exclusive of any other rights or remedies which the Agent may have under other agreements, at law or in equity.

13. Illegality. If any provision contained in this Security Agreement should be invalid, illegal or unenforceable in any respect, it shall not affect or impair the validity, legality and enforceability of the remaining provisions of this Security Agreement.

14. Changes in Writing. No modification, amendment or waiver of, or consent to any departure by any Grantor from, any provision of this Security Agreement will be effective unless made in a writing signed by the Secured Parties, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Grantor will entitle such Grantor to any other or further notice or demand in the same, similar or other circumstance.

15. Entire Agreement. This Security Agreement (including the documents and instruments referred to herein) constitutes the entire agreement and supersedes all other prior agreements and understandings, both written and oral, between the parties with respect to the subject matter hereof.

16. Counterparts. This Security Agreement may be signed in any number of counterpart copies and by the parties hereto on separate counterparts, but all such copies shall constitute one and the same instrument. Delivery of an executed counterpart of signature page to this Security Agreement by facsimile transmission shall be effective as delivery of a manually executed counterpart. Any party so executing this Security Agreement by facsimile transmission shall promptly deliver a manually executed counterpart, provided that any failure to do so shall not affect the validity of the counterpart executed by facsimile transmission.

17. Successors and Assigns. This Security Agreement will be binding upon and inure to the benefit of the Grantors and the Agent and their respective heirs, executors, administrators, successors and assigns.

18. Governing Law. IN ALL RESPECTS, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE, THIS SECURITY AGREEMENT AND THE OBLIGATIONS ARISING HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF CALIFORNIA APPLICABLE TO CONTRACTS MADE AND PERFORMED IN SUCH STATE, WITHOUT REGARD TO THE PRINCIPLES THEREOF REGARDING CONFLICT OF LAWS.
