*NOW, THEREFORE*, the parties hereto agree as follows:

#### SECTION 1 Definitions; Interpretation.

(a) Terms Defined in Credit Agreement and Security Agreement. All capitalized terms used in this Agreement (including in the recitals hereof) and not otherwise defined herein shall have the meanings assigned to them in the Credit Agreement or the Security Agreement, as the case may be.

(b) Certain Defined Terms. As used in this Agreement, the following terms shall have the following meanings:

"Collateral" has the meaning set forth in Section 2.

"PTO" means the United States Patent and Trademark Office.

(c) Terms Defined in UCC. Where applicable and except as otherwise defined herein (including by reference to the Credit Agreement or the Security Agreement), terms used in this Agreement shall have the meanings assigned to them in the UCC.

(d) Interpretation. The rules of interpretation set forth in Section 1.02 of the Credit Agreement shall be applicable to this Agreement and are incorporated herein by this reference.

SECTION 2 Security Interest.

(a) Grant of Security Interest. As security for the payment and performance of the Secured Obligations, the Grantor hereby assigns, transfers and conveys to the Agent, and grants a security interest in and mortgage to the Agent, for itself and on behalf of and for the ratable benefit of the other Secured Parties, all of the Grantor's right, title and interest in, to and under the following property, in each case whether now or hereafter existing or arising or in which the Grantor now has or hereafter owns, acquires or develops an interest and wherever located (collectively, the "Collateral"):

(i) all patents and patent applications, domestic or foreign, all licenses relating to any of the foregoing and all income and royalties with respect to any such licenses (including such patents and patent applications as described in Schedule A), all rights to sue for past, present or future infringement thereof, all rights arising therefrom and pertaining thereto and all reissues, divisions, continuations, renewals, extensions and continuations-in-part thereof;

(ii) all state (including common law), federal and foreign trademarks, service marks and trade names, and applications for registration of such trademarks, service marks and trade names, all licenses relating to any of the foregoing and all income and royalties with respect to any such licenses (including such marks, names and applications as described in Schedule B), whether registered or unregistered and wherever registered, all rights to sue for past, present or future infringement or unconsented use thereof, all rights arising therefrom and pertaining thereto and all reissues, extensions and renewals thereof;

(iii) the entire goodwill of or associated with the businesses now or hereafter conducted by the Grantor connected with and symbolized by any of the aforementioned properties and assets;

(iv) all general intangibles and all intangible intellectual or other similar property of the Grantor of any kind or nature, associated with or arising out of any of the aforementioned properties and assets and not otherwise described above; and

to, and the term "Collateral" shall include (except to the extent constituting a Specified Asset) (A) any General Intangible which is an Account or a proceed of, or otherwise related to the enforcement and collection of, any Account, or goods which are the subject of any Account, (B) any and all proceeds of such Chattel Paper, contracts and other General Intangibles to the extent that the assignment or encumbering of such proceeds is not so restricted and (C) upon any such licensor's, lessor's or other applicable party's consent with respect to any such otherwise excluded Chattel Paper, contracts or other General Intangibles being obtained, thereafter such Chattel Paper, contracts or other General Intangibles as well as any and all proceeds thereof that might have theretofore have been excluded from such grant of a security interest and the term "Collateral."

(a) Further Acts. On a continuing basis, the Grantor shall make, execute, acknowledge and deliver, and file and record in the proper filing and recording places, all such instruments and documents, including appropriate financing and continuation statements and security agreements, and take all such action as may be necessary or advisable or may be requested by the Agent to carry out the intent and purposes of this Agreement, or for assuring, confirming or protecting the grant or perfection of the security interest granted or purported to be granted hereby, to ensure the Grantor's compliance with this Agreement or to enable the Agent to exercise and enforce its rights and remedies hereunder with respect to the Collateral.

(b) Compliance with Agreement. The Grantor shall comply with each of the terms and provisions of this Agreement and the Security Agreement, and not enter into any

Except as otherwise expressly agreed to in writing by the Agent, if and when the Grantor shall obtain rights to any new patentable inventions or any new trademarks, or become entitled to the benefit of any of the foregoing, or obtain rights or benefits with respect to any reissue, division, continuation, renewal, extension or continuation-in-part of any patents or trademarks, or any improvement of any patent, the provisions of Section 2 shall automatically apply thereto and the Grantor shall give to the Agent prompt notice thereof. The Grantor shall do all things deemed necessary or advisable by the Agent to ensure the validity, perfection, priority and enforceability of the security interests of the Agent in such future acquired Collateral. The Grantor hereby authorizes the Agent to modify, amend, or supplement the Schedules hereto and to reexecute this Agreement from time to time on the Grantor's behalf and as its attorney-in-fact to include any such future Collateral registered with the PTO or for which an application for registration is filed with the PTO and to cause such reexecuted Agreement or such modified, amended or supplemented Schedules to be filed with PTO.

power, prior to the occurrence of an Event of Default, to assign any of the Collateral to any Person, including itself, without the Grantor's written consent. The foregoing power of attorney is coupled with an interest and irrevocable so long as the Lenders have any Commitments or the Secured Obligations have not been paid and performed in full or the Collateral has not been released pursuant to subsection 2.16(b) of the Credit Agreement. The Grantor hereby ratifies, to the extent permitted by law, all that the Agent shall lawfully and in good faith do or cause to be done by virtue of and in compliance with this Section 7.

In addition to and without limiting any of the foregoing, upon the occurrence and during the continuance of an Event of Default, the Agent shall have the right but shall in no way be obligated to bring suit, or to take such other action as the Agent deems necessary or advisable, in the name of the Grantor or the Agent, to enforce or protect any Collateral, and any license thereunder, in which event the Grantor shall, at the request of the Agent, do any and all lawful acts and execute any and all documents required by the Agent in aid of such enforcement.

SECTION 12 No Waiver; Cumulative Remedies. No failure on the part of the Agent to exercise, and no delay in exercising, any right, remedy, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, remedy, power or privilege preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights and remedies under this Agreement are cumulative and not exclusive of any rights, remedies, powers and privileges that may otherwise be available to the Agent.

SECTION 13 Binding Effect. This Agreement shall be binding upon, inure to the benefit of and be enforceable by the Grantor, the Agent and each other Secured Party and their respective successors and assigns.

SECTION 16 Severability. The illegality or unenforceability of any provision of this Agreement or any instrument or agreement required hereunder shall not in any way affect or impair the legality or enforceability of the remaining provisions of this Agreement or any instrument or agreement required hereunder.

SECTION 17 Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement.
