TRADEMARK SECURITY AGREEMENT

(Daisytek, Incorporated)

This Trademark Security Agreement ("Agreement") is between Daisytek, Incorporated, a Delaware corporation (the "Debtor"), and Bank of America, National Association, a national banking association (the "Secured Party"), acting in its capacity as administrative agent under the Credit Agreement described hereinbelow, and is executed pursuant to that certain Credit Agreement dated as of April 24, 2002 (as such agreement may be amended, restated, or otherwise modified from time to time, the "Credit Agreement"; all terms defined in the Credit Agreement, wherever used herein, shall have the same meanings herein as are prescribed by the Credit Agreement) among Daisytek International Corporation and each of its Subsidiaries party thereto, the Lenders party thereto, and the Secured Party.

Recitals:

A. The Debtor and the Secured Party are parties to that certain Security Agreement dated as of April 24, 2002 (as amended, restated, or otherwise modified, the "Security Agreement").

B. Pursuant to the terms of the Security Agreement, the Debtor has granted to the Secured Party a lien and security interest in all General Intangibles of the Debtor, including, without limitation, all of the Debtor's right, title, and interest in, to, and under all now owned and hereafter acquired Trademarks (as defined below), together with the goodwill of the business symbolized by the Debtor's Trademarks, and Trademark Licenses (as defined below), and all products and proceeds thereof, to secure the payment of the Obligations.

Agreement:

NOW, THEREFORE for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Debtor hereby grants and assigns to the Secured Party a continuing security interest, lien, and collateral assignment in all of the Debtor's right, title, and interest in, to, and under the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether presently existing or hereafter created or acquired:

(1) (a) (i) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, service marks, logos, other business identifiers, prints and labels on which any of the foregoing appear, all registrations and recordings thereof, and all applications in connection therewith, including, without limitation, registrations, recordings, and applications in the United States Patent and Trademark Office or in any similar office or agency of the U.S., any state thereof, or any other country or any political subdivision thereof, (ii) all reissues, extensions, and renewals thereof, (iii) all income, royalties, damages, and payments now or hereafter relating to or payable under any of the foregoing, including, without limitation, damages or payments for past or future infringements of any of the foregoing, (iv) the right to sue for past, present, and future infringements of any of the foregoing;

(v) all rights corresponding to any of the foregoing throughout the world, and (vi) all goodwill associated with and symbolized by any of the foregoing; in each case, whether now owned or hereafter acquired by the Debtor (all of such items in this clause (a) being referred to herein collectively as the "Trademarks"); (b) any written agreement now or hereafter in existence granting to the Debtor any right to use any Trademark ("Trademark License"); (c) each trademark registration ("Trademark Registration"); and (d) each trademark application ("Trademark Application") (including, without limitation, each Trademark, Trademark Registration, and Trademark Application referred to in Schedule 1 annexed hereto, together with the goodwill of the business symbolized thereby);

(2) each Trademark License, to the extent allowable under the applicable license agreement; and

(3) all products and proceeds of the foregoing, including, without limitation, any claim by the Debtor against third parties for past, present, or future (a) infringement, dilution, or breach of any Trademark, Trademark Registration, Trademark Application, or Trademark License (including, without limitation, any Trademark, Trademark Registration, Trademark Application, or Trademark License referred to in Schedule 1 annexed hereto, and any Trademark Registration issued pursuant to a Trademark Application referred to in Schedule 1 annexed hereto), or (b) injury to the goodwill associated with any Trademark, Trademark Registration, or Trademark Application.

The lien and security interest contained in this Agreement is granted in conjunction with the liens and security interests granted to the Secured Party pursuant to the Security Agreement.

The Debtor hereby acknowledges and affirms that the rights and remedies of the Secured Party with respect to the liens and security interests in the Trademark Collateral made and granted hereby are more fully set forth in the Credit Agreement and the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

IN WITNESS WHEREOF, the Debtor has caused this Agreement to be duly executed by its duly authorized officer effective as of the 24th day of April, 2002.
