INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (the "Security Agreement") is made effective as of the 9th day of May, 2002 among **PENN FISHING TACKLE MFG. CO.** ("Penn Fishing") and **PNC BANK, NATIONAL ASSOCIATION**, as Agent (the "Agent").

BACKGROUND

A. Pursuant to that certain Revolving Credit, Term Loan and Security Agreement dated of even date herewith among Borrower, Rodco, Inc., (collectively, the "**Borrower**") Agent and the Lenders, as such term is defined in the Loan Agreement (such Revolving Credit and Security Agreement, as heretofore or hereafter amended, modified or restated, being referred to herein as the "**Loan Agreement**"), the Agent agreed to extend to Borrower the credit facilities described therein.

B. The Loan Agreement provides, *inter alia*, that Penn Fishing will grant to Agent a security interest in Penn Fishing's patents, patent rights, patent applications, servicemarks, trademarks, service trademark applications, service tradenames, goodwill, copyrights and licenses.

NOW THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Penn Fishing agrees as follows:

1. **Incorporation of Loan Agreement.** The Loan Agreement and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto. All capitalized terms not otherwise defined herein shall have the meanings set forth in the Loan Agreement.

2. **Security Interest.** To secure the complete and timely payment and satisfaction of all Obligations, Penn Fishing hereby collaterally assigns, mortgages, pledges and grants to Agent for its benefit and the ratable benefit of each Lender a security interest in, as and by way of a first mortgage and security interest having priority over all other security interests, with power of sale, to the extent permitted by law, all of Penn Fishing's right, title and interest in and to all of the following, whether now owned or existing and filed or hereafter acquired or arising and filed (collectively, the "**Collateral**"):

(a) patents and patent applications, including, without limitation, the inventions and improvements described and claimed therein, and those patents listed on **Exhibit "A"**, attached hereto and made a part hereof, and (i) the reissues, divisions, continuations, renewals, extensions and continuations-in-part thereof, (ii) all income, royalties, damages and payments now and hereafter due and/or payable under and with respect thereto, including, without limitation, damages and payments for past or future infringements thereof, (iii) the right to sue for past, present and future infringements thereof, and (iv) all rights corresponding thereto throughout the world (all of the foregoing patents and applications, together with the items described in clauses (i)-(iv), are sometimes hereinafter individually and/or collectively referred to as the "**Patents**");

programs, operating systems, application systems, hardware or software of any nature whatsoever owned by Borrower, whether operational, under development or inactive, including all object codes, source codes, modules, technical manuals, user manuals, operating instructions and procedures, input and out-put formats, program listings, narrative descriptions, program flow charts, file layouts, report layouts, screen layouts and other documentation therefor (including internal notes, memoranda, status evaluations, marketing information and write-ups), and all improvements, modifications, enhancements, new releases and revisions thereof, whether in machine-readable form, programming language or any other language or symbols, and whether stored, encoded, recorded or written on disk, tape, film, memory device, paper or other media of any nature; together with all tangible media upon which any of the foregoing are recorded or encoded, including, without limitation, all chips, disks, tapes, film and paper; including, without limitation, the copyrights, copyrights registrations and copyrights applications listed on Exhibit "B" attached hereto and made a part hereof, and (a) all renewals thereof, (b) all income, royalties, damages and payments now and hereafter due and/or payable with respect thereto, including, without limitation, damages and payments for past or future infringements thereof, and (c) the right to sue for past, present and future infringements thereof (all of the foregoing items are sometimes referred to herein collectively as the "Copyrights");

3. Restrictions on Future Agreements. Penn Fishing agrees that until all Obligations shall have been satisfied in full and the Loan Agreement shall have been terminated, Penn Fishing will not, without Agent's prior written consent, enter into any agreement (including, without limitation, any license or royalty agreement) which is inconsistent with Penn Fishing's obligations under this Security Agreement or which is prohibited under the terms of the Loan Agreement, and Penn Fishing further agrees that it will not take any action, or permit any action to be taken by others, including licensees, or fail to take any action, which would affect the validity or enforcement of the rights of Agent under this Security Agreement.

4. New Patents, Trademarks, Copyrights and Licenses. Penn Fishing represents and warrants that the Patents, Trademarks, Copyrights and Licenses listed on Exhibits "A", "B", "C"

and "D", respectively, constitute all of the patents, trademarks, applications, copyrights and licenses now owned by Penn Fishing. If, before all Obligations shall have been satisfied in full and the Loan Agreement shall have been terminated, Penn Fishing shall (i) obtain rights to any new patents, patentable inventions, trademarks, trademark registrations, tradenames, copyrights or licenses, or (ii) become entitled to the benefit of any patent or trademark or copyright application, trademark, trademark registration, copyright or license renewal, or patent for any reissue, division, continuation, renewal, extension, or continuation-in-part of any Patent or any improvement on any Patent, the provisions of **Section 2** above shall automatically apply thereto and Penn Fishing shall give to Agent prompt written notice thereof. Penn Fishing hereby authorizes Agent to modify this Security Agreement by amending **Exhibit "A", "B", "C" and/or "D"**, as applicable, to include any future patents, patent applications, trademarks, trademark registrations, trademark applications, tradenames, copyrights and licenses which are Patents, Trademarks, Copyrights or Licenses, as applicable, under **Section 2** above or under this **Section 4**. Penn Fishing hereby agrees to provide to Agent such other assignment or other documentation as Agent may reasonably request to record Agent's lien on such future Patents, Trademarks, Copyrights or Licenses.

5. **Royalties; Term.** Penn Fishing hereby agrees that, upon the occurrence and during the continuation of an Event of Default under the Loan Agreement, the use by Agent of all Patents, Trademarks, Copyrights and Licenses as described herein shall be worldwide and without any liability for royalties or other related charges from Agent to Penn Fishing. The term of the security interest granted herein shall extend until the earlier of (i) the expiration of each of the respective Patents, Trademarks, Copyrights and Licenses assigned hereunder, or (ii) the date on which all Obligations have been paid in full and the Loan Agreement is terminated.

6. **Reassignment.** This Security Agreement is made for collateral purposes only. Upon payment in full of all Obligations and termination of the Loan Agreement, Agent shall execute and deliver to Penn Fishing a termination of Agent's security interest granted herein and all deeds, assignments and other instruments as may be necessary or proper to re-vest in Penn Fishing full title to the Patents, Trademarks, Copyrights and Licenses, subject to any disposition thereof which may have been made by Agent pursuant hereto or pursuant to the Loan Agreement.

7. **Duties of Borrower.** Penn Fishing shall have the duty (i) to prosecute diligently any patent, trademark and copyright application pending as of the date hereof or thereafter until all Obligations shall have been paid in full and the Loan Agreement is terminated, (ii) to make application on unpatented but patentable inventions and on trademarks and copyrights, as appropriate, and (iii) to preserve and maintain all rights in patent applications and patents of the Patents, in trademark applications, trademarks and trademark registrations of the Trademarks and in copyright applications and copyrights of the Copyrights. Any expenses incurred in connection with such applications shall be borne by Penn Fishing. Penn Fishing shall not abandon any right to file a patent, trademark or copyright application, or any pending patent, trademark or copyright application, or any Patent, Trademark, Copyright or License, without the prior consent of Agent, such consent not to be unreasonably withheld.

8. **Event of Default.** Upon the occurrence of an Event of Default, Agent may, without further notice to or consent of Penn Fishing, and in addition to all other rights and remedies available to Agent, immediately record all assignments previously executed and delivered to Agent by Penn

Fishing and/or execute and record with all applicable offices (including, without limitation, the Patent and Trademark Office) an absolute assignment to Agent for its benefit and the ratable benefit of each Lender by Penn Fishing of all rights, title and interest of Penn Fishing in and to the Collateral. Penn Fishing hereby authorizes and agrees that Agent may, through the power of attorney granted in **Section 13** hereof, irrevocably execute and deliver in Penn Fishing's name any and all such assignments and agreements and to take any and all other actions in Penn Fishing's name as Agent shall deem reasonable or appropriate to transfer and convey all right, title and interest of Penn Fishing in and to the Collateral to Agent or any other person or entity selected by Agent.

9. **Agent's Right to Sue.** Upon the occurrence of an Event of Default, Agent shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Licenses, Patents, Copyrights and/or Trademarks if Agent shall commence any such suit, Penn Fishing shall, at the request of Agent, do any and all lawful acts and execute any and all proper documents required by Agent in aid of such enforcement and Penn Fishing shall promptly, upon demand, reimburse and indemnify Agent for all costs and expenses incurred by Agent in the exercise of its rights under this **Section 9**.

10. **Waivers.** No course of dealing between Borrower and Agent or Lender, nor any failure to exercise, nor any delay in exercising, on the part of Agent, any right, power or privilege hereunder or under the Loan Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

11. **Severability.** The provisions of this Security Agreement are severable, and if any clause or provision shall be invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Security Agreement in any jurisdiction.

12. **Modification.** This Security Agreement cannot be altered, amended or modified in any way, except as specifically provided in **Section 4** hereof or by a writing signed by the parties hereto.

13. **Cumulative Remedies; Power of Attorney; Effect on Loan Agreement.** All of Agent's rights and remedies with respect to the Patents, Trademarks, Copyrights and Licenses, whether established hereby or by the Loan Agreement, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Upon the occurrence of an Event of Default, Penn Fishing hereby authorizes Agent to make, constitute and appoint any officer or agent of Agent as Agent may select, in its sole discretion, as Borrower's true and lawful attorney-in-fact, with limited power to, (i) endorse Penn Fishing's name on all applications, documents, papers and instruments necessary or reasonably desirable for the Agent to protect, evidence, perfect or enforce its security interest in the Patents, Trademarks, Copyrights and/or Licenses, (ii) take any other actions with respect to the Patents, Trademarks, Copyrights and/or Licenses as the Agent reasonably deems in the best interest of the Agent, (iii) grant or issue any exclusive or non-exclusive license under the Patents or Trademarks to anyone, or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Patents, Trademarks, Copyrights and/or Licenses to anyone, including Agent. Agent may act under such power of attorney to take the actions referenced in **Section 4** hereof.

Agent hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until all Obligations shall have been paid in full and the Loan Agreement shall have been terminated. Penn Fishing acknowledges and agrees that this Security Agreement is not intended to limit or restrict in any way the rights and remedies of Agent or Lender under the Loan Agreement but rather is intended to facilitate the exercise of such rights and remedies given it by the terms of this Security Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Patents, Trademarks, Copyrights or Licenses may be located.

14. **Binding Effect; Benefits.** This Security Agreement shall be binding upon Penn Fishing and its successors and assigns, and shall inure to the benefit of Agent, its nominees, successors and assigns.

15. **Governing Law.** This Security Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania.
