## GRANT OF SECURITY INTEREST TRADEMARKS

THIS GRANT OF SECURITY INTEREST, dated as of July 22, 2002, is executed by Network Computing Devices, Inc., a Delaware corporation ("**Debtor**"), in favor of SCI Technology, Inc., as secured party ("**Secured Party**").

A. Reference is made to a Security Agreement, dated as of July 22, 2002 (as amended, modified or otherwise supplemented from time to time, the "**Security Agreement**"), by and between Debtor and Secured Party, pursuant to which Debtor has granted a security interest to Secured Party to secure Debtor's obligations under a Secured Promissory Note, dated July 22, 2002, made by Debtor in favor of Secured Party, and under certain accounts payable.

B. Debtor has adopted, used and is using the trademarks more particularly described on Schedules 1-A and 1-B annexed hereto as part hereof, which trademarks are registered or subject to an application for registration in the United States Patent and Trademark Office (collectively, the "**Trademarks**");

C. Schedules 1-A and 1-B hereof constitute a complete list, as of the date hereof, of registrations or applications for registrations of Trademarks in or to which Debtor has any right, title, interest, claim or demand. After the date of the Security Agreement, the terms and provisions of which are hereby incorporated herein as if fully set forth herein, Debtor shall provide written notice to Secured Party, in accordance with the provisions of the Security Agreement, of any addition or change which is necessary to be made to Schedules 1-A and 1-B in order to maintain the completeness or accuracy of such schedules, and, further, Debtor shall provide such notice to Secured Party within a reasonable period of time following the date of the event that is the basis for such addition or change, but in no case later than five (5) business days following the date of such event.

D. Pursuant to the Security Agreement, Debtor has granted to Secured Party a security interest in all right, title and interest of Debtor in and to the Trademarks, together with the goodwill of the business symbolized by the Trademarks and the customer lists and records related to the Trademarks and the applications and registrations thereof, and all proceeds thereof, including any and all causes of action which may exist by reason of infringement thereof (collectively, the "**Collateral**"), to secure the prompt payment, performance and observance of the Obligations, as defined in the Security Agreement;

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, Debtor does hereby further grant to Secured Party a security interest in the Collateral to secure the prompt payment, performance and observance of the Obligations.

Debtor does hereby further acknowledge and affirm that the rights and remedies of Secured Party with respect to the security interest in the Collateral granted hereby are more fully set forth in the Security Agreement.

Secured Party's address is: SCI Technology, Inc.  
2101 West Clinton Avenue  
Huntsville, AL 35805
