TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of April 24, 2002, (as amended, restated, replaced, modified or supplemented from time to time, this "**Agreement**") between Melody Farms Specialty Foods and Equipment Limited (the "**Grantor**"), an Ontario corporation having its principal place of business at 2 East Beaver Creek, Building 1, Richmond Hill, Ontario L4B 2N3 and The Bank of Nova Scotia (the "**Lender**"), whose address is Scotia Tower, 44 King Street West, Toronto, Ontario M5H 1H1, is entered into pursuant to the Credit Agreement as hereafter defined.

WITNESSETH:

WHEREAS pursuant to an amended and restated credit agreement dated as of even date herewith (together with all amendments, supplements, restatements, replacements and other modifications, if any, from time to time made thereto, the "**Credit Agreement**"), among the Lender, Country Style Food Services Inc. (the "**Borrower**") as borrower, and certain other parties, including the Grantor, as guarantors, the Lender has agreed to grant Accommodation to the Borrower and its successors by amalgamation or otherwise;

AND WHEREAS, in connection with credit facilities now governed by the Credit Agreement, the Grantor has previously executed and delivered a general security agreement, (together with all amendments, supplements, restatements, replacements and other modifications, if any, from time to time made thereto, the "**Security Agreement**");

AND WHEREAS as a condition precedent to the granting of Accommodation under the Credit Agreement, the Grantor is required to execute and deliver this Agreement and to grant to the Lender a continuing security interest in all of the Trademark Collateral (as hereinafter defined) to secure all Obligations; and

AND WHEREAS the Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE for good and valuable consideration the receipt of which is hereby acknowledged, and in order to induce the Lender to grant Accommodation pursuant to the Credit Agreement, the Grantor agrees as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, capitalized terms used in this Agreement, including its preamble and recitals, have the meanings provided in the Security Agreement.

SECTION 2. Grant of Security Interest. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, to secure the payment and performance of all of the Obligations, the Grantor hereby mortgages, pledges, hypothecates to the Lender, and grants to the Lender a general and continuing security interest in all of its right, title and interest in and to the following property (the "**Trademark Collateral**"), whether now owned or hereafter acquired or existing:

- (a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade dress, service marks, certification marks, collective marks, logos, other source of business identifiers, prints and labels on which any of the foregoing have appeared or appear and designs (all of the foregoing items in this clause (a) being collectively called a “**Trademark**”), now existing anywhere in the world or hereafter adopted or acquired, whether currently in use or not, all registrations and recordings thereof and all applications in connection therewith, whether pending or in preparation for filing, including registrations, recordings and applications with the Canadian Trademarks Office or in any office or agency of Canada or any Province thereof or any foreign country, including those referred to in Schedule “A” attached hereto and all reissues, extensions or renewals thereof;
- (b) all Trademark licenses and other agreements providing the Grantor with the right to use any items described in clause (a), including any license of Trademark;
- (c) all of the goodwill of the business connected with the use of, and symbolized by the items described in, clause (a);
- (d) the right to sue third parties for past, present and future infringements of any Trademark Collateral described in clauses (a) and (b); and
- (e) all proceeds of, and rights associated with, the foregoing, including any claim by the Grantor against third parties for past, present or future infringement or dilution of any Trademark, Trademark registration or Trademark license, including any Trademark, Trademark registration or Trademark license or for any injury to the goodwill associated with the use of any such Trademark or for breach or enforcement of any Trademark license and all rights corresponding thereto throughout the world.

SECTION 3. Security Agreement. This Agreement has been executed and delivered by the Grantor for the purpose of recording the security interest of the Agent in the Trademark Collateral with the Canadian Trademark Office and the United States Patent and Trademark Office. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Lender under the Security Agreement. The Security Agreement (and all rights and remedies of the Lender thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Power of Attorney. The Grantor hereby constitutes and appoints the Lender and any officer or agent of the Lender in accordance with the *Powers of Attorney Act* (Ontario), with full power of substitution from time to time, as the Grantor’s true and lawful attorney-in-fact, with full power and authority in the name and on behalf of the Grantor to take any appropriate action and to execute such assignments, transfers, registrations, agreements, licences, assurances, documents and instruments which the Grantor ought to execute and do, and has not taken or executed or done, under the covenants and provisions contained in this Agreement, the Security Agreement, or the Credit Agreement and generally to use the name of the Grantor in the exercise of all or any of the powers hereby conferred on the Lender and the Grantor declares this to be a

general power of attorney in the widest respect. This power of attorney shall be coupled with an interest and shall not be revoked or terminated by any act or instrument other than the termination of this Agreement in accordance with Section 5.

SECTION 5. Release of Security Interest. Upon payment in full of all Obligations and the termination of all commitments to the Borrower under the Credit Agreement, this Agreement shall be terminated and the Lender shall, at the expense of the Grantor, execute and deliver to the Grantor all instruments and other documents as may be necessary or proper to release the lien on and security interest in the Trademark Collateral which has been granted hereunder.

SECTION 6. Acknowledgment. The Grantor hereby further acknowledges and affirms that the rights and remedies of the Lender with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 7. Further Assurances. The Grantor shall do, perform, execute and deliver all acts, deeds, documents and assurances as may be necessary from time to time to give full force and effect to the intent of this Agreement; including, without limitation, the delivery of any additional security documents to further or better provide for a security interest in favour of the Lender in the Intellectual Property Collateral.

SECTION 8. Successors and Assigns. This Agreement shall extend and enure to the benefit of the Lender and its successors and assigns and shall be binding upon the Grantor and its successors. Subject to the Credit Agreement, the Lender may from time to time assign or transfer all or any of the Obligations or any interest therein and, notwithstanding any such assignment or transfer or any subsequent assignment or transfer thereof, any such Obligation or part thereof so transferred or assigned shall be and shall remain an "Obligation" for the purposes of this Agreement and any immediate and successive assignee or transferee of any Obligation or any interest therein shall, to the extent of the interest so assigned or transferred, be entitled to the benefit of, and the right to enforce, this Agreement to the same extent as if such person were the Lender. The obligations of the Grantor hereunder shall not be assigned or delegated.

SECTION 9. Loan Document etc. This Agreement is a document executed pursuant to the Credit Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions of the Credit Agreement.

SECTION 10. Counterparts. This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement.

SECTION 11. Governing Law. This agreement shall be governed and construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein.

IN WITNESS WHEREOF each of the parties hereto has caused this Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the day and year first above written.
