AMENDMENT NO. 1
TO AMENDED AND RESTATED
TRADEMARK COLLATERAL ASSIGNMENT AND SECURITY AGREEMENT

AMENDMENT NO. 1 TO AMENDED AND RESTATED TRADEMARK COLLATERAL ASSIGNMENT AND SECURITY AGREEMENT, made as of this 1st day of May, 2002, by and between AM GENERAL CORPORATION, a Delaware corporation ("Debtor"), and CONGRESS FINANCIAL CORPORATION, a Delaware corporation ("Secured Party").

W I T N E S S E T H:

WHEREAS, Debtor granted Secured Party a lien and security interest in all of its existing and future trademarks and certain other collateral, including the trademarks listed on Exhibit A hereto (collectively, the "Existing Trademarks"), to secure payment of the Obligations of Debtor and its affiliates to Secured Party as set forth in the Amended and Restated Trademark Collateral Assignment and Security Agreement, dated January 24, 2001, by and between Debtor and Secured Party (the "Trademark Security Agreement") and the Trademark Security Agreement was recorded at the United States Patent and Trademark Office ("PTO") in Reel 002326, Frame 0659 on June 28, 2001; and

WHEREAS, Debtor has filed additional applications for, or has registered, certain trademarks with the PTO after the date of the Trademark Security Agreement which applications and registered trademarks are listed on Exhibit B hereto (collectively, the "New Trademarks"); and

WHEREAS, pursuant to Section 1 of the Trademark Security Agreement, Debtor has, among other things, granted to Secured Party a security interest in all future trademark applications and trademarks of Debtor, together with the goodwill of the business symbolized thereby, and, pursuant to Section 3(h) of the Trademark Security Agreement, Debtor has agreed to execute and deliver to Secured Party all agreements and documents as requested by Secured Party to evidence the security interests of Secured Party therein; and

WHEREAS, Debtor and Secured Party want to confirm that the New Trademarks are subject to the collateral assignment and security interest provided for in the Trademark Security Agreement in favor of Secured Party;

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Debtor hereby agrees as follows:

1. Definitions.

(a) For purposes of this Amendment, unless otherwise defined herein, those terms used herein, including, but not limited to, those terms used or defined in the recitals above, shall have the respective meanings given to such terms in the Trademark Security Agreement.

(b) All references in the Trademark Security Agreement and this Agreement to the term "Trademarks" shall mean and be deemed to include, collectively, the Existing Trademarks and the New Trademarks and any other Trademarks at any time issued to Debtor or in which Debtor otherwise at any time has any interest.

2. Confirmation of Collateral Assignment and Grant of Security Interest.

(a) As collateral security for the prompt performance, observance and indefeasible payment in full of all of the Obligations, Debtor hereby confirms, reaffirms and restates its prior grant of a continuing security interest in and a general lien upon, and assignment and transfer to Secured Party of:

(i) all of Debtor's now existing or hereafter acquired right, title, and interest in and to: all of Debtor's trademarks, trade names, trade styles and service marks; all prints and labels on which said trademarks, trade names, trade styles and service marks appear, have appeared or will appear, and all designs and general intangibles of a like nature; all applications, registrations and recordings relating to the foregoing in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof, any political subdivision thereof or in any other countries, and all reissues, extensions and renewals thereof, including the Existing Trademarks and the New Trademarks;

(ii) the goodwill of the business symbolized by each of the Trademarks, including, without limitation, all customer lists and other records relating to the distribution of products or services bearing the Trademarks; and

(iii) any and all proceeds of any of the foregoing, including, without limitation, any claims by Debtor; against third parties for infringement of the Trademarks or any licenses with respect thereto (all of the foregoing are collectively referred to herein as the "Collateral").

(b) In no event shall the foregoing be construed to mean that Secured Party has not had and does not have a security interest and collateral assignment of any of the Trademarks pursuant to the Trademark Security Agreement. The security interest and transfer to Secured Party in the Trademarks shall be deemed continuously granted and perfected from the earliest date of the granting and perfection of such interests, whether under the Trademark Security Agreement, this Amendment or any of the other Financing Agreements.

3. Amendments to Exhibit A. Without limiting the Collateral elsewhere described in the Trademark Security Agreement, Exhibit A to the Trademark Security Agreement is hereby further amended to include, in addition and not by way of limitation, the Trademarks described in Exhibit B attached hereto.

4. Effect of this Amendment. Except as expressly amended pursuant hereto, no other changes or modifications to the Trademark Security Agreement or waivers of or consents under any provisions thereof are intended or implied, and in all other respects the Trademark Security Agreement is hereby specifically ratified, restated and confirmed by all parties hereto as of the effective date hereof. To the extent any term or provision of this agreement conflicts with any term or provision of the Trademark Security Agreement, the term or provision from this Agreement shall control.

5. Counterparts. This Amendment may be executed in any number of counterparts, but all of such counterparts shall together constitute but one and the same agreement. In making proof of this Amendment, it shall not be necessary to produce or account for more than one counterpart thereof signed by each of the parties hereto.

IN WITNESS WHEREOF, Debtor and Secured Party have executed this Agreement as of the day and year first above written.
