TYCO/PACTIV IP ASSIGNMENT

This ASSIGNMENT, effective as of January 26, 2001, between, PACTIV CORPORATION, formerly Tenneco Packaging Inc., a Delaware corporation with principal offices at 1900 West Field Court, Lake Forest, IL 60046 ("Assignor") and TYCO PLASTICS SERVICES AG, a Swiss corporation located at Schwertstrasse 9, CH-8201 Schaffhausen Switzerland ("Assignee").

WHEREAS, Assignor entered into an Asset Purchase Agreement with TYCO GROUP S.a.r.l., a Luxemburg company ("Tyco Group"), dated as of December 20, 2000 (the "APA") wherein Tyco Group agreed to purchase certain assets of Assignor, including the entire right, title, and interest in and to the United States, Canadian and Mexican patents listed Schedule A and the U.S. and Canadian trademarks in Schedule B.

Whereas, Tyco Group has assigned to Assignee all of Tyco Group's rights under the APA in the intellectual property (IP) identified in the schedules hereto.

NOW, THEREFORE, for the good and valuable consideration paid at the time of the APA, the receipt of which is hereby again acknowledged, Assignor by these presents, does hereby sell, assign, and transfer to Assignee, its successors and assigns, the entire right, title, and interest in and to:

1. the patents listed in Schedule A, including all reissues, reexaminations, divisions, continuations, continuations-in-part, refiles and extensions thereof, and the inventions disclosed or disclosed and claimed herein to be held and enjoyed by Assignee and sublicensees as fully and entirely as it would have been held and enjoyed by Assignor if this sale and assignment had not been made, including all claims, demands, and right of recovery that Assignor has or may have in profits and damages for past and future infringements if any, and all rights to compromise, sue for, and collect such profits and damages, and the right to seek and obtain injunctive relief.
2. Assignors right, title and interest in all technology, know-how, technical information, inventions, research records, and other documentation, formula, processes, techniques, technical information, manufacturing and engineering drawings and information and trade secrets which are used in or relate to the Business

3. to the trademarks listed in Schedule B and any, registered and unregistered trademarks, trade names, trade dress, service marks, logos, slogans, copyrights, and applications therefore (including all license with respect thereto) which are used in the Business including without limitation, those which are listed in Schedule B, together with the goodwill of the Business, to be held and enjoyed by Assignee and sublicensees as fully and entirely as it would have been held and enjoyed by Assignor if this sale and assignment had not been made, including all claims, demands, and right of recovery that Assignor has or may have in profits and damages for past and future infringements if any, and all rights to compromise, sue for, and collect such profits and damages, and the right to seek and obtain injunctive relief.

Assignor warrants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with the assignments and sale pursuant to this IP Assignment.

Assignor covenants that it will procure any consent or agreement of any third party that is required to enable Assignor or any relevant Affiliate to assign or transfer any of the IP to Assignee.

Assignor further covenants that it will, upon Assignee request, promptly execute and deliver to Assignee or its legal representative any and all paper or instruments required to maintain and enforce the Assigned IP, which may be necessary or desirable to carry out the purposes hereof.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be duly executed by their duly authorized representatives as of the last date written below.

TYCO/PACTIV IP ASSIGNMENT

This ASSIGNMENT, effective as of January 26, 2001, between, PACTIV CORPORATION, formerly Tenneco Packaging Inc., a Delaware corporation with principal offices at 1900 West Field Court, Lake Forest, IL 60046 ("Assignor") and TYCO PLASTICS SERVICES AG, a Swiss corporation located at Schwertstrasse 9, CH-8201 Schaffhausen Switzerland ("Assignee").

WHEREAS, Assignor entered into an Asset Purchase Agreement with TYCO GROUP S.a.r.l., a Luxembourg company ("Tyco Group"), dated as of December 20, 2000 (the "APA") wherein Tyco Group agreed to purchase certain assets of Assignor, including the entire right, title, and interest in and to the United States, Canadian and Mexican patents listed Schedule A and the U.S. and Canadian trademarks in Schedule B.

Whereas, Tyco Group has assigned to Assignee all of Tyco Group's rights under the APA in the intellectual property (IP) identified in the schedules hereto.

NOW, THEREFORE, for the good and valuable consideration paid at the time of the APA, the receipt of which is hereby again acknowledged, Assignor by these presents, does hereby sell, assign, and transfer to Assignee, its successors and assigns, the entire right, title, and interest in and to:

1. the patents listed in Schedule A, including all reissues, reexaminations, divisions, continuations, continuations-in-part, refiles and extensions thereof, and the inventions disclosed or disclosed and claimed herein to be held and enjoyed by Assignee and sublicensees as fully and entirely as it would have been held and enjoyed by Assignor if this sale and assignment had not been made, including all claims, demands, and right of recovery that Assignor has or may have in profits and damages for past and future infringements if any, and all rights to compromise, sue for, and collect such profits and damages, and the right to seek and obtain injunctive relief.
2. Assignors right, title and interest in all technology, know-how, technical information, inventions, research records, and other documentation, formula, processes, techniques, technical information, manufacturing and engineering drawings and information and trade secrets which are used in or relate to the Business

3. to the trademarks listed in Schedule B and any, registered and unregistered trademarks, trade names, trade dress, service marks, logos, slogans, copyrights, and applications therefore (including all license with respect thereto) which are used in the Business including without limitation, those which are listed in Schedule B, together with the goodwill of the Business, to be held and enjoyed by Assignee and sublicensees as fully and entirely as it would have been held and enjoyed by Assignor if this sale and assignment had not been made, including all claims, demands, and right of recovery that Assignor has or may have in profits and damages for past and future infringements if any, and all rights to compromise, sue for, and collect such profits and damages, and the right to seek and obtain injunctive relief.

Assignor warrants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with the assignments and sale pursuant to this IP Assignment.

Assignor covenants that it will procure any consent or agreement of any third party that is required to enable Assignor or any relevant Affiliate to assign or transfer any of the IP to Assignee.

Assignor further covenants that it will, upon Assignee request, promptly execute and deliver to Assignee or its legal representative any and all paper or instruments required to maintain and enforce the Assigned IP, which may be necessary or desirable to carry out the purposes hereof.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be duly executed by their duly authorized representatives as of the last date written below.

TYCO/PACTIV IP ASSIGNMENT

This ASSIGNMENT, effective as of January 26, 2001, between, PACTIV CORPORATION, formerly Tenneco Packaging Inc., a Delaware corporation with principal offices at 1900 West Field Court, Lake Forest, IL 60046 ("Assignor") and TYCO PLASTICS SERVICES AG, a Swiss corporation located at Schwertstrasse 9, CH-8201 Schaffhausen Switzerland ("Assignee").

WHEREAS, Assignor entered into an Asset Purchase Agreement with TYCO GROUP S.a.r.l., a Luxemburg company ("Tyco Group"), dated as of December 20, 2000 (the "APA") wherein Tyco Group agreed to purchase certain assets of Assignor, including the entire right, title, and interest in and to the United States, Canadian and Mexican patents listed Schedule A and the U.S. and Canadian trademarks in Schedule B.

Whereas, Tyco Group has assigned to Assignee all of Tyco Group's rights under the APA in the intellectual property (IP) identified in the schedules hereto.

NOW, THEREFORE, for the good and valuable consideration paid at the time of the APA, the receipt of which is hereby again acknowledged, Assignor by these presents, does hereby sell, assign, and transfer to Assignee, its successors and assigns, the entire right, title, and interest in and to:

1. the patents listed in Schedule A, including all reissues, reexaminations, divisions, continuations, continuations-in-part, refiles and extensions thereof, and the inventions disclosed or disclosed and claimed herein to be held and enjoyed by Assignee and sublicensees as fully and entirely as it would have been held and enjoyed by Assignor if this sale and assignment had not been made, including all claims, demands, and right of recovery that Assignor has or may have in profits and damages for past and future infringements if any, and all rights to compromise, sue for, and collect such profits and damages, and the right to seek and obtain injunctive relief.
2. Assignors right, title and interest in all technology, know-how, technical information, inventions, research records, and other documentation, formula, processes, techniques, technical information, manufacturing and engineering drawings and information and trade secrets which are used in or relate to the Business

3. to the trademarks listed in Schedule B and any, registered and unregistered trademarks, trade names, trade dress, service marks, logos, slogans, copyrights, and applications therefore (including all license with respect thereto) which are used in the Business including without limitation, those which are listed in Schedule B, together with the goodwill of the Business, to be held and enjoyed by Assignee and sublicensees as fully and entirely as it would have been held and enjoyed by Assignor if this sale and assignment had not been made, including all claims, demands, and right of recovery that Assignor has or may have in profits and damages for past and future infringements if any, and all rights to compromise, sue for, and collect such profits and damages, and the right to seek and obtain injunctive relief.

Assignor warrants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with the assignments and sale pursuant to this IP Assignment.

Assignor covenants that it will procure any consent or agreement of any third party that is required to enable Assignor or any relevant Affiliate to assign or transfer any of the IP to Assignee.

Assignor further covenants that it will, upon Assignee request, promptly execute and deliver to Assignee or its legal representative any and all paper or instruments required to maintain and enforce the Assigned IP, which may be necessary or desirable to carry out the purposes hereof.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be duly executed by their duly authorized representatives as of the last date written below.
