PLEDGE AND SECURITY AGREEMENT

THIS PLEDGE AND SECURITY AGREEMENT is entered into as of July 15, 2002 (as from time to time amended, modified, restated, supplemented and in effect, this "Security Agreement"), by and among Biometric Access Corporation, a Delaware corporation ("Grantor"), in favor of Perseus 2000, L.L.C., a Delaware limited liability company (the "Secured Party"), as agent for itself, Sixth Avenue Associates LLC, a Delaware limited liability company ("Avenue") and the other holders from time to time of the Notes (as defined below) (collectively, the "Note Holders").

RECITALS

A. The Grantor, Secured Party and Avenue have entered into a Note and Warrant Purchase Agreement (the "Purchase Agreement"), dated as of July 15, 2002, by and among Grantor, Secured Party and Avenue, pursuant to which Grantor has issued to the Secured Party and Avenue, Senior Secured Convertible Demand Promissory Notes dated of even date herewith in the aggregate principal amount of Three Hundred Thirty-Three Thousand Three Hundred Thirty-Four Dollars (\$333,334) (together with any Senior Secured Convertible Demand Promissory Notes issued in payment of interest on any Note, each, a "Note" and collectively, the "Notes"). The purchase and sale of the Notes is governed by the Purchase Agreement.

B. In order to induce the Secured Party to make the loans evidenced by the Notes, and in consideration therefor, Grantor has agreed to pledge, collaterally assign and grant to the Secured Party, as agent for itself, Avenue and any other future Note Holders, a perfected lien on and security interest in all of Grantor's assets and properties (including, but not limited to, all outstanding shares of capital stock of each Subsidiary of Grantor), whether now or hereafter existing, owned or acquired, all pursuant to the terms of this Security Agreement in order to secure (i) the due and punctual payment of (A) any current or future principal and interest (including, without limitation, interest accruing during the pendency of any bankruptcy, insolvency, receivership or other similar proceeding, regardless of whether allowed or allowable in such proceeding) on the Notes, when and as due, whether at maturity, by acceleration, upon one or more dates set for prepayment or otherwise, and (B) all other monetary obligations, including but not limited to, fees, costs, expenses and indemnities, whether primary, secondary, direct, contingent, fixed or otherwise (including monetary obligations incurred during the pendency of any bankruptcy, insolvency, receivership or other similar proceeding regardless of whether allowed or allowable in such proceeding), of Grantor now or hereafter due under the Notes or this Security Agreement, and (ii) the due and punctual performance of all covenants, agreements, obligations and liabilities of Grantor now or hereafter due under or pursuant to the Notes, the Purchase Agreement or this Security Agreement (collectively, the "Obligations").

C. Simultaneously with the execution of this Security Agreement, the Secured Party and Avenue have entered into a Collateral Agency Agreement pursuant to which Avenue has appointed the Secured Party as its Agent under this Security Agreement, subject to the terms and conditions thereunder.

D. It is a condition precedent to the making of the loan evidenced by the Notes that Grantor execute and deliver this Security Agreement.

NOW, THEREFORE, for and in consideration of the covenants and provisions set forth herein, and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor agrees as follows:

Where Collateral is in the possession of a third party, Grantor will join with the Secured Party in notifying the third party of the Secured Party's security interest therein and obtaining an acknowledgement from the third party that it is holding the Collateral for the benefit of the Secured Party.

(c) Grantor will cooperate with the Secured Party in obtaining control (including "Control" as contemplated by Section 9-312(b) of the Code) with respect to Collateral consisting of deposit accounts, investment property, letter of credit rights and electronic chattel paper.

(f) Grantor shall deliver and pledge to the Secured Party any and all certificates representing the Pledged Stock, accompanied by undated stock powers duly executed in blank.

(g) Grantor shall upon the acquisition after the date hereof by Grantor of any Stock Collateral, promptly either (x) transfer and deliver to the Secured Party all such Stock Collateral (together with the certificates representing such Stock Collateral securities duly endorsed in blank or accompanied by undated stock powers duly executed in blank) or (y) take such other action as the Secured Party shall deem necessary or

(b) So long as no Event of Default shall have occurred and be continuing, Grantor shall be entitled to receive and retain any dividends on the Stock Collateral paid in cash out of earned surplus.

(c) If any Event of Default shall have occurred and be continuing, and whether or not the Secured Party exercises any available right to declare any Obligation due and payable or seeks or pursues any other right, remedy, power or privilege available to it under applicable law, this Security Agreement or any other Transaction Document, all dividends and other distributions on the Stock Collateral shall be paid directly to the Secured Party and retained by it in the Collateral Account as part of the Stock Collateral, subject to the terms of this Security Agreement, and, if the Secured Party shall so request, Grantor agrees to execute and deliver to the Secured Party appropriate additional dividend, distribution and other orders and instruments to that end; provided, that if such Event of Default is cured, any such dividend or distribution paid to the Secured Party prior to such cure shall, upon request of Grantor (except to the extent applied to the Obligations), be returned by the Secured Party to Grantor.

(d) Grantor shall mark any Collateral that is chattel paper with a legend showing the Secured Party's lien and security interest therein;

(e) Grantor shall:

(i) furnish to the Secured Party from time to time (but, unless an Event of Default shall have occurred and be continuing, no more frequently than quarterly) statements and schedules further identifying and describing the Copyright Collateral, the Patent Collateral and the Trademark Collateral and such other reports in connection with the Copyright Collateral, the Patent Collateral and the Trademark Collateral, as the Secured Party may reasonably request, all in reasonable detail;

(ii) prior to filing, either directly or through an agent, licensee or other designee, any application for any Copyright, Patent or Trademark, furnish to the Secured Party prompt notice of such proposed filing; and

(iii) promptly give written notice to the Secured Party of any other change in the intellectual property rights material to its businesses.

(f) Grantor shall:

(i) (either itself or through licensees) for each Trademark, (A) to the extent consistent with past practice and good business judgment, continue to use such Trademark on each and every trademark class of goods applicable to its current line as reflected in its current catalogs, brochures and price lists in order to maintain such Trademark in full force and effect free from any claim of abandonment for nonuse, (B) maintain as in the past the quality of products and services offered under such Trademark, (C) employ such Trademark with the appropriate notice of registration and (D) not (and not permit any licensee or sublicensee to) do any act or knowingly omit to do any act whereby any Trademark material to the conduct of its business may become invalidated;

(ii) (either itself or through licensees) not do any act or knowingly omit to do any act whereby any Patent material to the conduct of its business may become abandoned or dedicated;

(iii) notify the Secured Party immediately if it knows or has reason to know that any Intellectual Property material to the conduct of its business may become abandoned or dedicated, or of any adverse determination or development

(including the institution of, or any such determination or development in, any proceeding before any governmental authority) regarding Grantor's ownership of any Intellectual Property material to its business, its right to copyright, patent or register the same (as the case may be), or its right to keep, use and maintain the same;

(iv) take all necessary steps that are consistent with good business practices in any proceeding before any appropriate governmental authority to maintain and pursue each application relating to any Intellectual Property (and to obtain the relevant registrations) and to maintain each registration material to the conduct of its business, including payment of maintenance fees, filing of applications for renewal, affidavits of use, affidavits of incontestability and opposition, interference and cancellation proceedings;

(v) in the event that any Intellectual Property material to the conduct of its business is infringed, misappropriated or diluted by a third party, Grantor shall notify the Secured Party within (10) days after it learns of such event and shall, if consistent with good business practice, promptly sue for infringement, misappropriation or dilution, seek temporary restraints and preliminary injunctive relief to the extent practicable, seek to recover any and all damages for such infringement, misappropriation or dilution and take such other actions as are appropriate under the circumstances to protect such Collateral;

(vi) shall, through counsel acceptable to the Secured Party, prosecute diligently any application for any Intellectual Property pending as of the date of this Security Agreement or thereafter made until the termination of this Security Agreement, make application on uncopyrighted but copyrightable material, unpatented but patentable inventions and unregistered but registerable Trademarks and preserve and maintain all rights in applications for any Intellectual Property; provided, however, that Grantor shall have no obligation to make any such application if making such application would be unnecessary or imprudent in the good faith business judgment of Grantor. Any expenses incurred in connection with such an application shall be borne by Grantor. Grantor shall not abandon any right to file a application for any material Intellectual Property or any pending application in the United States without the consent of the Secured Party, which consent shall not be unreasonably withheld; and

(vii) the Secured Party shall have the right but shall in no way be obligated to bring suit in its own name to enforce the Copyrights, Patents and Trademarks and any license under such Intellectual Property, in which event Grantor shall, at the request of the Secured Party, do any and all lawful acts and execute and deliver any and all proper documents reasonably required by the Secured Party in aid of such enforcement action.

(g) Grantor shall cause the Stock Collateral to constitute at all times 100% of the total number of shares of each class of capital stock of each Issuer then outstanding and shall not permit any such Issuer to issue any shares of capital stock, membership units or other ownership interests other than to Grantor. Grantor shall cause all such shares, units or interests to be duly authorized, validly issued, fully paid and

nonassessable and to be free of any contractual restriction or any restriction under the charter, bylaws, operating agreement or other similar organizational documents of the respective Issuer of such Stock Collateral, upon the transfer of such Stock Collateral (except for any such restriction contained in the Transaction Documents).

(h) Grantor shall not:

(i) amend or terminate any contract or other document or instrument constituting part of the Collateral, except for transactions in the ordinary course of business;

(ii) voluntarily or involuntarily exchange, lease, sell, transfer or otherwise dispose of any Collateral except for arms-length transactions in the ordinary course of business, the grant of non-exclusive licenses and sales of worn-out or obsolete equipment;

(iii) make any compromise, settlement, discharge or adjustment or grant any extension of time for payment with respect to any Account or any lien, guaranty or remedy pertaining thereto, except for transactions in the ordinary course of business;

(iv) change its name, unless Grantor provides at least thirty (30) days prior written notice of such name change, or use any fictitious or trade name;

(v) except upon at least thirty (30) days prior written notice to Secured Party, change the location of its chief executive office or its State of Incorporation; or

(vi) permit any of the Collateral (other than Collateral that constitutes goods that are mobile and that are of a type normally used in more than one jurisdiction or otherwise in the ordinary course of business (including, without limitation, sales and shipments of inventory in the ordinary course of business)) to be removed from or located in any place not identified as the location of such Collateral to the Secured Party, as the case may be, except after thirty (30) days prior written notice to the Secured Party and compliance with such procedures as the Secured Party reasonably may impose to prevent any interruptions or discontinuity in the security interest granted pursuant to this Security Agreement; or

(vii) voluntarily grant, incur or allow to exist any lien or security interest on or in any of the Collateral which lien or security interest shall be equal or superior in priority to the security interests granted in this Security Agreement, except for Permitted Liens.

ARTICLE 4 REMEDIAL MATTERS

4.1 Event of Default. An "Event of Default" shall exist hereunder (a) if an event of default shall occur under any of the Notes, (b) upon the filing of a voluntary or involuntary petition for bankruptcy, insolvency, receivership or similar event involving Grantor, provided, that with respect to an involuntary petition, such petition is dismissed within 60 days of its filing, or (c) if Grantor shall breach in any material respect any agreement contained herein or otherwise default in any material respect in the observance or performance of any of the covenants, terms, conditions or agreements on the part of Grantor contained in this Security Agreement and, with respect to non-monetary covenants, terms, conditions or agreements, such non observance or non performance continues for a period of thirty (30) days after the earlier of (i) written notice from the Secured Party of such default or (ii) actual knowledge of Grantor of such default.

4.2 Powers of Attorney.

(a) Grantor hereby irrevocably appoints the Secured Party (and any officer or agent of the Secured Party) as its true and lawful attorney-in-fact, with power of substitution for and in the name of the Secured Party or otherwise, for the use and benefit of the Secured Party, effective upon the occurrence and during the continuance of an Event of Default:

(i) to receive, endorse the name of Grantor upon and deliver any notes, acceptances, checks, drafts, money orders or other evidences of payment that may come into the possession of the Secured Party with respect to the Collateral;

(ii) to cause Grantor's mail to be transferred to the Secured Party's own offices and to receive and open all mail addressed to Grantor for the purposes of removing any such notes, acceptances, checks, drafts, money orders or other evidences of payment;

(iii) to demand, collect and receive payment in respect of the Collateral and to apply any such payments directly to the payment of the Obligations in accordance with Section 4.5 hereof;

(iv) to receive and give discharges and releases of all or any of the Collateral;

(v) to commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction, to collect or otherwise realize on all or any part of the Collateral or to enforce any rights in respect thereof;

(vi) to sign the name of Grantor on any invoice or bill of lading relating to any of the Collateral;

(vii) to send verification of any Accounts to any Account Debtor or customer;

(viii) to notify any Account Debtor or other obligor of Grantor with respect to any Collateral to make payment to the Secured Party;

(ix) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating or pertaining to all or any of the Collateral;

(x) to take any action for purposes of carrying out of the terms of this Security Agreement;

(xi) to enforce all of Grantor's rights and powers under and pursuant to any and all agreements with respect to the Collateral; and

(xii) generally, to sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out this Security Agreement, as fully and completely as though the Secured Party were the absolute owner of the Collateral for all purposes; provided, however, nothing herein contained shall be construed as requiring or obligating the Secured Party to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Secured Party, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby, and no action taken by the Secured Party or omitted to be taken with respect to the Collateral or any part thereof shall give rise to any defense, counterclaim or offset in favor of any Grantor or to any claim or action against the Secured Party.

It is understood and agreed that the power of attorney granted to the Secured Party for the purposes set forth above in this Section 4.2 is coupled with an interest and is irrevocable, and Grantor hereby ratifies all actions taken by its attorney-in-fact by virtue hereof. The provisions of this Section 4.2 shall in no event relieve Grantor of any of its obligations hereunder or under any of the other Transaction Documents with respect to the Collateral or any part thereof or impose any obligation on the Secured Party to proceed in any particular manner with respect to the Collateral or any part thereof, or in any way limit the exercise by the Secured Party of any other or further right which it may have on the date of this Security Agreement or hereafter, whether hereunder, under any of the other Transaction Documents, by law or otherwise.

(h) Beyond the duty of the Secured Party to exercise reasonable care in the custody of any Collateral in its possession, the Secured Party shall not, under any circumstance or in any event whatsoever, have any liability for any part of the Collateral, nor shall the Secured Party have any liability for any error or omission or delivery of any kind incurred in the good faith settlement, collection or payment of any of the Collateral or any monies received in payment therefor or for any damages resulting therefrom, nor shall this Security Agreement impose upon the Secured Party any obligation to perform any obligation with respect to the Collateral. The costs of collection, notification and

enforcement, including but not limited to, reasonable attorneys' fees and reasonable out-of-pocket expenses, shall be borne solely by Grantor whether the same are incurred by Grantor or the Secured Party. Grantor agrees to indemnify, defend and hold the Secured Party harmless from and against any and all other claims, demands, losses, judgments and liabilities (including, but not limited to, liabilities for penalties) of any nature, and to reimburse the Secured Party for all reasonable costs and expenses, including but not limited to reasonable attorneys' fees and expenses, arising from this Security Agreement or the exercise of any right or remedy granted to the Secured Party hereunder other than those incurred solely as a result of the gross negligence and willful misconduct of the Secured Party. In no event shall the Secured Party be liable for any matter or thing in connection with this Security Agreement other than to account for moneys actually received by the Secured Party in accordance with the terms hereof, and matters arising out of the gross negligence or willful misconduct of the Secured Party.

4.3 Collections. Upon the occurrence and during the continuance of an Event of Default, the Secured Party may, in its sole discretion, in its name or in the name of Grantor, or otherwise, (a) demand, sue for, collect or receive any money or property at any time payable or receivable on account of or in exchange for, or make any compromise or settlement deemed desirable with respect to any of the Collateral, but shall be under no obligation to do so, or (b) extend the time of payment, arrange for payment in installments, or otherwise modify the term of, or release, any of the Collateral, without thereby incurring responsibility to, or discharging or otherwise affecting any liability of, Grantor, other than to discharge Grantor in so doing with respect to liabilities of Grantor to the extent that the liabilities are paid or repaid. After the occurrence and during the continuance of an Event of Default, any money, checks, notes, bills, drafts, or commercial paper received by Grantor shall be held in trust for the Secured Party and any other secured party having rights thereto senior to the Secured Party and shall be promptly turned over to the Secured Party or any other secured party having rights thereto senior to the Secured Party as their interest shall appear. The Secured Party may make such payments and take such actions as the Secured Party, in its sole discretion, deems necessary to protect its security interest in the Collateral or the value thereof, and the Secured Party is hereby unconditionally and irrevocably authorized (without limiting the general nature of the authority hereinabove conferred) to pay, purchase, contest or compromise any liens which in the judgment of the Secured Party appear to be equal to, prior to or superior to its security interest in the Collateral and any liens not expressly permitted by this Security Agreement.

4.4 Possession; Sale of Collateral.

(a) Upon the occurrence and during the continuance of an Event of Default, the Secured Party may, subject to the rights of any other secured party having rights senior to those of the Secured Party: (i) require Grantor to assemble the tangible assets that comprise part of the Collateral and make them available to the Secured Party at any place or places reasonably designated by the Secured Party; (ii) to the extent permitted by applicable law, with or without notice or demand for performance and without liability for trespass, enter any premises where the Collateral may be located and peaceably take possession of the same, and may demand and receive such possession

from any person who has possession thereof, and may take such measures as it may deem necessary or proper for the care or protection thereof (including, but not limited to, the right to remove all or any portion of the Collateral); and (iii) with or without taking such possession may sell or cause to be sold, in one or more sales or parcels, for cash, on credit or for future delivery, without assumption of any credit risk, all or any portion of the Collateral, at public or private sale or at any broker's board or any securities exchange, without demand of performance or notice of intention to sell or of time or place of sale, except ten (10) business days' written notice to Grantor of the time and place of such sale or sales (and such other notices as may be required by applicable statute, if any, and which cannot be waived), which Grantor hereby expressly acknowledges is commercially reasonable. In the event of any sale, license or other disposition of any of the Trademark Collateral, the goodwill connected with and symbolized by the Trademark Collateral subject to such disposition shall be included, and Grantor shall supply to the Secured Party or its designee, for inclusion in such sale, assignment or other disposition, all Intellectual Property relating to such Trademark Collateral. The Secured Party shall have no obligation to clean-up or otherwise prepare any Collateral for sale. The Collateral may be sold or disposed of for cash, upon credit or for future delivery as the Secured Party shall deem appropriate. Each such purchaser at any such sale shall hold the property sold absolutely, free from any claim or right on the part of Grantor, and Grantor hereby waives (to the extent permitted by law) all rights of redemption, stay and appraisal that Grantor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. At any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Secured Party may (in its sole and absolute discretion) determine. The Secured Party shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Secured Party may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. The Secured Party may comply with any applicable state or federal law requirements in connection with a disposition of the Collateral and compliance will not be considered adversely to affect the commercial reasonableness of any disposition of the Collateral. In case any sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Secured Party until the sale price is paid by the purchaser or purchasers thereof. The Secured Party shall not incur any liability for the failure to collect or realize upon any or all of the Collateral or for any delay in doing so and, in case of any such failure, shall not be under any obligation to take any action with respect thereto; provided, such Collateral may be sold again upon like notice. If any Collateral is sold upon credit, Grantor will be credited only with payments actually made by the purchaser, received by the Secured Party and applied to the Obligations in accordance with Section 4.5. In the event the purchasers fail to pay for the Collateral, the Secured Party may resell the Collateral. At any public sale made pursuant to this Section 4.4, the Secured Party may bid for or purchase, free from any right of redemption, stay or appraisal and all rights of marshalling, the Collateral and any other security for the Obligations or otherwise on the part of Grantor (all said rights being also

hereby waived and released by Grantor to the fullest extent permitted by law), or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to the Secured Party from Grantor as a credit against the purchase price, and the Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to Grantor therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Secured Party shall be free to carry out such sale pursuant to such agreement, and Grantor shall not be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Secured Party shall have entered into such an agreement, all Events of Default shall have been remedied and any obligations to the Secured Party shall have been paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Secured Party may proceed by a suit or suits at law or in equity to foreclose this Security Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver. In any action hereunder, the Secured Party shall be entitled to the appointment of a receiver without notice, to peaceably take possession of all or any portion of the Collateral and to exercise such powers as the court shall confer upon the receiver. Notwithstanding the foregoing, if an Event of Default shall occur and be continuing, the Secured Party shall be entitled to apply, without notice to Grantor, any cash or cash items constituting Collateral in their possession to payment of the Obligations.

(b) If an Event of Default shall occur and be continuing, the Secured Party shall, in addition to exercising any and all rights and remedies afforded to it hereunder, have all the rights and remedies of a secured party under all applicable provisions of law, including but not limited to, the Code.

(c) Grantor agrees that notwithstanding anything to the contrary contained in this Security Agreement, Grantor shall remain liable under each contract or other agreement giving rise to Accounts and General Intangibles and all other contracts or agreements constituting part of the Collateral and the Secured Party shall not have any obligation or liability in respect thereof.

(d) After the occurrence and during the continuance of an Event of Default, upon the Secured Party's request, but subject to the rights of any other secured party having rights senior to those of the Secured Party, Grantor shall deliver to the Secured Party all original and other documents evidencing and relating to the sale and delivery of Inventory or Accounts, including but not limited to, all original orders, invoices and shipping receipts. Grantor shall also furnish to the Secured Party, promptly upon the request of the Secured Party, such reports, reconciliations and aging balances regarding Accounts as the Secured Party may request from time to time.

4.5 Application of Proceeds. Unless the Secured Party otherwise directs, the proceeds of any sale of Collateral pursuant to this Security Agreement or otherwise, as well as any Collateral consisting of cash, shall be applied after receipt by the Secured

Party as follows, subject to the rights of any other secured party having rights senior to those of the Secured Party:

First, to the payment of all reasonable costs, fees and expenses of the Secured Party and its agents, representatives and attorneys incurred in connection with such sale or with the retaking, holding, handling, preparing for sale (or other disposition) of the Collateral or otherwise in connection with the Notes, this Security Agreement or any of the Obligations, including but not limited to, the reasonable fees and expenses of the Secured Party's agents and attorneys' and court costs (whether at trial, appellate or administrative levels), if any, incurred by the Secured Party in so doing;

Second, to the payment of the outstanding principal balance and accrued interest and fees on the Obligations in such order as the Secured Party may determine;

Third, to pay all other amounts payable by Grantor under the Notes and any other Obligations; and

Fourth, to Grantor or to such other person as a court may direct.

4.6 Authority of Secured Party. The Secured Party shall have and be entitled to exercise all such powers hereunder as are specifically delegated to the Secured Party by the terms hereof, together with such powers as are reasonably incidental thereto. The Secured Party may execute any of its duties hereunder by or through its agents or employees and shall be entitled to retain counsel and to act in reliance upon the advice of such counsel concerning all matters pertaining to its duties hereunder.

4.7 Certain Waivers; Grantor Not Discharged. Grantor expressly and irrevocably waives (to the extent permitted by applicable law) presentment, demand of payment and protest of nonpayment in respect of its Obligations under this Security Agreement. The obligations and duties of Grantor hereunder are irrevocable, absolute, and unconditional and shall not be discharged, impaired or otherwise affected by (a) the failure of the Secured Party to assert any claim or demand or to enforce any right or remedy against Grantor or any grantee under the provisions of this Security Agreement or any grantee or any waiver, consent, extension, indulgence or other action or inaction in respect thereof, (b) any extension or renewal of any part of the Obligations, (c) any rescission, waiver, amendment or modification of any of the terms or provisions of any agreement related to this Security Agreement, (d) the release of any liens on or security interests in any part of the Collateral or the release, sale or exchange of or failure to foreclose against any security held by or for the benefit of the Secured Party for payment or performance of the Obligations, (e) the bankruptcy, insolvency or reorganization of Grantor or any grantee or any other persons, (f) any change, restructuring or termination

of the corporate structure or existence of Grantor or any grantee or any restructuring or refinancing of all or any portion of the Obligations, or (g) any other event which under law would discharge the obligations of a surety.

4.8 Transfer of Security Interest. The Secured Party may transfer to any other person all or any part of the liens and security interests granted hereby, and all or any part of the Collateral which may be in the Secured Party's possession after the occurrence and during the continuance of an Event of Default or to a successor Secured Party at any time. Upon such transfer, the transferee shall be vested with all the rights and powers of the Secured Party hereunder with respect to such of the Collateral as is so transferred, but, with respect to any of the Collateral not so transferred, the Secured Party shall retain all of their rights and powers (whether given to it in this Security Agreement, or otherwise). The Secured Party or any of them may, at any time, assign their rights as the secured party hereunder to any person, in the Secured Party's discretion, and upon notice to Grantor, but without any requirement for consent or approval by or from Grantor, and any such assignment shall be valid and binding upon Grantor, as fully as it had expressly approved the same.

ARTICLE 5 SECURED PARTY'S INTERESTS

5.1 Pro Rata Interests. The security interests and other rights granted or reserved to the Secured Party and its successors and assigns under this Security Agreement (the "Contractual Rights") and the other rights available to the Secured Party under applicable law by reason of the existence of this Security Agreement and the attachment and perfection of the security interests created under this Security Agreement (the "Statutory Rights") are for the pro rata benefit of the Note Holders according to the interest in the outstanding principal amount of the Notes held by each Note Holder, respectively, expressed as a percentage of the aggregate outstanding principal amount of all Notes, and shall be held by the Note Holders in such percentages, regardless of the time or order of the attachment or perfection of their respective security interests or the time and manner of filing of their respective deeds of trust, financing statements or assignments thereof and regardless of which, if any, Note Holder may hold possession of the Collateral. All recoveries attributable to enforcement of Contractual Rights or Statutory Rights, or both, shall be shared ratably by the Note Holders according to their respective pro rata interests as provided in this Security Agreement.

5.2 Grantor Obligations. The provisions of this Article 5 are for the purpose of defining the relative rights of the Note Holders with respect to the Collateral and the exercise of Contractual Rights and Statutory Rights. Nothing herein shall impair the obligations of Grantor, which are absolute and unconditional, to pay and perform the Obligations as and when due. No provision of this Security Agreement shall be construed to prevent any Note Holder from exercising remedies that may otherwise be available to it.

5.3 Power of Attorney. As may be necessary for the proper enforcement of the Contractual Rights and Statutory Rights on behalf of the Note Holders, the Secured

Party shall cause each Note Holder to constitute and appoint the Secured Party as its agent and attorney-in-fact.

ARTICLE 6 MISCELLANEOUS

6.1 Further Assurances. Grantor agrees, at its expense, to do such further things, to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as the Secured Party may from time to time reasonably request for the better assuming and preserving of the security interests and the rights and remedies created hereby, including but not limited to, the execution and delivery of such additional conveyances, assignments, agreements and instruments, the payment of any fees and taxes required in connection with the execution and delivery of this Security Agreement, the granting of the security interests created hereby and the execution, filing and recordation of any financing statements (including fixture filings) or other documents as the Secured Party may deem reasonably necessary for the perfection of the security interests granted hereunder. If any amount payable under or in connection with any of the Collateral shall be or become evidenced by any promissory note or other instrument, such note or instrument shall be immediately pledged and delivered to the Secured Party, duly endorsed in a manner satisfactory to the Secured Party, subject to the rights of any other secured party having rights senior to the Secured Party. If at any time Grantor shall take and perfect a security interest in any property to secure payment and performance of an Account, Grantor, upon the request of the Secured Party, shall promptly assign such security interest to the Secured Party, subject to the rights of any other secured party having rights senior to the Secured Party. Grantor agrees to notify the Secured Party thirty (30) days prior to any change (a) in its corporate name, (b) in its jurisdiction of incorporation or organization, (c) in the location of its chief executive office, (d) in its chief place of business, or (e) in the office or offices where it keeps its records relating to the Collateral. Grantor agrees that, after the occurrence and during the continuance of an Event of Default, it shall upon request of the Secured Party, take any and all actions, to the extent permitted by applicable law, at its own expense, to obtain the approval of any governmental authority for any action or transaction contemplated by this Security Agreement which is then required by law, and specifically, without limitation, upon request of the Secured Party, to prepare, sign and file with any governmental authority Grantor's portion of any application or applications for consent to the assignment of licenses held by Grantor, or for consent to the possession and sale of any of the Collateral by or on behalf of the Secured Party. Grantor further agrees that it shall at all times, at its own expense and cost, keep accurate and complete records with respect to the Collateral, including but not limited to, a record of all payments and proceeds received in connection therewith or as a result of the sale thereof and of all credits granted, and agrees that the Secured Party or its representatives shall have the right at any reasonable time and from time to time to call at Grantor's place or places of business to inspect the Collateral and to examine or cause to be examined all of the books, records, journals and other data relating to the Collateral and to make extracts therefrom or copies thereof as are reasonably requested.

6.2 Effectiveness. This Security Agreement shall take effect immediately upon execution by Grantor.

6.3 Indemnity; Reimbursement of the Secured Party; Deficiency. In connection with the Collateral, this Security Agreement and the administration and enforcement or exercise of any right or remedy granted to the Secured Party hereunder, Grantor agrees, subject to the limitations set forth hereafter (a) to indemnify, defend and hold harmless the Secured Party from and against any and all claims, demands, losses, judgments and liabilities (including but not limited to, liabilities for penalties) of whatever nature, relating thereto or resulting therefrom, and (b) to reimburse the Secured Party for all reasonable costs and expenses, including but not limited to, the reasonable fees and disbursements of attorneys, relating thereto or resulting therefrom. The foregoing indemnity agreement includes all reasonable costs incurred by the Secured Party in connection with any litigation relating to the Collateral whether or not the Secured Party shall be a party to such litigation, including but not limited to, the reasonable fees and disbursements of attorneys for the Secured Party, and any out-of-pocket costs incurred by the Secured Party in appearing as a witness or in otherwise complying with legal process served upon it. The obligations in this Section 6.3 do not apply to any claims for indemnity, defense, or reimbursement that arise from the gross negligence or willful misconduct of the Secured Party. In no event shall the Secured Party be liable, in the absence of gross negligence or willful misconduct on its part, for any matter or thing in connection with this Security Agreement other than to account for moneys actually received by it in accordance with the terms hereof and Grantor hereby releases the Secured Party from any and all claims, causes of action and demands at any time arising out of or with respect to this Security Agreement or the Collateral. All indemnities contained in this Section 6.3 and elsewhere in this Security Agreement shall survive the expiration or earlier termination of this Security Agreement. After application of the proceeds by the Secured Party pursuant to Section 4.5 hereof, Grantor shall remain liable to the Secured Party for any deficiency.

6.4 Continuing Lien. It is the intent of the parties hereto that (a) this Security Agreement shall constitute a continuing agreement as to any and all future, as well as existing transactions, between Grantor and the Secured Party under or in connection with the Note or otherwise relating to any other Obligation, and (b) the security interest provided for herein shall attach to after-acquired as well as existing Collateral.

6.5 Termination. Upon payment in full of the Notes and all other Obligations and all other amounts due in connection therewith and termination of all commitments relating thereto, the Secured Party shall reassign, redeliver and release (or cause to be so reassigned, redelivered and released), without recourse upon or warranty by the Secured Party, and at the sole expense of Grantor, to Grantor, against receipt therefor, such of the Collateral (if any) as shall not have been sold or otherwise applied by the Secured Party pursuant to the terms hereof and not theretofore reassigned, redelivered and released to Grantor, together with appropriate instruments of reassignment and release.

6.6 Notices. All notices, requests and other communications hereunder shall be in writing and shall be deemed to have been duly given at the time of receipt if

delivered by hand or by facsimile transmission (with receipt of successful and full transmission) or three days after being mailed, registered or certified mail, return receipt requested, with postage prepaid to the applicable parties hereto at the address stated below or if any party shall have designated a different address or facsimile number by notice to the other party given as provided above, then to the last address or facsimile number so designated.

6.7 Successors and Assigns. Whenever in this Security Agreement any of the parties hereto is referred to, such reference shall be deemed to include the successors and assigns of such party, and all covenants, promises and agreements by or on behalf of the Secured Party that are contained in this Security Agreement shall bind and inure to the

benefit of its respective successors and assigns. Grantor may not assign or transfer any of its rights or obligations hereunder without the prior written consent of the Secured Party.

6.8 APPLICABLE LAW. THIS SECURITY AGREEMENT SHALL BE GOVERNED BY, AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN THAT STATE WITHOUT REFERENCE TO ITS CONFLICTS OF LAW RULES THAT MIGHT REFER THE GOVERNANCE OR CONSTRUCTION OF THIS SECURITY AGREEMENT TO THE LAW OF ANOTHER JURISDICTION. THE PARTIES HERETO AGREE THAT THE APPROPRIATE AND EXCLUSIVE FORUM FOR ANY DISPUTES ARISING OUT OF THIS SECURITY AGREEMENT SOLELY BETWEEN THE GRANTOR AND SECURED PARTY SHALL BE THE COURTS OF THE STATE OF NEW YORK LOCATED IN THE BOROUGH OF MANHATTAN OR IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, AND THE PARTIES HERETO IRREVOCABLY CONSENT TO THE EXCLUSIVE JURISDICTION OF SUCH COURTS, AND AGREE TO COMPLY WITH ALL REQUIREMENTS NECESSARY TO GIVE SUCH COURTS JURISDICTION. THE PARTIES HERETO FURTHER AGREE THAT THE PARTIES WILL NOT BRING SUIT WITH RESPECT TO ANY DISPUTES ARISING OF THIS SECURITY AGREEMENT EXCEPT AS EXPRESSLY SET FORTH BELOW FOR THE EXECUTION OR ENFORCEMENT OF JUDGEMENT, IN ANY JURISDICTION OTHER THAN THE ABOVE SPECIFIED COURTS. EACH OF THE PARTIES HERETO IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS IN ANY ACTION OR PROCEEDING HEREUNDER BY THE MAILING OF COPIES THEREOF BY REGISTERED MAIL OR CERTIFIED AIRMAIL, POSTAGE PREPAID, TO THE ADDRESS SPECIFIED IN SECTION 6.6 HEREOF. THE FOREGOING SHALL NOT LIMIT THE RIGHTS OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO OBTAIN EXECUTION OF JUDGMENT IN ANY OTHER JURISDICTION. THE PARTIES FURTHER AGREE, TO THE EXTENT PERMITTED BY LAW, THAT FINAL AND UNAPPEALABLE JUDGMENT AGAINST ANY OF THEM IN ANY ACTION OR PROCEEDING CONTEMPLATED ABOVE SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN ANY OTHER JURISDICTION WITHIN OR OUTSIDE OF THE UNITED STATES BY SUIT ON THE JUDGMENT, A CERTIFIED COPY OF WHICH SHALL BE CONCLUSIVE EVIDENCE OF THE FACT AND THE AMOUNT OF INDEBTEDNESS. THE PARTIES AGREE TO WAIVE ANY AND ALL RIGHTS THAT THEY MAY HAVE TO A JURY TRIAL WITH RESPECT TO DISPUTES ARISING OUT OF THIS SECURITY AGREEMENT.

6.9 Waivers. No failure or delay of the Secured Party in exercising any power or right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or future exercise thereof or the exercise of any other right or power. The rights and remedies of the Secured Party hereunder are cumulative and not exclusive of any rights or remedies which it would otherwise have. No waiver of any provision of this Security Agreement or consent to any

departure by Grantor therefrom shall in any event be effective unless the same shall be authorized as provided in Section 6.10, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on Grantor in any case shall entitle Grantor to any other or further notice or demand in similar or other circumstances.

6.10 Amendments. Neither this Security Agreement nor any provision hereof may be amended or modified except pursuant to an agreement or agreements in writing entered into by Grantor and the Secured Party.

6.11 Severability. In the event any one or more of the provisions contained in this Security Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein or therein shall not in any way be affected or impaired thereby.

6.12 Counterparts. This Security Agreement may be executed in two or more counterparts, each of which shall constitute an original, but all of which when taken together shall constitute but one contract, and shall become effective when copies hereof which, when taken together, bear the signatures of each of the parties hereto shall be delivered or mailed to the Secured Party.

6.13 Headings. Article and Section headings used herein are for convenience of reference only and are not to affect the construction of, or to be taken into consideration in interpreting, this Security Agreement.

6.14 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY EXPRESSLY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHT, POWER, OR REMEDY UNDER OR IN CONNECTION WITH THIS SECURITY AGREEMENT AND AGREE THAT ANY SUCH ACTION SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY. THE TERMS AND PROVISIONS OF THIS SECTION CONSTITUTE A MATERIAL INDUCEMENT FOR THE PARTIES ENTERING INTO THIS SECURITY AGREEMENT.
