**2.2. No Breach.** Notwithstanding anything herein to the contrary, in no event shall the Collateral include, and no Grantor shall be deemed to have granted a security interest in, any of such Grantor's rights or interests in any license, contract or agreement to which such Grantor is a party or any of its rights or interests thereunder to the extent, but only to the extent, that such a grant would, under the terms of such license, contract or agreement or otherwise, result in a breach of the terms of, or constitute a default under any license, contract or agreement to which such Grantor is a party (other than to the extent that any such term would be rendered ineffective pursuant to Sections 9-406, 9-407, 9-408 or 9-409 of the Uniform Commercial Code of any relevant jurisdiction or any other applicable law (including the Bankruptcy Code) or principles of equity), provided, immediately upon the ineffectiveness, lapse or termination of any such provision, the Collateral shall include, and such Grantor shall be deemed to have granted a security interest in, all such rights and interests as if such provision had never been in effect.

### **SECTION 3. SECURITY FOR OBLIGATIONS**

This Agreement secures, and the Collateral is collateral security for the prompt payment or performance in full when due, whether at stated maturity, by required prepayment, declaration, Acceleration, demand or otherwise (including the payment of amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. §362(a)), of all obligations and liabilities of every nature of each Grantor now or hereafter existing under or arising out of or in connection with the Note or any other Note

Document and all extensions or renewals of any of the foregoing, whether for principal, interest (including without limitation interest that, but for the filing of a petition in bankruptcy with respect to any Grantor, would accrue on such obligations), fees, expenses, indemnities or otherwise, whether voluntary or involuntary, direct or indirect, absolute or contingent, liquidated or unliquidated, whether or not jointly owed with others, and whether or not from time to time decreased or extinguished and later increased, created or incurred, and all or any portion of such obligations or liabilities that are paid, to the extent all or any part of such payment is avoided or recovered directly or indirectly from Secured Party as a preference, fraudulent transfer or otherwise and all obligations of every nature of each Grantor now or hereafter existing under this Agreement and including without limitation all Note Obligations (all of the foregoing being referred to herein collectively as the "**Secured Obligations**").

#### **SECTION 4. GRANTORS REMAIN LIABLE**

**4.1. Continuing Liability.** Anything contained herein to the contrary notwithstanding, (a) each Grantor shall remain liable under any Partnership Agreement, LLC Agreement or any other contracts and agreements included in the Collateral, to the extent set forth therein, to perform all of its duties and obligations thereunder to the same extent as if this Agreement had not been executed; (b) the exercise by Secured Party of any of its rights hereunder shall not release any Grantor from any of its duties or obligations under any Partnership Agreement, LLC Agreement or other the contracts and agreements included in the Collateral; and (c) Secured Party shall not have any obligation or liability under any Partnership Agreement, LLC Agreement or any other contracts and agreements included in the Collateral by reason of this Agreement, nor shall Secured Party be obligated to perform any of the obligations or duties of any Grantor thereunder or to take any action to collect or enforce any claim for payment assigned hereunder.

**4.2. No Obligations of Secured Party.** Notwithstanding anything herein to the contrary, this Agreement shall not in any way be deemed to obligate Secured Party or any purchaser at a foreclosure sale under this Agreement to assume any of any Grantor's obligations, duties, expenses or liabilities under any LLC Agreement or Partnership Agreement (including any Grantor's obligations as a general partner for the debts and obligations of a Partnership) and to manage the business and affairs of any Partnership or any of such Grantor's obligations for the debts and obligations of, an LLC, or, under any and all other agreements now existing or hereafter drafted or executed (collectively, the "**Grantor Obligations**") unless Secured Party or any such purchaser otherwise expressly agrees in writing to assume any or all of said Grantor Obligations. In the event of foreclosure by Secured Party, each Grantor shall remain bound and obligated to perform, its Grantor Obligations arising during or otherwise related to its ownership of the Collateral, and Secured Party shall not be deemed to have assumed any of such Grantor Obligations except as provided in the preceding sentence. Without limiting, the generality of the foregoing, neither the grant of the security interest in the Collateral in favor of Secured Party as provided herein nor the exercise by Secured Party of any of its rights hereunder nor any action by Secured Party in connection with a foreclosure on the Collateral shall be deemed to constitute Secured Party a partner of any Partnership or a member of any LLC; provided, in the event Secured Party or any purchaser of Collateral at a foreclosure sale elects to become a substituted general partner of any Partnership or manager of any LLC in place of any Grantor, Secured Party or such purchaser, as the case may, shall adopt in writing the applicable Partnership Agreement

or LLC Agreement, as the case may be, and agree to be bound by the terms and provisions thereof. Notwithstanding any of the foregoing this Section 4.2 in no way limits or alters in any way Secured Party's duties, obligations or liabilities under any existing, or hereafter executed LLC Agreement, Partnership Agreement or other similar agreement to which Secured Party and any Grantor may be party.

and (iii) such Grantor shall not adjust, settle or compromise the amount or payment of any Account, or release wholly or partly any account debtor or obligor thereof, or allow any credit or discount thereon.

## **SECTION 9. SECURED PARTY APPOINTED ATTORNEY-IN-FACT**

Each Grantor hereby irrevocably appoints Secured Party as such Grantor's attorney-in-fact, with full authority in the place and stead of such Grantor and in the name of such Grantor, Secured Party or otherwise, from time to time upon the occurrence and continuance of Acceleration, in Secured Party's discretion to take any action and to execute any instrument that Secured Party may deem reasonably necessary or advisable to accomplish the purposes of this Agreement, including, without limitation, the following:

(a) [intentionally omitted];

(b) upon the occurrence and during the continuation of any Acceleration, to ask for, demand, collect, sue for, recover, compound, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral;

(c) upon the occurrence and during the continuation of any Acceleration, to receive, endorse and collect any drafts or other instruments, documents and chattel paper in connection with clause (b) above;

(d) to file any claims or take any action or institute any proceedings that Secured Party may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce the rights of Secured Party with respect to any of the Collateral;

(e) to pay or discharge taxes or Liens (other than Liens permitted under this Agreement) levied or placed upon or threatened against the Collateral, the legality or validity thereof and the amounts necessary to discharge the same to be determined by Secured Party in its reasonable discretion, any such payments made by Secured Party to become obligations of such Grantor to Secured Party, due and payable immediately without demand;

(f) to sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications and notices in connection with Accounts and other documents relating to the Collateral; and

(g) upon the occurrence and during the continuation of an Acceleration, generally to sell, transfer, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though Secured Party were the absolute owner thereof for all purposes, and to do, at Secured Party's option and such Grantor's expense, at any time or from time to time, all acts and things that Secured Party deems reasonably necessary to protect, preserve or realize upon the Collateral and Secured Party's security interest therein in order to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

## **SECTION 10. REMEDIES**

### **10.1. Generally.**

**(a)** If any Acceleration shall have occurred and be continuing, Secured Party may exercise in respect of the Collateral, in addition to all other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party on default under the Uniform Commercial Code as in effect in any relevant jurisdiction (the "Code") (whether or not the Code applies to the affected Collateral), and also may

**(i)** require any Grantor to, and each Grantor hereby agrees that it will at its expense and upon request of Secured Party forthwith, assemble all or part of the Collateral as directed by Secured Party and make it available to Secured Party at a place to be designated by Secured Party that is reasonably convenient to both parties;

**(ii)** enter onto the property where any Collateral is located and take possession thereof with or without judicial process;

**(iii)** prior to the disposition of the Collateral, store, process, repair or recondition the Collateral or otherwise prepare the Collateral for disposition in any manner to the extent Secured Party deems appropriate;

**(iv)** without notice except as specified below, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of Secured Party's offices or elsewhere, for cash, on credit or for future delivery, at such time or times and at such price or prices and upon such other terms as Secured Party may deem commercially reasonable; and

**(v)** exercise dominion and control over, and refuse to permit further withdrawals (whether of money, securities, instruments or other property) from any deposit account maintained with Secured Party constituting part of the Collateral.

**(b)** Secured Party may be the purchaser of any or all of the Collateral at any sale referred to in clause (a) and Secured Party shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Secured Obligations as a credit on account of the purchase price for any Collateral payable by Secured Party at such sale. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by applicable law) all rights of redemption, stay and/or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten days notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. Secured Party shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. Secured Party may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Grantor hereby waives any claims against Secured Party arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale, even if Secured Party accepts the first offer received and does not offer such Collateral to more than one offeree. If the proceeds of any

sale or other disposition of the Collateral are insufficient to pay all the Secured Obligations, Grantors shall be liable for the deficiency and the fees of any attorneys employed by Secured Party to collect such deficiency. Each Grantor further agrees that a breach of any of the covenants contained in this Section will cause irreparable injury to Secured Party, that Secured Party has no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Section shall be specifically enforceable against each Grantor, and each Grantor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no default has occurred giving rise to the Secured Obligations becoming due and payable prior to their stated maturities. Nothing in this Section shall in any way alter the rights of Secured Party hereunder.

**10.2. Investment Property.** Each Grantor recognizes that, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws, Secured Party may be compelled, with respect to any sale of all or any part of the Investment Property conducted without prior registration or qualification of such Investment Property under the Securities Act and/or such state securities laws, to limit purchasers to those who will agree, among other things, to acquire the Investment Property for their own account, for investment and not with a view to the distribution or resale thereof. Each Grantor acknowledges that any such private sales may be at prices and on terms less favorable than those obtainable through a public sale without such restrictions (including a public offering made pursuant to a registration statement under the Securities Act) and, notwithstanding such circumstances each Grantor agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner and that Secured Party shall have no obligation to engage in public sales and no obligation to delay the sale of any Investment Property for the period of time necessary to permit the issuer thereof to register it for a form of public sale requiring registration under the Securities Act or under applicable state securities laws, even if such issuer would, or should, agree to so register it. If Secured Party determines to exercise its right to sell any or all of the Investment Property, upon written request, each Grantor shall and shall cause each issuer of any Pledged Securities to be sold hereunder to furnish to Secured Party all such information as Secured Party may request in order to determine the number and nature of interest, shares or other instruments included in the Investment Property. Any Investment Property may be sold by Secured Party in exempt transactions under the Securities Act and the rules and regulations of the Securities and Exchange Commission thereunder, as the same are from time to time in effect.

**10.3.** [Intentionally omitted].

**10.4. Intellectual Property.**

(a) Anything contained herein to the contrary notwithstanding, upon the occurrence and during the continuation of an Acceleration,

(i) Secured Party shall have the right (but not the obligation) to bring suit, in the name of any Grantor, Secured Party or otherwise, to enforce any Intellectual Property, in which event such Grantor shall, at the request of Secured Party, do any and all lawful acts and execute any and all documents required by Secured Party in aid of such enforcement and such Grantor shall promptly, upon demand, reimburse and indemnify Secured Party as provided in Section 14 in connection with the exercise of its rights

under this Section, and, to the extent that Secured Party shall elect not to bring suit to enforce any Intellectual Property as provided in this Section, each Grantor agrees to use all reasonable measures, whether by action, suit, proceeding or otherwise, to prevent the infringement of any of the Material Intellectual Property by others and for that purpose agrees to diligently maintain any action, suit or proceeding against any Person so infringing necessary to prevent such infringement;

(ii) upon written demand from Secured Party, each Grantor shall execute and deliver to Secured Party an assignment or assignments of the Intellectual Property and such other documents as are necessary or appropriate to carry out the intent and purposes of this Agreement;

(iii) each Grantor agrees that such an assignment and/or recording shall be applied to reduce the Secured Obligations outstanding only to the extent that Secured Party receives cash proceeds in respect of the sale of, or other realization upon, the Intellectual Property; and

(iv) within five Business Days after written notice from Secured Party, each Grantor shall make available to Secured Party, to the extent within such Grantor's power and authority, such personnel in such Grantor's employ on the date of such Acceleration as Secured Party may reasonably designate, by name, title or job responsibility, to permit such Grantor to continue, directly or indirectly, to produce, advertise and sell the products and services sold or delivered by such Grantor under or in connection with the Trademarks, Trademark Registrations and Trademark Rights, such persons to be available to perform their prior functions on Secured Party's behalf and to be compensated by Secured Party at such Grantor's expense on a per diem, pro-rata basis consistent with the salary and benefit structure applicable to each as of the date of such Acceleration.

(b) If (i) an Acceleration shall have occurred and, by reason of cure, waiver, modification, amendment or otherwise, no longer be continuing, (ii) no other Acceleration shall have occurred and be continuing, (iii) an assignment to Secured Party of any rights, title and interests in and to the Intellectual Property shall have been previously made and shall have become absolute and effective, and (iv) the Secured Obligations shall not have become immediately due and payable, upon the written request of any Grantor, Secured Party shall promptly execute and deliver to such Grantor such assignments as may be necessary to reassign to such Grantor any such rights, title and interests as may have been assigned to Secured Party as aforesaid, subject to any disposition thereof that may have been made by Secured Party; provided, after giving effect to such reassignment, Secured Party's security interest granted pursuant hereto, as well as all other rights and remedies of Secured Party granted hereunder, shall continue to be in full force and effect; and provided further, the rights, title and interests so reassigned shall be free and clear of all Liens other than Liens (if any) encumbering such rights, title and interest at the time of their assignment to Secured Party and Permitted Encumbrances.

**10.5. Accounts.** In addition to the rights of the Secured Party specified in Section 10 with respect to payments of Accounts, if an Acceleration shall occur and be continuing, upon request of the Secured Party, all proceeds received by any Grantor consisting of cash, checks and other

near-cash items shall be held by such Grantor in trust for the Secured Party and the Secured Party, segregated from other funds of such Grantor, and shall, forthwith upon receipt by such Grantor, be turned over to the Secured Party in the exact form received by such Grantor (duly endorsed by such Grantor to the Secured Party, if required). All proceeds while held by the Secured Party (or by the Grantor in trust for the Secured Party) shall continue to be held as collateral security for all the Obligations until applied as provided in Section 10.6.

**10.6. Proceeds.** Except as expressly provided elsewhere in this Agreement or in the Bain/ACR Intercreditor Agreement, all proceeds received by Secured Party in respect of any sale of, collection from, or other realization upon all or any part of the Collateral shall be applied as follows:

(a) First, to the payment of the reasonable costs and reasonable expenses of such sales and collections, the reasonable expenses of Secured Party and the reasonable fees and expenses of Secured Party's counsel;

(b) Second, any surplus then remaining to the payment of the remaining Secured Obligations in such order and manner as the Secured Party may in its reasonable discretion determine; and

(c) Third, any surplus then remaining shall be paid to the Grantor subject, however, to the rights of the holder of any then existing lien.

## **SECTION 11. CONTINUING SECURITY INTEREST**

This Agreement shall create a continuing security interest in the Collateral and shall (a) remain in full force and effect until the payment in full of all Secured Obligations (other than inchoate indemnification obligations with respect to claims, losses or liabilities which have not yet arisen and are not yet due and payable), and the cancellation or termination of the Note, (b) be binding upon each Grantor, its successors and assigns, and (c) inure, together with the rights and remedies of Secured Party hereunder, to the benefit of Secured Party and its successors, transferees and assigns. Without limiting the generality of the foregoing clause (c) Secured Party may assign or otherwise transfer the Note held by it to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to herein or otherwise. Upon the payment in full of all Secured Obligations (other than inchoate indemnification obligations with respect to claims, losses or liabilities which have not yet arisen and are not yet due and payable), the cancellation or termination of the Note, the security interest granted hereby shall terminate and all rights to the Pledged Collateral shall revert to the applicable Grantor. Upon any such termination Secured Party will, at the applicable Grantor's expense, execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence such termination and such Grantor shall be entitled to the return, upon its request and at its expense, against receipt and without recourse to Secured Party, of such of the Pledged Collateral as shall not have been sold or otherwise applied pursuant to the terms hereof.

## **SECTION 12. STANDARD OF CARE**

The powers conferred on Secured Party hereunder are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the

exercise of reasonable care in the custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, Secured Party shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral. Secured Party shall be deemed to have exercised reasonable care in the custody and preservation of Collateral in its possession if such Collateral is accorded treatment substantially equal to that which Secured Party accords its own property.

### **SECTION 13. SECURED PARTY MAY PERFORM**

If any Grantor fails to perform any agreement contained herein, Secured Party may itself perform, or cause performance of, such agreement, and the expenses of Secured Party incurred in connection therewith shall be payable by each Grantor under Section 14.

### **SECTION 14. INDEMNITY AND EXPENSES**

(a) Each Grantor agrees:

(i) to indemnify Secured Party from and against any and all claims, losses and liabilities in any way relating to, growing out of or resulting from this Agreement and the transactions contemplated hereby (including without limitation enforcement of this Agreement), except to the extent such claims, losses or liabilities result from Secured Party's gross negligence, bad faith, or willful misconduct; and

(ii) to pay to Secured Party promptly following written demand the amount of any and all reasonable costs and reasonable expenses, including the reasonable fees and expenses of its counsel and of any experts and agents in accordance with the terms and conditions of any of the Note Documents.

(b) The obligations of each Grantor in this Section 14 shall survive the termination of this Agreement and the discharge of such Grantor's other obligations under this Agreement and any of the other Note Documents.

### **SECTION 15. [INTENTIONALLY OMITTED].**

### **SECTION 16. AMENDMENTS; ETC.**

No amendment, modification, termination or waiver of any provision of this Agreement, and no consent to any departure by any Grantor therefrom, shall in any event be effective unless the same shall be in writing and signed by Secured Party and, in the case of any such amendment or modification, by such Grantor. Any such waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given.

### **SECTION 17. NOTICES**

Any notice or other communication herein required or permitted to be given shall be in writing and may be personally served, telexed or sent by telefacsimile or United States mail or courier service and shall be deemed to have been given when delivered in person or by courier service, upon receipt of telefacsimile or telex (with received answerback), or three Business

Days after depositing it in the United States mail with postage prepaid and properly addressed; provided that notices to Secured Party and any Grantor shall not be effective until received. For the purposes hereof, the address of each party hereto shall be as provided in Schedule 17(a) hereto.

## **SECTION 18. SEVERABILITY**

In case any provision in or obligation under this Agreement shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

## **SECTION 19. HEADINGS**

Section and subsection headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose or be given any substantive effect.

## **SECTION 20. GOVERNING LAW; TERMS**

**THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK (INCLUDING WITHOUT LIMITATION SECTION 5-1401 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK), WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES, EXCEPT TO THE EXTENT THAT THE CODE PROVIDES THAT THE PERFECTION OF THE SECURITY INTEREST HEREUNDER, OR REMEDIES HEREUNDER, IN RESPECT OF ANY PARTICULAR COLLATERAL ARE GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN THE STATE OF NEW YORK.** Unless otherwise defined herein or in any of the other Note Documents, terms used in Articles 8 and 9 of the Uniform Commercial Code in the State of New York are used herein as therein defined.

## **SECTION 21. COUNTERPARTS**

This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall, be deemed an original, but all such counterparts together shall constitute but one and the same instrument; signature pages may be detached from multiple separate counterparts and attached to a single counterpart so that all signature pages are physically attached to the same document.

## **SECTION 22. LIMITATION ON LIABILITY**

The Secured Obligations shall be nonrecourse to General Partner, except to the extent of its partnership interests in Company and Holdings. Any liability of General Partner in respect of the Secured Obligations shall be specifically limited to the interests of General Partner and in its partnership interests in Company and Holdings, and no other assets of General Partner shall be subject to any claims as a result hereof. Except as set forth herein or in any other Note

Document, Secured Party acknowledges and agrees that no director, officer, employee, incorporator, stockholder or partner of any Grantor, as such, shall have any liability for any Secured Obligations or for any claim based on, in respect of, or by reason of, such Secured Obligations or their creation.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, each Grantor and Secured Party have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the date first written above.
