ASSIGNMENT OF TRADEMARK RIGHTS

THIS ASSIGNMENT OF TRADEMARK RIGHTS ("*Assignment*"), is effective as of the 24th day of April 2002 ("*Effective Date*"), by and between SIND, LLC, a company organized under the laws of Delaware ("*Assignor*") and SI Corporation, a Delaware corporation ("*Assignee*").

WHEREAS, Assignor is the exclusive owner of all right, title and interest in and to certain trademark rights, subject to certain security interest(s) granted to secured parties in such trademark rights;

WHEREAS, Assignor agrees to assign to Assignee the entirety of Assignor's right, title and interest in and to such trademark rights; and

WHEREAS, Assignee agrees to accept the entirety of Assignor's right, title and interest in and to such trademark rights;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, Assignor does hereby assign, transfer and convey to Assignee and its successors, assigns and nominees forever, without any restrictions, reservations or limitations, any and all of Assignor's entire worldwide right, title and interest in and to all trademark rights of any kind or nature owned, held or used in connection with Assignor's business as of the date hereof, including without limitation:

1. All of its trademarks, trade names, service marks, service names, brand names, domain names, logos and other source indicators in the United States and all foreign countries, including without limitation the registrations and applications for the foregoing listed on Schedule A annexed hereto, together with the goodwill of Assignor's business appertaining thereto and/or symbolized thereby;
2. All rights, priorities and privileges of Assignor provided under the laws of the United States and all applicable nations, including without limitation the nations listed on Schedule A, or any multinational law, compact, treaty, protocol, convention or organization, with respect to the foregoing rights;
3. All rights to sue at law or in equity for any infringement, impairment or other unauthorized use or conduct in derogation of the foregoing rights occurring prior to the Effective Date, including the right to receive all proceeds and damages therefrom; and
4. Any and all rights to obtain renewals, reissues, re-examinations, divisions, extensions or other legal protections pertaining to the foregoing rights (the rights in sections 1-4, collectively "*Assigned Rights*").

Assignee, its successors and assigns, shall hold the rights to the Assigned Rights for and during the existence of the term and life of such Assigned Rights, as fully and as entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made.

Assignee does hereby assume and accept any obligations of Assignor with respect to any security interest(s) granted to secured parties in such Assigned Rights.

This Assignment is effective as of the Effective Date. Assignor shall, without further consideration, comply with a reasonable request by Assignee, at Assignee's expense, to execute promptly any additional documents provided by Assignee and to take promptly any further action necessary to protect, secure and vest good, valid and marketable title to the Assigned Rights in Assignee in all relevant nations, including without limitation the nations listed on Schedule A.

The parties agree that the assignment of each item on Schedule A shall be construed as separable and divisible from the assignment of every other item. The unenforceability or invalidity of this Assignment with respect to any one item shall not limit its enforceability or validity, in whole or in part, with respect to any other item.

This Assignment may be signed in one or more counterparts, each of which shall be an original and all of which shall be considered one and the same agreement, and shall become effective when one or more such counterparts have been signed by each party and received by the other party.

This Assignment shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

IN WITNESS WHEREOF, the undersigned have caused this Assignment to be duly executed and delivered as of the date first above written.
