AGREEMENT (this "Agreement") made this 2nd day of April, 2002 by and between U.S. **FOREST INDUSTRIES, INC.**, a Delaware corporation, ("**Debtor**"), with its chief executive offices at 1090 SE M Street, Grants Pass, Oregon 97528-0218 and **GMAC COMMERCIAL CREDIT LLC**, a New York limited liability company ("**Secured Party**"), having an office at 1290 Avenue of the Americas, New York, New York 10104.

## WITNESSETH:

**WHEREAS**, Debtor has adopted, used and is using, and are the owners of the entire right, title, and interest in and to the trademarks, trade names, terms, designs and applications therefor described in Schedule A annexed hereto and made a part hereof; and

**WHEREAS**, Secured Party and Debtor are contemporaneously herewith entering into financing arrangements pursuant to which Secured Party may make loans and advances and provide other financial accommodations to Debtor as set forth in the Restructured Revolving Credit, Term Loan and Security Agreement, dated of even date herewith, by and between Secured Party and Debtor (the "Credit Agreement"), together with various other agreements, documents and instruments referred to therein or at any time executed and/or delivered in connection therewith or related thereto, including, but not limited to, this Agreement (all of the foregoing, as the same now exist or may hereafter be amended, modified, supplemented, extended, renewed, restated or replaced, being collectively referred to herein as the "Financing Agreements"); and

**WHEREAS**, in order to induce Secured Party to enter into the Financing Agreements and make loans and advances and provide other financial accommodations to Debtor pursuant thereto, Debtor has agreed to grant to Secured Party certain collateral security as set forth herein;

**NOW, THEREFORE**, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Debtor hereby agrees as follows:

### 1. GRANT OF SECURITY INTEREST

As collateral security for the prompt performance, observance and indefeasible payment in full of all of the Obligations (as hereinafter defined), Debtor hereby grants to Secured Party a continuing security interest in and a general lien upon, and hereby conditionally assign and transfer to Secured Party: (a) all of Debtor's now existing or hereafter acquired right, title, and interest in and to: all of Debtor's trademarks, trade names, tradestyles and service marks; all prints and labels on which said trademarks, trade names, tradestyles and service marks appear, have appeared or will appear, and all designs and general intangibles of a like nature; all applications, registrations and recordings relating to the foregoing in the United States Patent and Trademark Office or in any

similar office or agency of the United States, any State thereof, any political subdivision thereof or in any other countries, and all reissues, extensions and renewals thereof including those trademarks, terms, designs and applications described in Schedule A hereto (the "Trademarks"); (b) the goodwill of the business symbolized by each of the Trademarks, including, without limitation, all customer lists and other records relating to the distribution of products or services bearing the Trademarks; and (c) any and all proceeds of any of the foregoing, including, without limitation, any claims by Debtor against third parties for infringement of the Trademarks or any licenses with respect thereto (all of the foregoing are collectively referred to herein as the "Collateral").

## 2. OBLIGATIONS SECURED

The security interest, lien and other interests granted to Secured Party pursuant to this Agreement shall secure the prompt performance, observance and payment in full of all amounts of any nature whatsoever, direct or indirect, absolute or contingent, due or to become due, arising or incurred heretofore on hereafter, arising under this or any other Financing Agreement or by operation of law, now or hereafter owing by Debtor to Secured Party or to any parent, subsidiary or affiliate of Secured Party, and whether arising after the commencement of any case with respect to Debtor under Title 11 of the United States Code or any similar statute. Said amounts include, but are not limited to loans, debts and liabilities heretofore or hereafter acquired by purchase or assignment from other present or future clients of Secured Party, or through participation. Without limiting the foregoing, such amounts shall include all advances, loans, interest, commissions, customer late payment charges, cost, fees, expenses, taxes and all receivables charged or chargeable to Debtor's account under the Credit Agreement, whether arising under this agreement, the other Financing Agreements or by operation of law and whether incurred by Debtor as principal, surety, endorser, guarantor or otherwise (all hereinafter referred to as "**Obligations**").

## 3. REPRESENTATIONS, WARRANTIES AND COVENANTS

Debtor hereby represents, warrants and covenants to Secured Party the following (which shall survive the execution and delivery of this Agreement), the truth and accuracy of which, or compliance with, being a continuing condition of the making of loans by Secured Party to Debtor under the Financing Agreements:

(a) Debtor will pay and perform all of the Obligations according to their terms.

(b) All of the existing Collateral is valid and subsisting in full force and effect, and Debtor owns the sole, full, and clear title thereto, and the right and power to grant the security interests granted hereunder. Debtor will, at Debtor's expense, perform all acts and execute all documents necessary to maintain the existence of the Collateral as valid, subsisting and registered trademarks, including, without limitation, the filing of any renewal affidavits and applications. The Collateral is not subject to any liens, claims, mortgages, assignments, licenses, security interests, or encumbrances of any nature whatsoever, except the security interests granted hereunder and the licenses permitted under Section 3(e) below.

(c) Debtor will not assign, sell, mortgage, lease, transfer, pledge, hypothecate, grant a security interest in or lien upon, encumber, grant an exclusive or non-exclusive license relating thereto, except as permitted herein, or otherwise dispose of any of the Collateral without the prior written consent of Secured Party. Nothing in this Agreement shall be deemed a consent by Secured Party to any such action, except as such action is expressly permitted hereunder.

(d) Debtor will, at Debtor's expense, perform all acts and execute all documents requested at any time by Secured Party to evidence, perfect, maintain, record, or enforce the security interest in the Collateral granted hereunder or to otherwise further the provisions of this Agreement. Debtor hereby authorizes Secured Party to execute and file one or more financing statements (or similar documents) with respect to the Collateral, signed only by Secured Party or as otherwise determined by Secured Party. Debtor further authorizes Secured Party to have this or any other similar security agreement filed with the Commissioner of Patents and Trademarks or other appropriate federal, state or government office.

(e) As of the date hereof, Debtor does not have any Trademarks registered, or subject to pending applications, in the United States Patent and Trademark Office or any similar office or agency in the United States other than those described in Schedule A annexed hereto and have not granted any licenses with respect thereto other than as set forth in Schedule B hereto.

(f) Debtor will, concurrently with the execution and delivery of this Agreement, execute and deliver to Secured Party five (5) originals of a Power of Attorney in the form of Exhibit 1 annexed hereto for the implementation of the assignment, sale or other disposition of the Collateral pursuant to Secured Party's exercise of the rights and remedies granted to Secured Party hereunder.

(g) Secured Party may, in its discretion, pay any amount or do any act which Debtor fails to pay or do as required hereunder or as requested by Secured Party to preserve, defend, protect, maintain, record, amend or enforce the Obligations, the Collateral, or the security interest granted hereunder including but not limited to all filing or recording fees, court costs, collection charges and reasonable attorneys' fees. Debtor will be liable to Secured Party for any such payment, which payment shall be deemed an advance by Secured Party to Debtor, shall be payable on demand together with interest at the then applicable rate set forth in the Financing Agreements and shall be part of the Obligations secured hereby.

(h) Debtor shall not file any application for the registration of a Trademark with the United States Patent and Trademark Office or any similar office or agency in the United States, any state therein, or any other country, unless Debtor has by thirty (30) days prior written notice informed Secured Party of such action. Upon request of Secured Party, Debtor shall execute and deliver to Secured Party any and all assignments, agreements, instruments, documents and such other papers as may be requested by Secured Party to evidence the security interests of Secured Party in such Trademark.

(i) Debtor has not abandoned any of the Trademarks and Debtor will not do any act, nor omit to do any act, whereby the Trademarks may become abandoned, invalidated, unenforceable, avoided or avoidable. Debtor shall notify Secured Party immediately if they know or have reason to know of any reason why any application, registration, or recording may become abandoned, canceled, invalidated, avoided, or avoidable.

(j) Debtor will render any assistance necessary to Secured Party in any proceeding before the United States Patent and Trademark Office, any federal or state court, or any similar office or agency in the United States or any state therein or any other country to maintain such application and registration of the Trademarks as Debtor's exclusive property and to protect Secured Party's interest therein, including, without limitation, filing of renewals, affidavits of use, affidavits of incontestability and opposition, interference, and cancellation proceedings.

(k) Debtor will promptly notify Secured Party if Debtor (or any affiliate or subsidiary thereof) learns of any use by any person of any term or design likely to cause confusion with any Trademark. If requested by Secured Party, Debtor, at Debtor's expense, shall join with Secured Party in such action as Secured Party, in its discretion, may deem advisable for the protection of Secured Party's interest in and to the Trademarks.

(l) Debtor assumes all responsibility and liability arising from the use of the Trademarks and Debtor hereby indemnifies and holds Secured Party harmless from and against any claim, suit, loss, damage, or expense (including attorneys' fees) arising out of any alleged defect in any product manufactured, promoted, or sold by Debtor (or any affiliate or subsidiary thereof) in connection with any Trademark or out of the manufacture, promotion, labeling, sale or advertisement of any such product by Debtor (or any affiliate or subsidiary thereof).

(m) Debtor will promptly pay Secured Party for any and all expenditures made by Secured Party pursuant to the provisions of this Agreement or for the defense, protection, or enforcement of the Obligations, the Collateral, or the security interests granted hereunder, including, but not limited to, all filing or recording fees, court costs, collection charges, travel expenses, and attorneys' fees and legal expenses. Such expenditures shall be payable on demand, together with interest at the then applicable rate set forth in the Financing Agreements and shall be part of the Obligations secured hereby.

#### **4. EVENTS OF DEFAULT**

All Obligations shall become immediately due and payable, without notice or demand, at the option of Secured Party, upon the occurrence of any one or more default or events of default under the Financing Agreements (each an "Event of Default" hereunder).

## 5. RIGHTS AND REMEDIES

Upon the occurrence of any such Event of Default and at any time thereafter, in addition to all other rights and remedies of Secured Party, whether provided under law, the Financing Agreements or otherwise, Secured Party shall have the following rights and remedies which may be exercised without notice to, or consent by, Debtor except as such notice or consent is expressly provided for hereunder.

(a) Secured Party may require that neither Debtor nor any affiliate or subsidiary of Debtor makes any use of the Trademarks or any marks similar thereto for any purpose whatsoever. Secured Party may make use of any Trademarks for the sale of goods, completion of work in process or rendering of services in connection with enforcing any other security interest granted to Secured Party by Debtor or any subsidiary of Debtor.

(b) Secured Party may grant such license or licenses relating to the Collateral for such term or terms, on such conditions, and in such manner, as Secured Party shall in its discretion deem appropriate. Such license or licenses may be general, special, or otherwise, and may be granted on an exclusive or non-exclusive basis throughout all or any part of the United States of America, its territories and possessions, and all foreign countries.

(c) Secured Party may assign, sell or otherwise dispose of the Collateral or any part thereof, either with or without special conditions or stipulations except that if notice to Debtor of intended disposition of Collateral is required by law, the giving of five (5) days notice in the manner set forth in subparagraph 6(b) hereof shall be deemed reasonable notice thereof and Debtor waives any other notice with respect thereto. Secured Party shall have the power to buy the Collateral or any part thereof, and Secured Party shall also have the power to execute assurances and perform all other acts which Secured Party may, in its discretion, deem appropriate or proper to complete such assignment, sale, or disposition.

(d) In addition to the foregoing, in order to implement the assignment, sale, or other disposition of any of the Collateral pursuant to Subparagraph 5(c) hereof, Secured Party may at any time execute and deliver on behalf of Debtor, pursuant to the authority granted in the Power of Attorney described in subparagraph 3(f) hereof, one or more instruments of assignment of the Trademarks (or any application, registration, or recording relating thereto), in form suitable for filing, recording, or registration. Debtor agrees to pay Secured Party on demand all costs incurred in any such transfer of the Collateral, including, but not limited to, any taxes, fees, legal expenses and reasonable attorneys' fees and legal expenses.

(e) Secured Party may first apply the proceeds actually received from any such license, assignment, sale, or other disposition of Collateral to the costs and expenses thereof, including, without limitation, attorneys' fees and all legal, travel and other expenses which may be incurred by Secured Party. Thereafter, Secured Party may apply any remaining proceeds to such of the Obligations as Secured Party may in its discretion determine. Debtor shall remain liable to

Secured Party for any expenses or obligations remaining unpaid after the application of such proceeds, and Debtor will pay Secured Party on demand any such unpaid amount, together with interest at a rate equal to the highest rate then payable on the Obligations.

(f) Debtor shall supply to Secured Party or its designee, Debtor's knowledge and expertise relating to the manufacture and sale of the products and services bearing the Trademarks and Debtor's customer lists and other records relating to the Trademarks and the distribution thereof.

(g) Nothing contained herein shall be construed as requiring Secured Party to take any such action at any time. All of Secured Party's rights and remedies, whether provided under law, the Financing Agreements, this agreement, or otherwise, shall be cumulative and none is exclusive. Such rights and remedies may be enforced alternatively, successively, or concurrently.

## 6. MISCELLANEOUS

(a) Any failure or delay by Secured Party to require strict performance by Debtor of any of the provisions, warranties, terms, and conditions contained herein or in any other agreement, document, or instrument, shall not affect Secured Party or Secured Party's right to demand strict compliance and performance therewith, and any waiver of any default shall not waive or affect any other default, whether prior or subsequent thereto, and whether of the same or of a different type. None of the warranties, conditions, provisions, and terms contained herein or in any other agreement, document, or instrument shall be deemed to have been waived by any act or knowledge of Secured Party, its agents, officers, or employees, but only by an instrument in writing, signed by an officer of Secured Party and directed to Debtor, specifying such waiver.

(b) All notices, requests and demands to or upon the respective parties hereto shall be deemed to have been given or made: if by hand, telex, telegram or facsimile immediately upon sending; if by Federal Express, Express Mail or any other overnight delivery service, one (1) day after dispatch; and if mailed by certified mail, return receipt requested, five (5) days after mailing.
