SECURITY AGREEMENT

This Security Agreement is entered into as of March 12, 2002 by and among Advanced Technology Ventures IV, L.P., Axiom Venture Partners II, L.P., The Charles R. Briggs Trust and any Additional Investors (each individually a "Lender" and collectively the "Lenders") and Purilens, Inc., a Delaware corporation (the "Company").

RECITALS

The Lenders have agreed to make certain advances of money and to extend certain financial accommodations to the Company in the amounts and manner set forth in that certain Secured Convertible Promissory Note Purchase Agreement by and among the Lenders and the Company dated of even date herewith (as the same may be amended, modified or supplemented from time to time, the "Purchase Agreement", and together with the Notes issued thereunder, the "Loan Agreements"). The Lenders are willing to make the loans to the Company as set forth in the Loan Agreements, but only upon the condition, among others, that the Company grant to the Lenders a security interest in certain assets of the Company. Capitalized terms not otherwise defined herein shall have the meaning ascribed to such terms in the Purchase Agreement.

NOW, THEREFORE, the parties hereby represent, warrant, covenant and agree as follows:

AGREEMENT

1. Grant of Security Interest in Collateral. The Company grants to the Lenders a continuing security interest in, and pledges to the Lenders, all presently existing and hereafter acquired or arising property described on Exhibit A attached hereto (the "Collateral") in order to secure prompt repayment of any and all debt, principal and interest owed to the Lenders pursuant to the Loan Agreements whether absolute or contingent, due or to become due, now existing or hereafter arising and in order to secure prompt performance by the Company of each of its covenants and duties under the Loan Agreements. Such security interest constitutes a valid security interest in the presently existing Collateral, and will constitute a valid security interest in Collateral acquired after the date hereof.

2. Grant of Security Interest in Intellectual Property. To secure its obligations under the Loan Agreements, the Company grants to the Lenders a security interest in, and pledges to the Lenders, all of the Company's right, title and interest in, to and under its intellectual property collateral (including without limitation those Copyrights, Patents and Trademarks listed on Exhibits B, C and D hereto), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions continuations, renewals, extensions and continuations-in-part

thereof. The rights and remedies of the Lenders with respect to the security interest granted hereby are in addition to those set forth in the Loan Agreements, and those which are now or hereafter available to the Lenders as a matter of law or equity. Each right, power and remedy of the Lenders provided for herein or in the Loan Agreements, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by the Lenders of any one or more of the rights, powers or remedies provided for in this Security Agreement, or any of the other Loan Agreements, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including the Lenders, of any or all other rights, powers or remedies.

3. Representations and Warranties. The Company represents and warrants that Exhibits B, C, and D attached hereto set forth any and all patents, trademarks, and copyrights in which the Company has registered or filed an application with either the United States Patent and Trademark Office or the United States Copyright Office, as applicable.

4. Delivery of Additional Documentation Required. The Company shall from time to time execute and deliver to the Lenders, at the request of the Lenders, all financing statements and other documents that the Lenders may reasonably request, in form satisfactory to the Lenders, to perfect and continue perfected the Lenders' security interests in the Collateral and in order to fully consummate all of the transactions contemplated under the Loan Agreements.

5. No Waiver. No failure to exercise, nor any delay in exercising, on the part of any Lender, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by a Lender of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which any such Lender would otherwise have on any future occasion.

6. Waivers and Amendments; Successors and Assigns. This Agreement may be amended, and any provision thereof waived, as set forth in the Purchase Agreement. This Security Agreement shall be binding upon the successors and assigns of the Company and shall inure to the benefit of the Lenders and their successors and assigns. Additional Investors shall become party to this Agreement from time to time after the date hereof by virtue of their execution of a counterpart signature page hereto. Upon such execution such person shall be deemed a Lender hereunder and thereupon this Agreement shall be automatically amended without further action on the part of any of the parties hereto to reflect that such party is to be considered a Lender hereunder.

7. Governing Law. It is the intention of the parties that the internal laws, and not the laws of conflicts, of the State of Florida should govern the enforceability and

validity of this Agreement, the construction of its terms and the interpretation of the rights and duties of the parties pursuant to the relationships among them contemplated herein, whether or not such rights and duties arise directly under this Agreement.

This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute the same instrument.
