WORLDWIDE TRADEMARK ASSIGNMENT

WHEREAS, **BILL BLASS, LTD.**, a New York corporation, 550 Seventh Avenue, New York, NY 10018 ("Assignor"), has adopted, used and is using the trademarks and service marks, and is the owner of the registrations and applications thereof, set forth in Schedule A, as well as other unregistered trademarks and trade names (collectively, the "Trademarks"); and

WHEREAS, **BILL BLASS INTERNATIONAL LLC**, a Delaware limited liability company having its principal office and place of business at 550 Seventh Avenue, New York, New York 10018 ("Assignee"), is desirous of acquiring all of Assignor's common law and statutory rights, title and interest in and to all of the Trademarks, including the registrations and applications thereof (but not including those that are the subject of currently pending United States intent-to-use applications, for which an Amendment to Allege Use or a Statement of Use under Sections 1(c) and 1(d) of the Lanham Act have not been filed), together with the goodwill of the businesses symbolized by the Trademarks being assigned, in all countries of the world including the United States of America and its territories and possessions;

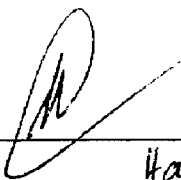

NOW THEREFORE, for \$100 and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby sells, assigns, and transfers to Assignee, its successors and assigns, absolutely and forever, all of Assignor's rights, title and interest in and to all of the Trademarks, including the registrations and applications thereof (but not including those that are the subject of currently pending United States intent-to-use applications for which an Amendment to Allege Use or a Statement of Use under Sections 1(c) and 1(d) of the Lanham Act have not been filed), together with the goodwill of the businesses symbolized by the Trademarks being assigned, in all countries of the world including the United States, its territories and possessions, and all causes of action for any and all past infringements of the rights being assigned and the right to collect and retain the proceeds therefrom. The United States Assistant Commissioner for Trademarks is hereby requested to issue in the name of Assignee all registrations maturing from pending applications filed by Assignor.

If a court of competent jurisdiction determines that the assignment of rights in the Trademarks is for any reason ineffective to convey such rights in the Trademarks to Assignee, then Assignor hereby grants Assignee and its successors and assigns a valid lien and first priority security interest in the Trademarks and the proceeds derived therefrom.

This Assignment is effective as of the date hereof. Assignor agrees, upon Assignee's written request, to sign any additional assignments and other appropriate documentation and to take all additional actions consistent with the terms hereof which are necessary to effectuate and validate this Assignment and to assist Assignee in the recordation thereof in any jurisdiction throughout the world as soon as is practicable after the date of this Assignment.
