INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (as may be amended, supplemented and otherwise modified from time to time, "IP Security Agreement") is made and effective as of June 28, 2002, by **GLENRIDGE PUBLISHING, LLC** (including any successor or permitted assignee thereof, "Grantor"), in favor of **MCG CAPITAL CORPORATION** (including any successor, participant, assignee or transferee thereof, "Administrative Agent"), as administrative agent for itself and the Lenders (as defined in the Credit Agreement referred to below).

RECITALS

WHEREAS, Grantor and certain affiliated entities (each, a "Borrower"; collectively, the "Borrowers") desire and have applied to Administrative Agent and the Lenders for a credit facility consisting of a \$5,500,000 senior secured term loan, a \$1,200,000 line of credit and a \$5,500,000 senior subordinated secured term loan; and

WHEREAS, pursuant to that certain Credit Facility Agreement by and among Borrowers, Lenders and Administrative Agent dated as of June 28, 2002 (as may be amended from time to time, "Credit Agreement"), a condition precedent to the obligation of the Administrative Agent or any Lender to execute and perform under the Credit Agreement is that Borrowers shall have executed and delivered that certain Master Security Agreement, Collateral Assignment and Equity Pledge executed by Borrowers in favor of Administrative Agent for the benefit of Administrative Agent and the Lenders dated as of June 28, 2002 (as may be amended from time to time, "Security Agreement") encumbering all of Borrowers' tangible and intangible personal property assets in favor of Administrative Agent for the benefit of Administrative Agent and the Lenders; and

WHEREAS, under the terms of the Security Agreement, Grantor has agreed to assign certain intellectual property to Administrative Agent for purposes of securing the obligations to Administrative Agent and the Lenders under the Credit Agreement and related Loan Documents; and

WHEREAS, Grantor has determined that it is in its best interest to execute this IP Security Agreement inasmuch as Grantor will derive substantial direct and indirect benefits from the funding of the Advances by Administrative Agent pursuant to the Credit Agreement;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, Grantor and Administrative Agent hereby agree as follows:

1. **Grant.** Grantor hereby grants to Administrative Agent an absolute, present, unconditional, continuing first priority security interest in and to Grantor's entire right, title and interest in and to the following property and rights (collectively, the "Collateral"):

(a) The U.S., state and foreign copyrights, associated copyright registrations and applications for copyright registration, and copyright licenses set forth on Schedule A attached hereto (collectively, the "Copyrights"); and

(b) The U.S., state and foreign patents and patent applications, and patent licenses set forth on Schedule B attached hereto, including, without limitation, improvements, divisions, continuations, renewals, reissues, extensions and continuations-in-part of the same (collectively, the "Patents"); and

(c) The U.S., state and foreign trademark and service mark registrations, trademark and service mark applications (except for "intent to use" applications for trademark or service mark registrations filed pursuant to Section 1(b) of the Lanham Act, unless and until an Amendment to Allege Use or a Statement of Use under Section 1(c) and 1(d) of said Act has been filed), and trademark and service mark licenses set forth on Schedule C attached hereto (including all associated goodwill, collectively, the "Trademarks"); and

(d) Any and all claims and causes of action for past, present or future infringement of any of the Collateral, with the right, but not the obligation, to sue for and collect damages for infringement of the Collateral; and

(e) Any and all licenses or rights granted under any of the Collateral, and all license fees and royalties arising from such licenses or rights, to the extent permitted by such licenses or rights; and

(f) Any and all amendments, renewals, extensions, reissues and replacements of any of the Collateral; and

(g) Any and all products and proceeds of any of the foregoing.

2. Requested Recordation. Grantor authorizes and requests that the Register of Copyrights and the Commissioner of Patents and Trademarks (and any state, foreign or other authorities to which this IP Security Agreement is submitted) to file and record this IP Security Agreement (and any corresponding or separate application forms of such jurisdiction) in order to publicly reflect Administrative Agent's interest in the Collateral.

3. Assignment. Upon the occurrence and during the continuance of an Event of Default (as defined in the Security Agreement), Grantor shall execute and deliver to Administrative Agent an absolute assignment transferring its entire right, title, and interest in and to the Collateral to Administrative Agent.

4. Power of Attorney. Grantor hereby irrevocably grants Administrative Agent a power of attorney, to act as Grantor's attorney-in-fact, with full authority in the name, place and stead of Grantor, from time to time in Administrative Agent's discretion regardless of whether a Default or Event of Default is occurring:

(a) To modify or amend (in Administrative Agent's sole discretion and without first obtaining Grantor's approval of or signature thereto) Schedule A, Schedule B,

and/or Schedule C hereof, as appropriate, to include references to any registered intellectual property (or application or license therefor) acquired by Grantor after the execution hereof or to delete any reference to any Collateral in which Grantor no longer has or claims any right, title or interest; and

(b) To execute, file and pursue (in Administrative Agent's sole discretion and without first obtaining Grantor's approval of or signature thereto, unless otherwise prohibited by applicable law) any application, form or other document in order to perfect, maintain, continue or otherwise protect Administrative Agent's interest or Grantor's rights in the Collateral, including, without limitation, executing and filing (i) any financing statement, any continuation statement or any amendment thereto, and (ii) any document in any proceeding before the United States Patent and Trademark Office, the United States Copyright Office or the relevant office of any state or foreign jurisdiction (including, without limitation, the filing of applications for renewal, affidavits of use, affidavits of incontestability and opposition, interference and cancellation proceedings) and to pay any fees and taxes in connection therewith or otherwise; and

(c) To execute any assignment or other document required to acknowledge, register or perfect Administrative Agent's interest in any part of the Collateral without the signature of Grantor unless prohibited by applicable law.

Administrative Agent hereby agrees to endeavor to provide notice to Grantor of the occurrence of any of the foregoing, provided, however, that the failure to give such notice shall not in any way affect the rights of Administrative Agent or the validity of any such action. Grantor also hereby irrevocably grants Administrative Agent a power of attorney, to act as Grantor's attorney-in-fact, with full authority in the name, place and stead of Grantor, from time to time in Administrative Agent's discretion after the occurrence and during the continuance of a Default or an Event of Default, to take any other action and to execute any other instrument which Administrative Agent may deem reasonably necessary or advisable to accomplish the purposes of the Security Agreement or this IP Security Agreement.

The foregoing power of attorney is coupled with an interest and is irrevocable.

5. Release. The security interest granted herein will terminate (and all rights to the Collateral will revert to Grantor) upon the termination of the Credit Agreement (and the Facilities thereunder) in accordance with Section 10.10 thereof. Upon any such termination, Administrative Agent (at Grantor's request) will execute and deliver to Grantor (without any representation, warranty or recourse of any kind whatsoever) such documents as Grantor may reasonably request and provide to Administrative Agent to evidence such termination.

6. Miscellaneous. This IP Security Agreement has been entered into in conjunction with the provisions of and the security interest granted to Administrative Agent under the Security Agreement. The rights and remedies of Grantor and Administrative Agent with respect to the security interest granted herein are in addition and without prejudice to those set forth in the Security Agreement and the Credit Agreement, all terms and provisions of which are hereby incorporated herein by reference. This IP Security Agreement may be executed in any number of counterparts with the same effect as if all the signatures on such counterparts

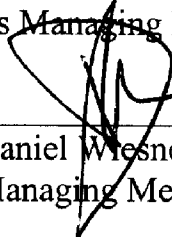

appeared on one document; each such counterpart will be deemed to be an original but all counterparts together will constitute one and the same instrument. In the event that any provisions of this IP Security Agreement are deemed to conflict with the Security Agreement or the Credit Agreement, the provisions of the Security Agreement or Credit Agreement shall govern.

IN WITNESS WHEREOF, the parties hereto have executed this IP Security Agreement, as an instrument under seal (whether or not any such seals are physically attached hereto), through their duly authorized officers, as of the date first written above.
