TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT ("Agreement") is made as of March 31, 1999, by and between Automated Technologies, Inc., a Delaware corporation ("Grantor"), and Baxter Healthcare Corporation, a Delaware corporation ("Baxter").

WITNESSETH:

WHEREAS, Grantor and Baxter are parties to that certain Loan and Security Agreement of even date herewith (as the same may hereafter be modified, amended, restated or supplemented from time to time, the "Credit Agreement"), pursuant to which Baxter may extend credit to Grantor and pursuant to which Grantor has granted a security interest in certain of its assets to Baxter for Baxter's benefit; and

WHEREAS, Baxter has required Grantor to execute and deliver this Agreement (i) in order to secure the prompt and complete payment, observance and performance of all of the "Obligations" (as defined in the Credit Agreement) and (ii) as a condition precedent to any extension of credit under the Credit Agreement;

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor agrees as follows:

1. Defined Terms.

(b) The words "hereof," "herein" and "hereunder" and words of like import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement, and section references are to this Agreement unless otherwise specified.

(c) All terms defined in this Agreement in the singular shall have comparable meanings when used in the plural, and *vice versa*, unless otherwise specified.

4 **Security Interest in Trademarks.** To secure the complete and timely payment, performance and satisfaction of all of the Obligations, Grantor hereby grants to Baxter, a security interest in, with power of sale to the extent permitted by applicable law and the provisions of this Agreement, all of Grantor's Intellectual Property Rights now owned or existing and hereafter acquired or arising consisting of:

(i) trademarks, registered trademarks, trademark applications, service marks, registered service marks and service mark applications, including, without limitation, the trademarks, registered trademarks, trademark applications, service marks, registered service marks and service mark applications listed on Schedule A attached hereto and made a part hereof, and (a) all renewals thereof, (b) all income, royalties, damages and payments now and hereafter due and/or payable under and with respect thereto, including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past or future infringements or dilutions thereof, (c) the right to sue for past, present and future infringements and dilutions thereof, (d) the goodwill of Grantor's business symbolized by the foregoing and connected therewith and (e) all of Grantor's rights corresponding thereto throughout the world (all of the foregoing trademarks, registered trademarks and trademark applications, and service marks, registered service marks and service mark applications, together with the items described in clauses (a)-(e) in this paragraph 4(i), are sometimes hereinafter individually and/or collectively referred to as the "Trademarks"); and

(ii) rights under or interest in any trademark license agreements or service mark license agreements with any other party, whether Grantor is a licensee or licensor under any such license agreement, including, without limitation, those trademark license agreements and service mark license agreements listed on Schedule B attached hereto and made a part hereof, together with any goodwill connected with and symbolized by any such trademark license agreements or service mark license agreements, and the right to prepare for sale and sell any and all inventory now or hereafter owned by Grantor and now or hereafter covered by such licenses (all of the foregoing are hereinafter referred to collectively as the "Licenses"). Notwithstanding the foregoing provisions of this Section 4, the Licenses shall not include any license agreement in effect as of the date hereof which by its terms prohibits the grant of the security contemplated by this Agreement; provided, however, that upon the termination of such prohibitions for any reason whatsoever, the provisions of this Section 4 shall be deemed to apply thereto automatically.

5. **[Reserved]**

6. **New Trademarks and Licenses.** Grantor represents and warrants as of the date hereof that (a) the Trademarks listed on Schedule A include all of the Intellectual Property Rights consisting of trademarks, registered trademarks, trademark applications, service marks, registered service marks and service mark applications, (b) the Licenses listed on Schedule B include all of the Intellectual Property Rights consisting of trademark license agreements and service mark license agreements under which Grantor is the licensee or licensor and (c) no liens, claims or security interests in such Trademarks and Licenses have been granted by Grantor to any

Person other than Baxter, except as permitted under the Credit Agreement. If, prior to the termination of this Agreement, Grantor shall (i) obtain rights to any new trademarks, registered trademarks, trademark applications, service marks, registered service marks or service mark applications, (ii) become entitled to the benefit of any trademarks, registered trademarks, trademark applications, trademark licenses, trademark license renewals, service marks, registered service marks, service mark applications, service mark licenses or service mark license renewals whether as licensee or licensor, or (iii) enter into any new trademark license agreement or service mark license agreement, which in any such case, shall involve or constitute Intellectual Property Rights, the provisions of paragraph 4 above shall automatically apply thereto. Grantor shall use its best efforts to give to Baxter written notice of events described in clauses (i), (ii) and (iii) of the preceding sentence promptly after the occurrence thereof, but in any event not less frequently than on a quarterly basis. Grantor hereby authorizes Baxter to modify this Agreement unilaterally (i) by amending Schedule A to include any future Intellectual Property Rights consisting of trademarks, registered trademarks, trademark applications, service marks, registered service marks and service mark applications and by amending Schedule B to include any future Intellectual Property Rights consisting of trademark license agreements and service mark license agreements, which are Trademarks or Licenses under paragraph 4 above or under this paragraph 6, and (ii) by filing, in addition to and not in substitution for this Agreement, a duplicate original of this Agreement containing on Schedule A or B thereto, as the case may be, such future trademarks, registered trademarks, trademark applications, service marks, registered service marks and service mark applications, and trademark license agreements and service mark license agreements.

7. **Royalties.** Grantor hereby agrees that the use by Baxter of the Trademarks and Licenses as authorized hereunder in connection with Baxter's exercise of its rights and remedies under paragraph 15 or pursuant to the Credit Agreement shall be consistent with Grantor's rights thereunder and with respect thereto and without any liability for royalties or other related charges from Baxter to Grantor.

8. **Further Assignments and Security Interests.** From and after the occurrence of, and during the continuation of, a Default, Grantor agrees that Baxter, or a conservator appointed by Baxter, shall have the right to establish such reasonable additional product quality controls as Baxter or such conservator, in its sole and absolute judgment, may deem necessary to assure maintenance of the quality of products sold by Grantor under the Trademarks and the Licenses or in connection with which such Trademarks and Licenses are used. Grantor agrees (i) not to sell or assign its respective interests in, or grant any license under, the Trademarks or the Licenses without the prior and express written consent of Baxter, (ii) to maintain the quality of such products as of the date hereof, and (iii) not to change the quality of such products in any material respect without Baxter's prior and express written consent, provided, however, that Grantor may grant a license to any of its subcontractors in the ordinary course of business.

9. **Nature and Continuation of Baxter's Security Interest.** Termination of the Security Interest. This Agreement is made for collateral security purposes only. This Agreement shall create a continuing security interest in the Trademarks and Licenses and shall terminate only when the Obligations have been paid in full in cash. When this Agreement has terminated, Baxter shall promptly execute and deliver to Grantor, at Grantor's expense, all termination statements and

other instruments as may be necessary or proper to terminate Baxter's security interest in the Trademarks and the Licenses, subject to any disposition thereof which may have been made by Baxter pursuant to this Agreement or the Credit Agreement

10. Duties of Grantor Grantor shall have the duty, to the extent material to the normal conduct of Grantor's business, to: (i) prosecute diligently any trademark application or service mark application that is part of the Trademarks pending as of the date hereof or hereafter until the termination of this Agreement, and (ii) make application for trademarks or service marks. Grantor further agrees (i) not to abandon any Trademark or License material to Grantor's normal business without the prior written consent of Baxter, and (ii) to use its best efforts to maintain in full force and effect the Trademarks and the Licenses that are or shall be material to the operation of Grantor's business. Any expenses incurred in connection with the foregoing shall be borne by Grantor. Neither Baxter nor any of the Obligations shall have any duty with respect to the Trademarks and Licenses. Without limiting the generality of the foregoing, Baxter shall not be under any obligation to take any steps necessary to preserve rights in the Trademarks or Licenses against any other parties, but Baxter may do so at its option from and after the occurrence of a Default, and all expenses incurred in connection therewith shall be for the sole account of Grantor and shall be added to the Obligations secured hereby.

11. Baxter's Right to Sue From and after the occurrence of an Event of Default, Baxter shall have the right, but shall not be obligated, to bring suit in its own name to enforce the Trademarks and the Licenses and, if Baxter shall commence any such suit, Grantor shall, at the request of Baxter, do any and all lawful acts and execute any and all proper documents required by Baxter in aid of such enforcement. Grantor shall, upon demand, promptly reimburse Baxter for all costs and expenses incurred by Baxter in the exercise of its rights under this paragraph 11 (including, without limitation, reasonable fees and expenses of attorneys and paralegals for Baxter).

12. Waivers Baxter's failure, at any time or times hereafter, to require strict performance by Grantor of any provision of this Agreement shall not waive, affect or diminish any right of Baxter thereafter to demand strict compliance and performance therewith nor shall any course of dealing between Grantor and Baxter have such effect. No single or partial exercise of any right hereunder shall preclude any other or further exercise thereof or the exercise of any other right. None of the undertakings, agreements, warranties, covenants and representations of Grantor contained in this Agreement shall be deemed to have been suspended or waived by Baxter unless such suspension or waiver is in writing, signed by an officer of Baxter and directed to Grantor specifying such suspension or waiver.

13. Severability Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but the provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part hereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

14. **Modification.** This Agreement cannot be altered, amended or modified in any way, except as specifically provided in paragraph 6 hereof or by a writing signed by the parties hereto.

15. **Cumulative Remedies; Power of Attorney.** Grantor, subject to a Permitted Senior Lender's rights, if any, under a Permitted Senior Loan Agreement, hereby irrevocably designates, constitutes and appoints Baxter (and all Persons designated by Baxter in its sole and absolute discretion) as Grantor's true and lawful attorney-in-fact, and authorizes Baxter and any of Baxter's designees, in Grantor's or Baxter's name, from and after the occurrence of, and during the continuation of, an Event of Default and the giving by Baxter of notice to Grantor of Baxter's intention to enforce its rights and claims against Grantor, to (i) endorse Grantor's name on all applications, documents, papers and instruments necessary or desirable for Baxter in the use of the Trademarks or the Licenses, (ii) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks or the Licenses to anyone on commercially reasonable terms, (iii) grant or issue any exclusive or nonexclusive license under the Trademarks or, to the extent permitted, under the Licenses, to anyone on commercially reasonable terms, and (iv) take any other actions with respect to the Trademarks or the Licenses as Baxter deems in its best interest. Grantor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable until all of the Obligations shall have been paid in full in cash. Grantor acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of Baxter under the Credit Agreement, but rather is intended to facilitate the exercise of such rights and remedies.

Subject to the limitations set forth herein, or in the Credit Agreement, Baxter shall have, in addition to all other rights and remedies given it by the terms of this Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Trademarks or the Licenses may be located or deemed located. Upon the occurrence of a Default and the election by Baxter to exercise any of its remedies under Section 9-504 or Section 9-505 of the Uniform Commercial Code with respect to the Trademarks and Licenses, Grantor agrees to assign, convey and otherwise transfer title in and to the Trademarks and the Licenses to Baxter or any transferee of Baxter and to execute and deliver to Baxter or any such transferee all such agreements, documents and instruments as may be necessary, in Baxter's sole discretion, to effect such assignment, conveyance and transfer. All of Baxter's rights and remedies with respect to the Trademarks and the Licenses, whether established hereby, by the Credit Agreement, by any other agreements or by law, shall be cumulative and may be exercised separately or concurrently. Notwithstanding anything set forth herein to the contrary, it is hereby expressly agreed that upon the occurrence of an Event of Default, Baxter may exercise any of the rights and remedies provided in this Agreement, the Credit Agreement and any of the other Loan Documents. Grantor agrees that any notification of intended disposition of any of the Trademarks and Licenses required by law shall be deemed reasonably and properly given if given at least ten (10) days before such disposition, provided, however, that Baxter may give any shorter notice that is commercially reasonable under the circumstances.

16. **Successors and Assigns.** This Agreement shall be binding upon Grantor and its successors and assigns, and shall inure to the benefit of Baxter and its nominees, successors and

assigns. Grantor's successors and assigns shall include, without limitation, a receiver, trustee or debtor-in-possession of or for Grantor; provided, however, that Grantor shall not voluntarily assign or transfer its rights or obligations hereunder without Baxter's prior written consent.

17. Governing Law. This Agreement shall be construed and enforced and the rights and duties of the parties shall be governed by in all respects in accordance with the internal laws (as opposed to conflict of laws provisions) and decisions of the State of Illinois.

18. Notices. All notices or other communications hereunder shall be given in the manner and to the addresses set forth in the Credit Agreement.

19. Section Titles. The section titles herein are for convenience of reference only, and shall not affect in any way the interpretation of any of the provisions hereof.

20. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.
