ASSIGNMENT**WHEREAS**

CCL INDUSTRIES INC., whose head office is located at 105 Gordon Baker Road, Suite 800, Willowdale, Ontario, M2H 3P8 ("CCL")

is a corporation incorporated under the laws of Canada;

AND WHEREAS

1502190 ONTARIO INC., whose head office is located at 7550 Kimbel Street, Mississauga, Ontario, L5S 1A2, ("the Purchaser")

is a corporation incorporated under the laws of the Province of Ontario;

AND WHEREAS CCL is agreeable to assign all right, title, interest which it may presently be possessed of in certain patents as identified in the attached Schedule "A" ("the Inventions"), and is further willing to assign all right, title and interest it presently may have in various trade marks and trade names, which are defined in the attached Schedule "B" ("the Trade Marks");

NOW THEREFORE, in consideration of \$10.00 paid by the Purchaser to CCL and other good and valuable consideration provided by the Purchaser to CCL, the receipt of which is hereby expressly acknowledged by CCL;

1. CCL hereby assigns all its right, title and interest that it may have throughout the world in the Inventions, including all patents that may have issued throughout the world therefor, and any and all improvements, modifications, revisions and additions that may be made thereto, and the right to recover for damages for past infringements thereof, and any additional patent applications that may be filed and may issue therefor, throughout the world, as well as in any and all reissue, continuation, continuation-in-part or divisional patent applications that may be filed or may issue therefor.
2. CCL further assigns to the Purchaser the Trade Marks, including all common law rights therein and registrations throughout the world therefor, together with the goodwill of the business relating to the goods and services in association with which the Trade Marks have been registered and used by CCL or its predecessors-in-title or its licensees or sub-licensees, as well as the right to recover for damages and profits for past infringements of the Trade Marks.
3. CCL further agrees and covenants to do all such things and provide all necessary executed documents as may be reasonably required to affect recordal of this Assignment in various intellectual property offices around the world. Without limiting the foregoing, CCL agrees to execute and deliver to the Purchaser at the Purchaser's request all papers, instruments and assignments and to perform any other reasonable acts as the Purchaser may require in order to confirm the transfer of CCL's right, title and interest in and to the Inventions and the patents

3. CCL further agrees and covenants to do all such things and provide all necessary executed documents as may be reasonably required to affect recordal of this Assignment in various intellectual property offices around the world. Without limiting the foregoing, CCL agrees to execute and deliver to the Purchaser at the Purchaser's request all papers, instruments and assignments and to perform any other reasonable acts as the Purchaser may require in order to confirm the transfer of CCL's right, title and interest in and to the Inventions and the patents relating thereto and the Trade Marks and to sign and to do all things that may be reasonably necessary or required of it to allow CCL to become registered as owner of the Inventions and the patents relating thereto and the Trade Marks throughout the world, including signing from time to time additional declaratory documents confirming the intention and purpose of this Assignment document and to provide evidence to support any of the foregoing in the event such evidence is deemed necessary by the Purchaser to the extent such evidence is in the possession or control of CCL.

Executed at Toronto, Ontario, this 31st day of January, 2002.
