"Without limiting the generality of the foregoing, each Grantor hereby authorizes the Collateral Agent, with prompt notice thereof to the Grantors, to supplement this Agreement by supplementing Schedule II or adding additional schedules hereto to specifically identify any asset or item that may constitute Copyrights, Licenses, Patents or Trademarks; provided, however, that any Grantor shall have the right, exercisable within 10 days after it has been notified by the Collateral Agent of the specific identification of such Collateral, to advise the Collateral Agent in writing of any inaccuracy of the representations and warranties made by such Grantor hereunder with respect to such Collateral. Each Grantor agrees that it will use its best efforts to take such action as shall be necessary in order that all representations and warranties hereunder shall be true and correct with respect to such Collateral within 30 days after the date it has been notified by the Collateral agent of the specific identification of such Collateral."

SECTION 5. Amendment to Article VI. Article VI of the Security Agreement is hereby amended as follows:

(a) Section 6.01 of the Security Agreement is hereby amended by inserting immediately following the words "different times:" in the first sentence thereof, the following:

"(a) with respect to any Collateral consisting of Intellectual Property, on demand, to cause the Security Interest to become an assignment, transfer and conveyance of any of or all such Collateral by the applicable Grantors to the Collateral Agent, or to license or sublicense, whether general, special or otherwise, and whether on an exclusive or nonexclusive basis, any such Collateral throughout the world on such terms and conditions and in such manner as the Collateral Agent shall determine (other than in violation of any then-existing licensing arrangements to the extent that waivers cannot be obtained), and (b)".

(b) Article VI of the Security Agreement is hereby amended by inserting the following section at the end thereof:

"SECTION 5.03. Grant of License to Use Intellectual Property. For the purpose of enabling the Collateral Agent to exercise rights and remedies under this Article at such time as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby grants to the Collateral Agent an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to the Grantors) to use, license or sublicense any of the Collateral consisting of Intellectual Property now owned or hereafter acquired by such Grantor, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof. The use of such license by the Collateral Agent shall be exercised, at the option of the Collateral Agent, upon the occurrence and during the continuation of an Event of Default; provided that any license, sublicense or other transaction entered into by the Collateral Agent in accordance herewith shall be binding upon the Grantors notwithstanding any subsequent cure of an Event of Default."

SECTION 6. Amendment to Schedules. The Schedules to the Security Agreement are hereby amended by inserting Schedule II attached hereto after Schedule I.

SECTION 7. Representations and Warranties. To induce the Collateral Agent to enter into this Amendment, the Company and each Borrowing Subsidiary represents and warrants that, as of the Amendment Effective Date:

(a) After giving effect to this Amendment, the representations and warranties set forth in Article III of the Security Agreement are true and correct in all material respects on and as of the

Amendment Effective Date with the same effect as though made on and as of the Amendment Effective Date, except to the extent such representations and warranties expressly relate to an earlier date.

(b) After giving effect to this Amendment, no Default or Event of Default has occurred and is continuing.

(c) The execution, delivery and performance by each of the Borrowers of this Amendment have been duly authorized by all necessary corporate and other action and does not and will not require any registration with, consent or approval of, notice to or action by, any person (including any Governmental Authority) in order to be effective and enforceable. The Security Agreement as amended by this Amendment constitutes the legal, valid and binding obligation of each of the Borrowers, enforceable against each of them in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

SECTION 8. Conditions to Effectiveness. This Amendment shall become effective only upon the satisfaction of the following conditions (the date on which all such conditions shall have been satisfied being called the "Amendment Effective Date"):

(a) the Collateral Agent shall have received (i) counterparts of this Amendment that, when taken together, bear the signatures of the Company, each Subsidiary Guarantor and the Lenders and (ii) the Amendment to the Credit Agreement shall be effective.

SECTION 9. Effect of Amendment. On and after the date of effectiveness of this Amendment (the "Amendment Effective Date"), each reference in the Security Agreement to "this Agreement", "hereunder", "herein", or words of like import shall mean and be a reference to the Security Agreement, as amended hereby. Except as expressly set forth herein, this Amendment shall not by implication or otherwise limit, impair, constitute an Amendment of or otherwise affect the rights and remedies of the Secured Parties or the Collateral Agent under the Security Agreement or any other Loan Document, and shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Security Agreement or any other provision of the Security Agreement or any other Loan Document, all of which are ratified and affirmed in all respects and shall continue in full force and effect. Nothing herein shall be deemed to entitle the Borrowers or any Subsidiary Guarantor to a consent to, or an Amendment, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Security Agreement or any other Loan Document in similar or different circumstances. This Amendment shall apply and be effective only with respect to the provisions of the Security Agreement specifically referred to herein. This Amendment shall constitute a "Loan Document" for all purposes of the Credit Agreement and the other Loan Documents.

SECTION 10. Counterparts. This Amendment may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument. Delivery of any executed counterpart of a signature page of this Amendment by facsimile transmission shall be as effective as delivery of a manually executed counterpart hereof.

SECTION 11. Applicable Law. THIS AMENDMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 12. Expenses. The Company agrees to pay the reasonable out of pocket expenses incurred by the Administrative Agent in connection with the preparation of this Amendment including the reasonable fees, disbursements and other charges of its counsel.

SECTION 13. Headings. The headings of this Amendment are for purposes of reference only and shall not limit or otherwise affect the meaning hereof.

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be duly executed by their duly authorized officers, all as of the date and year first above written.
