WHEREAS, Seller is the owner of the entire right, title and interest in and to the Intellectual Property Rights (as defined in the attached Schedule);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Seller and Purchaser agree as follows:

1. The Seller hereby assigns, transfers and conveys unto Purchaser all its right, title and interest in, to and under the Intellectual Property Rights, including, without limitation, the Trademarks listed in Schedule A hereto and the Applications and Registrations therefor, along with all the goodwill associated with said Trademarks, together with all Seller's rights to sue for past, present and future damages associated with infringements or misappropriations thereof (to the extent not previously exercised by the Seller) and to fully and entirely stand in the place of Seller in all matters related thereto.

2. Concurrently with the execution of this Intellectual Property Assignment, the Seller shall deliver the original papers, applications, and other official documents relating to all trademarks and other Intellectual Property Rights assigned under Section 1 above.

3. The Seller hereby represents and warrants that it either (i) is the owner of, with all right, title and interest in and to the Intellectual Property Rights free and clear of all Liens or (ii) has rights to use the Intellectual Property Rights pursuant to license, sublicense or other Contract.

4. From time to time after the date hereof, Seller will execute and deliver, or cause its affiliates to execute and deliver, to Purchaser such instruments of sale, transfer, conveyance, assignment and delivery, and such consents, assurances, and other instruments as may be reasonably requested by Purchaser or its counsel in order to vest in Purchaser all right, title and interest of Seller in and to the Intellectual Property Rights and otherwise in order to carry out the purpose and intent of this Intellectual Property Assignment.

5. Seller has not executed and will not execute any agreement or other instrument in conflict herewith.

6. Seller hereby covenants and agrees that it shall cease and refrain from all use of all rights, title, and interests assigned under Section 1 above in all countries of the world as of the date hereof except to the extent permitted by the Asset Purchase Agreement.
