TRADEMARK AND SECURITY AGREEMENT

09-21-2001

U.S. Patent & TMO/TM Mail Rcpt Dt. #26

THIS TRADEMARK AND SECURITY AGREEMENT dated as of August 31, 2001 made by United Natural Trading Co., a Delaware corporation with a principal place of business at 700 East Lincoln Avenue, Rahway, New Jersey 07065 ("Guarantor"), in favor of Fleet Capital Corporation, administrative and collateral agent (the "Agent") for the Lenders, as hereafter defined (Agent is referred to herein as "Secured Party"), a Rhode Island corporation with a place of business at 200 Glastonbury Boulevard, Glastonbury, Connecticut 06033, and its successors, assigns, and other legal representatives ("Secured Party").

W I T N E S S E T H:

WHEREAS, United Natural Foods, Inc., Guarantor's parent, certain of its Affiliates, (together with United Natural Foods, Inc. the "Borrower"), Agent and certain lenders party thereto (the "Lenders"), Fleet Securities, Inc. as the syndication arranger for the Lenders (the "Arranger"), Citizens Bank of Massachusetts as the syndication agent for the Lenders (the "Syndication Agent") and U.S. Bank National Association as the documentation agent for the Lenders (the "Documentation Agent") are parties to a Loan and Security Agreement, dated as of the date hereof (the "Loan Agreement"), and certain agreements, instruments and documents entered into pursuant thereto (the "Loan Documents"), pursuant to which Lenders may make certain loans and credit accommodations to Borrower;

WHEREAS, Guarantor has agreed to guaranty the obligations of Borrower under the Loan Documents and has entered into a Security Agreement and Continuing Guaranty both of even date herewith and Guarantor shall derive a direct benefit from Lenders making such loans to Borrower; and

WHEREAS, Lender's willingness to enter into the Loan Documents and make the loans and credit accommodations available thereunder is subject to the condition, among others, that Borrower execute and deliver this Trademark and Security Agreement.

NOW, THEREFORE, in consideration of the premises and for one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in addition to, and not in limitation of, any rights of the Secured Party or the Lenders under the Loan Documents, Guarantor hereby agrees for the benefit of Secured Party as follows:

1. **DEFINITIONS; RULES OF INTERPRETATION.**

1.1. All capitalized terms used herein without definition shall have the respective meanings provided therefor in the Loan Documents. In addition, the following terms shall have the meanings set forth in this Section 1 or elsewhere in this Security Agreement:

"Associated Goodwill" shall mean all goodwill of the Guarantor or its business, products and services appurtenant to, associated with or symbolized by the Trademarks and/or the use thereof.

"Collateral" shall have the meaning ascribed to such term in the Loan Documents.

"Event of Default" shall have the meaning ascribed to such term in the Loan Documents.

"Obligations" shall have the meaning ascribed to such term in the Loan Documents.

"Proceeds" shall mean any consideration received from the sale, exchange, license, lease or other transfer or disposition of any right, interest, asset or property which constitutes Trademark Collateral, any value received as a consequence of the ownership, possession, or use of any Trademark Collateral, and any payment received from any insurer or other person or entity as a result of the destruction, loss, theft or other involuntary conversion of whatever nature of any right, interest, asset or property which constitutes Trademark Collateral.

"PTO" shall mean the United States Patent and Trademark Office.

"Related Assets" shall mean all assets, rights and interests of the Guarantor which uniquely reflect or embody the Associated Goodwill, including but not limited to the following: all patents, inventions, copyrights, trade secrets, confidential information, formulae, algorithms, methods, processes, compounds, know-how, operating systems, drawings, descriptions, formulations, manufacturing and production and delivery procedures, quality control procedures, product and service specifications, catalogs, price lists, and advertising materials, relating to the manufacture, production, delivery, provision, licensing and sale of goods or services under or in association with any of the Trademarks, and all books and records describing or used in connection with any or all of the foregoing; and the following documents and things in the possession or under the control of the Guarantor, or subject to its demand for possession or control, related to the production, delivery, provision, licensing and sale by the Guarantor, or any affiliate, licensee or contractor, of products or services sold by or under the authority of the Guarantor in connection with the Trademarks or Trademark Rights, whether prior to, on or subsequent to the date hereof:

(i) All lists, contracts, ancillary documents and other information which identify, describe or provide information with respect to any customers, dealers or distributors of the Guarantor, its affiliates or licensees or contractors, for products or services sold under or in connection with the Trademarks or Trademark Rights, including but not limited to all lists and documents containing information regarding each customer's, dealer's or distributor's name and address, credit, payment, discount, delivery and other sale terms, and history, pattern and total of purchases by brand, product, style, size and quantity;

(ii) all agreements, product and service specification documents, technical specifications and information, and operating, production and quality control manuals relating to or used in the design, manufacture, production, delivery, provision, licensing,

and sale of products or services under or in connection with the Trademarks or Trademark Rights;

(iii) all documents and agreements relating to the identity and locations of all sources of supply, all terms of purchase and delivery, for all materials, components, raw materials and other supplies and services used in the manufacture, production, provision, delivery, licensing and sale of products or services under or in connection with the Trademarks or Trademark Rights;

(iv) all agreements and documents constituting or concerning the present or future current or proposed advertising and promotion by the Guarantor (or any of its affiliates, licensees or contractors) of products or services provided, licensed or sold under or in connection with the Trademarks or Trademark Rights.

"Security Agreement" shall mean this Trademark and Security Agreement, as it may be amended or supplemented from time to time.

"Trademarks" shall mean all of the trademarks, service marks, designs, logos, indicia, trade names, corporate names, company names, business names, fictitious business names, trade styles, elements of package or trade dress, and/or other source and/or product or service identifiers, and general intangibles of like nature, used or associated with or appurtenant to the products, services and business of the Guarantor, which (i) are set forth on Schedule A attached hereto, or (ii) have been adopted, acquired, owned, held or used by the Guarantor and are now owned, held or used by the Guarantor, in the Guarantor's business, or with the Guarantor's products and services, or in which the Guarantor has any right, title or interest, or (iii) are in the future adopted, acquired, owned, held and/or used by the Guarantor in the Guarantor's business or with the Guarantor's products and services, or in which the Guarantor in the future acquires any right, title or interest.

"Trademark Collateral" shall mean all of the Guarantor's right, title and interest (to the extent Guarantor has any such right, title or interest) in and to all of the Trademarks, the Trademark Registrations, the Trademark Rights, the Associated Goodwill, the Related Assets, and all additions, improvements and accessions to, substitutions for, replacements of, and all products and Proceeds (including insurance proceeds) of any and all of the foregoing.

"Trademark Registrations" shall mean all past, present or future federal, state, local and foreign registrations of the Trademarks (and all renewals and extensions of such registrations), all past, present and future applications for any such registrations of the Trademarks (and any such registrations thereof upon approval of such applications), together with the right (but not the obligation) to apply for such registrations (and prosecute such applications) in the name of the Guarantor or the Secured Party, and to take any and all actions necessary or appropriate to maintain such registrations in effect and/or renew and extend such registrations.

"Trademark Rights" shall mean any and all past, present or future rights in, to and associated with the Trademarks throughout the world, whether arising under federal law, state law, common law, foreign law or otherwise, including but not limited to the following: all such

rights arising out of or associated with the Trademark Registrations; the right (but not the obligation) to register claims under any state, federal or foreign trademark law or regulation; the right (but not the obligation) to sue or bring opposition or cancellation proceedings in the name of the Guarantor or the Secured Party for any and all past, present and future infringements or dilution of or any other damages or injury to the Trademarks, the Trademark Rights, or the Associated Goodwill, and the rights to damages or profits due or accrued arising out of or in connection with any such past, present or future infringement, dilution, damage or injury.

"Use" of any Trademark shall include all uses of such Trademark by, for or in connection with the Guarantor or its business or for the direct or indirect benefit of the Guarantor or its business, including but not limited to all such uses by the Guarantor itself, by any of the affiliates of the Guarantor, or by any licensee or contractor of the Guarantor.

1.2. UCC Terms. Unless otherwise defined herein or in the other Loan Documents, the terms used in Article 9 of the Uniform Commercial Code of the State of Connecticut are used herein as therein defined.

2. GRANT OF SECURITY; COLLATERAL ASSIGNMENT.

2.1. Grant of Security Interest. As collateral security for the complete and timely payment, performance and satisfaction of all Obligations, the Guarantor hereby unconditionally grants to the Secured Party, a continuing security interest in and first priority lien on the Trademark Collateral, and pledges, mortgages and hypothecates (but does not transfer title to) the Trademark Collateral to the Secured Party.

2.2. Collateral Assignment.

(a) In addition to, and not by way of limitation of, the grant, pledge, mortgage and hypothecation of the Trademark Collateral provided in Section 2.1, the Guarantor hereby grants, assigns, transfers, conveys and sets over to the Secured Party, its entire right, title and interest in and to the Trademark Collateral; provided, however, that such grant, assignment, transfer and conveyance shall be and become of force and effect only upon the sale or other disposition of or foreclosure upon the Collateral pursuant to the Loan Documents and Article 9 of the Uniform Commercial Code (including the transfer or other disposition of the Collateral by the Guarantor to the Secured Party in lieu of foreclosure). The foregoing grant, assignment, transfer and conveyance shall be referred to from time to time herein as the "Section 2.2 Assignment."

(b) The Guarantor acknowledges and agrees that, upon the effectiveness of the Section 2.2 Assignment, the Secured Party shall have the cumulative rights in and to the Trademark Collateral as are provided in this Security Agreement and in the other Loan Documents, and shall have the rights in and to the Collateral (other than the Trademark Collateral) as are provided in the other Loan Documents.

(c) The parties expressly acknowledge to the Secured Party and agree that on the date of this Security Agreement the Guarantor delivered the Loan Documents pursuant to

which the Guarantor unconditionally granted to the Secured Party, a continuing security interest in and first priority lien on the Collateral (including the Trademark Collateral). The Loan Documents and all rights and interests of the Secured Party in and to the Collateral (including the Trademark Collateral) thereunder, are hereby ratified, confirmed, adopted and approved. In no event shall this Security Agreement, the Section 2.2 Assignment of the Trademark Collateral hereunder, or the recordation of this Security Agreement (or any document hereunder) with the PTO, adversely affect or impair, in any way or to any extent, the Loan Documents, the security interest of the Secured Party in the Collateral (including the Trademark Collateral) pursuant to the Loan Documents, the attachment and perfection of such security interest under the Uniform Commercial Code, or the present or future rights and interests of the Secured Party in and to the Collateral under or in connection with the Loan Documents, this Security Agreement and/or the Uniform Commercial Code. Any and all rights and interests of the Secured Party in and to the Trademark Collateral (and any and all obligations of the Guarantor with respect to the Trademark Collateral) provided herein, or arising hereunder or in connection herewith, shall only supplement and be cumulative and in addition to the rights and interests of the Secured Party (and the obligations of the Guarantor) in, to or with respect to the Collateral (including the Trademark Collateral) provided in or arising under or in connection with the other Loan Documents.

2.3. Effect of Section 2.2 Assignment. Upon the effectiveness of the Section 2.2 Assignment, the Secured Party shall own the entire right, title and interest in and to the Trademark Collateral, free and clear of any lien, charge, encumbrance or claim of the Guarantor or any other party (other than ownership and other rights reserved by owners of Licensed Trademarks or other Trademark Collateral licensed to the Guarantor). Upon such effectiveness, in addition to all other rights and remedies of the Secured Party, whether under law, the Loan Documents or otherwise (all such rights and remedies being cumulative, not exclusive, and enforceable alternatively, successively or concurrently, without notice to or consent by the Guarantor except as expressly provided otherwise herein), the Secured Party's rights and remedies with respect to the Trademark Collateral, shall include but not be limited to the following, without payment of royalty or compensation of any kind to the Guarantor except as expressly provided otherwise herein:

(a) The Secured Party may exercise, in respect of the Trademark Collateral, all the rights and remedies of a secured party upon default under the Uniform Commercial Code (whether or not such Code applies to the affected Trademark Collateral) or other law applicable to any part of the Trademark Collateral.

(b) The Secured Party may operate the business of the Guarantor using the Trademark Collateral.

(c) The Secured Party may, to the same extent that the Guarantor has the right to do so immediately prior to the effectiveness of the Section 2.2 Assignment, license or sublicense, whether general, special or otherwise and whether on an exclusive or nonexclusive basis, any of the Trademark Collateral, throughout the world for such term or terms, on such conditions, and in such manner, as the Secured Party shall in its sole discretion determine.

(d) The Secured Party may, in its discretion, file and record at Guarantor's expense with the PTO, the Trademark Assignment attached hereto as Exhibit A.

(e) The Secured Party may, to the extent permitted by law, in its sole discretion, without notice except as specified below, assign, sell or otherwise transfer or dispose of the Trademark Collateral or any part thereof, either with or without special or other conditions or stipulations, with power to buy the Trademark Collateral or any part of it in one or more portions at public or private sale, at any of the Secured Party's offices or elsewhere, at such time or times, for cash, on credit or for future delivery, and at such price or prices and upon such other terms as the Secured Party may deem commercially reasonable, irrespective of the impact of any such sales on the market price of any of the Trademark Collateral. Each such purchaser at any such sale shall hold the property sold absolutely, free from any claim or right on the part of the Guarantor or any party claiming through the Guarantor, and the Guarantor hereby waives (to the extent permitted by law) all rights of redemption, stay and/or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. The Guarantor agrees that, to the extent notice of sale shall be required by law, at least ten (10) days' notice to the Guarantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. At any sale of the Trademark Collateral, if permitted by law, the Secured Party may bid (which bid may be, in whole or in part, in the form of cancellation of indebtedness) for and purchase the Trademark Collateral or any portion thereof for the account of the Secured Party. The Secured Party shall not be obligated to make any sale of the Trademark Collateral regardless of notice of sale having been given. The Secured Party may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was adjourned. In the case of any sale of all or any part of the Trademark Collateral is made on credit or for future delivery, the Trademark Collateral sold may be retained by the Secured Party until the sale price is paid by the purchaser or purchasers thereof, but the Secured Party shall not incur any liability in the case any such purchaser shall fail to pay for any Trademark Collateral so sold and, in case of any such failure, such Trademark Collateral may be sold again upon like notice to the Guarantor. The Guarantor recognizes that the Secured Party may elect in its sole discretion to sell all or part of the Trademark Collateral to one or more purchasers in privately negotiated transactions. The Guarantor hereby waives any claims against the Secured Party arising by reason of the fact that the price at which any Trademark Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale, even if the Secured Party accepts the first offer received and does not offer such Trademark Collateral to more than one offeree. The Secured Party shall also have the power to execute assurances, and do all other acts and things for completing the assignment, sale, transfer or disposition which the Secured Party, in its sole discretion, deems appropriate or proper.

(f) In addition to the foregoing, in order to implement the assignment, sale, transfer or other disposition of any of the Trademark Collateral pursuant to Section 2.3 (e) hereof, the Secured Party may, pursuant to the authority granted in the power of attorney provided in Section 6 hereof (such authority becoming effective upon the occurrence and during the continuation of an Event of Default), execute and deliver on behalf of the Guarantor one or

more instruments of assignment of the Trademark Collateral, in form suitable for filing, recording or registration in any jurisdiction or country.

2.4. Effect of Section 2.2 Assignment - Guarantor's Obligations.

(a) Upon the effectiveness of the Section 2.2 Assignment provided herein, the Guarantor shall have no right, title or interest in or to any of the Trademark Collateral, and the Guarantor shall immediately cease and desist in the use of the Trademarks or any colorable imitation thereof, and shall, upon written demand of the Secured Party, deliver to the Secured Party (or the Secured Party's designee) all unused or unsold goods bearing the Trademarks.

(b) In addition, upon the effectiveness of the Section 2.2 Assignment provided herein, upon the written demand of the Secured Party, the Guarantor shall execute and deliver to the Secured Party an assignment or assignments of the Trademark Collateral and such other documents in addition to the Assignment attached hereto as Exhibit A, as are necessary or appropriate to carry out the intent and purposes of this Security Agreement; provided that the failure of the Guarantor to comply with such demand will not impair or affect the validity of the Section 2.2 Assignment. The Guarantor agrees that any such assignment (including a Section 2.2 Assignment) and/or any recording thereof shall be applied to reduce the Obligations outstanding only to the extent that the Secured Party actually receives cash proceeds in respect of the assignment, sale, license, transfer or disposition of, or other realization upon, the Trademark Collateral.

(c) In the event of any such license, assignment, sale, transfer or other disposition of the Trademark Collateral, or any of it, after the occurrence and during the continuation of an Event of Default, whether to or by the Secured Party, the Guarantor shall supply to the Secured Party (or the Secured Party's designee) the Guarantor's know-how and expertise relating to the products and services sold and provided under the Trademarks, and other records relating to the Trademark Collateral and to the production, marketing, delivery and sale of said products and services. Without limiting the generality of the foregoing, within five (5) Business Days of written notice thereof from the Secured Party, the Guarantor shall use reasonable efforts to make available to the Secured Party, such personnel in the Guarantor's employ on the date of the Event of Default as the Secured Party may reasonably designate, by name, title or job responsibility, to permit the Guarantor (or if the Secured Party so elects, the Secured Party or the Secured Party's designee) to continue, directly or indirectly, to manufacture, produce, supply, advertise, provide, license, sell and deliver the products or services sold by the Guarantor under the Trademarks, such persons to be available to perform their prior functions on the Secured Party's behalf and, if the Secured Party so elects to utilize their services, to be compensated by the Secured Party on a per diem, pro rata basis consistent with the wages and salary structure applicable to each as of the date of such Event of Default.

2.5. No Obligations of Secured Party. Nothing herein contained shall be construed as obligating the Secured Party to take any of the foregoing actions at any time.

2.6. Costs and Application of Proceeds. The Guarantor agrees to pay when due all reasonable costs incurred in any license, assignment, sale, transfer or other disposition of all or any portion of the Trademark Collateral to or by the Secured Party, including any taxes, fees and reasonable attorneys' fees, and all such costs shall be added to the Obligations. The Secured Party may apply the Proceeds actually received from any such license, assignment, sale, transfer, other disposition or other collection or realization, to the reasonable out-of-pocket costs and expenses thereof, including, without limitation, reasonable attorneys' fees and all reasonable legal, travel and other expenses which may be incurred or paid by the Secured Party in protecting or enforcing its rights upon or under this Security Agreement, the Trademark Collateral, the Collateral or the Obligations, and any proceeds remaining shall be held by the Secured Party as collateral for, and/or then or at any time thereafter applied to the Obligations, in accordance with the Loan Documents; and the Guarantor shall remain liable and will pay the Secured Party on demand any deficiency remaining, together with interest thereon at a rate equal to the highest rate then payable on the Obligations and the balance of any expenses unpaid. Any surplus of such cash or cash proceeds held by the Secured Party and remaining after payment in full of all the Obligations shall be paid over to the Guarantor or to whomsoever may be lawfully entitled to receive such surplus.

2.7. License. In addition to, and not by way of limitation of, all other rights of the Secured Party and obligations of the Guarantor pursuant to this Security Agreement and the other Loan Documents, upon the effectuation of a Section 2.2 Assignment, the Secured Party shall hold an exclusive fully paid-up, irrevocable and perpetual, worldwide right and license to make use, practice and sell (or license or otherwise transfer to third persons) the Trademark Collateral, for the exclusive purpose of (and to the extent necessary and sufficient for) the full and complete enjoyment and exercise of and realization upon the rights, remedies and interests of the Secured Party pursuant to this Security Agreement and the other Loan Documents.

3. REPRESENTATIONS AND WARRANTIES. The Guarantor represents and warrants to, and covenants and agrees with, Secured Party, as follows:

3.1. Schedules of Trademarks. Set forth on Schedule A hereto is a true and complete list of all present Trademarks and Trademark Registrations of the Guarantor and of all licenses with respect thereto. All licenses and other agreements applicable to the Trademarks are the valid and binding obligations of all of the parties thereto, enforceable against each of such parties in accordance with their respective terms (provided that, with respect to any such parties other than the Guarantor and its affiliates, such representation and warranty is made to the best of the Guarantor's knowledge and belief).

3.2. Title. The Guarantor is and will continue to be the sole and exclusive owner of the entire legal and beneficial right, title and interest in and to the Trademarks (except for licenses and rights granted in the ordinary course of business) and sufficient Trademark Collateral to preserve the Guarantor's rights in its Trademarks, free and clear of any lien, charge, security interest or other encumbrance, except for the security interest and conditional assignment created by this Security Agreement and the other Loan Documents, and except for liens and encumbrances explicitly permitted pursuant to the Loan Documents. To the extent deemed necessary or appropriate by the Guarantor in its reasonable business judgment, the Guarantor will

defend its right, title and interests in and to the Trademarks and the Trademark Collateral against any and all claims of any third parties.

3.3. Validity and Enforceability. The Trademarks and the Trademark Registrations and Trademark Rights related thereto are subsisting, and have not been adjudged invalid or unenforceable; to the best of the Guarantor's knowledge and belief, all of the Trademarks and the Trademark Registrations and Trademark Rights related thereto are valid and enforceable; the Guarantor has not received any written claim by any third party that any of the Trademarks and the Trademark Registrations and Trademark Rights related thereto are invalid or unenforceable.

3.4. Exclusive Right to Use. To the best of the Guarantor's knowledge and belief except as otherwise disclosed on Schedule A, the Guarantor has, and shall continue to have, the exclusive right to use all the Trademarks in the manner in which they are now used, with the goods and services with which they are now used (and, in the case of registered Trademarks, for which they are registered), and throughout the geographic areas in which they are now used (and, in the case of registered Trademarks, throughout the jurisdictions in which they are registered), free and clear of any liens, charges, encumbrances, claims or rights of any third party, or restrictions on the rights of the Guarantor to protect or enforce any of its Trademark Rights against any third party.

3.5. No Financing Statements, Etc. There is not on file in any governmental or regulatory authority, agency or recording office, in the United States or to the Guarantor's knowledge in any foreign country, any effective financing statement, security agreement, assignment, license or transfer or notice of any of the foregoing (other than those that have been filed in favor of the Secured Party) covering any of the Trademark Collateral, and the Guarantor is not aware of any such filing, other than those for which duly executed termination statements have been delivered to the Secured Party. So long as this Security Agreement shall be in effect, the Guarantor shall not execute and shall not knowingly permit to be on file in any such office or agency any such financing statement or other document or instrument (except financing statements or other documents or instruments filed or to be filed in favor of the Secured Party).

3.6. No Claims or Proceedings. No claim has been made that the Guarantor's use of any of the Trademarks does or may violate the rights of any third party. There has been no decision adverse to the Guarantor's claim of ownership rights in or exclusive rights to use the Trademarks or any material part of the Trademark Collateral associated therewith, or to its right to use and register the Trademarks in any jurisdiction or to keep and maintain such registrations in full force and effect, and there is no proceeding involving said rights threatened or pending in the PTO or any similar office or agency of the United States, any state or foreign country or in any court.

3.7. Notice of Adverse Developments. The Guarantor shall promptly notify the Secured Party of the institution of and any final adverse decision (after exhausting all appeals) in any proceeding in the PTO or any similar office or agency of the United States or any state or any foreign country, or the institution of or any adverse judgment in any proceeding in any court, regarding the Guarantor's claim of ownership in any of the Trademarks, or any material part of the related Trademark Collateral, its right to register any of the same, or to keep and maintain any

such registration. Notwithstanding the foregoing, the Guarantor shall not be obligated to notify the Secured Party of adverse decisions during the course of prosecuting trademark registration applications.

3.8. After-Acquired Trademark Collateral. The Guarantor agrees that, upon its commencement of use of or acquisition of any right, title or interest in or to any Trademark, Trademark Registration or Trademark Right other than the Trademarks, Trademark Registrations and Trademark Rights set forth on Schedule A hereto (including any variations or new versions of such scheduled Trademarks, Trademark Registrations and Trademark Rights), or upon commencement of use of any Trademark with (or the addition to any Trademark Registration of) any new class of goods or services, the provisions of this Security Agreement shall automatically apply thereto. The Secured Party shall be authorized to amend Schedule A, as appropriate, to include such additional Trademarks, Trademark Registrations and Trademark Rights, without the necessity for the Guarantor's approval of or signature to such amendment, and the Guarantor shall do all such other acts (at its own expense) deemed necessary or appropriate by the Secured Party to implement and preserve the Secured Party's interest therein (including but not limited to executing and delivering, and recording in all places where this Security Agreement or notice hereof is recorded, an appropriate counterpart of this Security Agreement). Such additional Trademarks, Trademark Registrations and Trademark Rights shall be automatically included in the "Trademarks," "Trademark Registrations" and "Trademark Rights" as defined herein. Upon the use of a new mark, the Guarantor shall provide to the Secured Party a new Schedule A which shall amend, supplement or otherwise modify and update the prior Schedule to the then current date, and such updated Schedule A shall automatically be deemed to be a part of this Security Agreement.

3.9. Maintenance of Trademark Collateral. The Guarantor shall take any and all such actions (including but not limited to institution and maintenance of suits, proceedings or actions) as may be deemed necessary or appropriate by the Guarantor in its reasonable business judgment to properly maintain, protect, preserve, care properly for and enforce the Trademarks and the Trademark Registrations, Trademark Rights and Associated Goodwill relating thereto and sufficient Related Assets to preserve the Guarantor's rights in the Trademarks. Without limiting the generality of the foregoing, the Guarantor shall pay when due all fees, taxes and other expenses which shall be incurred or which shall accrue with respect to any of such Trademark Collateral as may be deemed necessary or appropriate by the Guarantor in its reasonable business judgment to preserve the Trademarks.

3.10. Manner of Use of Trademarks. The Guarantor shall continue to use the Trademarks in its business in the same or similar manner as it has in the past, for registered Trademarks shall continue to use each Trademark in each jurisdiction of registration (and in interstate commerce for federally registered Trademarks in each and every class of goods or services for which it is registered), and in general shall continue to use the Trademarks in each and every class of goods and services applicable to the Guarantor's current use of the Trademarks in its business as reflected in its current catalogs, brochures, advertising and price lists, all in order to maintain the Trademarks in full force, free from any claim or risk of abandonment for non-use. Notwithstanding the foregoing provisions of this Section or any other provision of this Security Agreement, the Guarantor shall have the right to discontinue use or prosecution of any

registration application, in whole or in part of any Trademark, Trademark Registration, or Trademark Right where such discontinuance is deemed necessary or desirable by the Guarantor in the exercise of its reasonable business judgment.

3.11. Consistent Quality Standards. In order to protect and maintain the Trademark Collateral, and to prevent any deception of the public, the Guarantor shall operate its business and use the Trademarks in accordance with the same requirements and quality standards as in the past have been and now are applicable to its goods and services, and shall maintain the quality of all such goods and services, sold or provided under or in connection with the Trademarks commensurate with the quality of the business, goods and services now and previously associated with the Trademarks.

3.12. Trademark Symbols and Notices. The Guarantor has in the past used, and shall in the future use, the Trademarks with the statutory and other appropriate symbols, notices or legends of the registrations and ownership thereof consistent with past practice or as deemed necessary or appropriate by the Guarantor in its reasonable judgment.

3.13. No Conflicting Agreements. The Guarantor shall not take any actions or enter into any agreements, including but not limited to any agreements for the assignment, sale, transfer, license, disposition, grant of any interest in or encumbrance of any of the Trademark Collateral, which are inconsistent with or would or might impair in any way the Guarantor's representations, warranties and covenants herein, without the prior written consent of the Secured Party (which consent shall not be unreasonably withheld or delayed); provided, however, that, notwithstanding any other provision of this Security Agreement, so long as no Event of Default shall have occurred and be continuing, the Guarantor may license or dispose of the Trademark Collateral in any lawful manner that is in the ordinary course of its business and is not inconsistent with the provisions of this Security Agreement, or the other Loan Documents. Without limiting the generality of the foregoing, the Guarantor shall not permit the inclusion in any agreement to which it becomes a party of any provision which could or might in any way impair or prevent the creation of a security interest in or the conditional assignment of the Guarantor's rights and interests in any property of material value acquired under such agreement which is included within the definition of Trademark Collateral.

3.14. No Abandonment. Except as otherwise permitted in Section 3.10, the Guarantor shall not abandon any of the Trademarks, Trademark Registrations or Trademark Rights, nor do any act nor omit to do any act if such act or omission is of a character that tends to cause or contribute to the abandonment of any Trademark, Trademark Registration or Trademark Right or loss of or adverse effect on any rights in any Trademark, Trademark Registration or Trademark Right. Prohibited acts of the Guarantor shall include but not be limited to "assignments in gross" of any Trademark or the license of any Trademark without both appropriate contractual use and quality control provisions and proper monitoring, supervision and enforcement by the Guarantor of the quality of the licensed goods or services.

3.15. Protection of Distinctiveness. The Guarantor shall take all necessary and appropriate actions to insure that none of the Trademarks shall become generic or merely descriptive.

3.16. Enforcement of Licenses. The Guarantor shall do all things as may be deemed necessary or appropriate by the Guarantor in its reasonable business judgment to insure that each licensee of any Trademark, in its use of the Trademarks in its business, shall (i) comply fully with all applicable license agreements and (ii) satisfy and perform all the same standards and obligations set forth herein (with respect to the Guarantor's use of the Trademarks) as fully as though such standards and obligations were set forth with respect to such licensee's use of the Trademarks. The Guarantor shall do all things as may be deemed necessary or appropriate to comply with all the terms and conditions of all license agreements pursuant to which it is the licensee.

3.17. No Infringements. To the best of the Guarantor's knowledge and belief, there is at present no material infringement or unauthorized or improper use of the Trademarks or the Trademark Registrations or the Trademark Rights related thereto. The Guarantor shall use commercially reasonable efforts to detect any such infringement or unauthorized or improper use. In the event any such infringement or unauthorized or improper use by any third party has been reasonably established by the Guarantor, the Guarantor shall promptly notify the Secured Party and shall have the right to sue and recover therefor and to retain any and all damage so recovered or obtained. In the event the Guarantor fails so to sue or bring legal action, the Guarantor shall notify the Secured Party within sixty (60) days after the date of original notice to the Secured Party.

4. RIGHTS OF AND LIMITATIONS ON SECURED PARTY. It is expressly agreed by Guarantor that Guarantor shall remain liable to observe and perform all the conditions and obligations to be observed and performed by it relating to the Trademark. Secured Party shall not have any collateral obligation or liability under or in relation to the Trademark Collateral by reason of, or arising out of, this Security Agreement and Secured Party's rights hereunder, or the assignment by Guarantor to Secured Party of, or the receipt by Secured Party of, any payment relating to any Trademarks, nor shall Secured Party be required or obligated in any manner to perform or fulfill any of the obligations of Guarantor relating to the Trademark Collateral or be liable to any party on account of Guarantor's use of the Trademark Collateral, and Guarantor will save, indemnify and keep Secured Party harmless from and against all expense, loss or damage (including reasonable attorneys fees and expenses) suffered in connection with such obligations or use or suffered in connection with any suit, proceeding or action brought by Secured Party in connection with any Trademark Collateral.

5. PRESERVATION OF TRADEMARK COLLATERAL; COOPERATION OF GUARANTOR. Without limiting the obligations of Guarantor under the Loan Documents, Guarantor shall take such actions as are necessary to preserve and maintain its rights in and to the Trademark Collateral. Upon the request of Secured Party, Guarantor shall execute, acknowledge and deliver all documents and instruments and take such other actions, including without limitation testifying in any legal or administrative proceedings, as may be necessary or desirable to preserve or enforce Guarantor's rights in and to the Trademark Collateral or to accomplish the purposes of this Security Agreement or the Loan Documents.

6. SECURED PARTY'S APPOINTMENT AS ATTORNEY-IN-FACT.

6.1. Appointment of Secured Party. Guarantor hereby irrevocably constitutes and appoints Secured Party and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of Guarantor and in the name of Guarantor or in its own name, from time to time in Secured Party's discretion, for the purpose of carrying out the terms of this Security Agreement, to take any and all appropriate action and to execute any and all documents and instruments that may be necessary or desirable to accomplish the purposes of this Security Agreement and, without limiting the generality of the foregoing, hereby gives Secured Party the power and right, on behalf of Guarantor upon and during the continuance of an Event of Default, without notice to or assent by Guarantor to do the following:

(a) to apply for and prosecute any applications for recording or registrations of any Trademark Collateral, and to file any affidavits or other documents necessary or desirable to preserve, maintain or renew any such registrations;

(b) to assign, sell or otherwise dispose of all or any part of Guarantor's right, title and interest in and to the Trademark Collateral, including without limitation the Trademarks listed on Schedule A, and all registrations and recordings thereof and pending applications therefor;

(c) to commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to enforce any right in respect of any Trademark; to defend any suit, action or proceeding brought against Guarantor with respect to any Trademark Collateral; to settle, compromise or adjust any suit, action or proceeding described above and, in connection therewith, to give such discharges or releases as Secured Party may deem appropriate;

(d) to sell, transfer, pledge, make any agreement with respect to or otherwise deal with any of the Trademarks as fully and completely as though Secured Party were the absolute owner thereof for all purposes;

(e) to do, at Secured Party's option and Guarantor's expense, at any time or from time to time, all acts and things that Secured Party deems necessary to protect, preserve or realize upon the Trademark Collateral and Secured Party's security interests therein, in order to effect the intent of this Security Agreement; and

(f) to execute any and all documents, statements, certificates or other writings necessary or advisable in order to effect the purposes described above as Secured Party may in its sole discretion determine.

Guarantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and shall be irrevocable.

6.2. No Duty or Obligation. The powers conferred on Secured Party hereunder are solely to protect the interests of Secured Party in the Trademark Collateral and shall not impose any duty upon Secured Party to exercise any such powers. Secured Party shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither it nor any of its officers, directors, employees or agents shall be responsible to Guarantor for any act or failure to act, except for its own willful misconduct taken or omitted in bad faith.

7. PERFORMANCE BY SECURED PARTY OF GUARANTOR'S OBLIGATIONS, INDEMNIFICATION.

7.1. Secured Party's Actions. If Guarantor fails to perform or comply with any of its agreements contained herein and Secured Party, as provided for by the terms of this Security Agreement, shall itself perform or comply, or otherwise cause performance or compliance, with such agreement, the expenses of Secured Party incurred in connection with such performance or compliance shall be paid by Guarantor on demand and until so paid shall be added to the principal amount of the Obligations and shall bear interest at the same rate as the Obligations under the Loan Documents.

7.2. Indemnification. The Guarantor shall indemnify and hold harmless the Secured Party from and against, and shall pay to the Secured Party on demand, any and all claims, actions, suits, judgments, penalties, losses, damages, costs, disbursements, expenses, obligations or liabilities of any kind or nature (except those resulting from the Secured Party's gross negligence or willful misconduct) arising in any way out of or in connection with this Security Agreement, the Trademark Collateral, custody, preservation, use, operation, sale, license (or other transfer or disposition) of the Trademark Collateral, any alleged infringement of the intellectual property rights of any third party, the production, marketing, delivery and sale of the goods and services provided under or in connection with any of the Trademarks or the Trademark Collateral, the sale of, collection from or other realization upon any of the Trademark Collateral, the failure of the Guarantor to perform or observe any of the provisions hereof, or matters relating to any of the foregoing. The Guarantor shall also indemnify and hold harmless the Secured Party from and against any and all claims, actions, suits, judgments, penalties, losses, damages, costs, disbursements, expenses, obligations or liabilities arising out of or in connection with any fault, negligence, act or omission of the Guarantor (regardless of whether such fault, negligence, act or omission occurred or occurs prior to or after such effectiveness). The Guarantor shall make no claim against the Secured Party for or in connection with the exercise or enforcement by the Secured Party of any right or remedy granted to it hereunder, or any action taken or omitted to be taken by the Secured Party hereunder (except for the gross negligence or willful misconduct of the Secured Party).

8. EVENTS OF DEFAULT. The occurrence of any of the following shall constitute an Event of Default:

(a) Guarantor's failure to pay any amount on the date or in the manner required hereunder;

(b) Guarantor's default in the due performance or observance of any other covenant, condition or provision to be performed or observed by it hereunder;

(c) The occurrence of an Event of Default under the Loan Documents.

9. REMEDIES, RIGHTS UPON DEFAULT. If an Event of Default occurs and is continuing:

(a) Secured Party may exercise, in addition to all other rights and remedies granted in the Loan Documents, in this Security Agreement, and in any other instrument or agreement securing, evidencing or relating to the Obligations, all rights and remedies of a secured party under the UCC.

(b) To the extent that it may lawfully do so, Guarantor agrees that it will not at any time insist upon, plead or in any manner whatsoever claim or take the benefit or advantage of any appraisal, valuation, stay, extension or redemption laws, or any law permitting it to direct the order in which the Trademarks or any part thereof shall be sold, now or at any time hereafter in force, which may delay, prevent or otherwise affect the performance or enforcement of this Security Agreement or the Obligations and hereby expressly waives all benefit or advantage of any such laws and covenants that it will not hinder, delay or impede the execution of any power granted or delegated to Secured Party in this Security Agreement, but will suffer and permit the execution of every such power as though no such laws were in force.

(c) Guarantor shall be responsible for any and all expenses, including reasonable attorneys' fees and expenses, incurred or paid by Secured Party or Lenders in protecting or enforcing any rights of Secured Party hereunder. Secured Party and Lenders shall also have the right to pay all other sums deemed necessary or desirable by it for the preservation and protection of the Trademarks, or for the realization thereupon, including taxes, insurance, application and renewal fees, and any other fees or costs. All such sums so paid by Secured Party or Lenders shall be "Obligations" within the meaning of this Security Agreement, due upon demand.

10. NOTICES. Except as otherwise specified herein, all notices, requests, demands or other communications to or on Guarantor or Secured Party shall be in writing (including teletransmissions), and shall be given or made, as provided in the Loan Documents.

11. SEVERABILITY. Any provision herein that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

12. NO WAIVER OF RIGHTS. No failure to exercise nor any delay in exercising, on the part of Secured Party, any right, remedy, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power, or privilege

operate as a waiver of any further or complete exercise thereof. No waiver shall be effective unless in writing. No waiver or condonation of any breach on one occasion shall be deemed a waiver or condonation on any other occasion.

13. CUMULATIVE REMEDIES. This Security Agreement and the obligations of Guarantor hereunder are in addition to and not in substitution for any other obligations or security interests now or hereafter held by Secured Party and shall not operate as a merger of any contract or debt or suspend the fulfillment of or affect the rights, remedies, powers, or privileges of Secured Party in respect of any obligation or other security interest held by it for the fulfillment thereof. The rights and remedies provided hereunder are cumulative and not exclusive of any other rights or remedies provided by law or under the Loan Documents.

14. SPECIFIC ENFORCEMENT. Due to the unique nature of the Trademark Collateral, and in order to preserve its value, the Guarantor agrees that the Guarantor's agreements, duties and obligations under this Security Agreement shall be subject to specific enforcement and other appropriate equitable orders and remedies.

15. SUCCESSORS. This Security Agreement shall be binding upon and inure to the benefit of Guarantor, Secured Party and their respective successors and assigns, except that Guarantor may not assign or transfer its rights or obligations hereunder without the prior written consent of Secured Party. Secured Party may from time to time assign its rights and delegate its obligations, in which event Guarantor shall only have recourse to the assignee for the performance of Secured Party's obligations that have been so delegated.

16. GOVERNING LAW. This Security Agreement shall be governed by, and construed and interpreted in accordance with, the laws of the State of Connecticut.

17. COUNTERPARTS. This Security Agreement may be executed by one or more of the parties on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

18. DESCRIPTIVE HEADINGS. The captions in this Security Agreement are for convenience of reference only and shall not define or limit the provisions hereof.
