copyright license between the Pledgor and the Borrower or any of its Restricted Subsidiaries and (b) any patent, trademark or copyright license constituting part of the International Publications), and the right to use the foregoing in connection with the enforcement of the Administrative Agent's rights under the Credit Agreement, including without limitation, the right to prepare for sale and sell any and all Inventory now or hereafter owned by the Pledgor and now or hereafter covered by such licenses (all of the foregoing are hereinafter referred to collectively as the "Licenses"). Notwithstanding the foregoing provisions of this paragraph 7, the Licenses shall not include any license agreement in effect as of the date hereof which by its terms prohibits the grant of the security contemplated by this Agreement; provided, however, that upon the termination of such prohibitions for any reason whatsoever, the provisions of this paragraph 7 shall be deemed to apply thereto automatically.

8. Restrictions on Future Agreements. The Pledgor will not, without the Administrative Agent's prior written consent, enter into any agreement, including, without limitation, any license agreement, which is inconsistent with this Agreement, and the Pledgor further agrees that it will not take any action, and will use its best efforts not to permit any action to be taken by others subject to its control, including, without limitation, licensees, or fail to take any action, which would in any material respect adversely affect the validity or enforcement of the rights transferred to the Administrative Agent under this Agreement or the rights associated with the Trademarks, the Patents, the Copyrights or the Licenses.

9. New Trademarks, Copyrights, Patents and Licenses. The Pledgor represents and warrants that, from and after the Agreement Date, (a) the Trademarks listed on Schedule 1 include all of the trade names, registered trademarks, trademark applications, registered service marks and service mark applications now owned or held by the Pledgor, (b) the Patents listed on Schedule 2 include all of the patents and patent applications now owned or held by the Pledgor, (c) the Copyrights listed on Schedule 3 include all of the copyright registrations now owned or held by the Pledgor, (d) the Licenses listed on Schedule 4 include all of the patent, trademark or copyright license agreements under which the Pledgor is the licensee or licensor (other than any license agreements between the Pledgor and the Borrower or any of the Restricted Subsidiaries), and (e) no Liens, claims or security interests in such Trademarks, Patents, Copyrights or Licenses have been granted by the Pledgor to any Person other than the Administrative Agent and except as disclosed in the Credit Agreement. If, prior to the termination of this Agreement, the Pledgor shall (i) obtain rights to or become entitled to the benefit of any new trademarks, trade names, registered trademarks, trademark applications, service marks, registered service marks or service mark applications, (ii) obtain rights to or become entitled to the benefit of any patent or patent application or any reissue, division, continuation, renewal, extension or continuation-in-part of any Patent or any improvement on any Patent, (iii) obtain rights to or become entitled to the benefit of any new copyrights or copyright registrations, (iv) obtain rights to or become entitled to the benefit of any new trademark, patent or copyright license agreements, whether as licensee or licensor, or license renewals, or (v) enter into any new license agreement, the provisions of paragraph 4, 5, 6 and 7 above shall automatically apply thereto (to the extent permitted by licensors under agreements in connection with the granting of such licenses). The Pledgor shall give to the Administrative Agent written notice of events

described in clauses (i), (ii), (iii), (iv) and (v) of the preceding sentence as required pursuant to Section 6.5(g) of the Credit Agreement. The Pledgor hereby authorizes the Administrative Agent to modify this Agreement unilaterally (i) by amending Schedule 1 to include any future trademarks, trade names, registered trademarks, trademark applications, service marks, registered service marks and service mark applications that are Trademarks under paragraph 4 above or under this paragraph 9, (ii) by amending Schedule 2 to include any future patents and patent applications, which are Patents under paragraph 5 above or under this paragraph 9, (iii) by amending Schedule 3 to include any future copyrights and copyright registrations, which are Copyrights under paragraph 6 above or under this paragraph 9, (iv) by amending Schedule 4 to include any future trademark, patent or copyright license agreements that are Licenses under paragraph 7 above or under this paragraph 9, and (v) by filing, in addition to and not in substitution for this Agreement, a duplicate original of this Agreement containing on Schedule 1 thereto, as the case may be, such future trademarks, tradenames, registered trademarks, trademark applications, service marks, registered service marks and service mark applications and containing on Schedule 2 thereto, as the case may be, such future patents and patent applications, and containing on Schedule 3 such future copyrights and copyright registrations and containing on Schedule 4 thereto, as the case may be, such future license agreements.

10. Royalties. The Pledgor hereby agrees that the use by the Administrative Agent of the Trademarks, Patents, Copyrights and Licenses as authorized hereunder in connection with the Administrative Agent's exercise of its rights and remedies under paragraph 19 or pursuant to any Loan Document shall be coextensive with the Pledgor's rights thereunder and with respect thereto and without any liability for royalties or other related charges from the Administrative Agent to the Pledgor.

11. Further Assignments and Security Interest. The Pledgor agrees, to the extent not otherwise permitted under the Credit Agreement, (i) not to sell or assign any of its interests in, or grant any license under, the Trademarks, the Copyrights or the Patents without the prior and express written consent of the Administrative Agent and (ii) not to sell or assign its respective interests in the Licenses without the prior and express written consent of the Administrative Agent; provided, however, that without the Administrative Agent's consent the Pledgor may grant licenses and sublicenses in the ordinary course of business that will not materially adversely affect the value to the Pledgor of the rights so licensed or sublicensed.

12. Nature and Continuation of the Administrative Agent's Security Interest; Termination of the Administrative Agent's Security Interest. This Agreement is made for collateral security purposes only. This Agreement shall create a continuing security interest in the Trademarks, Patents, Copyrights and Licenses and shall terminate only when the Secured Obligations have been paid in full in cash and the Credit Agreement has been terminated. When this Agreement has terminated, the Administrative Agent shall promptly execute and deliver to the Pledgor, at the Pledgor's expense, all termination statements and other instruments as may be necessary or proper to terminate the Administrative Agent's security interest in the Trademarks, Patents, Copyrights and Licenses, subject to any disposition thereof which may have been made by the Administrative Agent pursuant to this Agreement.

13. Duties of the Pledgor. The Pledgor shall have the duty, to the extent desirable in the normal conduct of the Pledgor's business, (a) to prosecute diligently any trademark application or service mark application that is part of the Trademarks pending as of the date hereof or hereafter until the termination of this Agreement, (b) to prosecute diligently any patent application that is part of the Patents pending as of the date hereof or hereafter until the termination of this Agreement, and (c) to take all reasonable and necessary action to preserve and maintain all of the Pledgor's rights in the Trademarks, the Patents, the Copyrights and the Licenses. The Pledgor further agrees (i) not to abandon any Trademark, Patent, Copyright or License that is necessary or economically desirable in the operation of the Pledgor's business without the prior written consent of the Administrative Agent, and (ii) to use its commercially reasonable efforts to maintain in full force and effect the Trademarks, Patents, Copyrights and Licenses that are or shall be necessary or economically desirable in the operation of the Pledgor's business. Any expenses incurred in connection with the foregoing shall be borne by the Pledgor. The Administrative Agent shall not have any duty with respect to the Trademarks, the Patents, the Copyrights or the Licenses. Without limiting the generality of the foregoing, the Administrative Agent shall not be under any obligation to take any steps necessary to preserve rights in the Trademarks, the Patents, the Copyrights or the Licenses against any other parties, but the Administrative Agent may do so at its option from and after the occurrence and during the continuance of an Event of Default, and all expenses incurred in connection therewith shall be for the sole account of the Pledgor and shall be added to the Secured Obligations secured hereby.

14. Indemnification by the Pledgor. The Pledgor hereby agrees to indemnify and hold harmless the Administrative Agent for any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements (including, without limitation, reasonable attorneys' fees) of any kind whatsoever which may be imposed on, incurred by or asserted against the Administrative Agent in connection with or in any way rising out of any suits, proceedings or other actions, relating to any or all of the Trademarks, the Patents, the Copyrights or the Licenses (including, without limitation, whether brought by the Pledgor or any other Person, suits, proceedings or other actions in which an allegation of liability, strict or otherwise, is or may be made by any Person who alleges or may allege having suffered damages as a consequence of alleged improper, imprudent, reckless, negligent, willful, faulty, defective or substandard design, testing, specification, manufacturing supervision, manufacturing defect, manufacturing deficiency, publicity or advertisement or improper use, howsoever arising or by whomsoever caused, of any inventions disclosed and claimed in the Patents or any of them); unless with respect to any of the above, the Administrative Agent is judicially determined to have acted or failed to act with gross negligence or willful misconduct. The indemnification in this paragraph shall survive the termination of this Agreement.

15. The Administrative Agent's Right to Sue. From and after the occurrence and during the continuance of an Event of Default, the Administrative Agent shall have the right, but shall not be obligated, to bring suit in its own name to enforce the Trademarks, the Patents, the Copyrights and the Licenses and, if the Administrative Agent shall commence any such suit, the Pledgor shall, at the request of the Administrative Agent, do any and all lawful acts and execute any and all proper

documents reasonably required by the Administrative Agent in aid of such enforcement. The Pledgor shall, upon demand, promptly reimburse the Administrative Agent for all costs and expenses incurred by the Administrative Agent in the exercise of its rights under this paragraph 15 (including, without limitation, reasonable fees and expenses of attorneys and paralegals for the Administrative Agent).

16. Waivers. The Administrative Agent's failure, at any time or times hereafter, to require strict performance by the Pledgor of any provision of this Agreement shall not waive, affect or diminish any right of the Administrative Agent thereafter to demand strict compliance and performance therewith nor shall any course of dealing between the Pledgor and the Administrative Agent have such effect. No single or partial exercise of any right hereunder shall preclude any other or further exercise thereof or the exercise of any other right. None of the undertakings, agreements, warranties, covenants and representations of the Pledgor contained in this Agreement shall be deemed to have been suspended or waived by the Administrative Agent unless such suspension or waiver is in writing signed by an officer of the Administrative Agent, and directed to the Pledgor and specifying such suspension or waiver.

17. Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but the provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part hereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

18. Modification. This Agreement cannot be altered, amended or modified in any way, except as specifically provided in paragraph 9 hereof or by a writing signed by the parties hereto.

19. Power of Attorney; Cumulative Remedies.
