Dated as of November 21, 2000

ASSET PURCHASE AGREEMENT

ASSET PURCHASE AGREEMENT, dated as of November 21, 2000 (this "Agreement"), by and among AUTOLIV ASP, INC., an Indiana corporation (the "Parent"), OEA, Inc., a Delaware corporation and a wholly owned subsidiary of the Parent ("OEA"), OEA Aerospace, Inc., a California corporation and a wholly-owned subsidiary of OEA (the "Company", and together with the Parent and OEA, the "Sellers") and THE B.F.GOODRICH COMPANY, a New York corporation ("B.F.Goodrich") and THE UNIVERSAL PROPULSION COMPANY, INC., a Delaware corporation and wholly-owned subsidiary of B.F.Goodrich ("B.F.G Sub" and together with B.F.Goodrich, the "Buyer").

WHEREAS, the Company is engaged in the business of the design, development and manufacture of high reliability propellant- and cartridge-actuated devices, used in the sophisticated personnel escape systems of manned weapons platforms, missiles and aircraft (the "Business"); and

WHEREAS, the Buyer desires to purchase and assume from the Sellers, and the Sellers desire to sell, assign, transfer, convey and deliver to the Buyer, substantially all the assets and properties relating to the Business, together with certain obligations and liabilities relating thereto, all in the manner and subject to the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, warranties, covenants and agreements contained herein, and intending to be legally bound hereby, the parties hereto agree as follows:

ARTICLE I

SALE OF ASSETS

Section 1.1. Sellers' Assets.

(a) Acquired Assets. Subject to the terms of this Agreement, the Sellers agree to sell, assign, transfer, convey and deliver to the Buyer, and the Buyer agrees to purchase and acquire from the Sellers, free and clear of all Liens (as hereinafter defined), each Sellers' right, title and interest in and to the assets (collectively, the "Acquired Assets") (wherever located and whether or not required to be reflected on a balance sheet prepared in accordance with generally accepted accounting principles in the United States ("USGAAP")) as set forth in Section 1.1(a) of the disclosure schedule being delivered by the Sellers to the Buyer concurrently herewith (the "Seller Disclosure Schedule") used primarily in,

arising primarily from or related primarily to the Business ("Related to the Business").

For purposes of this Agreement, "Liens" shall mean all liens, pledges, charges, claims, security interests or other encumbrances except for (a) statutory liens relating to taxes not yet due and payable and (b) encumbrances that are agreed upon in writing by the Buyer (the "Permitted Encumbrance").

Section 1.2. Assumption of Liabilities. Subject to the terms of this Agreement, the Buyer hereby agrees to assume, pay, perform and discharge when due the liabilities and obligations set forth in Section 1.2 of the Seller Disclosure Schedule (collectively, the "Assumed Liabilities"). However, the Buyer shall not assume any environmental liabilities of the Sellers or the Business, such liabilities are retained liabilities of the Sellers who agree to pay, perform and discharge the retained liabilities when due.

Section 1.3. Consideration. (a) Not later than the third business day prior to the Closing Date, the Sellers will cause to be prepared and delivered to the Buyer in accordance with USGAAP and consistent with past practice (i) an unaudited estimated balance sheet of the Business as of the Closing Date, which shall be based on the unaudited balance sheet of the Business as of July 28, 2000 but brought forward to the Closing Date and prepared in the same manner as the Closing Balance Sheet as described in Section 1.4 below (the "Estimated Closing Balance Sheet") and (ii) a certificate of a senior financial officer of the Company setting forth in reasonable detail a calculation of an estimate of the value of the Net Current Assets (as hereinafter defined) of the Business as of the Closing Date determined in the same manner as the Closing Net Current Asset Amount described in Section 1.4 below (the "Estimated Net Current Asset Amount"). "Net Current Assets" shall mean receivables (net of an allowance for uncollectible accounts in accordance with USGAAP and consistent with past practice), inventory (excluding supplemental excess, obsolete and slow moving reserve amounts as disclosed in Section 2.4(a) of the Seller Disclosure Schedule), plus prepaid expenses and other current assets (excluding tax-related assets specifically itemized on the Closing Balance Sheet), less the sum (without duplication) of (i) accounts payable, (ii) accrued expenses (excluding taxes which shall be retained by the Seller) and (iii) deferred revenue. For the avoidance of doubt, all reserve amounts related to inventory disclosed in Section 2.4(a) of the Seller Disclosure Schedule, combined with the reserve amounts for inventory disclosed on the unaudited balance sheet of the Business as of July 28, 2000, shall be the final calculation of such reserve amounts as of that date.

(b) Subject to the terms of this Agreement, in consideration of the aforesaid sale, assignment, transfer and conveyance of the Acquired Assets,

Section 2.16. Title to Assets. (a) Except as set forth in Section 2.16 of the Seller Disclosure Schedule, the Sellers have good and valid title to all the Acquired Assets.

(b) Except as set forth in Section 2.16 of the Seller Disclosure Schedule, all the Acquired Assets (excluding Assets that are described in the Seller Disclosure Schedule as being leased or owned by third parties) are owned by the Sellers free and clear of all Liens.

Section 2.17. Patents, Copyrights, Trademarks, and Licenses. (a) Except as set forth in Section 2.17(a) of the Seller Disclosure Schedule, there are no (i) patents or reissues, divisions, continuations or extensions thereof, or pending patent applications which are derived by the Sellers which are used by or for the benefit of the Sellers, in connection with the Business; (ii) registered or material unregistered trademarks or service marks or trade names, or pending applications for registration of trademarks or service marks which are derived by or for the benefit of the Sellers, in connection with the Business; (iii) registered copyrights or applications for registration of copyrights which are derived by or for the benefit of the Sellers in connection with the Business (together, the Intellectual Property").

(b) Except as set forth in Section 2.17(b) of the Seller Disclosure Schedule, there are no licenses (whether as licensor, licensee or otherwise) or to which any of the Sellers is a party or to which any of the assets of the Business are otherwise subject.

(c) Except as set forth in Section 2.17(c) of the Seller Disclosure Schedule, to the knowledge of the Sellers, the Sellers own or use without infringement any and all formulae, trade secrets, inventions, technology, proprietary know-how, art work, designs, processes and other intellectual property now used by the Sellers in connection with the Business, including each item set forth in Section 2.17(a) of the Seller Disclosure Schedule.

(d) Except as set forth in Section 2.17(d) of the Seller Disclosure Schedule, (i) the Sellers have not received any written notice of any, and to the Sellers' knowledge there are no, claims that have been asserted by any Person in the past year which remain unresolved against the use by the Sellers of any of the Intellectual Property or challenging or questioning the validity or effectiveness of any license or agreement described on or referred to in Section 2.17(b) of the Seller Disclosure Schedule; (ii) the Sellers have not received any written notice of any, and to the Sellers' knowledge there are no, allegations by any Person in the past year which remain unresolved that the Sellers have infringed
