## ASSIGNMENT OF PATENTS AND TRADEMARKS

WHEREAS, Styling Technology Corporation ("Assignor") a corporation organized under the laws of the State of Delaware and having its principal place of business in the City of Scottsdale, State of Arizona.

WHEREAS, Assignor is the owner of certain inventions for which letters Patent have been issued and which are the subject of applications for letters Patent by the offices of the United States and/or various other countries, including without limitation those described and identified on Schedule 1 attached hereto (collectively "The Patents").

WHEREAS, Assignor is the owner of certain trademarks which are pending registration in the offices of the United States and/or various other countries, including without limitation those described and identified on Schedule 2 attached hereto (collectively the "Trademarks").

WHEREAS, American International Industries ("Assignee") organized and existing under the laws of the State of California and having its principal place of business in the City of Commerce, State of California, is desirous of acquiring all the right, title and interest in and to the Patents and Trademarks and the inventions and registrations thereof and any pending applications therefor and the goodwill of the business pertaining thereto.

THEREFORE, FOR GOOD AND VALUABLE CONSIDERATION, receipt of which is hereby acknowledged, Assignor makes this Assignment of Patents and Trademarks effective January 11, 2000 as follows:

### 1. GRANT OF RIGHTS:

(a) Patents: Assignor irrevocably grants, sells, transfers, assigns and delivers to buyer, all right, title and interest of every kind and character throughout the world to the Patents and inventions embodied therein and the goodwill of the business pertaining thereto including without limitation, any and all modifications thereof and improvements thereon, the benefit of any and all agreements, assignments and other documents entered into by Assignor regarding the Patents, all results and proceeds and any contracts relating to the Patents, all documents regarding such right, title and interest in the Patents and any and all such rights which may later arise, be created or be acquired by Assignor, it being acknowledged and understood that it is the intention of this assignment to confer upon Assignee full and complete ownership of the Patents for their life, or any term, allowed by law.

(b) Trademarks: Assignor irrevocably grants, sells, transfers, assigns and delivers to buyer, all right, title and interest of every kind and character throughout the world to the Trademarks and the goodwill of the business pertaining thereto, including without limitation, the benefit of any and all agreements, assignments and other documents entered into by Assignor regarding the Trademarks, all results and proceeds of any contracts relating to the Trademarks, all documents regarding such right, title and interest in the Trademarks and any and all such rights which may later arise, be created or be acquired by Assignor, it being

acknowledged and understood that it is the intention of this assignment to confer upon Assignee a full and complete ownership of the Trademarks for their life, or any term, allowed by law.

2. **WARRANTIES:** Assignor represents and warrants:

(a) It holds sole ownership and title to the Patents and Trademarks and will never grant, transfer, encumber or assign in whole or in part, any right, title or interest in and to the Patents or Trademarks in a manner inconsistent with the grant to Assignee under this agreement. The Patents or Trademarks include all of the patents, trademarks and registrations therefor purchased from Inverness Corporation.

3. **RIGHTS AND OBLIGATIONS:**

(a) Assignor appoints Assignee as its irrevocable attorney in fact with the right but not the obligation to enforce and protect all rights, licenses and privileges and property granted under any and all of the Patents or Trademarks to prevent any infringement of them, and to litigate, collect and receive compensation for all damages arising from any infringement of rights, licenses or privileges of any of the Patents or Trademarks. Assignor agrees to cooperate with Assignee in any such suit or action so instituted by Assignee.

(b) Assignor agrees to execute and deliver and cause to be executed and delivered to Assignee, any and all documents and instruments, in form and substance reasonably satisfactory to Assignor and its counsel, necessary to effect and complete the transfer; grant or sale to Assignee of all rights or property acquired or intended to be acquired by Assignee under this Agreement.

(c) Assignee, its successors and assigns are empowered to do all things and acts necessary in the name of Assignee to enforce, prosecute or register all rights of the Patents or Trademarks or otherwise granted hereunder. Assignee is specifically empowered but not obligated to secure such rights in its own name. Assignee is authorized and appointed attorney in fact of and for Assignor to make execute, deliver any and all documents, certificates and other instruments in obtaining, securing and extending any of the rights, registrations, licenses, certificates or other filings for the Patents or Trademarks, so long as such documents do not create any liabilities or obligations for Assignor.
