## TRADEMARK SECURITY AGREEMENT

### (Trademarks, Trademark Registrations, Trademark Applications and Trademark Licenses)

WHEREAS, Xerox and each of its subsidiaries party hereto (each, a "**Lien Grantor**") owns, or in the case of licenses is a party to, the Trademark Collateral (as defined below);

WHEREAS, XEROX CORPORATION ("**Xerox**"), the Overseas Borrowers party thereto, the Lenders party thereto, BANK ONE, NA, as Administrative Agent, Collateral Agent and LC Issuing Bank, JPMORGAN CHASE BANK, as Documentation Agent and CITIBANK, N.A., as Syndication Agent, are parties to a Credit Agreement dated as of June 21, 2002 (as amended from time to time, the "**Credit Agreement**"); and

WHEREAS, pursuant to (i) a Guarantee and Security Agreement dated as of June 21, 2002 (as amended and/or supplemented from time to time, the "**Security Agreement**") among Xerox, the Subsidiary Guarantors party thereto and BANK ONE, NA, as Collateral Agent for the Secured Parties referred to therein (in such capacity, together with its successors in such capacity, the "**Grantee**"), and (ii) certain other Domestic Security Documents (including this Trademark Security Agreement), each Lien Grantor has secured certain of its obligations (the "**Secured Obligations**") by granting to the Grantee for the benefit of such Secured Parties a continuing security interest in personal property of that Lien Grantor, including all right, title and interest of the Lien Grantor in and to the Trademark Collateral (as defined below);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Lien Grantor grants to the Grantee for the benefit of the Secured Parties (as defined in the Security Agreement), to secure its Secured Obligations, a continuing security interest in and to all of the Lien Grantor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "**Trademark Collateral**"), except to the extent (and only to the extent) prohibited by a Permitted Encumbrance (as defined in the Security Agreement), whether now owned or existing or hereafter acquired or arising:

(i) each Trademark (as defined in the Security Agreement) owned by the Lien Grantor, including, without limitation, each Trademark registration and application referred to in Schedule I hereto, and all of the

goodwill of the business symbolized by or associated with each Trademark;

(ii) each Trademark License (as defined in the Security Agreement) to which the Lien Grantor is a party, and all of the goodwill of the business symbolized by or associated with each Trademark licensed pursuant thereto; and

(iii) all proceeds of and revenues from the foregoing, including, without limitation, all proceeds of and revenues from any claim by the Lien Grantor against third parties for past, present or future unfair competition with, or violation of intellectual property rights in connection with or injury to, or infringement or dilution of, any Trademark owned by the Lien Grantor (including, without limitation, any Trademark identified in Schedule 1 hereto), or for injury to the goodwill associated with any of the foregoing.

Each Lien Grantor hereby irrevocably appoints the Grantee its true and lawful attorney, with full power of substitution, in the name of the Lien Grantor, the Grantee, the Secured Parties or otherwise, for the use and benefit of the Secured Parties, but at the Borrowers' (as defined in the Credit Agreement) expense, to the extent permitted by law to exercise, upon the occurrence and during the continuance of an Actionable Event of Default (as defined in the Security Agreement) or upon acceleration of the Loans (as defined in the Credit Agreement) in accordance with the terms of the Credit Agreement, all or any of the following powers with respect to all or any of the Trademark Collateral:

(a) to demand, sue for, collect, receive and give acquittance for any and all monies due or to become due thereon or by virtue thereof,

(b) to settle, compromise, compound, prosecute or defend any action or proceeding with respect thereto,

(c) to sell, transfer, assign or otherwise deal in or with the same or the proceeds thereof, as fully and effectually as if the Grantee were the absolute owner of the Lien Grantor's right, title and interest therein, and

(d) to extend the time of payment of any or all thereof and to make any allowance and other adjustments with reference thereto.
